Item 1.01. Entry into a Material Definitive Agreement.

As of July 10, 2015, America First Multifamily Investors, L.P. (the “Partnership”), and its affiliate, ATAX TEBS III, LLC, entered into a number of agreements relating to a new long-term debt financing facility provided through the securitization of nine of the Partnership’s mortgage revenue bonds (the “Bonds”) with the Federal Home Loan Mortgage Corporation (“Freddie Mac”) pursuant to Freddie Mac’s Tax-Exempt Bond Securitization program, also known as the “TEBS” program (the “TEBS Financing”). The closing for the TEBS Financing occurred on July 10, 2015. The gross proceeds from the TEBS Financing were approximately \$84.3 million. After payment of transaction expenses, the Partnership received net proceeds from the TEBS Financing of approximately \$82.2 million. The Partnership applied approximately \$37.5 million of these net proceeds to repay the entire outstanding principal of, and accrued interest on, its line of credit with Banker’s Trust that was previously used by the Partnership as short term financing facilities to fund additional assets purchased during June 2015. The remainder of the net proceeds from the TEBS Financing is available for liquidity and investment opportunities.

The TEBS Financing provides the Partnership with a long-term variable rate debt facility at interest rates reflecting prevailing short-term tax-exempt rates. Under the TEBS Financing, the Partnership transferred all of the Bonds, with a total outstanding principal amount of approximately \$105.4 million, to ATAX TEBS III, LLC, a special purpose entity controlled by the Partnership (the “Sponsor”). The Bonds were securitized by transferring these assets to Freddie Mac in exchange for Class A and Class B Freddie Mac Multifamily Variable Rate Certificates, Series M-033 (collectively, the “TEBS Certificates”) issued by Freddie Mac. The TEBS Certificates represent beneficial interests in the securitized assets held by Freddie Mac.

The Class A TEBS Certificates were issued in an initial principal amount of approximately \$84.3 million and were sold through a placement agent to unaffiliated investors. The Class B TEBS Certificates were issued in an initial principal amount of approximately \$21.1 million and were retained by the Sponsor. The holders of the Class A TEBS Certificates are entitled to receive regular payments of interest from Freddie Mac at a variable rate which resets periodically based on the weekly Securities Industry and Financial Markets Association (“SIFMA”) floating index rate plus certain credit, facility, remarketing, and servicing fees (the “Facility Fees”). As of closing, the SIFMA rate was equal to 0.04% and the total Facility Fees were approximately 1.3%. The fees relating to the interest rate caps entered into in connection with the transaction (described below) were approximately 0.1%, and the finance costs were approximately 0.5%, resulting in a total cost of this financing facility of approximately 2.0%.

Payment of interest on the Class A TEBS Certificates will be made from the interest payments received by Freddie Mac from the Bonds held by Freddie Mac on designated interest payment dates prior to any payments of interest on the Class B TEBS Certificates held by the Sponsor. As the holder of the Class B TEBS Certificates, the Sponsor is not entitled to receive interest payments on the Class B TEBS Certificates at any particular rate, but will be entitled to all payments of principal and interest on the Bonds after payment of principal and interest due on the Class A TEBS Certificates and payment of all Facility Fees and associated expenses. Accordingly, the amount of interest paid to the Sponsor on the Class B TEBS Certificates is expected to vary over time, and could be eliminated altogether, due to fluctuations in the interest rate payable on the Class A TEBS Certificates, Facility Fees, expenses, and other factors.

In order to mitigate its exposure to interest rate fluctuations on the variable rate TEBS Financing, the Sponsor also entered into interest rate cap agreements with Wells Fargo Bank National Association, the Royal Bank of Canada, and Sumitomo Mitsui Banking Corporation, each in an initial notional amount of approximately \$28.1 million, which effectively limits the interest payable by the Sponsor on Class A TEBS Certificates to a fixed rate of 3.0% per annum on the combined notional amounts of the interest rate cap agreements through August 15, 2020.

Freddie Mac has guaranteed payment of scheduled principal and interest payments on the Class A TEBS Certificates and also has guaranteed payment of the purchase price of any Class A TEBS Certificates that are tendered to Freddie Mac in accordance with their terms but which cannot be remarketed to new holders within five business days. The Sponsor is obligated to reimburse Freddie Mac for certain expenses, including any payments made by Freddie Mac under its guaranty. These obligations of the Sponsor are also guaranteed by the Partnership. The Partnership also entered into various subordination agreements with Freddie Mac under which the Partnership has subordinated its rights and remedies with respect to the tax-exempt and taxable bonds and mortgage loans made by it to the owners of properties securing certain of the Bonds to the rights of Freddie Mac as the holder of the Bonds.

For financial reporting purposes, the TEBS Financing will be recorded by the Partnership as a secured financing.

Following is a brief description of the principal agreements affecting the rights and obligations of the Partnership and/or the Sponsor in connection with the TEBS Financing. Each of the following documents is attached as an exhibit to this Current Report on Form 8-K and is incorporated by reference herein. Each such description is qualified in its entirety by reference to the full text of the document so described.

Sale, Contribution and Assignment Agreement

Under the Sale, Contribution and Assignment Agreement between the Partnership and the Sponsor, the Partnership sold and conveyed the Bonds with a total outstanding principal amount of approximately \$105.4 million. The Sponsor securitized the Bonds with Freddie Mac and received gross proceeds of approximately \$84.3 million and the Class B TEBS Certificate in the principal amount of approximately \$21.1 million. Under the Sale, Contribution and Assignment Agreement, the Sponsor kept the Class B TEBS Certificate and delivered the gross proceeds per the direction of the Partnership. The difference between the outstanding principal of the Bonds, plus accrued and unpaid interest on the Bonds as of the closing date, and the cash purchase price paid by the Sponsor to the Partnership, was treated as a capital contribution to the Sponsor by the Partnership. The Sale, Contribution and Assignment Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Subordinate Bonds Custody Agreement

Under the Subordinate Bonds Custody Agreement by and among The Bank of New York Mellon Trust Company, N.A. (the "Custodian"), as custodian for Freddie Mac, the Partnership, and the Sponsor, the Sponsor deposited 8 additional subordinate bonds (the "Subordinate Bonds"), with a total outstanding principal amount of approximately \$8.0 million, into an account with the Custodian. The Sponsor is entitled to all payments of principal and interest on the Subordinate Bonds and has not pledged the Subordinate Bonds. The Sponsor, however, may not sell or transfer the Subordinate Bonds without the written consent of Freddie Mac. The Subordinate Bonds Custody Agreement is attached hereto as Exhibit 10.2 and is incorporated herein by reference.

Bond Exchange, Reimbursement, Pledge and Security Agreement

Under the Bond Exchange, Reimbursement, Pledge and Security Agreement between Freddie Mac and the Sponsor (the "Bond Exchange Agreement"), the Sponsor transferred 9 Bonds with a principal balance of approximately \$105.4 million to Freddie Mac in exchange for the Class A and Class B TEBS Certificates. The Bond Exchange Agreement provides, among other things, that the Sponsor will reimburse Freddie Mac (subject to certain limitations set forth therein) for (i) actual losses, if any, resulting from breaches of the Sponsor's representations and warranties, subject to certain conditions set forth in the Bond Exchange Agreement, and (ii) certain advances made by Freddie Mac in its capacity as credit enhancer of the Class A TEBS Certificates. The Bond Exchange Agreement also sets forth the circumstances in which the parties may or are required to release any of the Bonds underlying the TEBS Certificates. Among other things, the Sponsor may elect to purchase all (but not less than all) of the Bonds from Freddie Mac on either July 15, 2020 or July 15, 2025. The Sponsor also retains a right to require a Bond to be released from Freddie Mac in the event of a payment default on the Bond which remains uncured for two consecutive scheduled payment dates or 60 days, whichever is shorter, by paying Freddie Mac the unpaid principal and accrued interest on the Bond plus a yield maintenance payment. In addition, the Sponsor has a limited right to substitute new bonds for existing Bonds held by Freddie Mac in certain circumstances. The Bond Exchange Agreement is attached hereto as Exhibit 10.3 and is incorporated herein by reference.

Series Certificate Agreement

The rights, preferences, tender option and disposition provisions, remarketing provisions, and other terms of the Class A and Class B TEBS Certificates are set forth in the Series Certificate Agreement between Freddie Mac, in its corporate capacity, and Freddie Mac, in its capacity as administrator (the "Series Certificate Agreement"). Pursuant to the Series Certificate Agreement, Freddie Mac serves as administrator of the TEBS Certificates. As administrator, Freddie Mac will, among other things, distribute interest and principal payments generated by the Bonds held by Freddie Mac to the holders of the TEBS Certificates in accordance with the distribution provisions of the Series Certificate Agreement. Freddie Mac also serves as credit enhancer of the Class A TEBS Certificates

pursuant to the Series Certificate Agreement, and as such guarantees the payment of principal of the Bonds and interest on the Class A TEBS Certificates. In addition, Freddie Mac serves as liquidity provider in respect of the tender and remarketing of the Class A TEBS Certificates pursuant to the tender option and remarketing provisions of the Series Certificate Agreement. The Series Certificate Agreement also sets forth the provisions pursuant to which distributions due to the holders of the Class B TEBS Certificates are applied to reimburse Freddie Mac for credit advances and liquidity advances made by it in its capacity as credit enhancer and liquidity provider for the Class A TEBS Certificates. The Series Certificate Agreement also governs the termination of Freddie Mac's obligations with respect to the TEBS Certificates and the mandatory tender and termination of the TEBS Certificates. The Series Certificate Agreement (including the Standard Terms and Definitions incorporated therein) are attached hereto as Exhibit 10.4 and are incorporated herein by reference.

Limited Support Agreement

Pursuant to the Limited Support Agreement between the Partnership and Freddie Mac, the Partnership has guaranteed the obligations of the Sponsor pursuant to the provisions of the Bond Exchange Agreement that require the Sponsor to indemnify Freddie Mac with respect to the matters described above under the description of the Bond Exchange Agreement. The Limited Support Agreement is attached hereto as Exhibit 10.5 and is incorporated herein by reference.

Rate Cap Agreements

The Sponsor also has entered into interest rate cap agreements with Wells Fargo Bank, National Association, the Royal Bank of Canada, and Sumitomo Mitsui Banking Corporation (the "Rate Cap Agreements"). Under each of the Rate Cap Agreements, the Sponsor and the respective counterparty have agreed to make payments to each other which effectively limit the interest payable by the Sponsor on Class A TEBS Certificates to a fixed rate of 3.0% per annum on the notional amount of the Rate Cap Agreements. The initial notional amount of each Rate Cap Agreement is approximately \$28.1 million, which, when aggregated, equals the principal amount of the Class A TEBS Certificates issued pursuant to the TEBS Financing. Each Rate Cap Agreement has a term running through August 15, 2020. The Rate Cap Agreements are attached hereto as Exhibits 10.6, 10.7, and 10.8 and are incorporated herein by reference. The rate cap notional amounts will amortize in accordance with the total Bond amortization of the underlying portfolio.

The Partnership and the Sponsor entered into two previous TEBS financing arrangements in September 2010 and July 2014 relating to long-term debt financing facilities provided through similar securitizations of the Partnership's Bonds with Freddie Mac, and entered into various agreements in connection therewith with Freddie Mac, The Bank of New York Mellon Trust, N.A., Barclays Bank PLC, Sumitomo Mitsui Banking Corporation, and the Royal Bank of Canada. For a description of these prior TEBS financings, see the Current Reports on Form 8-K filed by the Partnership with the SEC on September 8, 2010 and July 16, 2014, respectively. Other than the September 2010 and July 2014 TEBS financings, there is no affiliation between the Partnership or the Sponsor, on the one hand, and Freddie Mac, The Bank of New York Mellon Trust, N.A., Barclays Bank PLC, The Bank of New York Mellon, Wells Fargo Bank, National Association, the Royal Bank of Canada, or Sumitomo Mitsui Banking Corporation, on the other hand, and the terms of each of the foregoing agreements were determined by arm's-length negotiations.

On July 13, 2015, the Partnership issued a press release announcing the TEBS Financing, a copy of which is attached as Exhibit 99.1 and is incorporated by reference herein.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On July 10, 2015, the Partnership completed the TEBS Financing and, in connection therewith, transferred the Bonds, with a total outstanding principal amount of approximately \$105.4 million, to the Sponsor as described in Item 1.01 of this report. The information set forth under Item 1.01 above with respect to the transfer of the Bonds in connection with the TEBS Financing is hereby incorporated by reference into this Item 2.01.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 above with respect to the TEBS Financing is hereby incorporated by reference into this Item 2.03, insofar as it relates to the creation of a direct financial obligation of the Partnership or an obligation under an off-balance sheet arrangement of the Partnership.

WHEREAS, ATAX is the sole economic member of the Sponsor;

WHEREAS, ATAX is the owner of certain multifamily housing revenue bonds listed on Schedule I hereto (the "Bonds");

WHEREAS, concurrently with delivery of this Agreement, ATAX is causing the Sponsor, pursuant to the Reimbursement Agreement, to deposit the Bonds (the "Deposited Assets") with Freddie Mac in exchange for two or more series of certificates (collectively, the "Certificates") evidencing undivided beneficial interests in the Bonds related to the series of certificates;

WHEREAS, pursuant to the Credit Enhancement, Freddie Mac has agreed to guaranty certain payments due on the Class A Certificates;

WHEREAS, ATAX desires to cause the Class A Certificates to be sold to investors and to have Freddie Mac guaranty payments due on the Class A Certificates and to have the Sponsor retain the Class B Certificates;

WHEREAS, ATAX will gain substantial benefit by causing the Sponsor to enter into the transactions contemplated by the Reimbursement Agreement; and

(iv) **Fair Value.** ATAX has received reasonably equivalent value and fair consideration for the Bonds that it assigned to the Sponsor.

(v) **Good Title; Absence of Liens; Security Interest.** Immediately prior to the transfer to the Sponsor, ATAX is the owner of, and has good and marketable title to, the Bonds that it assigned to the Sponsor free and clear of all liens, and has full right, corporate power and lawful authority to assign, transfer and pledge such Bonds.

ATAX is not transferring (or causing to be transferred) the Bonds to the Sponsor and is not causing any affiliate of ATAX to transfer any Bonds to the Sponsor, and is not causing the Sponsor to transfer any Bonds to Freddie Mac, all as contemplated by the Sponsor Documents, with any intent to hinder, delay or defraud any of ATAX's or its affiliates' creditors.

(ii) **Organization and Existence.** The Sponsor (i) is a limited liability company duly organized and existing pursuant to the laws of the State of Delaware, (ii) has the power and authority to own its properties and to carry on its business as now being conducted and as contemplated hereby, and (iii) has the power and authority to execute and perform all of its undertakings hereunder.

The Sponsor does not contemplate the commencement of insolvency, bankruptcy, liquidation or consolidation proceedings or the appointment of a receiver, liquidator, conservator, trustee or similar official in respect of the Sponsor or any of its assets. The Sponsor is not transferring the Bonds to Freddie Mac, all as contemplated by the Sponsor Documents, with any intent to hinder, delay or defraud any of the Sponsor's creditors.

Section 6. Characterization of Transfer. It is the express intention of the parties hereto that the Transfer of the Bonds by ATAX to the Sponsor be, and be construed as, an absolute sale and transfer to the Sponsor and not as a secured borrowing or a pledge of the Bonds by ATAX to the Sponsor to secure a debt or other obligation of ATAX. ATAX will record the transaction as a sale from ATAX to the Sponsor; provided however, that due to consolidation of the Sponsor with ATAX under GAAP, the sale transaction will be presented on the consolidated financial statements of ATAX and the Sponsor as a secured financing for GAAP and, therefore, the Class A Certificates will be reported as debt on the consolidated financial statements of ATAX. However, in the event that, notwithstanding the aforementioned intent of the parties, the Bonds are held to be property of ATAX, then, and exclusively and solely in such event, it is the express intent of the parties that such conveyance be deemed to be a pledge of the Bonds by ATAX to the Sponsor to secure a debt or other obligation of ATAX and this Agreement shall also be deemed to be a security agreement within the meaning of Articles 8 and 9 of the New York Uniform Commercial Code.

Section 7. Headings. The various headings in this Agreement are included for conveyance only and shall not affect the meaning or interpretation of any provision of this Agreement. References in this Agreement to section names or numbers are to such sections of this Agreement.

Section 8. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

Section 9. Counterparts. This Agreement may be executed in two or more counterparts each of which shall be an original, but all of which together shall constitute one and the same instrument.

SUBORDINATE BONDS CUSTODY AGREEMENT

THIS SUBORDINATE BONDS CUSTODY AGREEMENT (this "Custody Agreement"), dated as of July 1, 2015, is among THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A. (the "Custodian"), a national banking association, not in its individual capacity, but solely in its capacity as custodian for the Federal Home Loan Mortgage Corporation ("Freddie Mac"), AMERICA FIRST MULTIFAMILY INVESTORS, L.P. (the "Depositor"), a limited partnership organized and existing under the laws of the State of Delaware and ATAX TEBS III, LLC, a limited liability company organized and existing under the laws of the State of Delaware (the "Sponsor").

The meaning of capitalized terms can be determined by reference to Section 1.2 of this Custody Agreement.

BASIS FOR THIS AGREEMENT

A. Pursuant to the Series Certificate Agreement dated as of July 1, 2015 (together with the Standard Terms of the Series Certificate Agreement attached thereto, the "Series Certificate Agreement") between Freddie Mac in its corporate capacity and Freddie Mac in its capacity as Administrator, Freddie Mac has agreed with the Sponsor (a wholly owned subsidiary of the Depositor), to exchange certain certificates (collectively, the "Certificates") for certain assets of the Sponsor acquired from the Depositor consisting of the tax-exempt bonds set forth on Schedule 1 of the Series Certificate Agreement (the "Bonds") and to provide credit enhancement with respect to the related Bonds and the Certificates and to provide liquidity support for Class A Certificates (as such term is defined in the Series Certificate Agreement) all as more fully set forth therein.

B. The Sponsor's reimbursement obligations to Freddie Mac with respect to the Certificates are set forth in the Bond Exchange, Reimbursement, Pledge and Security Agreement dated as of July 1, 2015 (the "Reimbursement Agreement") between the Sponsor and Freddie Mac.

C. As a condition to Freddie Mac's delivery of the Certificates to the Sponsor and its providing of credit enhancement and liquidity support with respect thereto, the Depositor is required to deliver this Custody Agreement whereby the Depositor is delivering on or prior to July 10, 2015 (the "Deposit Date") the full outstanding amount of the related subordinate bonds and taxable loan set forth on Exhibit A hereto (the "Immobilized Bonds") to the Custodian for the benefit of Freddie Mac to be held as provided hereunder.

D. While the Immobilized Bonds deposited with the Custodian hereunder are not pledged to Freddie Mac as security for the Sponsor's obligations to Freddie Mac under the Reimbursement Agreement, the Depositor has agreed that such Immobilized Bonds shall be immobilized in the custody of the Custodian for Freddie Mac's benefit during the term of the Reimbursement Agreement.

E. The Custodian has agreed to act as Custodian upon the terms and subject to the conditions set forth in this Custody Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and undertakings set forth in this Custody Agreement and other good and valuable consideration, the receipt and sufficiency of which are acknowledged by the Depositor and the Custodian, the Depositor and the Custodian agree as follows:

1. Incorporation of Recitals; Definitions; Interpretation; Reference Materials.

1.1. *Incorporation of Recitals.* The recitals set forth in “Basis for this Agreement” are, by this reference, incorporated into and deemed a part of this Custody Agreement.

1.2. *Definitions.* Initially capitalized terms used in this Custody Agreement shall have the meanings given to those terms in this Custody Agreement. Initially capitalized terms used in this Custody Agreement and not defined in this Custody Agreement shall have the meanings given to those terms in the Reimbursement Agreement.

The following terms shall have the respective meanings set forth below for all purposes of this Agreement.

“*Bond Documents*” means with respect to a series of Immobilized Bonds or a series of Senior Bonds, the trust indenture, trust agreement, ordinance, resolution and any other agreements or instruments pursuant to which such Immobilized Bonds or Senior Bonds may be issued or secured (including any loan agreement, note, mortgage, or deed of trust delivered to the applicable Bond Trustee) or governing the operation of the multifamily project financed thereby or any other documents, instruments and agreements pertaining to a series of Immobilized Bonds or Senior Bonds, including but not limited to any subordination agreements, as the same may be amended or supplemented from time to time.

“*Bond Trustee*” means with respect to a series of Immobilized Bonds or a series of Senior Bonds, the financial institution designated as trustee pursuant to the applicable Bond Documents. The term “Bond Trustee” shall also be deemed to refer to, with respect to a series of Immobilized Bonds or a series of Senior Bonds, any separate paying agent therefor.

“*Bonds*” shall have the meaning set forth in “Basis for this Agreement”.

“*Event of Default*” means with respect to a series of Immobilized Bonds or a series of Senior Bonds, any event defined as an “Event of Default” under any related Bond Document (provided any cure period specified as being applicable to such event has expired).

“*Servicer*” means the eligible servicing institution designated by Freddie Mac from time to time (which may be Freddie Mac) or its successor, as servicer of the Bond Mortgage Loan. Initially, NorthMarq Capital, LLC shall serve as the Servicer.

1.3. *Interpretation.* Words importing any gender include all genders. The singular form of any word used in this Custody Agreement shall include the plural, and vice versa, unless the context otherwise requires. Words importing persons include natural persons, associations, partnerships and corporations.

1.4. *Reference Materials.* Sections mentioned by number only are the respective sections of this Custody Agreement so numbered. Reference to “this section” or “this subsection” shall refer to the particular section or subsection in which such reference appears. Any captions, titles or headings preceding the text of any section and any table of contents or index attached to this Custody Agreement are solely for convenience of reference and shall not constitute part of this Custody Agreement or affect its meaning, construction or effect.

2. Custody of the Bonds. Upon the execution and delivery of this Custody Agreement by the parties hereto, the Depositor shall irrevocably deliver to and deposit with the Custodian the Immobilized Bonds free and clear of all claims, liens and security interests and encumbrances, and the Custodian shall accept delivery of the Immobilized Bonds. The Custodian hereby acknowledges its receipt of the Immobilized Bonds and copies of the executed instruments of transfer with respect thereto. If not initially delivered registered in the name of the Custodian, the Custodian shall use best efforts to arrange with each applicable Bond Trustee for the Immobilized Bonds to be registered in the name of the Custodian or its nominee, and the Depositor shall assist, cooperate and take any action needed to accomplish the registration of the Immobilized Bonds in the name of the Custodian or its nominee. The Custodian shall establish a segregated account, separate and apart from all other accounts of the Custodian, designated the “Immobilized Bonds Account” into which the Custodian shall deposit the Immobilized Bonds and any payments received with respect thereto.

3. Bond Payments. Payments received by the Custodian with respect to a series of Immobilized Bonds shall be promptly paid over to the Depositor except as set forth herein. If the Custodian either obtains actual knowledge that a payment received with respect to the Immobilized Bonds has not been made in accordance with the applicable Bond Documents or the Custodian receives written notice from Freddie Mac or the Servicer that such payment has not been made in accordance with the applicable Bond Documents, such payment shall not be paid over to the Depositor, but instead shall be returned to the applicable Bond Trustee to be disbursed in accordance with the applicable Bond Documents. If the Custodian either obtains actual knowledge of an Event of Default or the Custodian receives written notice from Freddie Mac or the Servicer of an Event of Default, any payments wrongfully received by the Custodian with respect to the related series of Immobilized Bonds shall not be paid over to the Depositor, but instead shall be held by the Custodian in escrow hereunder and shall, subject to Section 5.2(vi) below, be invested at the written direction of the Depositor pending the resolution of the Event of Default. If such Event of Default is cured or waived, the Custodian shall release the applicable funds to the Depositor at the written direction of Freddie Mac. If such Event of Default is not cured or waived and an acceleration occurs with respect to the related series of Senior Bonds, at the written direction of Freddie Mac, the Custodian shall release such funds to Freddie Mac in payment for any obligations due to Freddie Mac with respect to such Senior Bonds.

4. Subordination; No Exercise of Rights or Remedies.

4.1. The Custodian and the Depositor hereby acknowledge that all rights to payments with respect to a series of Immobilized Bonds shall be subordinate to all amounts due with respect to the applicable series of Senior Bonds as set forth in the applicable Bond Documents and hereunder, both prior to and after the respective maturity dates of the Immobilized Bonds. During the term hereof, the Depositor's only rights with respect to the Immobilized Bonds shall be to receive payments thereon as provided herein.

4.2. Without the prior written consent of Freddie Mac in each instance, neither the Custodian nor the Depositor shall (i) amend, modify, waive, extend, renew or replace any provision of any of the Bond Documents, (ii) pledge, assign, transfer, convey, or sell any interest in the Immobilized Bonds or any of the Bond Documents; (iii) accept any payment on account of the Immobilized Bonds unless it is in compliance with the terms of the Bond Documents and the terms hereof; (iv) take any action which has the effect of increasing the amount of the Immobilized Bonds; or (v) exercise (or direct the exercise of) any right of consent, voting right or proxy or any other right or action under the Bond Documents or otherwise with respect to the Immobilized Bonds, including, but not limited to any remedial rights or action.

4.3. The Custodian and the Depositor acknowledge that Freddie Mac may grant or refuse consent to any remedial rights or actions with respect to the Immobilized Bonds in Freddie Mac's sole and absolute discretion. The exercise of any remedial rights or actions with respect to the Immobilized Bonds will be subject to the terms hereof. The Custodian and the Depositor acknowledge that the provisions of this Section 4 are fair and reasonable under the circumstances, that the Depositor has received a substantial benefit from Freddie Mac having granted its consent to keep the Immobilized Bonds outstanding, and that Freddie Mac would not have granted such consent without the inclusion of these provisions in this Custody Agreement.

4.4. Freddie Mac may pursue all rights and remedies available to it under the Bond Documents, at law, or in equity. No action or failure to act on the part of Freddie Mac in the event of any Event of Default shall constitute a waiver on the part of Freddie Mac of any provision of the Bond Documents or this Custody Agreement.

4.5. The Depositor shall have the right to have a series of Immobilized Bonds released on any Business Day from under this Custody Agreement in the event either (i) the related series of Senior Bonds are released from the applicable Series Pool pursuant to a Release Event funded by the Sponsor or (ii) the full amount outstanding of the related series of Senior Bonds have been redeemed and Freddie Mac has been fully reimbursed with respect to any Advance made in connection with such redemption. In connection with any release of Immobilized Bonds pursuant to this Section 4.5, the Depositor shall provide written notice to the Custodian setting forth the circumstances allowing such release and the date on which such release is to occur, along with a signed acknowledgement from Freddie Mac that the conditions to release have occurred.

4.6. Notwithstanding anything herein to the contrary, the Depositor shall have the right to direct the Custodian in writing to surrender a series of Immobilized Bonds to the applicable Bond Trustee for cancellation in accordance with the applicable Bond Documents pursuant to a written direction to the Custodian (along with a copy of such direction to Freddie Mac). Upon cancellation, the Custodian shall promptly provide written notice of such cancellation to the Depositor and Freddie Mac.

5. Custody Provisions.

5.1. *Custody Arrangement.* The Custodian shall hold the Immobilized Bonds (including all payments derived therefrom) delivered to it pursuant to this Custody Agreement in custody only, identified separate and apart from the general assets of the Custodian. The Custodian shall not have the authority to assign, transfer, pledge, set-off or otherwise dispose of any of the Immobilized Bonds, or of any interests therein, except as provided hereunder or as required by law.

5.2. *Appointment and Powers of the Custodian.*

(i) The Depositor acknowledges the appointment of the Custodian as custodian for Freddie Mac under this Custody Agreement, and authorizes the Custodian to take such action and to exercise such rights, remedies, powers and privileges under this Custody Agreement as are specifically authorized to be exercised by the Custodian by the terms of this Custody Agreement. The Custodian may execute any of its duties as custodian under this Custody Agreement by or through agents or employees and shall be entitled to consult with and retain experts (including counsel) and to act in reliance upon the advice of such experts (including legal opinions) concerning all matters pertaining to the agencies created by this Custody Agreement and its duties under this Custody Agreement, and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel selected by it. The Custodian agrees to perform only those duties specifically set forth in this Custody Agreement and no implied duties or obligations shall be read into this Custody Agreement.

(ii) The Custodian shall have no duty to exercise any discretionary right, remedy, power or privilege granted to it by this Custody Agreement, or to take any affirmative action under this Custody Agreement, unless directed to do so by Freddie Mac in writing, and shall not, without the prior written approval of Freddie Mac, consent to any departure by the Depositor from the terms of this Custody Agreement, waive any uncured default on the part of the Depositor under this Custody Agreement or amend, modify, supplement or terminate, or agree to any surrender of, this Custody Agreement or the Immobilized Bonds; provided, that the Custodian shall not be required to take any action which exposes the Custodian to personal liability, financial or otherwise, or which is contrary to this Custody Agreement, or any other agreement or instrument relating to the Immobilized Bonds or applicable law.

(iii) Neither the Custodian nor any of its directors, officers, employees or agents, shall be liable for any action taken or omitted to be taken by it or them under this Custody Agreement, or in connection with this Custody Agreement, except for its or their own gross negligence or willful misconduct; nor shall the Custodian be responsible for the validity, effectiveness, value, sufficiency or enforceability against the Depositor of this Custody Agreement or any other document furnished pursuant to this Custody Agreement or in connection with this Custody Agreement, or of the Immobilized Bonds (or any part thereof), or for the perfection or priority of any security interest purported to be granted under this Custody Agreement.

(iv) The Custodian shall be entitled to conclusively rely on any communication, instrument, paper or other document believed by it in good faith to be genuine and correct and to have been signed or sent by the proper person or persons.

(v) None of the provisions contained in this Custody Agreement shall require the Custodian to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Custody Agreement except for any liability of the Custodian arising from its own gross negligence or willful misconduct.

(vi) The Custodian may conclusively rely upon the Depositor's written instructions as to both the suitability and legality of all directed investments. The Custodian may make any and all investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. In the absence of written investment instructions from the Depositor, the Custodian shall not be responsible or liable for keeping the moneys held by it hereunder fully invested. The Custodian shall not be liable for any loss from any directed investments. Each of the parties hereto (other than the Custodian) agree that broker confirmations of permitted investments are not required to be issued by the Custodian for each month in which a monthly statement is rendered by the Custodian.

5.3. *Successor Custodian.*

(i) The Custodian acting under this Custody Agreement at any time may resign by an instrument in writing addressed and delivered to the Depositor and Freddie Mac, and may be removed at any time with or without cause by an instrument in writing duly executed by or on behalf of Freddie Mac.

(ii) Freddie Mac shall have the right to appoint a successor to the Custodian upon any such resignation or removal by an instrument of substitution complying with the requirements of applicable law, or, in the absence of any such requirements, without formality other than appointment and designation in writing. Upon the making and acceptance of such appointment, the execution and delivery by such successor Custodian of a ratifying instrument pursuant to which such successor Custodian agrees to assume the duties and obligations imposed on the Custodian by the terms of this Custody Agreement, and the delivery to such successor Custodian of the Immobilized Bonds and documents and instruments then held by the retiring Custodian, such successor Custodian shall thereupon succeed to and become vested with all the estate, rights, powers, remedies, privileges, immunities, indemnities, duties and obligations by this Custody Agreement granted to or conferred or imposed upon the Custodian named in this Custody Agreement, and on such appointment and designation shall not exhaust the right to appoint and designate further successor Custodians under this Custody Agreement. No Custodian shall be discharged from its duties or obligations under this Custody

Agreement until the Immobilized Bonds and documents and instruments then held by such Custodian shall have been transferred or delivered to the successor Custodian with notice to the Depositor and until such retiring Custodian shall have executed and delivered to the successor Custodian appropriate instruments assigning the retiring Custodian's security or other interest in the Immobilized Bonds to the successor Custodian. The retiring Custodian shall not be required to make any representation or warranty in connection with any such transfer or assignment, except only that it has not created any liens on the Immobilized Bonds other than liens granted pursuant to this Custody Agreement.

(iii) If no successor Custodian shall be appointed, as provided above, or, if appointed, shall not have accepted its appointment, within thirty (30) days after resignation or removal of the retiring Custodian, then the Custodian may appoint a successor Custodian satisfying the terms herof. Each such successor Custodian shall provide the Depositor and Freddie Mac with its address, to be used for purposes of giving notice hereunder. Notwithstanding the resignation or removal of any Custodian under this Custody Agreement, the provisions of this Custody Agreement shall continue to inure to the benefit of such Custodian in respect of any action taken or omitted to be taken by such Custodian in its capacity as such while it was Custodian under this Custody Agreement.

5.4. *Qualifications of Custodian.* Any Custodian at any time acting under this Custody Agreement must at all times be a bank with trust powers or a trust company organized under the laws of the United States of America or any State of the United States, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000 (or be the wholly-owned subsidiary of a corporation or other entity meeting such requirement) or have at least \$500,000,000 in assets under trust management.

5.5. *Fees, Expenses, Indemnification.* Depositor shall pay to the Custodian such reasonable fee for its services as shall be agreed upon by the Custodian. Depositor agrees to reimburse the Custodian, on demand, for all reasonable out-of-pocket costs and expenses incurred by the Custodian in connection with the administration and enforcement of this Custody Agreement (including, without limitation, reasonable attorney's fees, costs and expenses) and agrees to indemnify and hold harmless the Custodian and its officers, directors, agents, employees, subsidiaries and affiliates from and against any and all losses, costs, claims, damages, penalties, causes of action, suits, judgments, liabilities and expenses (including, without limitation, reasonable attorneys' fees, costs and expenses) incurred by the Custodian under this Custody Agreement or in connection with this Custody Agreement, unless such liability shall be due to willful misconduct or gross negligence on the part of the Custodian or its agents or employees. The Custodian shall not be liable for any action undertaken by it pursuant to this Custody Agreement unless due to the gross negligence or willful misconduct of the Custodian. The obligations of the Depositor under this Section 5.5 shall survive the termination of this Custody Agreement, the resignation of the Custodian, and the discharge of the other obligations of the Depositor under this Custody Agreement.

6. Miscellaneous Provisions.

6.1. *Termination.* This Custody Agreement shall remain in effect until the termination of the Reimbursement Agreement at which time Custodian shall, at the written direction of Freddie Mac, release the Immobilized Bonds to the Depositor and execute any instruments of transfer necessary to evidence such release.

6.2. *Successors and Assigns.* This Custody Agreement shall inure to the benefit of, and be enforceable by the parties hereto, and Freddie Mac and their respective successors and permitted assigns, and nothing herein expressed or implied shall be construed to give any other Person any legal or equitable rights under this Custody Agreement. Insofar as there may be no applicable rule or precedent under Federal law, and insofar as to do so would not frustrate the purposes of any provision of the Freddie Mac Act, the local law of the State of New York will be deemed reflective of Federal law. The parties agree that any legal actions between Freddie Mac, the Sponsor or the Custodian hereunder will be originated in the United States District Court in and for the Eastern District of Virginia, and the parties hereby consent to the jurisdiction and venue of said Court in connection with any action or proceeding initiated concerning this Custody Agreement.

6.8. *Severability.* If any term or other provision of this Custody Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Custody Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Custody Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible.

6.9. *Multiple Counterparts.* This Custody Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument and each of which shall be, and shall be deemed to be, an original.

6.10. *Effectiveness.* This Custody Agreement shall be effective upon full execution by the parties hereto.

BOND EXCHANGE, REIMBURSEMENT, PLEDGE AND SECURITY AGREEMENT

THIS BOND EXCHANGE, REIMBURSEMENT, PLEDGE AND SECURITY AGREEMENT dated as of July 1, 2015 (this “Agreement”) by and between the **FEDERAL HOME LOAN MORTGAGE CORPORATION** (“Freddie Mac”), a shareholder-owned government-sponsored enterprise organized and existing under the laws of the United States, and **ATAX TEBS III, LLC**, a limited liability company organized and existing under the laws of the State of Delaware, as Sponsor (the “Sponsor”).

RECITALS:

1. Freddie Mac has agreed with the Sponsor to exchange certain Certificates described below for various series of multifamily housing revenue bonds owned by the Sponsor, the interest on which is excludable from the gross income of certain holders for federal income tax purposes and which have been issued by various state and local governmental entities (as further identified on Schedule A-1, the “Bonds”).
2. Freddie Mac will deposit and pool the Bonds pursuant to a Series Certificate Agreement dated as of the date hereof (together with the Standard Terms attached thereto, the “Series Certificate Agreement”) between Freddie Mac, in its corporate capacity, and Freddie Mac, as Administrator.
3. Pursuant to the Series Certificate Agreement, Freddie Mac has agreed to provide credit enhancement with respect to the Bonds and the related Certificates issued thereunder and to provide liquidity support for Class A Certificates issued thereunder.
4. The Sponsor will arrange for the initial public sale of the Class A Certificates and the subordinate Class B Certificates will be initially registered in the name of and retained by the Sponsor, subject to transfer in accordance with Section 3.15 hereof.
5. The Class B Certificates will provide first loss support for Freddie Mac, as Freddie Mac shall have the right to receive and reimburse itself from Available Funds under the Series Certificate Agreement prior to the distribution of any such funds to the Holders of Class B Certificates. Freddie Mac will additionally be secured by the Sponsor’s pledge of (i) any Pledged Class A Certificates purchased pursuant to Section 6.06 of the Series Certificate Agreement to be held for the benefit of Freddie Mac pursuant to Article VIII, (ii) any Purchased Bonds held for the benefit of Freddie Mac pursuant to Article VIII, and (iii) the Hedge Collateral pursuant to Section 5.5. (a) **Rent Schedule; Data Tape.** The rent schedules submitted to Freddie Mac contain no material errors of which the Sponsor has knowledge, and accurately states the gross potential rents, the actual leased rents, the rent concessions provided (if any), and the rent subsidies (if any) for each Mortgaged Property as of the effective date thereof, and all other information regarding the Mortgaged Property contained in the Data Tape provided to Freddie Mac regarding the Mortgaged Property is true, complete and correct in all material respects.

(b) **Location of Improvements.** All improvements to the Mortgaged Property that have been included in its appraised value lie within the boundaries of the land as described in the legal description attached to the related Bond Mortgage, or to the extent that any such improvements encroach onto any adjoining land, each such encroachment falls within the exceptions for encroachments set forth in *Guide* Chapter 16 except as set forth on Schedule B. No improvements on neighboring properties encroach onto the Mortgaged Property, or all such encroachments fall within the exceptions for encroachments set forth in *Guide* Chapter 16.

(c) **No Damage.** There exists no unrepaired or unrestored damage to the Mortgaged Property from fire or other casualty since the date of the Bond Mortgage that would materially and adversely affect its value as security for the Bond Mortgage, or, if such damage exists, sufficient funds have been escrowed to fully restore the Mortgaged Property to the same size and density as existed prior to such casualty, and such restoration is permitted under all applicable building and zoning laws and regulations.

(d) **Mortgaged Property Condition and Operation**

(i) The Mortgaged Property is in good and habitable condition except as noted on Schedule B.

(ii) To Sponsor's best knowledge, there is no material uncured violation at the Mortgaged Property of any building or housing code or similar law or ordinance.

(iii) Except for the Mortgaged Properties listed on Schedule B which are currently undergoing rehabilitation, all repairs and improvements to the Mortgaged Property required by the related repair escrow agreement have been completed in accordance with the terms thereof.

(iv) Sponsor has completed a site inspection of the Mortgaged Property on or after March 3, 2015. Sponsor's inspection of the Mortgaged Property did not disclose any conditions that would materially adversely affect the value of the Mortgaged Property, which were not taken into account in the appraisal of the Mortgaged Property, including, but not limited to, environmental hazards, needed repairs, tenancy issues, the condition of adjoining properties and other similar matters.

(v) The Mortgaged Property is adequately served by public water and sewer systems and all necessary public utilities.

(vi) The Mortgaged Property is in material compliance with all applicable statutes, rules and regulations, including, but not limited to, subdivision, health, safety, fire and building codes. The Mortgaged Property is in material compliance with all regulatory agreements and restrictive covenants which affect the Mortgaged Property. The physical configuration of the Mortgaged Property is not in material violation of the Americans with Disabilities Act.

(vii) The Mortgaged Property is located in one of the fifty (50) states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the U.S. Virgin Islands or other territories or possessions of the United States.

(viii) The Mortgaged Property consists of five (5) or more dwelling units. (For the purposes of this representation and warranty, a "dwelling unit" must include both a kitchen and a bathroom.)

(ix) No Mortgaged Property is operated as a manufactured housing park.

(x) If the Mortgaged Property includes any retail, commercial or other non-residential units ("mixed uses"), (A) (1) it is a single structure; or (2) it consists of multiple structures, some of which contain mixed uses, but none of which are exclusively retail or commercial; or (3) it consists of multiple structures, most of which are entirely residential, but one (or a small number) of which consists of retail stores primarily intended to serve residents of the Mortgaged Property; and (B) gross income from non-residential uses does not exceed 20% of the Mortgaged Property's gross income; and (C) the area devoted to non-residential uses does not exceed 20% of the Mortgaged Property.

(xi) No Mortgaged Property is a Seniors Housing Property (as defined in the Guide).

(e) **Condemnation.** No part of the Mortgaged Property has been taken by condemnation or any similar proceeding since the date of the Bond Mortgage, and, to the best of Sponsor's knowledge, there is no pending or threatened (in writing) condemnation or similar proceeding with respect to all or any part of the Mortgaged Property.

(f) **Authorization and Execution of Documents.** The Bond Mortgage and all documents delivered in connection with the Bond Mortgage have been validly authorized and executed by the parties thereto. With respect to each Mortgaged Property, all documents delivered in connection with the Bond Mortgage and the related issue of Bonds have been validly authorized and executed by the parties thereto.

(g) **Loan Proceeds; Settlement Statement.** To Sponsor's best knowledge, all proceeds of the Bond Mortgage for any Mortgaged Property have been disbursed directly to, or for the account of, the Owner in a manner that satisfied the requirements of the Bond Documents other than the Mortgaged Properties set forth on and as described on Schedule B.

(h) **Insurance.** The Mortgaged Property is covered by hazard, flood, liability and rent loss insurance that meets the requirements of the *Guide* as of the applicable Closing Date except as set forth on Schedule B. Without limiting the generality of the foregoing, for any Bond Mortgage secured by a Mortgaged Property located in whole or in part in a Special Flood Hazard Area ("SFHA") identified by the Federal Emergency Management Agency, (i) each building that lies within the SFHA is covered by flood insurance in an amount at least equal to the least of (A) its insurable replacement cost, (B) its prorated portion of the unpaid principal balance of the related Bonds as of the Closing Date in the case of a Mortgaged Property, or (C) the maximum limit of coverage available under the National Flood Insurance Program, and (ii) the community where the Mortgaged Property is located participates in the National Flood Insurance Program.

(i) **Delinquencies and Defaults.** Except as described on Schedule B, (i) all payments due under the terms of the Bond Mortgage Documents have been made, and there have been no delinquencies of 30 days or more since the origination of the Bond Mortgage, (ii) there are no material non-monetary defaults under the terms of the Bond Mortgage Documents, and (iii) there have been no material non-monetary defaults which have remained uncured for 30 days or more since the date of the origination of the Bond Mortgage. No Bond Mortgage Document is cross-defaulted, and no Bond Mortgage is cross-collateralized, with any other transaction, except as disclosed to, and approved by, Freddie Mac prior to the date hereof.

(j) **Form 8038.** Form 8038 relating to each series of Bonds that was "reissued" (for federal tax purposes) or is a new issue with respect to the Mortgaged Property has been or will be timely filed with the Internal Revenue Service.

(k) **Bond Mortgage Ownership.** Each Bond Trustee is the sole owner and holder (except for certain reserved rights of the Issuer) of the Bond Mortgage related to the issue of Bonds for which it is the Bond Trustee. The Bond Trustee's interest in each such Bond Mortgage is free and clear of any third party security interests, claims and encumbrances of any kind (except for certain reserved rights of the Issuer).

(l) **Third-Party Reports.** The Sponsor has provided or caused to be provided to Freddie Mac all third party reports in its possession relating to the Mortgaged Property or the Owner, including, without limitation, any credit report, appraisal, engineering report, environmental report or audit, title insurance policy, flood zone determinations and surveys. With respect to each such report, the Sponsor represents and warrants that (i) a Sponsor Affiliate has examined the report, (ii) the preparer of the report is appropriately qualified and (iii) to the Sponsor's best knowledge, the report is complete and accurate.

(m) **Undisclosed Information about Owner.** Except as disclosed to Freddie Mac in writing, the Sponsor has no actual knowledge of any fact or circumstance affecting the Owner or the Mortgaged Property that materially and adversely affects the Owner's ability to meet its obligations under the Bond Mortgage in a timely manner.

(n) **Insolvency.** Except as specifically described on Schedule B, no bankruptcy, insolvency, reorganization or comparable proceeding has ever been instituted by or against the Owner or any guarantor or indemnitor of the Owner's obligations at any time during the last seven (7) years, and no such proceeding is now pending against any such party.

(o) **Information from Owner.** No information provided by the Owner or any guarantor is untrue, inaccurate or misleading in any material and adverse respect, and the description of the Owner, and each principal of the Owner, contained in the Data Tape is true, complete and correct in all material respects.

(p) **Negligence.** To Sponsor's best knowledge, there has been no negligent act or omission by the Sponsor, any principal of the Sponsor, any Sponsor Affiliate or any employee of the Sponsor or Sponsor Affiliate that has a material adverse effect on the value of the Bond Mortgage.

(q) **Enforceability.** The Bond Mortgage and the related Bond Mortgage Documents are enforceable in accordance with their terms, subject to the effect of bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to or affecting the enforcement of creditors, rights generally, and general principles of equity (whether such enforcement is considered in a proceeding at law or in equity) and any other qualifications set forth in any legal opinion delivered at the closing of the Bond Mortgage relating to such enforceability. The Owner has no rights of offset, defense, counterclaim or rescission with respect to the Bond Mortgage Documents. The Sponsor has complied with all applicable laws, regulations and administrative requirements, state, local and federal, which would affect in any material respect the enforceability of the Bond Mortgage Documents against the Owner, and the Bond Mortgage Documents comply with all applicable laws, regulations and requirements with respect to usury.

(r) **Title; First Lien.** Except as indicated on Schedule B, the Owner holds its interest in the Mortgaged Property in fee simple. The lien of each Bond Mortgage is insured by one or more lender's title insurance policies insuring the applicable Bond Trustee, and its successors and assigns, as to the first priority lien (except as noted on

Schedule B with respect to the Bonds of a subordinate series) of such Bond Mortgage in the aggregate principal amount of the Bonds to which it relates, subject only to: (i) the lien of current real property taxes, ground rents, water charges, sewer rents and assessments not yet due and payable; and (ii) the exceptions (general and specific) set forth in such title policies, including all covenants, conditions and restrictions, rights of way, easements and other matters of public record, none of which, individually or in the aggregate, materially interferes with (A) the current use of the Mortgaged Property or the security intended to be provided by such Bond Mortgage, (B) the Owner's ability to pay its obligations when they become due, or (C) the value of the Mortgaged Property. No new liens or other matters of record have been filed against the Mortgaged Property since the date of the applicable title insurance policy that would not be insured by the title insurance policy as being subordinate to the lien of the Bond Mortgage, and no such lien, individually or in the aggregate, materially interferes with (A) the current use of the Mortgaged Property or the security intended to be provided by such Bond Mortgage, (B) the Owner's ability to pay its obligations when they become due, or (C) the value of the Mortgaged Property or such lien has been released. Each such title policy contains all endorsements as are required as of the date hereof by Section 29.1(g) of the *Guide*, or equivalent affirmative insurance, and otherwise conforms in all respects with the *Guide* except as set forth on Schedule B. The Sponsor has made no claims under any of such title insurance policies.

(s) **Taxes Paid.** All taxes, water and sewer charges, ground rents, governmental assessments and other similar charges having a lien, or which would create a lien upon the Mortgaged Property if unpaid by their payment due date, have been paid, or amounts sufficient to cover the same in the ordinary course have been escrowed under the Bond Mortgage Documents consistent with the requirements of such Bond Mortgage Documents.

(t) **Equal Opportunity.** The origination of each Bond Mortgage by the Sponsor or its Affiliates did not violate any applicable federal, state and local laws and regulations, which if violated would materially and adversely affect the enforceability of the Bond Mortgage, including but not limited to each of the following and regulations issued under each of the following:

(i) Title VIII of the Civil Rights Act of 1968, as amended, 42 U.S.C. §§3601 et seq. (1996).

(ii) Title VII of the Consumer Credit Protection Act, as amended, 15 U.S.C. §§1691 - 1691f (1996).

(iii) Section 527 of the National Housing Act, as amended, 12 U.S.C. §1735f-5 (1996).

(u) **Status.** The Sponsor has complied with all laws relating to licensing, qualification to do business and approval to originate mortgages in the state in which the Mortgaged Property is located to the extent necessary to ensure the validity and enforceability of the Bond Mortgage Documents and performance of the Sponsor's obligations under this Agreement.

(v) **Environmental.** Except as disclosed to Freddie Mac in environmental reports delivered to Freddie Mac or as listed on Schedule B, there is not now nor has there ever been:

(i) any storage, disposal or discharge of hazardous materials or substances on or affecting the Mortgaged Property,

(ii) any event or condition with respect to the Mortgaged Property, that constitutes a material violation of any applicable local, state, or federal environmental or public health law, or

(iii) any pending or threatened (in writing) environmental or public health litigation or administrative action by any private party or public authority with respect to the Mortgaged Property.

(w) **Interest Computation.** Each Indenture with respect to the related Bonds provides for computation of interest on the basis of a 360-day year comprised of twelve 30-day months to the maturity date of the Bonds. Each Bond Mortgage Note provides for computation of interest on the basis of a 360-day year comprised of twelve 30-day months to the maturity date of the Bond Mortgage Note.

(x) **Bond Requirements.** Except as indicated on Schedule B:

(i) any Bonds originally issued as “draw-down” Bonds have been completely drawn down;

(ii) all Bonds are secured by a recorded mortgage or deed of trust granted by the related Owner in favor of the related Bond Trustee (or granted to the Issuer and then assigned to the related Bond Trustee);

(iii) all Bonds bear interest at fixed rate to maturity or an earlier reset date (and in the case of any earlier reset date, will bear interest at a fixed rate thereafter to be determined in accordance with the related Bond Documents), and there are no other interest rate modes under the related Bond Documents or if there are other interest rate modes the Bonds can only be converted to such mode with the prior written consent of the Bondholder Representative;

(iv) with respect to each series of Bonds, neither the Issuer nor the Trustee nor any other third party may direct or cause an acceleration or redemption of the Bonds or the related Bond Mortgage Loan or a foreclosure of the lien of the related Bond Mortgage pursuant to the terms of the related Bond Documents or Bond Mortgage Documents based on a failure to pay the fees or expenses or any other amounts owed to the Issuer, the Trustee or any such third party without the prior consent of the Bondholder Representative;

(v) no third-party credit facility (other than the Freddie Mac Credit Enhancement) or liquidity facility is in effect with respect to any series of Bonds;

(vi) no interest rate swap or cap or other interest rate hedge is in effect with respect to any series of Bonds; and

(vii) no forward or standby bond purchase agreement is in effect with respect to any series of Bonds.

(y) **Ineligible Bond Mortgages.** The Bond Mortgage, the Bond Mortgage Documents and the Mortgaged Properties include none of the following features that would be applicable during the term of this Agreement, except as described on Schedule B:

(i) A principal balance that includes capitalization of interest, taxes, hazard insurance premiums or late charges.

(ii) [Reserved].

(iii) A Mortgaged Property in which any of the residential space is master leased to a single lessee or is master leased for military housing.

(iv) A Mortgaged Property more than 20 percent of which is used for student and/or military housing.

(v) A lender equity participation feature.

(vi) A Mortgaged Property with physical occupancy below 90 percent.

(vii) A ground lease.

(viii) A Mortgaged Property that is encumbered by financing that is on a parity with, or subordinate to, the Bonds or the Bond Mortgage (including any separate series of parity or subordinate bonds), except for subordinate financing which meets the requirements of the Guide for "soft" subordinate financing.

(ix) A Mortgaged Property that has not converted to the permanent phase or otherwise stabilized under the related Bond Mortgage Documents, except for those Mortgaged Properties identified in the Stabilization Escrow Agreement.

(z) **Title Insurance.** Each Title Insurance Policy in effect with respect to the related Bond Mortgage is identical to the policy previously submitted to Freddie Mac by the Sponsor. There are no conditions or encumbrances that have not been disclosed to the title insurer and that would provide a reasonable basis for the title company refusing to honor a claim. To the knowledge of Sponsor, there are no liens or encumbrances affecting the Bond Mortgage or the Mortgaged Property that are not identified in Section 2.1(r), in Schedule B to the Title Insurance Policy or in the title report delivered to Freddie Mac in connection with this transaction arising during the period from the effective date of the Title Insurance Policy to the Closing Date.

(aa) **Survey.** Except as set forth on Schedule B, the survey delivered to Freddie Mac as part of the Underwriting Package correctly depicts for the Mortgaged Property the boundary lines, improvements and exceptions to title that can be shown on a survey required to be shown on a survey under the ALTA/ACSM requirements for urban surveys, and otherwise meets the requirements of the *Guide*.

(bb) **Single Tax Parcel.** The Mortgaged Property consists of property identified as all of a single tax parcel or, if identified as multiple tax parcels, the Mortgaged Property constitutes the entirety of those tax parcels. Any tax parcel or parcels within which the Mortgaged Property is located does not include property that is not subject to the Bond Mortgage.

(cc) **Access.** Except as set forth on Schedule B, the Mortgaged Property does not share ingress and egress through an easement or private road, or share on-site or off-site recreational facilities and amenities that are not located on the Mortgaged Property and under the exclusive control of the Owner; or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement, such agreement meets the requirements of the *Guide*, and such agreement (i) provides that access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) specifies the Owner's responsibilities and share of expenses, and (iii) states that the failure to pay any maintenance fee will not result in a loss of usage of the easement.

(dd) **Zoning.** The overall character of the existing use of the Mortgaged Property is consistent with the zoning classification of the Mortgaged Property, except to the extent such use may constitute a legal nonconforming use. Except as disclosed to Freddie Mac in writing, the Mortgaged Property does not violate any density or building setback requirements of the applicable zoning law, and reconstruction of the Mortgaged Property in its current configuration would be permitted by applicable zoning laws following destruction of part or all of the Mortgaged Property by fire or other casualty or, in lieu thereof, building law and ordinance insurance coverage satisfying the requirements of the *Guide* as of the Closing Date has been provided. The Mortgaged Property otherwise meets the requirements of the *Guide* relating to zoning, and no proceedings are pending or, to the best of Sponsor's knowledge, threatened that would result in a change of the zoning of the Mortgaged Property.

(ee) **Bond Information.** The information with respect to the Bonds set forth on Schedule 1 to the Series Certificate Agreement and Appendix A to the Offering Circular Supplement is true and correct in all material respects.

(ff) **Owner Liability.** Except as set forth in the Bond Mortgage and the documents related thereto, the Owner of the Mortgaged Property has no outstanding or continuing payment obligations to the Sponsor, the Issuer or the Bond Trustee, and, to Sponsor's knowledge, the Sponsor, the Issuer and the Bond Trustee have not breached any obligation or duty owed to the Owner under the Bond Mortgage Documents or at law or in equity the Regulatory Agreement or other similar agreement imposing operating restrictions on the Mortgaged Property.

(gg) **LURA and Bond Documents.** (i) The use and operation of the Mortgaged Property is currently in compliance with the provisions of the Land Use Restriction Agreement, the Regulatory Agreement or other similar agreement (including any such agreement constituting or executed in connection with a Housing Assistance Payment contract from the U.S. Department of Housing and Urban Development) imposing operating restrictions on the Mortgaged Property executed in connection with the Bonds (the "LURA"), and no prior violations have occurred that would result in any related tax exempt bonds becoming taxable, loss or material diminution in value of the tax credits, forfeiture or reversion of title to the Mortgaged Property or other material loss or risk of loss on the part of the Owner or the Mortgaged Property; (ii) to the best of Sponsor's knowledge, there have been no actions, claims, demands or proceedings brought against the Owner or related to the Mortgaged Property arising out of any violations or claimed violations of any Tax Regulatory Agreement; (iii) no circumstances exist which, with the giving of notice or the expiration of any applicable grace or cure period, would constitute an event of default under the Bond Documents; (iv) there are no fees currently due and owing under the Bond Documents which have not been paid; and (v) no claims for indemnification under the Bond Documents have been made or are pending, and no basis for such a claim for indemnification exists.

(hh) **Nonexistent Documents.** Except as indicated on Schedule B, none of the following documents is currently in effect with respect to the Bond Mortgage or the Mortgaged Property:

(i) A mortgage note or any other obligation payable to the Sponsor or any its Affiliates (other than the subordinate note related to the Silver Moon Mortgaged Property).

(ii) Except as disclosed in writing to Freddie Mac, an assignment of rents or leases in favor of the Sponsor or its Affiliates.

(iii) An escrow agreement for the benefit of the Sponsor or its Affiliates creating or governing the tax and insurance escrow, any repair escrow or any other escrow fund with respect to the Bond Mortgage (except pursuant to the Sponsor Documents) or the Mortgaged Property (other than the Mortgaged Properties set forth on Schedule B and in the amounts set forth on Schedule B).

(ii) **Perfection of Security Interest.** Financing statements have been filed in all locations necessary to perfect a security interest in all of the Mortgaged Property described in the financing statements, including all furniture, fixtures, equipment, accounts, contracts rights, condemnation and casualty proceeds, general intangibles and all other personal property related to the ownership or operation of the Mortgaged Property, described in those financing statements, to the extent that applicable law permits a security interest in such collateral to be perfected by filing.

(jj) **Single Asset Requirements.** In the case of each of the Mortgaged Properties, except as disclosed to Freddie Mac on Schedule B, the Bond Mortgage prohibits the applicable Owner from owning substantial assets other than its Mortgaged Property and prohibits the applicable Owner from engaging in any business enterprises other than the operation of its Mortgaged Property. To the Sponsor's best knowledge, each Owner is in compliance with the above-described provision of its Bond Mortgage.

(kk) **Flood Zone Determination.** The Flood Zone Determination form for the Mortgaged Property was prepared on the basis of the legal description of the Mortgaged Property and, notwithstanding any street address specified on the form, the determination evidenced by the form is applicable to all buildings comprising the Mortgaged Property.

(ll) **Federal Income Tax Matters.** To Sponsor's best knowledge, (1) no Owner has taken any action, omitted to take any action, or permitted any action to be taken that would impair the exclusion from gross income for federal income tax purposes of the interest payable on any of the Bonds, and (2) no Owner is in violation of any material requirement of any tax certificate relating to the Bonds.

(mm) **Payment of Fee Component.** Payment of the Fee Component with respect to each Bond Mortgage Loan is current and no such fees are currently due and payable.

(nn) **State Allocating Agency Requirements.** The only operating restrictions imposed on any Mortgaged Property by any state tax credit allocating agency not reflected in the regulatory agreements, restrictive covenants or similar instruments recorded against the Mortgaged Properties are those reflected in the letters attached hereto as Exhibit I.

(oo) **Rebate.** No rebate is due and owing with respect to the Bonds related to any Mortgaged Property.

(pp) **Exemption from Real Property Taxes.** Except as indicated on Schedule B, the Mortgaged Property has qualified for an exemption from, and has not been subject to, payment of real property taxes since the date the Owner acquired the Mortgaged Property and to Sponsor's best knowledge (i) the Owner is in compliance with the requirements of the Regulatory Agreement applicable to the Mortgaged Property, (ii) the Mortgaged Property qualifies for exemption from real property taxes for the current real property tax year and (iii) no event has occurred which would cause the Mortgaged Property to lose its current exemption from real property taxes.

(qq) **Amortization Schedules.** The amortization schedules included in the Data Tape do not contain material errors of which the Sponsor has knowledge, and accurately state the maturity and the principal and interest payments for the applicable Bond Mortgage Loan and related Bond as of each monthly payment date.

(rr) **Optional Redemption at Par.** The first date on which the Bonds are permitted to be redeemed at par is set forth in Exhibit II.

(ss) **Tax Credit Matters.** Except as indicated on Schedule B, a Form 8609 has been issued by the applicable tax credit allocating agency with respect to each Mortgaged Property evidencing the final allocation of tax credits with respect thereto in an amount such that no adjustment to or repayment of any tax credit investor's capital contribution is necessary, and all tax credit investor capital contributions have been fully funded to the Owner.

(tt) **Laundry and Other Leases.** Each laundry or telecommunications lease in effect with respect to a Mortgaged Property is in compliance with applicable requirements of the *Guide*, or the nature of any noncompliance is such that it would neither materially interfere with the security provided by the related Bond Mortgage, nor materially impair the value of the Mortgaged Property.

(uu) **Ownership of Bonds.** The Bonds are genuine and outstanding. The Sponsor has all necessary power and authority to transfer, and has duly authorized by all necessary action the transfer of, the Bonds to Freddie Mac. Immediately prior to such transfers, the Sponsor owned the Bonds free and clear of any lien, pledge, encumbrance or other security interest, and has not sold, assigned or pledged any of its interest in the Bonds to any Person except in accordance with the Sponsor Documents, and has not entered into any agreement to effect such a sale, assignment or pledge except as contemplated hereby. Upon such transfers, the Sponsor releases all right, title and interest in and to the Bonds (such release by the Sponsor in connection with its transfer of ownership of the Bonds in no way limits its rights to direct the funding of Release Events in certain cases or take other actions with respect to the Bonds as described in the Sponsor Documents).

(vv) **Earthquake Insurance.** With respect to each Mortgaged Property located in Seismic Risk Zone 3 or 4, a seismic analysis has been conducted by a recognized firm experienced in conducting such analyses, and no such analysis showed a Mortgaged Property with a probable maximum loss of greater than 40%. For each such Mortgaged Property with respect to which the applicable seismic analysis shows a probable maximum loss of greater than 20%, but not greater than 40%, earthquake insurance is currently maintained by the related Owner with a deductible not in excess of \$50,000 from an insurance company with a rating meeting the requirements of the Guide for the applicable size of the Bond Mortgage Loan related to the Mortgaged Property with Freddie Mac named as a loss payee or additional insured.

(ww) **Owner Status.** Neither the Owner nor any principal of an Owner is a person or entity that is named as a “specially designated national and blocked person” on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website, <http://www.treas.gov/ofac/t11sdn.pdf>.

(xx) **Replacement Reserves.** The replacement reserve requirements with respect to each Mortgaged Property as set forth in the related Bond Documents and Bond Mortgage Loan Documents, are fully funded. All bond-level replacement reserves and tax and insurance escrows are held by the applicable Bond Trustee.

Section 2.2 Other Representations and Warranties by the Sponsor and Representations and Warranties by Freddie Mac.

(a) The Sponsor represents and warrants as of the Closing Date with respect to each Bond Mortgage Loan and Mortgaged Property related to the Bonds and the Sponsor Documents, as follows:

(i) To Sponsor's best knowledge, the information contained in the Underwriting Package is true and accurate in all material respects and does not omit information in the possession of the Sponsor to make the provided information complete and accurate.

The Sponsor has in its possession no documents described in Section 2.3 of this Agreement for which either originals or copies have not been delivered to Freddie Mac.

(iii) The Sponsor Documents to which it is a party have been duly authorized by the Sponsor, are valid and binding agreements of the Sponsor, and are enforceable against the Sponsor in accordance with their terms except as may be limited by bankruptcy, insolvency, reorganization, moratoria, liquidation or readjustment of debt or similar laws now or hereafter affecting the enforcement of creditors' rights generally, and as may be limited by the effect of general principles of equity regardless of whether such enforcement is considered in a proceeding at law or in equity. The Guaranty has been duly authorized by the Guarantor, is a valid and binding agreement of the Guarantor, and is enforceable against the Guarantor in accordance with its terms except as may be limited by bankruptcy, insolvency, reorganization, moratoria, liquidation or readjustment of debt or similar laws now or hereafter affecting the enforcement of creditors' rights generally, and as may be limited by the effect of general principles of equity regardless of whether such enforcement is considered in a proceeding at law or in equity.

(iv) Since December 31, 2014, which is the date of the Guarantor's most recent financial statements submitted to Freddie Mac, there has been no material adverse change in the general financial position of the Guarantor. For the purposes of this representation and warranty, the "general financial position of the Guarantor" shall be deemed to exclude any short-term adverse changes that occur solely as a result of daily interest rate fluctuations.

(v) The Sponsor (A) is a limited liability company duly organized and existing pursuant to the laws of the State of Delaware, (B) has the power and authority to own its properties and to carry on its business as now being conducted and as contemplated by the Sponsor Documents and (C) has the power and authority to execute and perform all the undertakings in the Sponsor Documents and the other transactions and agreements contemplated by the Sponsor Documents. (vi) The execution and performance by the Sponsor of the Sponsor Documents to which it is a party and other agreements required pursuant to such agreements, and by the Guarantor of the Guaranty (A) will not violate in any material respect or, as applicable, have not violated in any material respect any provision of any law, rule or regulation or any order of any court or other agency or government applicable to the Sponsor or the Guarantor and (B) will not violate in any material respect, or as applicable, have not violated in any material respect any provision of any indenture, agreement or other instrument to which the Sponsor or Guarantor, as applicable, is a party or is otherwise subject, or, except as otherwise provided in the Sponsor Documents, result in the creation or imposition of any material lien, charge or encumbrance of any nature.

(vii) Neither the Sponsor nor the Guarantor is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party which default would in Sponsor's good faith and reasonable judgment materially adversely affect the transactions contemplated by the Sponsor Documents or the Guaranty. There is no action, suit or proceeding at law or in equity or by or before any governmental instrumentality or other agency now pending or threatened in writing against or affecting the Sponsor or the Guarantor or any of its properties or rights, which, if adversely determined, would in Sponsor's good faith and reasonable judgment (A) materially impair the right of the Sponsor or the Guarantor to carry on its business as now conducted or (B) have a material adverse effect on the financial condition of the Sponsor or the Guarantor.

(viii) Neither Sponsor nor any applicable Sponsor Affiliate, with respect to any period during which it has acted as Bondholder Representative under the Bond Documents, has taken, or omitted to take, any action that, if taken or omitted, would jeopardize or adversely affect the tax-exempt status of the interest payable on the Bonds.

(ix) Guarantor, as Bondholder Representative, is authorized under the Bond Documents to assign its rights, privileges and obligations as Bondholder Representative to Freddie Mac.

(x) None of the Bond Documents requires or obligates the Bondholder Representative to pay the fees and expenses of any party, including any obligations of the Owner, or to pay capitalized interest or any other costs during any construction rehabilitation period for any Mortgaged Property.

(xi) Each Owner has established all escrows and reserves required by the Bond Mortgage and the Owner Documents.

(xii) None of the Sponsor or the Guarantor nor the individuals who work for them, whether as employees, agents or independent contractors who have been, prior to the Closing Date, actively engaged in conducting Sponsor's or Guarantor's operations with the Owner, has:

(A) made any written representation to Freddie Mac or the Servicer respecting the Owner, the Bond Mortgage or the Mortgaged

Property that it knew or now knows is materially untrue or misleading and that has a materially adverse effect on the value of the Bond Mortgage or the Mortgaged Property, or

(B) omitted to provide any written information to Freddie Mac or the Servicer that it knew or now knows, which omission renders the written information provided to Freddie Mac or the Servicer in connection with the Owner, the Bond Mortgage or the Mortgaged Property materially untrue or misleading and that has a materially adverse effect on the value of the Bond Mortgage or the Mortgaged Property.

The Sponsor and Freddie Mac agree that the individuals who provided such written information to them shall not incur personal liability arising from providing such written information.

(b) By its execution and delivery of the Series Certificate Agreement, Freddie Mac will be deemed to have represented and warranted as of the Closing Date as follows:

(i) It is a shareholder-owned government-sponsored enterprise organized and existing under the laws of the United States of America.

(ii) Each of this Agreement and the Series Certificate Agreement (the "Freddie Mac Documents") is a valid and binding obligation of Freddie Mac, the making and performance of which by Freddie Mac have been duly authorized by all necessary corporate and other action, and neither the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of the Freddie Mac Documents by Freddie Mac, conflicts with, results in a breach of, or is a default under, in any material respect, any of the terms, conditions or provisions of any legal restriction or any instrument to which Freddie Mac is now a party or by which Freddie Mac is bound, or constitutes a violation of any law regulating the affairs of Freddie Mac or internal governing documents of Freddie Mac, and will not result in the creation of any prohibited encumbrance upon any of its assets.

Section 2.3 Conditions. Section 2.4 Breach of Representations and Warranties.

(a) The Sponsor shall notify Freddie Mac within 15 days following a discovery by the Sponsor of a breach of any representation or warranty made by the Sponsor under this Agreement that materially and adversely affects the value of a Bond (a "Breach"). Freddie Mac agrees to use its best efforts to provide notice to the Sponsor within 30 days following a discovery by Freddie Mac of a Breach; provided, however, that the failure of Freddie Mac to so notify the Sponsor of such a Breach shall not relieve the Sponsor of its obligation to cure such Breach upon receiving notice from Freddie Mac or obtaining knowledge thereof.

(b) Within 60 days after the earlier of (i) discovery by the Sponsor of a Breach, or (ii) the Sponsor's receipt of notice from Freddie Mac of such Breach, the Sponsor shall (x) commence commercially reasonable efforts to cure such Breach in all material respects or (y) solely in the event such Breach cannot be cured by the Sponsor's commercially reasonable efforts in accordance with the terms of this Section 2.4, provide a Substitute Bond for a Bond with respect to which a Breach has occurred, but only in accordance with the terms of Section 3.19 hereof.

In the event the Breach is non-monetary and such that it can be corrected, but not within 60 days, Freddie Mac shall not pursue any remedies hereunder if

corrective action is instituted by the Sponsor within such 60 days and diligently pursued until the Breach is cured, provided such Breach must be cured not later than the earlier of 90 days after the discovery or receipt of notice of such Breach as set forth in subsection 2.4(b) above.

(d) If Sponsor fails to cure a Breach, or provide a Substitute Bond as set forth in subsection (b) above, within the time provided in subsection (c) above, or fails to diligently prosecute the cure of such Breach, in Freddie Mac's reasonable judgment, Freddie Mac, after written notice to the Sponsor, shall have the right, but not the obligation, to cure any such Breach, and any costs, fees or expenses so incurred by Freddie Mac shall be a Credit Advance and shall be paid by the Sponsor in accordance herewith. (e) The representations and warranties in this Agreement, Freddie Mac's right to rely on them, and the Sponsor's liability for a Breach, shall not be affected or limited by any investigation (including any pre-purchase review of documentation) made by, or on behalf of, Freddie Mac, except to the extent that the Sponsor can establish that one or more of the following Freddie Mac employees had actual knowledge (as opposed to imputed knowledge arising from the receipt of the documents required to be delivered by the Sponsor hereunder) of such Breach prior to the Closing Date and did not inform the Sponsor of such Breach prior to the Closing Date:

Clayton A. Davis, Dara Koller and Christopher B. Propert

provided that the inclusion of Christopher B. Propert in the list of Freddie Mac employees shall not imply a waiver of the attorney-client privilege, which may be asserted by Freddie Mac.

Section 3.4 Reimbursement of Liquidity Advances. The Sponsor shall reimburse or cause to be reimbursed Freddie Mac for each Liquidity Advance, from the sources and in the priority established in accordance with the provisions of this Agreement and Section 4.03 of the Series Certificate Agreement (except to the extent that remarketing proceeds have already become available for application to such reimbursement), together with interest on the Liquidity Advance that has accrued but has not been paid, under Section 3.3(a) on the first to occur of:

(a) **Application of Payments.** If the Servicer or Freddie Mac receives on any date less than the full amount that is due and payable on or before that date under Sections 3.2 through 3.5 of this Agreement, the amount received shall be applied in such order as Freddie Mac may, in its sole discretion, determine.

(b) **Timing of Payments.** Any amount payable to Freddie Mac hereunder shall be deemed paid only to the extent immediately available funds for that purpose are received by Freddie Mac (in any capacity) by 2:00 p.m., Washington, D.C. time, on the due date. Any such amount received after 2:00 p.m., Washington, D.C. time, on its due date shall be treated, and shall accrue interest, as if it were paid at 9:00 a.m., Washington, D.C. time, on the next Business Day.

Section 3.7 [Reserved].

Section 3.8 Payment of Prepayment/Substitution Premium. (a) If the applicable Yield Maintenance Period has not expired, the Sponsor shall pay a Prepayment/Substitution Premium by remitting to Freddie Mac funds in the amount of such Prepayment/Substitution Premium from the sources and in the priority established in accordance with the provisions of this Agreement and Section 4.03 of the Series Certificate Agreement upon any of the following events:

(i) A redemption of a portion of the Class A Certificates as a result of a Release Event pursuant to Section 2.4(c) hereof.

(ii) A redemption of any of the Certificates during the Yield Maintenance Period, due to an involuntary prepayment upon acceleration of the Bond Mortgage Note and mandatory redemption of the Bonds under the terms of the applicable Indenture after a Bond Event of Default thereunder but only if and to the extent that a prepayment premium is paid by the Owner in connection with such prepayment of the Bond Mortgage Note;

(iii) The occurrence of a substitution of a Substitute Bond due to a Bond Event of Default at the direction of the Sponsor in accordance with Section 3.19 hereof;

(iv) The mandatory tender of the Class A Certificates pursuant to Section 6.04(a) or (b) of the Series Certificate Agreement relating to a Mandatory Tender Event as a result of a Liquidity Provider Termination Event or (if applicable) a Sponsor Act of Bankruptcy;

(v) Upon the substitution of a Substitute Bond for a Pre-Selected Bond in connection with a sale of the related Mortgaged Property as directed by the Sponsor in accordance with Sections 3.19 and 3.26 hereof.

(b) **Premium Not Payable.** Except under the circumstances described in Sections 2.4(c), 3.8(a), 3.19 and 3.26 hereof, no Prepayment/Substitution Premium shall be payable, including without limitation under the following circumstances: any prepayment occurring as a result of (i) the application of any insurance proceeds or condemnation award under the Bond Mortgage, (ii) a voluntary prepayment of any Bond Mortgage Loan, (iii) redemption or other mandatory prepayment of any Bonds or the Class A Certificates as a result of the entry of any decree or judgment by a court of competent jurisdiction or the taking of any official action by the Internal Revenue Service or the Department of the Treasury, which decree, judgment or action shall be deemed to be final under applicable procedural law, which has the effect of a determination that the interest on such Bonds is includable in the gross income of the recipients thereof for Federal income tax purposes, (iv) exercise by any Class A Certificateholder of its Optional Disposition Right in accordance with Section 7.05 of the Series Certificate Agreement provided that the Class A Certificates so tendered are remarketed and the Sponsor pays the Hypothetical Gain Share related to the exercise of such right, (v) a redemption of Class A Certificates in connection with a Clean-Up Event, or (vi) a Release Event pursuant to either Section 3.21 or 3.22 hereof or under the Stabilization Escrow Agreement.

Section 3.9 Substitution of Credit Enhancement or Liquidity Facility. The Sponsor acknowledges that it does not have the right to substitute credit enhancement or liquidity for the Class A Certificates.

Section 3.10 Additional Provisions Regarding Prepayment/Substitution Premium. The Sponsor recognizes that any prepayment of the unpaid principal balance of the Class A Certificates for any reason set forth in Section 3.8(a) hereof will result in Freddie Mac's incurring loss, including loss of income, additional expense and frustration or impairment of Freddie Mac's ability to meet its commitments to third parties. The Sponsor agrees to pay from the sources and in the priority established in accordance with the provisions of this Agreement and Section 4.03 of the Series Certificate Agreement, upon demand, damages for the loss caused by any prepayment, and agrees that it is extremely difficult and impractical to ascertain the extent of such damages. The Sponsor therefore acknowledges and agrees that the formula for calculating the Prepayment/Substitution Premium represents a reasonable estimate of the damages Freddie Mac will incur because of a prepayment. The Sponsor further acknowledges that the Prepayment/Substitution Premium provisions of this Agreement are a material part of the consideration for the Series Certificate Agreement and the Credit Enhancement and Liquidity Facility provided thereunder, and acknowledges that the terms of this Agreement are in other respects more favorable to the Sponsor as a result of the Sponsor's voluntary agreement to the Prepayment/Substitution Premium provisions. Freddie Mac acknowledges and agrees that the Prepayment/Substitution Premium shall be Freddie Mac's sole compensation and remedy for such loss and damage.

Section 3.11 Remarketing Agent for the Class A Certificates. The Sponsor acknowledges that Freddie Mac shall retain, and shall have the ability, in its sole discretion, to remove or replace, the Remarketing Agent. The Sponsor shall not remove or replace the Remarketing Agent without Freddie Mac's prior written consent, which consent shall not be unreasonably withheld.

Section 3.12 Indemnification. The Sponsor shall indemnify and hold harmless Freddie Mac, in its corporate capacity and in its capacity as Pledge Custodian, and its officers, directors, officials, employees, agents, attorneys, accountants, advisors, consultants and servants, past, present or future (each, an "Indemnified Party"), from and against any and all claims, losses, liabilities, damages, penalties, judgments, costs or expenses (including court costs and reasonable attorneys' fees) (collectively, "Losses") arising from any act or omission of the Sponsor, any Sponsor Affiliate, the Remarketing Agent (if an Affiliate of Sponsor) or any of their respective agents, contractors, servants, employees or licensees in connection with any of the Bond Mortgage Loans, the Bond Mortgages, Mortgaged Properties, the Owner Documents, the Sponsor Documents, the Offering Circular, the Series Certificate Agreement in connection with the issuance of the Certificates or the remarketing of the Class A Certificates or in connection with any failure to cause the re-registration of all of the Bonds in the name of Freddie Mac and the delivery thereto as required pursuant to Section 4.2 hereof; together with all costs, reasonable counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Sponsor shall not be required to indemnify any Indemnified Party for damages caused by the willful misconduct, negligence or unlawful acts of such Indemnified Party or for any claims, costs, counsel fees, expenses or liabilities incurred by an Indemnified Party as a result of any action taken by an Indemnified Party at the direction of Freddie Mac. In the event that any action or proceeding is brought, or claim made, against any Indemnified Party, with respect to which indemnity may be sought hereunder, the Sponsor, upon written notice thereof from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel reasonably acceptable to Freddie Mac and the payment of all expenses associated therewith. The Indemnified Party shall have the right to approve a settlement to which it is a party and if the named parties to any such action include both the Sponsor and the Indemnified Party and the Indemnified Party has been advised by counsel that there may be one or more legal defenses available to it which are different from or additional to those available to the Sponsor, to employ separate counsel in any such action or proceedings and to participate in the investigation and defense thereof, and the Sponsor shall pay or cause to be paid the reasonable fees and expenses of such separate counsel. The provisions of this Section shall survive the termination of this Agreement.

Section 3.13 Freddie Mac Not Liable. None of Freddie Mac's officials, officers, directors, members, shareholders, agents, attorneys, independent contractors or employees shall be responsible for, or liable to, the Sponsor or any of its officials, officers, directors, shareholders, members, partners, affiliates, independent contractors or employees for (a) any act or omission of Freddie Mac or any other Person made in good faith with respect to the validity, sufficiency, accuracy or genuineness of documents, or of any endorsement(s) thereon (except for documents and endorsements provided by Freddie Mac), even if such documents should be in fact, or prove to be in any or all respects, invalid, insufficient, fraudulent or forged; (b) the validity or sufficiency of any instrument transferring or assigning, or purporting to transfer or assign the Series Certificate Agreement or the rights or benefits under the Series Certificate Agreement or proceeds under the Series Certificate Agreement, in whole or in part, that may

prove to be invalid or ineffective for any reason; (c) failure of the Administrator to comply fully with all conditions required in order to effect any applicable Advance; (d) errors, omissions, interruptions or delays in transmission or delivery of any messages by the Administrator, by mail, cable, telegraph, telex, telecopier or otherwise that may be required under the Series Certificate Agreement; (e) any loss or delay by the Administrator in the transmission or otherwise of any document or draft required in order to make any Advance; (f) failure of any trustee with respect to the Bonds to comply fully with all terms of the related Bond Documents; or (g) any consequences arising from causes beyond the control of Freddie Mac. In furtherance, and not in limitation of the foregoing, Freddie Mac may accept documents that appear on their face to be valid and in order, without any responsibility for further investigation. None of the above shall affect, impair, or prevent the vesting of any rights or powers of Freddie Mac under this Agreement.

In furtherance and extension, and not in limitation, of the specific provisions set forth above, any action taken or omitted by Freddie Mac (including in its capacity as Bondholder Representative) under or in connection with the Sponsor Documents or any Owner Document, or any related certificates or other documents, if taken or omitted in good faith and not in contravention of the terms hereof, shall be binding upon the applicable Owner, the Bond Trustee, the Issuer, the Sponsor, any Sponsor Affiliate, the Remarketing Agent, the Administrator and the Pledge Custodian, and shall not, under any circumstance, put Freddie Mac under any resulting liability to any of them.

Section 3.14 Pledged Class A Certificates. The Sponsor acknowledges that Pledged Class A Certificates will be purchased by the Administrator on behalf of the Sponsor, and registered in the name of the Pledge Custodian; provided that, to the extent that Freddie Mac has made a Liquidity Advance to purchase such Pledged Class A Certificates, such Pledged Class A Certificates will be pledged to Freddie Mac pursuant to Article VIII of this Agreement.

Section 3.15 Other Covenants of Sponsor.

(a) **Sponsor Documents.** Each of the covenants of the Sponsor set forth in the Sponsor Documents is hereby incorporated in this Agreement by this reference as if fully set forth herein. The Sponsor shall comply with all material terms and conditions of each Sponsor Document to which it is a party or by which it is bound and shall not, without the prior consent of Freddie Mac, provide directions or consents to the Bond Trustee or the Issuer except as otherwise permitted pursuant to the terms hereof and of the Servicing Agreement.

(b) **Transfer of Project Ownership.** The Sponsor shall not consent to any transfer of ownership of any Mortgaged Property without the prior written consent of Freddie Mac.

(c) **Tax-Exempt Status of the Certificates.** The Sponsor shall not take, or omit to take, any action within its power to take that, if taken or omitted, would jeopardize or adversely affect the exclusion of interest on the Certificates from gross income of the holders thereof for federal income tax purposes.

(d) **Securities Acts.** The Sponsor shall not take, or omit to take, any action within its power to take that, if taken or omitted, would subject the Certificates to registration under the Securities Act of 1933, or the Series Certificate Agreement to registration under the Trust Indenture Act of 1939 or the Investment Company Act of 1940.

(e) **Certain Actions With Respect to the Certificates.** The Sponsor shall not, without the prior written consent of Freddie Mac:

(i) appoint a "Successor Sponsor" (as defined in the Series Certificate Agreement);

(ii) provide its consent or waive any rights under the Series Certificate Agreement or any consents or waivers under the Bond Documents, the rights to which are granted to the Bondholder Representative or the Servicer except as otherwise permitted pursuant to the terms hereof and of the Servicing Agreement;

(iii) consent to amendment to any partnership agreement or other applicable organizational document of an Owner to allow such Owner to own substantial assets other than its Mortgaged Property or to engage in any business activities other than activities related to the ownership and operation of its Mortgaged Property; or

(iv) permit any change in the ownership or control of the Sponsor from the ownership structure in place on the Closing Date, or permit any corporate reorganization to occur that would result in the Sponsor and the Guarantor not being under common control.

(f) **Amendment of Organizational Documents Of Sponsor.** The Sponsor agrees not to amend its organizational documents without the prior consent of Freddie Mac.

(g) **Restriction on Transfer of Class B Certificates.** The Sponsor shall not, without the prior written consent of Freddie Mac, in whole or in part, sell, assign, pledge, hypothecate or otherwise transfer its ownership interest (including any beneficial ownership interest) in the Class B Certificates or grant any liens, security interests, options or other charges or encumbrances with respect to the Class B Certificates.

Section 3.16 Liability of the Sponsor. The obligation of the Sponsor to cause the Administrator and the Pledge Custodian, as applicable, to make any and all payments to Freddie Mac required by this Agreement or any other Sponsor Document shall not be subject to diminution by set-off, recoupment, counterclaim, abatement or otherwise. Until the latest of the date on which (i) all the Class A Certificates have been fully paid in accordance with the Series Certificate Agreement, (ii) the Series Certificate Agreement has been terminated in accordance with its terms and (iii) all amounts due and owing to Freddie Mac under this Agreement or any other Sponsor Document shall have been paid, the Sponsor shall continue to have the obligation to perform and observe all of its obligations contained in this Agreement, the Sponsor Documents and all other documents contemplated hereby or thereby.

The obligations of the Sponsor under this Agreement shall be absolute, unconditional and irrevocable, and shall be paid and performed in accordance with the terms of this Agreement under all circumstances whatsoever, including, without limitation, the following circumstances: (a) any invalidity or unenforceability of any of the Owner Documents, the Sponsor Documents (other than the Series Certificate Agreement) or any other agreement or instrument related to the

Owner Documents or the Sponsor Documents (other than the Series Certificate Agreement); (b) any waiver of, or any consent to or departure from, the terms of a Series Certificate Agreement, any of the Owner Documents or the Sponsor Documents, or any other agreement or instrument related to the Owner Documents or the Sponsor Documents, or any extensions of time or other modifications of the terms and conditions for any act to be performed in connection with the Series Certificate Agreement; (c) the existence of any claim, set-off, defense or other right that the Sponsor may have at any time against Freddie Mac, the Servicer, any Issuer, any Bond Trustee, the Guarantor, any Sponsor Affiliate, the Administrator, the Pledge Custodian, the Remarketing Agent or any other Person, whether in connection with this Agreement, any of the other Owner Documents, the Sponsor Documents, the Guaranty, any Mortgaged Property, or any unrelated transaction; (d) the surrender or impairment of any security for the performance or observance of any of the terms of this Agreement, the Owner Documents or the Sponsor Documents; (e) any defect in title to any Mortgaged Property, any acts or circumstances that may constitute failure of consideration, destruction of, damage to or condemnation of any Mortgaged Property, commercial frustration of purpose, or any change in the tax or other laws of the United States of America or of any state or any political subdivision of the same, (f) the breach by Freddie Mac, the Servicer, any Issuer, any Bond Trustee, the Administrator, the Sponsor, any Sponsor Affiliate, the Pledge Custodian, the Remarketing Agent or any other Person of its obligations under any Owner Document, the Guaranty or any Sponsor Document; or (g) any other circumstance, happening or omission whatsoever.

Section 3.17 Waivers and Consents. THE SPONSOR AGREES TO BE BOUND BY THIS AGREEMENT AND, TO THE EXTENT PERMITTED BY LAW, (A) WAIVES AND RENOUNCES ANY AND ALL REDEMPTION AND EXEMPTION RIGHTS AND THE BENEFIT OF ALL VALUATION AND APPRAISAL PRIVILEGES (EXCEPT AS EXPRESSLY PROVIDED IN THE SPONSOR DOCUMENTS) AGAINST THE INDEBTEDNESS AND OBLIGATIONS EVIDENCED BY THIS AGREEMENT AND THE OTHER SPONSOR DOCUMENTS OR BY ANY EXTENSION OR RENEWAL OF THIS AGREEMENT AND THE OTHER SPONSOR DOCUMENTS; (B) WAIVES PRESENTMENT AND DEMAND FOR PAYMENT, NOTICES OF NONPAYMENT AND OF DISHONOR, PROTEST OF DISHONOR AND NOTICE OF PROTEST; (C) WAIVES ALL NOTICES IN CONNECTION WITH THE DELIVERY AND ACCEPTANCE OF THIS AGREEMENT AND THE OTHER SPONSOR DOCUMENTS AND ALL OTHER NOTICES IN CONNECTION WITH THE PERFORMANCE, DEFAULT OR ENFORCEMENT OF THE PAYMENT OF ANY OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER SPONSOR DOCUMENTS EXCEPT AS REQUIRED BY THIS AGREEMENT OR THE OTHER SPONSOR DOCUMENTS; (D) AGREES THAT ITS LIABILITIES UNDER THIS AGREEMENT AND THE OTHER SPONSOR DOCUMENTS SHALL BE UNCONDITIONAL AND WITHOUT REGARD TO THE LIABILITY OF ANY OTHER PERSON AND (E) AGREES THAT ANY CONSENT, WAIVER OR FORBEARANCE UNDER THIS AGREEMENT AND THE OTHER SPONSOR DOCUMENTS WITH RESPECT TO AN EVENT SHALL OPERATE ONLY FOR SUCH EVENT AND NOT FOR ANY SUBSEQUENT EVENT.

Section 3.18 Subrogation. The Sponsor acknowledges that, to the extent of any payment made by Freddie Mac in accordance with the Series Certificate Agreement pursuant to the Credit Enhancement or the Liquidity Facility and for which Freddie Mac has not been reimbursed, Freddie Mac is to be fully subrogated, to the extent of such payment and any

additional interest due on any late payment, to the rights of the Sponsor to any moneys paid or payable under the applicable Bonds, the Certificates or the related Hedge and all security therefor under the Owner Documents and the Sponsor Documents, including the Bond Mortgage. The Sponsor agrees to such subrogation and further agrees to execute such instruments and to take such actions as, in the judgment of Freddie Mac, are necessary to evidence such subrogation and to perfect the rights of Freddie Mac to the extent necessary to provide reimbursement hereunder.

Section 3.19 Substitution. The Sponsor may at its option (subject to the conditions set forth below) substitute at any time, and from time to time, one issue of multifamily housing revenue bonds (each, a "Substitute Bond") for (a) an issue of Bonds with respect to which a Bond Event of Default exists, or (b) a Pre-Selected Bond, solely if the Sponsor has elected to effect a substitution of such Pre-Selected Bond in connection with the sale of the related Pre-Selected Mortgaged Property pursuant to Section 3.26 hereof. The Bonds available to be substituted for in accordance with the foregoing sentence (each, a "Released Bond") shall be released from the Series Certificate Agreement in accordance with the terms thereof, and the Substitute Bond(s) shall be deposited with the Administrator pursuant to the terms of the Series Certificate Agreement in accordance with the terms thereof, if each of the following conditions is met:

(a) The Substitute Property meets all of Freddie Mac's then applicable underwriting criteria, program, policy and documentation requirements unless waived in writing by Freddie Mac. In furtherance and not in limitation of the foregoing, Freddie Mac in considering the eligibility of the Substitute Property under such criteria and requirements may take into account a variety of factors, including, but not limited to, local market conditions, portfolio concentration in the market where the Substitute Property is located, the condition and quality of the Substitute Property (which condition and quality shall not be less than the Mortgaged Property to be released (the "Released Project")), the type of Substitute Property (which shall be of the same type as the Released Project), the internal risk rating for such Substitute Property as determined by Freddie Mac (which risk rating as so determined shall be equal to or better than the risk rating (as determined by Freddie Mac) for the Released Project) and pool diversification (the determination of any proposed Substitute Property's eligibility under such criteria and requirement to be in Freddie Mac's sole and absolute discretion);

(b) Freddie Mac shall have been provided by the Servicer (or otherwise) all applicable third party reports required pursuant to the Guide or otherwise required by Freddie Mac, in its sole and absolute discretion, to evaluate the proposed Substitute Property including but not limited to:

- (i) An environmental report on the proposed Substitute Property in all respects reasonably satisfactory to Freddie Mac;
- (ii) An engineering report on the proposed Substitute Property in all respects reasonably satisfactory to Freddie Mac;
- (iii) A survey of the Substitute Property, in all respects reasonably satisfactory to Freddie Mac; and
- (iv) An appraisal on the Substitute Property in all respects reasonably satisfactory to Freddie Mac;

(c) Sponsor shall pay all out of pocket fees and expenses of Freddie Mac, including the reasonable costs and expenses of outside counsel in connection with such substitution;

(d) The Substitute Property shall be subject to satisfactory inspection by Freddie Mac;

(e) The underlying bond documents related to the Substitute Property meet Freddie Mac's then-applicable program requirements in all material respects or are otherwise waived by Freddie Mac;

(f) Unless waived by Freddie Mac, the terms of the Substitute Bond, including tax status, maturity, interest rate and interest mode, are substantially consistent with the terms of the Released Bond;

(g) After giving effect to such substitution, the geographic concentration of the Mortgaged Properties is not greater than that prior to the substitution;

(h) The ratio of the unpaid principal balance of the Substitute Bond to the value of the Substitute Property (the "Loan to Value Ratio" or "LTV") at the time of the proposed substitution, as determined by Freddie Mac in accordance with its then current underwriting methodology, is less than or equal to the lesser of (i) the loan to value ratio of the Released Project as of the Closing Date or (ii) the loan to value ratio of the Released Project as of the date of the proposed release of the Released Project as determined by Freddie Mac in accordance with its then existing underwriting methodology and in all events the Loan to Value Ratio does not exceed 85%;

(i) The ratio of the net operating income and the annual debt service (the "Debt Service Coverage" or "DCR") for the Substitute Property for the last twelve (12) calendar months preceding the proposed substitution, calculated in accordance with Freddie Mac's then-existing underwriting methodology, is greater than or equal to the greater of (i) the Debt Service Coverage for the Released Project as of the Closing Date for the Released Project or (ii) the current Debt Service Coverage for the Released Project for the prior twelve (12) calendar months, calculated in accordance with Freddie Mac's underwriting methodology employed by Freddie Mac in determining the Debt Service Coverage for the Substitute Property and in all events the Debt Service Coverage is not less than 1.15%;

(j) No Event of Default shall exist and there shall have been no related Bond Event of Default with respect to such Substitute Bond during the immediately preceding twelve (12) month period;

(k) Contemporaneously with the request for a substitution, Sponsor shall pay (A) to the Servicer a \$25,000 underwriting fee with respect to each new Bond to be underwritten, and (B) to Freddie Mac a deposit to cover associated third party costs and fees, as estimated by Freddie Mac, together with a mortgage review fee equal to the

greater of \$5,000 per substituted property or 0.10% of the unpaid principal balance of the Substitute Bond. On or prior to the closing date for the substitution, the Sponsor shall pay Freddie Mac the balance, if any, of any third-party costs and fees incurred in excess of the initial deposit amount, plus a substitution fee (i) equal to the greater of \$5,000 or 0.25% of the unpaid principal balance of the Substitute Bond(s) (with a credit for the mortgage review fee previously paid) for a substitution relating to a Bond Event of Default or (ii) equal to the greater of \$50,000 or 0.50% of the unpaid principal balance of the Substitute Bond(s) (with a credit for the mortgage review fee previously paid) for a substitution relating to a substitution of a Pre-Selected Bond pursuant to Section 3.26. In addition, the Sponsor shall pay the reasonable fees and out-of-pocket expenses of outside counsel, appraisers, environmental professionals and engineers, plus all reasonable out-of-pocket costs and expenses incurred by Freddie Mac in connection with the foregoing. Such amounts shall be paid on or prior to the closing date of such substitution. If such substitution fails to close, Sponsor shall pay Freddie Mac such reasonable fees and out-of-pocket expenses within (30) days of Sponsor's receipt of invoices therefor;

(l) If the unpaid principal balance of the Substitute Bond is less than the unpaid principal balance of the Released Bond (a "Contraction") the Sponsor shall pay any applicable Total Release Price with respect to the principal portion of the Released Bond that is in excess of the principal amount of the Substitute Bond(s) as and when required by the Series Certificate Agreement, and if the Contraction is greater than 5%, then, in addition to the fees required under Section 3.19(k) above, Sponsor shall pay or cause to be paid a Prepayment/Substitution Premium to Freddie Mac on the amount by which the unpaid principal balance of the Released Bond exceeds the unpaid principal balance of the Substitute Bond(s) on the date of substitution;

(m) The Sponsor and Freddie Mac shall have executed an addendum to this Agreement and any related agreements to reflect the substitution contemplated hereby; and

(n) Freddie Mac shall have received an opinion of Bond Counsel acceptable to Freddie Mac to the effect that such substitution does not adversely affect the exclusion of interest accrued on the related Certificates from gross income of the holders thereof for federal income tax purposes.

(o) If requested by Freddie Mac, Freddie Mac shall have received a 704(b) analysis with respect to the ownership of the Substitute Property which is satisfactory to Freddie Mac in its sole discretion.

Section 3.20 Freddie Mac Liquidity Pricing Term. (a) The Sponsor acknowledges that the pricing for the Freddie Mac Liquidity Facility Fee shall expire at the end of each Freddie Mac Liquidity Pricing Term. Freddie Mac agrees to provide new pricing for the Freddie Mac Liquidity Facility Fee solely for one additional five-year Freddie Mac Liquidity Pricing Term (a "Second Freddie Mac Liquidity Pricing Term") following the Initial Freddie Mac Liquidity Pricing Term. The Freddie Mac Liquidity Facility Fee for the Second Freddie Mac Liquidity Pricing Term (if elected by the Sponsor) shall be based on a new Base Rate to be provided by Freddie Mac in accordance with this Section 3.20 and otherwise shall be calculated in accordance with the existing definition of the Freddie Mac Liquidity Facility Fee. No sooner than one hundred ninety (190) days prior to the expiration of the Initial Freddie Mac Liquidity Pricing Term, the Sponsor may submit a Base Rate Quote Request in the form attached as Exhibit III to Freddie Mac requesting that Freddie Mac provide a quote for the Base Rate that would be effective for the Second Freddie Mac Liquidity Pricing Term, and Freddie Mac shall provide such quote no later than 30 days after the receipt of the Base Rate Quote Request.

(b) On or prior to the end of the Initial Freddie Mac Liquidity Pricing Term, the Sponsor shall either: (i) accept the new Base Rate to be effective for the Second Freddie Mac Liquidity Pricing Term (if a Base Rate Quote Request was submitted in accordance with Section 3.20(a) above), (ii) convert the interest rate mode on the Class A Certificates to a Term Reset Rate upon satisfaction of all conditions to conversion to a Term Reset Rate set forth under the Series Certificate Agreement (and in connection therewith the Sponsor may request from Freddie Mac (at the same time as the Base Rate Quote Request) pricing for the Freddie Mac Liquidity Facility Fee under Freddie Mac's then current annual liquidity program for a Term Reset Rate of one year or for a Term Reset Rate of such longer duration as the Sponsor shall request and Freddie Mac shall provide such quote no later than 30 days after the receipt of such request), or (iii) exercise its election to fund (and thereafter fund) pursuant to Section 3.21 a Release Event with respect to all (but not less than all) of the Bonds on the first Optional Series Pool Release Date. Not later than ninety (90) days prior to the expiration of the Initial Freddie Mac Liquidity Pricing Term, the Sponsor shall submit a Liquidity Election Notice in the form attached as Exhibit IV notifying Freddie Mac of its election pursuant to the foregoing. Any new Base Rate accepted pursuant to this Section shall be set forth in an Amendment to this Agreement acceptable to Freddie Mac.

(c) The Sponsor acknowledges that Freddie Mac shall have no obligation to provide pricing for the Freddie Mac Liquidity Facility Fee after the Second Freddie Mac Liquidity Pricing Term. On or prior to the end of the Second Freddie Mac Liquidity Pricing Term (if elected by the Sponsor), the Sponsor shall either (i) convert the interest rate mode on the Class A Certificates to a Term Reset Rate upon satisfaction of all conditions to conversion to a Term Reset Rate set forth under the Series Certificate Agreement, or (ii) exercise its election to fund (and thereafter fund) pursuant to Section 3.21 a Release Event with respect to all (but not less than all) of the Bonds on the second Optional Series Pool Release Date. Not later than ninety (90) days prior to the expiration of the Second Freddie Mac Liquidity Pricing Term, the Sponsor shall provide written notice to Freddie Mac of its election pursuant to the foregoing.

(d) Any change to, or continuation of, the Term Reset Rate Method as the interest rate mode on the Class A Certificates (including in connection with Freddie Mac's annual liquidity program) may be subject, among other things, to (i) Freddie Mac's collection of a liquidity facility fee (or other separate fee) hereunder for its purchase price coverage at the end of

such Term Reset Rate, and (ii) any hedge requirements that Freddie Mac may have at such times with respect to a Term Reset Rate of such duration (which hedge requirements shall be set forth in an amendment to this Agreement). Any changes to the fees or hedges required hereunder in connection with the establishment of a new Term Reset Rate pursuant to this Section shall be set forth in an amendment to this Agreement acceptable to Freddie Mac, which amendment shall be delivered on or prior to the related Term Effective Date.

(e) In the event (i) a new Base Rate is not accepted (to the extent requested after the Initial Freddie Mac Liquidity Pricing Term), (ii) the Sponsor fails to fund a Release Event on the applicable Optional Series Pool Release Date or (iii) for any reason the interest rate mode on the Class A Certificates is not converted to a Term Reset Rate, in each case in accordance with this Section 3.20, such event shall be a "Mode Reset Failure" hereunder and a Liquidity Provider Termination Event under the Series Certificate Agreement, in which event Freddie Mac may (in its discretion) provide notice to the Administrator of such Liquidity Provider Termination Event, in which event the funds advanced by Freddie Mac to purchase Class A Certificates shall be a Credit Advance and due and payable pursuant to Section 3.2 hereof.

Section 3.21 *Optional Series Pool Release Date.* The Sponsor shall have the right, subject to the following terms and provided no Event of Default has occurred and is continuing, to direct Freddie Mac to exercise its right (provided the Class A Certificates then bear interest at a Weekly Reset Rate or Monthly Reset Rate) to cause a Release Event with respect to all (but not less than all) of the Bonds held under the Series Certificate Agreement on an Optional Series Pool Release Date by giving written notice of such election to Freddie Mac not less than ninety (90) days prior to such Optional Series Pool Release Date. Freddie Mac shall only exercise its right to cause such a Release Event to occur on an Optional Series Pool Release Date if by no later than the fifth (5th) Business Day prior to such Optional Series Pool Release Date the Sponsor shall have either (i) caused to be deposited with Freddie Mac in immediately available funds an amount necessary to pay in full the resulting Total Release Price due under the terms of the Series Certificate Agreement, together with amounts sufficient to pay all Obligations of the Sponsor due hereunder and any obligations of the Sponsor due under any other Sponsor Document or (ii) the Sponsor shall have provided evidence of the establishment of an escrow arrangement for the payment of the same satisfactory to Freddie Mac, in its sole discretion. Such monies provided by the Sponsor to Freddie Mac shall be applied as provided pursuant to the terms of the Series Certificate Agreement to effect such Release Event and the terms hereof to reimburse Freddie Mac for any amounts then due hereunder.

Section 3.22 *Rights of Sponsor Upon Freddie Mac Downgrade.* If the rating of the long-term senior debt of Freddie Mac is reduced below "A-" by the Rating Agency (which event shall constitute a material adverse credit condition under this Agreement), the Sponsor shall have the right to direct Freddie Mac to exercise its right (provided the Class A Certificates then bear interest at a Weekly Reset Rate or Monthly Reset Rate) to cause a Release Event with respect to all (but not less than all) Bonds held under the Series Certificate Agreement. If the Sponsor elects to exercise such right by giving not less than thirty (30) days written notice to Freddie Mac, Freddie Mac shall exercise its right to cause such a Release Event to occur promptly following receipt by the Administrator of immediately available funds from the Sponsor in an amount necessary to pay in full the resulting Total Release Price due under the terms of the Series Certificate Agreement, together with amounts sufficient to pay all Obligations of the Sponsor due hereunder and any obligations of the Sponsor due under any other Sponsor Document. Such monies provided by the Sponsor to the Administrator shall be applied as provided pursuant to the terms of the Series Certificate Agreement and the terms hereof.

Section 3.23 Release Event Upon Bond Event of Default. In addition to the Sponsor's rights under Section 3.19 hereof, if a material monetary event of default exists with respect to a series of Bonds (with respect to which the Sponsor or an Affiliate does not control the related Owner) and remains uncured for the shorter of (i) sixty (60) days or (ii) two consecutive scheduled payment dates (or such shorter period of time consented to by Freddie Mac), the Sponsor may direct Freddie Mac to declare a Release Event with respect to the related Bond and shall fund, or cause the funding of, the purchase of such Bond (which funding by, or caused by, the Sponsor shall be accomplished in accordance with Section 7.3(a) hereof and applicable provisions of the Series Certificate Agreement); provided, however, the Sponsor shall only have the right to cause a Release Event with respect to a Bond pursuant to this Section 3.23 if the Sponsor has funded, or caused the funding of, such Release Event within sixty (60) days of the date on which the right to direct a Release Event with respect to such Bond first arises under this Section 3.23.

Section 3.24 Loans by Guarantor or Its Affiliates. The Guarantor or an affiliate of the Guarantor may make a subordinate loan or loans to an Owner and enforce the terms of such loans if such loan is made in accordance with the terms of this Section 3.24. Freddie Mac acknowledges that the making of such loan(s) by the Guarantor and their enforcement is not a breach of a covenant or a representation under this Agreement provided that:

- (a) the Guarantor shall provide notice of such subordinate loan to Freddie Mac and the Servicer no later than 30 days prior to the funding of such loan (each notice shall include a representation as to the purpose of the subordinate loan),
- (b) such subordinate loan shall be made only to fund shortfalls in operating expenses or to pay debt service on the related Bonds,
- (c) the enforcement of remedies with respect to such subordinate loan(s) shall be done solely with Freddie Mac's prior consent, and
- (d) such subordinate loan: (i) is not secured by the applicable Mortgaged Property or an interest in the applicable Owner, (ii) is payable solely from 75% of surplus cash with respect to the related Mortgaged Property (as determined in accordance with Freddie Mac's program standards), (iii) has a maturity date which extends beyond the maturity date on the related Bonds, and (iv) otherwise conforms to Freddie Mac's then applicable program, policies and underwriting criteria for soft subordinate debt.

Section 3.25 Credit Advances; Real Estate Taxes. In the event any real estate taxes are assessed on a Mortgaged Property and are not timely paid when due by either the Owner or the Sponsor (irrespective of whether the Owner or the Sponsor is contesting such assessment), Freddie Mac shall have the right (but not the obligation) to pay such taxes and such expenditure by Freddie Mac shall be treated as a Credit Advance hereunder to be reimbursed from the sources and in the priority established in accordance with the provisions of this Agreement and Section 4.03 of the Series Certificate Agreement.

Section 3.26 Substitution Upon Sale of Pre-Selected Mortgaged Property: On or after the date which is thirty-six (36) months after the Closing Date, the Sponsor may elect, solely in connection with a sale of a Pre-Selected Mortgaged Property to a party that is not a Sponsor Affiliate and which party does not elect to assume the indebtedness of the related Bonds, to effect a substitution of the related Pre-Selected Bond in accordance with Section 3.19 and direct Freddie Mac to declare a Release Event for such purpose; provided, however, the Sponsor shall only have the right to effect a substitution of up to two Pre-Selected Bonds pursuant to this Section 3.26. In connection with any election under this Section 3.26, the Sponsor shall also satisfy the following conditions:

- (i) the Sponsor shall cause to be funded to Freddie Mac any applicable Prepayment/Substitution Premium required under Sections 3.8(a) and 3.19 hereof;
- (ii) the Sponsor shall provide reasonably satisfactory evidence to Freddie Mac that the applicable Pre-Selected Mortgaged Property is under contract for sale, the proposed purchaser of such Pre-Selected Mortgaged Property is not a Sponsor Affiliate and the proposed purchase price is the market price for such Pre-Selected Mortgaged Property;
- (iii) the Sponsor shall provide satisfactory evidence to Freddie Mac that the proposed purchaser is electing to payoff the related Bonds in connection with the sale;
and
- (iv) the Sponsor shall cause to be provided to Freddie Mac all fees required pursuant to Section 3.19 hereof.

ARTICLE IV

AGREEMENT TO EXCHANGE

Section 4.1 Exchange. Freddie Mac agrees to exchange the Certificates for the Bonds in accordance with and subject to the terms and provisions of this Agreement. In consideration for the transfer of ownership and possession of the Bonds from the Sponsor to Freddie Mac, Freddie Mac shall simultaneously deliver to the Sponsor the Class A Certificates issued pursuant to the Series Certificate Agreement and deliver the Class B Certificates to the Sponsor or upon its order. With respect to the Bonds, the Sponsor is transferring and assigning to Freddie Mac all of its right, title and interest in and to such Bonds together with all interest due thereon from and after July 1, 2015 (such transfer and assignment being intended as an absolute assignment to Freddie Mac of all of the Sponsor's ownership, right, title and interest in such Bonds from such date forward, and not as a collateral assignment or pledge of such Bonds).

Section 4.2 Mandatory Delivery; Ownership; Registration of Transfer. No later than the Closing Date (the “Delivery Deadline”), the Sponsor shall complete the delivery of the Bonds to Freddie Mac in accordance with this Agreement and the Bond Custody Agreement, and beneficial ownership of the Bonds shall pass from the Sponsor to Freddie Mac on the Closing Date as provided in Section 4.1. The Sponsor shall execute and deliver any instrument necessary or appropriate to effect or evidence the transfer and delivery of all the Sponsor’s interest in and to the Bonds to Freddie Mac, and shall fully and promptly cooperate with Freddie Mac, and take any necessary action, to cause the ownership of the Bonds to be registered in the name of Freddie Mac.

The Sponsor acknowledges that the Bonds have not been re-registered in the name of Freddie Mac on the Closing Date but are held for the benefit of Freddie Mac under the Bond Custody Agreement pending such re-registration. The Sponsor shall cause such Bonds to be re-registered in the name of Freddie Mac and delivered to Freddie Mac by no later than August 10, 2015.

Section 4.3 Failure to Deliver. If the Sponsor fails to deliver the Bonds to Freddie Mac or fails to comply fully with any precondition to Freddie Mac’s obligation to exchange Certificates for the Bonds on or before the Closing Date, Freddie Mac shall have no obligation to exchange Certificates for the Bonds, and the Sponsor shall promptly reimburse Freddie Mac for all of its out-of-pocket expenses in connection with the proposed transaction, including, but not limited to, Freddie Mac’s legal and financial modeling costs.

ARTICLE V

INTEREST RATE PROTECTION

Section 5.1 Hedge Requirement.

(a) **Hedge Requirement.** To protect against fluctuations in interest rates, Sponsor shall deliver to Freddie Mac and shall make arrangements for third-party Hedge Agreements to be in place and maintained at all times, with respect to the Class A Certificates during any period in which the Class A Certificates bear interest at a Weekly Reset Rate or Monthly Reset Rate. The Hedge Agreement with respect to the Class A Certificates shall take the form of one or more Caps that meets the requirements of this Article V. The initial Hedge Agreement with respect to the Class A Certificates shall be three Caps with counterparties acceptable to Freddie Mac. The initial Caps shall have a termination date of August 15, 2020 and a Strike Rate of 3%. The notional amount of the initial Caps shall equal the Initial Certificate Balance of the Class A Certificates on the Closing Date and shall decline based upon the scheduled amortization of the Class A Certificates. The initial Caps shall otherwise satisfy the terms hereof.

(b) **Expiration of Hedge.** Not later than the day following the expiration of the term of any Hedge, if a Subsequent Hedge is required pursuant to Section 5.1(a), the Sponsor shall deliver or cause to be delivered a Subsequent Hedge Agreement from a Counterparty acceptable to Freddie Mac.

(c) **Terms of Subsequent Hedge.** Except as otherwise permitted by Sections 5.2, 5.7 or otherwise consented to by Freddie Mac, each Subsequent Hedge shall be a Cap and shall have a term equal to the lesser of five (5) years or the remaining term of the related Series Pool.

(d) **Documentation.** Each Hedge and Subsequent Hedge shall be with a Counterparty acceptable to Freddie Mac. Prior to seeking any bids from any Counterparty for a Subsequent Hedge, the Sponsor shall obtain the prior written consent of Freddie Mac. Each Hedge shall be evidenced and governed by such documents (the "Hedge Documents") as shall be in form and content be acceptable to, Freddie Mac. Without limiting the generality of the foregoing, each Hedge Agreement shall satisfy the requirements of Section 5.2.

(e) **Performance Under Hedge Documents.** The Sponsor shall comply fully with, and otherwise perform when due, its respective obligations under all Hedge Documents. The Sponsor shall not exercise without Freddie Mac's prior written consent, and shall exercise at Freddie Mac's direction, any rights or remedies under any Hedge Document.

(f) **Termination; Transfer.** The Sponsor shall not terminate, transfer nor consent to any transfer of any existing Hedge without Freddie Mac's prior written consent as long as the Sponsor is required to maintain a Hedge with respect to the Class A Certificates pursuant to this Agreement. Prior to termination of an existing Hedge on a date prior to its scheduled termination date, the Sponsor shall, so long as a Weekly Reset Rate or Monthly Reset Rate is in effect, obtain a new Hedge satisfying the terms of this Agreement. Any new Hedge must be effective on or before or on the date immediately following the last date on which the existing Hedge is in effect. In no event shall the Sponsor terminate the Hedge if in connection with such termination Freddie Mac would be required to pay a termination fee pursuant to the Hedge, unless Freddie Mac expressly consents to the payment of such termination fee.

(g) **Hedge Assignment; Delivery of Payments.** The Sponsor shall assign to Freddie Mac each Hedge in effect from time to time pursuant to this Agreement. The Counterparty shall make all its payments to Freddie Mac to be allocated to the payment of fees, expenses, reimbursements and other Obligations of the Sponsor hereunder, and in no event paid to Class A Certificates. Any amounts received by the Sponsor from the Counterparty pursuant to the Hedge Agreement shall be paid by the Sponsor to Freddie Mac immediately and until paid to Freddie Mac, shall be held in trust for the benefit of Freddie Mac until applied in accordance with the terms of Article VIII hereof.

(h) **Notice of Expiration.** Not less than six (6) months prior to the expiration of each Hedge delivered hereunder, if a Subsequent Hedge will be required pursuant to Section 5.1(a), the Sponsor shall provide Freddie Mac written notice of the proposed terms of the Hedge expected to be delivered by the Sponsor to replace the expiring Hedge.

Section 5.2 Hedge Agreement Terms.

(a) **Hedge Agreement Payment Terms.** For each Hedge related to the Class A Certificates, the Counterparty shall pay a floating amount computed in accordance with the Hedge Documents to the extent the Index Rate exceeds the fixed cap rate (the "Strike Rate"). For each Hedge Agreement, the Strike Rate must not exceed 4.5% per annum or shall otherwise be acceptable to Freddie Mac. Each Hedge must provide for monthly settlement on the fifteenth

day of each month with a grace period of no longer than three (3) Business Days. If the SIFMA Index Rate is not published on any reset date under the Hedge, the Counterparty must determine an appropriate index as a substitute for the SIFMA Index Rate on each such reset date. The index so determined shall provide a rate of interest that is equivalent to the prevailing rate of interest borne by bonds that are rated in the highest short-term rating category by Moody's and S&P for issuers of not less than five "high grade" component issuers selected by the Counterparty which shall include, without limitation, issuers of general obligation bonds, and that are subject to tender by holders thereof for purchase on not more than seven (7) days notice and the interest on which is (a) variable, determined on a weekly basis, (b) excludable from gross income for federal income tax purposes, and (c) not subject to a "minimum tax" or similar tax unless all tax-exempt bonds are subject to such tax.

(b) **Notional Principal Amount of Hedge.** The initial notional amount of any Hedge shall be equal to the Current Class A Certificate Balance immediately prior to the commencement of the applicable Hedge Period.

(c) **[Reserved].**

(d) **Cap Fee Escrow.** From amounts received with respect to the Pledged Security Collateral, the Pledge Custodian on behalf of the Sponsor shall pay to the Servicer for deposit to a Cap Fee Escrow monthly on the fifteenth (15th) day of each month (commencing on the fifteenth (15th) day of the month next preceding the date that is sixty (60) months prior to the expiration of each existing Hedge), an amount that will result in the accumulation by the expiration of the existing Hedge, without regard to earnings from investments of amounts in the Cap Fee Escrow, of funds estimated by Freddie Mac to be sufficient to pay the cost of a Cap with a term of five years in a notional amount that will equal the outstanding principal amount of the Class A Certificates at such time. During the first twelve (12) months after the commencement of deposits required hereunder, the monthly deposit shall be equal to a fraction, the numerator of which is 125% of the estimated cost of the Cap required hereunder and the denominator of which is 60. Thereafter, the amount of the monthly deposit shall be recomputed by Freddie Mac annually based upon the Freddie Mac's estimation of the cost of such Cap times 125% minus amounts already on deposit in the applicable Cap Fee Escrow divided by the number of months remaining until the related expiration date of the preceding Hedge.

Amounts on deposit in the Cap Fee Escrow shall be invested and reinvested by the Servicer only in the following, having maturities of no more than six months:

- (i) Bank accounts or certificates of deposit that are fully insured by the Federal Deposit Insurance Corporation.
- (ii) Direct obligations of the U.S. Government, the Federal Home Loan Bank, the Federal Home Loan Mortgage Corporation, Fannie Mae or the Federal Farm Credit Bank.
- (iii) Obligations, the interest on which is excludable from gross income for federal income tax purposes, with a "Moody's Investment Grade One" rating or bonds the interest on which is excludable from gross income for purposes of federal income taxation, that are rated not lower than "AA" or "Aa" by either S&P or Moody's

respectively, if only one rating from those agencies has been obtained, and if both agencies have rated the obligations or bonds, not lower than "Aa" or "AA," as applicable; provided, however, not more than 10% of the total issue of any such obligations may be purchased and issues of at least \$20,000,000 in total issue size must be selected.

(iv) Commercial paper with a rating of at least "A-1" by S&P and at least P-1 by Moody's.

(v) Corporate notes and bonds with a rating of at least "AA" and "Aa" from S&P and Moody's.

(vi) Shares or other interests in mutual funds that invest exclusively in (A) instruments the interest on which is exempt from federal income taxation and which are rated by at least one nationally recognized statistical rating agency in one of that agency's two highest rating categories or (B) any of the categories of investments described in paragraphs (i) through (v) above.

During any period the Class A Certificates have been converted with the prior written consent of Freddie Mac to bear interest at a Term Reset Rate and no Hedge is required to be maintained pursuant to Section 5.1 of this Agreement, and provided no Event of Default is existing hereunder, any amounts then held on deposit in the Cap Fee Escrow shall be distributed to the Sponsor upon a written request therefor delivered to the Servicer and Freddie Mac.

(e) **Additional Collateral.** Each Hedge Agreement shall provide that if the long-term, unsecured and unsubordinated indebtedness of the Counterparty shall cease to be rated at least A1 by Moody's or A+ by S&P (or Aa1 by Moody's or AA+ by S&P in the case of counterparties that are insurance companies) or such indebtedness shall cease to be rated by Moody's or S&P, then such party's obligations under the Hedge Agreement shall be required to be collateralized on such terms and conditions as are acceptable to Freddie Mac including without limitation the delivery of cash collateral to a Trustee. If the Counterparty fails to escrow collateral as provided in the Hedge Agreement, the Sponsor shall enter into a Subsequent Hedge within thirty (30) days after such failure to escrow collateral.

Section 5.3 Failure to Deliver Subsequent Hedge.

If:

(a) the Sponsor fails to deliver a Subsequent Hedge as required by this Agreement, or

(b) the Sponsor has indicated that it will obtain a Subsequent Hedge and has not provided to Freddie Mac and the Servicer a copy of the executed and delivered Subsequent Hedge when required by Section 5.1(b),

then Freddie Mac at its option, may

(i) purchase a Subsequent Hedge upon such terms as it deems satisfactory in its own name or for the account of the Sponsor with funds on deposit in the Cap Fee Escrow, and if funds in the Cap Fee Escrow are insufficient for that purpose, Freddie Mac may advance the insufficient amount, which advance shall be deemed a Credit Advance; or

(ii) treat such failure by the Sponsor as an Event of Default.

If Freddie Mac exercises its right under clause (i) and is reimbursed with interest its Credit Advance within the time required by Section 3.2 hereof after it gives notice to the Sponsor that Freddie Mac purchased the Subsequent Hedge, the failure of the Sponsor to obtain the Hedge shall no longer constitute an Event of Default.

The Sponsor hereby appoints Freddie Mac as its attorney-in-fact, with full authority in the place and stead of the Sponsor and in the name of the Sponsor, from time to time in Freddie Mac's discretion, to take any action and to execute any instrument which Freddie Mac may reasonably deem necessary or advisable to accomplish the purposes of this Section 5.3. The power of attorney established pursuant to this Section 5.3 shall be deemed coupled with an interest and shall be irrevocable.

Section 5.4 [Reserved].

Section 5.5 Pledge and Assignment of Security Interest in Hedge Collateral To secure the Obligations, the Sponsor hereby assigns, pledges and grants a security interest to Freddie Mac in and to all of its right, title and interest in and to the following (collectively, the "Hedge Collateral"):

- (a) the Hedge Agreement and any Subsequent Hedge Agreements;
- (b) any and all moneys (collectively, "Hedge Payments") payable to the Sponsor, from time to time, pursuant to the Hedge Agreements or any Subsequent Hedge Agreements by the Counterparty thereunder;
- (c) the Cap Fee Escrow;
- (d) all rights of the Sponsor under any of the foregoing, including all rights of the Sponsor to the Hedge Payments and all contract rights and general intangibles now existing or hereafter arising with respect to any or all of the foregoing;
- (e) all rights, liens, security interests and guarantees now existing or hereafter granted by the Counterparty, or any other person, to secure or facilitate payment of the Hedge Payments;
- (f) all documents, writings, books, files, records and other documents arising from, or relating to, any of the foregoing, whether now existing or hereafter created;
- (g) all extensions, renewals and replacements of the foregoing; and
- (h) all cash and non-cash proceeds and products of any of the foregoing, including, without limitation, interest, dividends, cash, instruments and other property from time to time received, receivable or otherwise distributed or distributable in respect of or in exchange for any or all of the other Hedge Collateral.

Section 5.6 Obligations Remain Absolute. Nothing contained herein shall relieve the Sponsor of its primary obligation to pay or cause to be paid all amounts due in respect of the Obligations, subject to Section 9.11.

ARTICLE VI

UNIFORM COMMERCIAL CODE SECURITY AGREEMENT

This Agreement is also a security agreement under the Uniform Commercial Code with respect to the Hedge Collateral as provided in Article V and the Pledged Security Collateral as provided in Article VIII and all funds and accounts and investments thereof now or hereafter held by the Administrator under the Series Certificate Agreement (to the extent of any retained interest by the Sponsor therein) and all funds and accounts and investments thereof now or hereafter held for the benefit of Freddie Mac under the Custody Account, the Stabilization Escrow Agreement and all cash and non-cash proceeds thereof (collectively, "UCC Collateral"), and the Sponsor hereby grants to Freddie Mac a security interest in the UCC Collateral as security for all Obligations due under this Agreement and under any of the Sponsor Documents. The Sponsor shall execute and deliver to Freddie Mac, upon Freddie Mac's request, financing statements, continuation statements and other account agreements and amendments, in such form as Freddie Mac may require to perfect or continue the perfection of this security interest. The Sponsor shall pay or cause to be paid all filing costs and all costs and expenses of any record searches for financing statements that Freddie Mac may reasonably require. Except as otherwise permitted herein, without the prior written consent of Freddie Mac, the Sponsor shall not create or permit to exist any other lien or security interest in any of the UCC Collateral. The Sponsor covenants and agrees that it will defend Freddie Mac's rights and security interests created by this Article against the claims and demands of all Persons. If an Event of Default has occurred and is continuing, subject to Article VII hereof, Freddie Mac shall have the remedies of a secured party under the Uniform Commercial Code, in addition to all remedies provided by this Agreement or existing under applicable law. In exercising any remedies, Freddie Mac may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of the other remedies available to Freddie Mac.

ARTICLE VII

EVENTS OF DEFAULT; REMEDIES

Section 7.1 Events of Default. The occurrence of any one or more of the following events shall constitute an Event of Default hereunder:

- (a) Freddie Mac, as provider of credit enhancement and as liquidity provider, does not receive any amount payable under this Agreement when due, including, without limitation, any fees, costs or expenses (provided that if the Administrator or Pledge Custodian has such amounts in its possession pursuant to the Series Certificate Agreement or this Agreement and is directed thereunder or hereunder to pay such amounts to Freddie Mac, such occurrence will not be an Event of Default);
- (b) the Sponsor shall fail to perform its obligations under Section 3.15 or Section 3.20;

(c) the Sponsor shall fail to observe or perform in all material respects any other term, covenant, condition or agreement set forth in this Agreement, and such failure shall continue, and remain uncured, for a period of thirty (30) days following notice to the Sponsor of such failure, or actual knowledge by the Sponsor of such failure; provided, however, in the event such failure shall relate to a non-monetary term, covenant, condition or agreement that can be corrected but not within thirty (30) days, such failure shall not constitute an Event of Default hereunder if corrective action is instituted by the Sponsor within thirty (30) days and diligently pursued until such failure is cured, provided such failure must be cured not later than ninety (90) days after the initial date of such failure;

(d) the Sponsor (or any Affiliate thereof who is a party to such Sponsor Document) shall fail to observe or perform in all material respects any other term, covenant, condition or agreement set forth in any of the other Sponsor Documents, or there shall otherwise occur an event of default caused by the Sponsor (or any Affiliate thereof who is a party to such Sponsor Document) under any of the other Sponsor Documents (taking into account any applicable cure period);

(e) Freddie Mac shall have given the Sponsor written notice that Pledged Class A Certificates have not been remarketed as of the sixtieth (60th) day following purchase by the Administrator on behalf of the Sponsor, and Freddie Mac has not been reimbursed for the applicable Liquidity Advance, together with interest thereon, or has not been paid in full all fees and other amounts due to Freddie Mac under this Agreement;

(f) failure to pay principal of, and interest on, any Bond Purchase Loan when due pursuant to Section 7.03(b) hereof;

(g) failure of the Sponsor to deliver a Subsequent Hedge or replacement Hedge as required under Article V;

(h) an "event of default" by the institution providing the Hedge occurs under any Hedge Documents and the Sponsor does not provide a Subsequent Hedge within 10 Business Days;

(i) the Guarantor fails to perform its obligations when required under the Guaranty;

(j) Article VIII of this Agreement, or the validity or enforceability thereof, shall be contested by the Sponsor or any Class B Owner, or the Sponsor, or any Class B Owner shall deny that it has any further obligation under Article VIII of this Agreement or any instrument delivered thereunder, or that its beneficial interest in the Class B Certificates is subject to or subordinate to the terms of this Agreement, as applicable, prior to the termination of this Agreement;

(k) any representation made by the Sponsor in Sections 2.1(uu), 2.2(a)(iii), 2.2(a)(iv), 2.2(a)(v), 2.2(a)(vi) or 2.2(a)(vii) or in Section 8.10 of this Agreement shall prove to have been incorrect in any material respect when made (the breach of other representations made by the Sponsor herein shall not constitute an "Event of Default" but shall be dealt with pursuant to Section 2.4 hereof); or

(m) a subordinate loan is made by the Guarantor or an affiliate of the Guarantor not in accordance with Section 3.24 hereof.

Section 7.2 Remedies; Waivers.

(a) **Remedies.** Upon the occurrence of an Event of Default, (i) Freddie Mac may declare all of the Obligations hereunder to be immediately due and payable, in which case all such Obligations shall become due and payable, without presentment, demand, protest or notice of any kind, including notice of default, notice of intent to accelerate or notice of acceleration; (ii) Freddie Mac may direct the Administrator to deliver all amounts payable on the Class B Certificates to the Pledge Custodian for deposit into the Custody Account (which amounts shall be Pledged Security Collateral hereunder); (iii) at the written direction of a Freddie Mac Authorized Officer, the Pledge Custodian shall deliver all Pledged Security Collateral to Freddie Mac; (iv) Freddie Mac may, or the Pledge Custodian at the written direction of a Freddie Mac Authorized Officer shall, without further notice, exercise all rights, privileges or options pertaining to the UCC Collateral as if Freddie Mac were the absolute owner thereof, upon such terms and conditions as Freddie Mac may determine, all without liability except to account for property actually received by Freddie Mac or the Pledge Custodian (but neither Freddie Mac nor the Pledge Custodian shall have any duty to exercise any of those rights, privileges or options and shall not be responsible for any failure to do so or delay in so doing); and (v) Freddie Mac may, or the Pledge Custodian at the written direction of a Freddie Mac Authorized Officer shall, exercise in respect of the UCC Collateral, in addition to other rights and remedies provided for in this Agreement or otherwise available to it, all of the rights and remedies of a secured party under the Uniform Commercial Code and also may, without notice except as specified below, sell the UCC Collateral at private sale, at any of the offices of Freddie Mac or the Pledge Custodian or elsewhere, for cash, on credit or for future delivery, and upon such other terms as may be commercially reasonable. The Sponsor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' prior notice to the Sponsor of the time after which any private sale is to be made shall constitute reasonable notification. Neither Freddie Mac nor the Pledge Custodian shall be obligated to make any sale of UCC Collateral regardless of notice of sale having been given. Freddie Mac may, or the Pledge Custodian at the written direction of a Freddie Mac Authorized Officer shall, adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

Freddie Mac shall also have the right to provide notice to the Administrator of a Liquidity Provider Termination Event, in which event the funds advanced by Freddie Mac to purchase Class A Certificates shall be a Credit Advance and immediately due and payable hereunder. In addition to the foregoing, Freddie Mac shall have the right to take such action at law or in equity, without notice or demand, as it deems advisable to protect and enforce the rights of Freddie Mac against the Sponsor in and to the UCC Collateral, including, but not limited to, (i) the exercise of any rights and remedies available to Freddie Mac under any of the Sponsor Documents and (ii) the right to cause a mandatory tender of all Certificates and to require that the Sponsor elect to fund or cause the funding of the purchase of such Certificates.

Notwithstanding anything contained in this Section 7.2 to the contrary, following an Event of Default and prior to any liquidation of the UCC Collateral, the Class B Owners shall continue to be the owner(s) of all Class B Certificates, and the Sponsor shall continue to be the beneficial owner of all Purchased Bonds, Pledged Class A Certificates and other Pledged Security Collateral, subject to any and all liens in favor of Freddie Mac created by this Agreement.

(b) **Application of Proceeds.** The Pledge Custodian shall apply the cash proceeds actually received from any sale or other disposition of the Pledged Security Collateral as follows: (a) first, to reimburse the Pledge Custodian for the reasonable expenses of preparing for sale, selling and the like and to reasonable attorneys' fees and expenses and legal expenses incurred by the Pledge Custodian in connection therewith, (b) second, to Freddie Mac to be applied to the repayment of all amounts then due and unpaid on the Obligations and (c) then, to pay the balance, if any, to (i) the Sponsor, or (ii) as otherwise required by law. The Sponsor shall not be liable for any deficiency, subject to Section 9.11(b) of this Agreement, which sets forth circumstances under which personal liability applies to the Sponsor, if the proceeds of any final sale or other disposition of the Pledged Security Collateral and any other security provided by the Sponsor for its Obligations hereunder is insufficient to pay the Obligations.

(c) **Waivers.** Freddie Mac shall have the right, to be exercised in its discretion, to waive any Event of Default under this Agreement. Unless such waiver expressly provides to the contrary, any waiver so granted shall extend only to the specific event or occurrence which gave rise to the Event of Default so waived and not to any other similar event or occurrence which occurs subsequent to the date of such waiver.

Section 7.3 Rights with Respect to Defaults under Bond Mortgages; Bond Purchase Loan

(a) **Exercise of Right of Sponsor to Fund or Cause Funding in Connection with Release Event** Upon the occurrence of a Release Event under the Series Certificate Agreement and the exercise by Freddie Mac of its right to cause a purchase of the related series of Bonds, the Sponsor shall have the right (or where the Sponsor directs Freddie Mac to cause a Release Event pursuant to Sections 3.21, 3.22, 3.23 or 3.26, the obligation) economically to fund or cause the funding of the purchase of such Bonds as provided in this Section 7.3(a). If the Sponsor elects to exercise any such right by giving notice to Freddie Mac, the Sponsor shall provide or cause to be provided sufficient immediately available funds to Freddie Mac to fund the Total Release Price of the affected Bonds not later than 11:00 a.m. Washington, D.C. time, on the Business Day prior to the Release Event Date designated by Freddie Mac. If the Sponsor makes such election or directs Freddie Mac to declare a Release Event pursuant to the terms hereof and fails to provide or cause to be provided such funds to Freddie Mac when required, such Release Event shall be cancelled. All moneys provided or caused to have been provided by the Sponsor to Freddie Mac for the purchase of Bonds, shall be applied as provided in the Series Certificate Agreement.

(b) **Exercise of Purchase Right by Freddie Mac.** Upon the occurrence of a Release Event with respect to the Bonds, Freddie Mac shall have the right to fund the purchase of the related series of Bonds if the Sponsor declines or fails to exercise properly its right to fund or cause funding with respect to the same. Prior to any exercise of such right, Freddie Mac shall

provide written notice to the Sponsor (the “Freddie Mac Purchase Notice”) not less than fifteen (15) days prior to the proposed Release Event Date (or such lesser time period necessary for the Release Event under Section 13.04 of the Series Certificate Agreement) identifying each series of Bonds giving rise to a Release Event, the circumstances giving rise to such Release Event and the proposed purchase date and stating that the Sponsor may elect to fund or cause the funding of such purchase of the affected series of Bonds.

In the event the Sponsor elects to fund or cause the funding of the purchase of the affected series of Bonds, the provisions of subsection (a) above shall apply.

In the event the Sponsor does not elect to fund or cause the funding of the purchase of the affected series of Bonds, and Freddie Mac does not decide to terminate the Release Event, the affected series of Bonds are required to be purchased with funds drawn pursuant to the Credit Enhancement by Freddie Mac under the Series Certificate Agreement, and such Bonds shall be delivered to the Pledge Custodian and held in the name of the Pledge Custodian as applicable for the benefit of the Sponsor subject to the lien in favor of Freddie Mac. All such moneys for the purchase of such Bonds shall be applied as provided in Series Certificate Agreement.

Any Credit Advance by Freddie Mac under this Section 7.3(b) to fund the purchase of an affected series of Bonds, shall be deemed to be a loan from Freddie Mac to the Sponsor (a “Bond Purchase Loan”), except with respect to any Credit Advance in connection with a Release Event of a Non-Stabilized Bond under the Stabilization Escrow Agreement which shall be reimbursed on the date of such advance pursuant to Section 3.2 hereof. The maturity date of any Bond Purchase Loan shall be the earliest of (1) two years from the date of purchase, or (2) the sale or transfer of all of the affected series of Bonds, or the foreclosure, deed in lieu of foreclosure or comparable conversion of the related Bond Mortgage, on which maturity date the outstanding principal of such Bond Purchase Loan shall be due and payable in full, or (3) the date of termination of the Series Pool in whole in accordance with Article XIII of the Series Certificate Agreement. (Any Bond Purchase Loan may be prepaid by the Sponsor at any time.) Interest on any Bond Purchase Loan shall accrue at a rate of interest equal to the prime rate of interest of Citibank, N.A., until such time as another “Money Center” bank is designated by Freddie Mac in its sole discretion by notice to the Sponsor, plus two percent (2%) per annum, which shall be payable on the fifteenth day of each calendar month. The principal of any Bond Purchase Loan shall be payable from amounts applied as provided in Section 4.03(b) of the Series Certificate Agreement except, prior to the payment in full of all Class A Certificates under the Series Certificate Agreement and prior to the termination thereof, the principal of any outstanding Bond Purchase Loan shall not be payable (nor be deemed due for payment) from amounts applied pursuant to the aforementioned Section 4.03(b) if such amounts are derived from a Credit Advance by Freddie Mac in connection with a subsequent Release Event. The principal of any outstanding Bond Purchase Loan shall also be payable from any payments of principal in respect of a Purchased Bond pursuant to Article VIII hereof. At any time prior to the Sponsor’s funding of the purchase of such Bonds or causing to fund the same, (i) Freddie Mac shall retain all rights and remedies with respect to any such Mortgaged Property and the related Owner Documents and (ii) the Sponsor hereby acknowledges and agrees that it has relinquished and has no rights to exercise remedies with respect to the Mortgaged Property or the related Owner Documents except as specifically provided under any Sponsor Documents and that with respect thereto the Sponsor shall not exercise any such rights without the prior written consent of Freddie Mac.

(c) **Material Adverse Credit Condition.** Freddie Mac hereby acknowledges that a Release Event may not be declared solely because the DCR or LTV of a Mortgaged Property (as defined in Section 3.19 hereof) related to a Bond worsens following the Closing Date, and that any such event shall not in and of itself be treated as a “material adverse credit condition” for such purpose. The foregoing statement does not in any way alter or change the DCR and LTV requirements for Substitute Bonds specified in Section 3.19 hereof.

Section 7.4 No Remedy Exclusive. Unless otherwise expressly provided, no remedy conferred upon or reserved in this Agreement is intended to be exclusive of any other available remedy, but each remedy shall be cumulative and shall be in addition to other remedies given under the Sponsor Documents or existing at law or in equity. No delay or omission to exercise any right or power accruing under any Sponsor Document upon the happening of any event set forth in Section 7.1 shall impair any such right or power or shall be construed to be a waiver of such event, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Freddie Mac to exercise any remedy reserved to Freddie Mac in this Article, it shall not be necessary to give any notice, other than such notice as may be required under the applicable provisions of any of the other Sponsor Documents. The rights and remedies of Freddie Mac specified in this Agreement are for the sole and exclusive benefit, use and protection of Freddie Mac, and Freddie Mac is entitled, but shall have no duty or obligation to the Sponsor, the Guarantor, any Sponsor Affiliate, the Pledge Custodian, the Administrator or otherwise, (a) to exercise or to refrain from any right or remedy reserved to Freddie Mac hereunder, or (b) to cause the Pledge Custodian, the Administrator or any other party to exercise or to refrain from exercising any right or remedy available to it under any of the Sponsor Documents.

ARTICLE VIII

PLEDGE, SECURITY AND CUSTODY OF PLEDGED SECURITY COLLATERAL

Section 8.1 Pledged Security Collateral. Subject to the provisions of Section 8.18, the Sponsor hereby assigns and pledges to the Pledge Custodian, and grants to the Pledge Custodian, for the benefit of Freddie Mac, a continuing security interest in, and a lien on, all of the Sponsor’s right, title and interest in and to the following property (collectively, the “Pledged Security Collateral”):

- (a) all Purchased Bonds;
- (b) all Pledged Class A Certificates;
- (c) all amounts deposited into the Custody Account;
- (d) the Additional Stabilization Collateral;
- (e) all interest and other amounts payable on, and all rights with respect to, any Purchased Bonds, Class B Certificates, Pledged Class A Certificates, the Additional Stabilization Collateral and all amounts on deposit in the Custody Account (including, without limitation, all payments of principal and interest thereon); and
- (f) all proceeds of any of the foregoing.

Notwithstanding anything to the contrary in this Agreement, Additional Stabilization Collateral may only be used towards the payment or performance of Stabilization Obligations.

Section 8.2 Delivery of Pledged Security Collateral. At such time as a Class A Certificate becomes a Pledged Class A Certificate or a Bond becomes a Purchased Bond in accordance with the Series Certificate Agreement, and this Agreement, the Sponsor shall be the beneficial owner of each of the Pledged Class A Certificates and Purchased Bonds, as applicable, which, regardless of the identity of the beneficial owner thereof, shall be held by the Pledge Custodian subject to the security interest created by the terms of this Agreement. All Pledged Security Collateral shall be deposited in the Custody Account (as defined in Section 8.11 below), except for the Additional Stabilization Collateral. The Pledge Custodian shall cause the Purchased Bonds and the Pledged Class A Certificates, as applicable, to be registered in the name of the Pledge Custodian or, if transfers are recorded in book-entry form only, cause the appropriate records of the applicable financial intermediary to reflect that the Pledge Custodian holds a security interest in the Purchased Bonds and the Pledged Class A Certificates, as applicable, for the benefit of Freddie Mac.

Section 8.3 Amounts Received on Pledged Class A Certificates.

(a) Provided that (i) no Advance has been made pursuant to the Series Certificate Agreement and remains unreimbursed, (ii) all fees and any other amounts due and owing to Freddie Mac under this Agreement have been paid and (iii) the Pledge Custodian has not received a written notice from Freddie Mac that an Event of Default has occurred and is continuing under this Agreement, subject to the provisions of Sections 8.3(b) and 8.3(c) and the Series Certificate Agreement, then the Pledge Custodian shall pay to the Sponsor within one (1) Business Day of receipt all amounts received by the Pledge Custodian with respect to any Pledged Class A Certificates until all Pledged Class A Certificates are released in accordance with the terms of this Agreement.

(b) If an Advance has been made pursuant to the Series Certificate Agreement and remains unreimbursed, or if all fees and any other amounts due and owing to Freddie Mac under this Agreement have not been paid, or if the Pledge Custodian receives a written notice from Freddie Mac that an Event of Default has occurred and is continuing under this Agreement, the Pledge Custodian shall pay, first, to Freddie Mac within one (1) Business Day of receipt such amounts received by the Pledge Custodian with respect to any Pledged Class A Certificates as are equal to the amount of any such unreimbursed Advance or other amounts due and owing to Freddie Mac under this Agreement and, second, subject to the provisions of Section 8.3(c) and the Series Certificate Agreement, the balance, if any, to the Sponsor until all Pledged Class A Certificates are released from the Custody Account in accordance with the terms of this Agreement.

(c) Before making any payments to the Sponsor pursuant to this Section 8.3, the Administrator shall confirm the aggregate amounts of the Freddie Mac Fee, and the Remarketing Agent Fee paid directly, or caused to be paid, by the Sponsor since the immediately preceding date on which payments were made to the Sponsor pursuant to this Section 8.3 (the "Sponsor Paid Expenses"). For purposes of such confirmation, the Administrator shall be entitled to rely on a statement setting forth such Sponsor Paid Expenses (separately and in the aggregate) delivered by facsimile by the Sponsor to the Pledge Custodian at least two (2) Business Days prior to the date payments are to be made pursuant to this Section 8.3.

Section 8.4 Amounts Received on Purchased Bonds. The Pledge Custodian shall pay to Freddie Mac within one (1) Business Day all amounts received by the Pledge Custodian with respect to any Purchased Bonds, for credit to the obligations of the Sponsor hereunder, until such Purchased Bonds are released to the Sponsor in accordance with the terms of Section 8.5 of this Agreement.

Section 8.5 Release of Purchased Bonds. If the Pledge Custodian has received written notice from Freddie Mac that Freddie Mac (provided no written notice shall be required when Freddie Mac is also acting as the Pledge Custodian) has been fully reimbursed by the Sponsor for all Obligations relating to a Purchased Bond (and Freddie Mac agrees to give such notice promptly following full reimbursement), that no Advances remain unreimbursed, that all fees and other amounts currently owing to Freddie Mac have been paid and that no Event of Default exists hereunder, the Pledge Custodian shall release such Purchased Bond together with the proceeds thereof remaining in the possession of the Pledge Custodian, if any, to the Sponsor. The release of such Purchased Bond shall be free and clear of the security interest created by this Agreement.

Section 8.6 Release of Pledged Class A Certificates. If the Pledge Custodian has received written notice from Freddie Mac (provided no written notice shall be required when Freddie Mac is also acting as the Pledge Custodian) that Freddie Mac has been fully reimbursed by the Sponsor for all Obligations relating to any Available Remarketing Class A Certificate (and Freddie Mac agrees to give such notice promptly following full reimbursement), the Pledge Custodian shall release such Available Remarketing Class A Certificate to the Administrator for delivery to the Sponsor or, if applicable, in connection with a remarketing to the purchasers of such Pledged Class A Certificates. The release of any Pledged Class A Certificate shall be free and clear of the security interest created by this Agreement. If directed in writing by Freddie Mac if an Event of Default exists, the Pledge Custodian shall deliver Pledged Class A Certificates that are not Available Remarketing Class A Certificates to the Administrator for cancellation in exchange for the Bonds related thereto as soon as such Bonds have been received by the Pledge Custodian from the Administrator. Any such Bonds so received shall be held hereunder as Purchased Bonds and notice thereof shall be provided to the Sponsor.

Section 8.7 Loss to Pledged Security Collateral. The Pledge Custodian shall not be liable for any loss with respect to any Pledged Security Collateral in its possession (except for any loss resulting from the Pledge Custodian's willful misconduct or negligence), nor shall such loss diminish the Obligations.

Section 8.8 [Reserved].

Section 8.9 Ownership Restrictions. Notwithstanding any provisions of this Agreement, ownership by and release to the Sponsor of any Pledged Security Collateral as described hereunder shall be in all respects subject to the provisions of any documents restricting or governing transfers and ownership of such Pledged Security Collateral.

Section 8.10 Representations and Warranties of the Sponsor to the Pledge Custodian. The Sponsor represents and warrants to the Pledge Custodian on the Closing Date and on each date that Purchased Bonds or Pledged Class A Certificates are delivered to the Pledge Custodian hereunder with respect to such Purchased Bonds and Pledged Class A Certificates that:

(a) it is the legal and beneficial owner of (and has full right and authority to pledge and assign) the applicable Pledged Security Collateral, free and clear of all liens, security interests, options or other charges or encumbrances (collectively, “**Liens**”) except Liens granted pursuant to this Agreement; and

(b) upon delivery of the Pledged Security Collateral to the Pledge Custodian (or notice to the financial intermediary, if applicable), the Pledge Custodian shall have a valid, enforceable and first priority security interest in all of the Pledged Security Collateral securing the Obligations.

Section 8.11 Custody Account. On or prior to the Closing Date, the Pledge Custodian shall establish on its books and in its records the Custody Account. The Pledge Custodian shall maintain the Custody Account until the termination of this Agreement. At no time shall the Custody Account be maintained on behalf of, or be payable to, any person other than Freddie Mac. The Sponsor and any Class B Owner shall not have any right of withdrawal from the Custody Account. No property other than Pledged Security Collateral shall be deposited by the Pledge Custodian in the Custody Account. Segregation of the Pledged Security Collateral in the Custody Account from other property maintained with the Pledge Custodian shall be accomplished by appropriate identification on the Pledge Custodian’s books and records. The Pledge Custodian shall, at all times prior to the termination of this Agreement, maintain a record of all Purchased Bonds, Pledged Class A Certificates and other property in the Custody Account separately identifying such Purchased Bonds, Pledged Class A Certificates or other property received with respect thereto as being subject to the security interest granted to the Pledge Custodian on behalf of Freddie Mac in this Agreement. So long as the internal procedures set forth in this Section are met by the Pledge Custodian, the Pledge Custodian may hold the Pledged Security Collateral in its vaults or in a commingled account (whether book-entry or otherwise) of the Pledge Custodian, as agent for its customers, with any bank, central depository or clearing organization as the Pledge Custodian’s subcustodian, in nominee name or otherwise.

Section 8.12 Appointment and Powers of the Pledge Custodian.

(a) The Sponsor acknowledges the appointment of Freddie Mac in its capacity as the Pledge Custodian as collateral agent for Freddie Mac in its corporate capacity under this Agreement, and authorizes the Pledge Custodian to take such actions on behalf of Freddie Mac, and to exercise such rights, remedies, powers and privileges under this Agreement as are specifically authorized to be exercised by the Pledge Custodian by the terms of this Agreement. The Pledge Custodian may execute any of its duties as collateral agent under this Agreement by or through its agents (but only with the prior written consent of Freddie Mac) or employees and shall be entitled to retain experts (including counsel) and to act in reliance upon the advice of such experts concerning all matters pertaining to the agencies created by this Agreement and its duties under this Agreement, and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel selected by it. The Pledge Custodian agrees to perform only those duties specifically set forth in this Agreement, and no implied duties or obligations shall be read into this Agreement. So long as Freddie Mac is acting as Pledge Custodian hereunder, it shall have no duty to provide notice to, or seek the consent or direction of, Freddie Mac in its corporate capacity.

(b) The Pledge Custodian shall have no duty to exercise any discretionary right, remedy, power or privilege granted to it by this Agreement, or to take any affirmative action under this Agreement, unless directed to do so by Freddie Mac in writing, and shall not, without the prior written approval of Freddie Mac, consent to any departure by the Sponsor from the terms of this Agreement, waive any default on the part of the Sponsor under this Agreement or amend, modify, supplement or terminate, or agree to any surrender of, this Agreement or the Pledged Security Collateral; provided, that the Pledge Custodian shall not be required to take any action that exposes the Pledge Custodian to personal liability, or which is contrary to this Agreement or any other agreement or instrument relating to the Pledged Security Collateral or applicable law.

(c) Neither the Pledge Custodian nor any of its directors, officers, employees or agents, shall be liable for any action taken or omitted to be taken by it or them under this Agreement, or in connection with this Agreement, except the Pledge Custodian shall be responsible for its own negligence or willful misconduct; nor shall the Pledge Custodian be responsible for the validity, effectiveness, value, sufficiency or enforceability against the Sponsor of this Agreement or any other document furnished pursuant to this Agreement or in connection with this Agreement, or of the Pledged Security Collateral (or any part thereof), or for the perfection or priority of any security interest purported to be granted under this Agreement.

(d) The Pledge Custodian shall be entitled to rely on any communication, instrument, paper or other document believed by it in good faith to be genuine and correct and to have been signed or sent by the proper person or persons. The Pledge Custodian shall be entitled to assume that no Event of Default shall have occurred and be continuing, unless the Pledge Custodian has received written notice from Freddie Mac that such an Event of Default has occurred and is continuing and specifying the nature of the Event of Default. The Pledge Custodian may accept deposits from, lend money to, and generally engage in any kind of business with, the Sponsor and its Affiliates as if it were not the agent of Freddie Mac.

(e) None of the provisions contained in this Article VIII shall require the Pledge Custodian to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Article VIII except for any liability of the Pledge Custodian arising from its own negligence or willful misconduct.

(f) Notwithstanding any other provisions in this Agreement to the contrary, in no event shall the Pledge Custodian be liable for special, consequential or punitive damages.

Section 8.13 Successor Pledge Custodian.

(a) If Freddie Mac no longer acts as Pledge Custodian, if required by the successor pledge custodian or Freddie Mac, the Sponsor and the successor pledge custodian shall execute a new pledge, security and custody agreement that contains substantially the same terms as Article VIII of this Agreement and which is in form and substance satisfactory to Freddie Mac. The Pledge Custodian acting under this Agreement may at any time resign by an instrument in writing addressed and delivered to the Sponsor and, if applicable, Freddie Mac (provided, however, that, if the Pledge Custodian (if other than Freddie Mac) is Administrator under the Series Certificate Agreement, the Pledge Custodian must have resigned as Administrator under the Series Certificate Agreement), and may be removed at any time with or without cause by an instrument in writing duly executed by or on behalf of Freddie Mac.

(b) Freddie Mac shall have the right to appoint a successor Pledge Custodian upon any such resignation or removal by an instrument of substitution complying with the requirements of applicable law, or, in the absence of any such requirements, without formality other than appointment and designation in writing (which appointment, provided no Event of Default exists hereunder, shall be subject to the prior consent of the Sponsor, which consent shall not be unreasonably withheld). Upon the making and acceptance of such appointment, the execution and delivery by such successor Pledge Custodian of a ratifying instrument pursuant to which such successor Pledge Custodian agrees to assume the duties and obligations imposed on the Pledge Custodian by the terms of this Agreement, and the delivery to such successor Pledge Custodian of the Pledged Security Collateral and documents and instruments then held by the retiring Pledge Custodian, such successor Pledge Custodian shall thereupon succeed to and become vested with all the estate, rights, powers, remedies, privileges, immunities, indemnities, duties and obligations by this Agreement granted to or conferred or imposed upon the Pledge Custodian named in this Agreement, and any such appointment and designation shall not exhaust the right to appoint and designate further successor Pledge Custodians under this Agreement. No Pledge Custodian shall be discharged from its duties or obligations under this Agreement until the Pledged Security Collateral and documents and instruments then held by such Pledge Custodian shall have been transferred or delivered to the successor Pledge Custodian, and until such retiring Pledge Custodian shall have executed and delivered to the successor Pledge Custodian appropriate instruments assigning the retiring Pledge Custodian's security or other interest in the Pledged Security Collateral to the successor Pledge Custodian. The retiring Pledge Custodian shall not be required to make any representation or warranty in connection with any such transfer or assignment.

(c) If no successor Pledge Custodian shall be appointed, as provided above, or, if appointed, shall not have accepted its appointment within thirty (30) days after the resignation or

removal of the retiring Pledge Custodian, then the retiring Pledge Custodian may appoint a successor Pledge Custodian. Each such successor Pledge Custodian shall provide the Sponsor and Freddie Mac with its address, to be used for purposes of Section 9.6, in a notice complying with the terms of Section 9.6. Notwithstanding the resignation or removal of any retiring Pledge Custodian under this Agreement, the provisions of this Agreement shall continue to inure to the benefit of such Pledge Custodian in respect of any action taken or omitted to be taken by such Pledge Custodian in its capacity as such while it was Pledge Custodian under this Agreement.

Section 8.14 *Qualifications of Pledge Custodian.* Any Pledge Custodian at any time acting under this Agreement must at all times be either Freddie Mac or a bank or trust company organized under the laws of the United States of America or any state of the United States, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000 (or be the wholly-owned subsidiary of a corporation or other entity meeting such requirement) or have at least \$500,000,000 in assets under trust management.

Section 8.15 *Application of Proceeds.* The Pledge Custodian shall apply the cash proceeds actually received from any sale or other disposition of the Pledged Security Collateral following an Event of Default as provided in Section 7.2(b).

Section 8.16 *No Additional Waiver Implied by One Waiver.* If any provision of this Article VIII is breached by the Sponsor and thereafter waived by the Pledge Custodian, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach under this Article VIII; provided that no waiver of any breach or default hereunder may be granted by the Pledge Custodian without the prior written consent of Freddie Mac. Any forbearance by the Pledge Custodian to demand payment for any amounts payable under this Article VIII shall be limited to the particular payment for which the Pledge Custodian forbears demand for payment and will not be deemed a forbearance to demand any other amount payable under this Article VIII.

Section 8.17 *Cooperation.* At any time, and from time to time after the date of this Agreement, the Sponsor shall, at the request of the Pledge Custodian or Freddie Mac (if not serving as Pledge Custodian), execute and deliver any instruments or documents, including U.C.C. financing and continuation statements in favor of the Pledge Custodian, reflecting the Pledge Custodian's security interest in the Pledged Security Collateral, and shall take all such further actions as such party may reasonably request in order to consummate and make effective the transactions contemplated by this Agreement.

Section 8.18 *Termination.* The assignments, pledges and security interests created or granted by this Article VIII shall terminate contemporaneously with the termination of this Agreement, at which time the Pledge Custodian shall reassign, without recourse to, or any warranty whatsoever by the Pledge Custodian, and deliver to the Sponsor all Pledged Security Collateral and documents then in the custody or possession of the Pledge Custodian, and, if requested by the Sponsor, shall execute and deliver to the Sponsor for recording or filing in each office in which any assignment or financing statement relative to the Pledged Security Collateral or the agreements relating thereto, or any part thereof, shall have been filed or recorded, a termination statement or release under applicable law (including, if relevant, the U.C.C.) releasing the Pledge Custodian's interest therein, and such other documents and instruments as the Sponsor may reasonably request, all without recourse to or any warranty whatsoever by the

Pledge Custodian, and at the cost and expense of the Sponsor. Freddie Mac shall notify the Pledge Custodian in writing of any such termination, and the Pledge Custodian shall be entitled to rely upon such notice.

Section 8.19 Representations and Warranties of the Pledge Custodian. The Pledge Custodian represents and warrants to the Sponsor that:

- (i) it has the power and authority to execute and deliver, and perform its obligations under, this Agreement;
- (ii) all corporate action required to authorize the acceptance of its appointment as Pledge Custodian hereunder and the execution, delivery and performance of this Agreement and the effectuation of the transactions provided for in this Agreement has been duly taken; and
- (iii) this Agreement has been duly and validly executed by the Pledge Custodian and constitutes the valid and binding obligation of the Pledge Custodian, enforceable against the Pledge Custodian in accordance with its terms, subject only to bankruptcy and other similar laws affecting creditors' rights generally and general principles of equity.

ARTICLE IX

MISCELLANEOUS

Section 9.1 Counterparts. This Agreement may be executed in counterparts by the parties hereto, and each such counterpart shall be considered an original, and all such counterparts shall constitute one and the same instrument.

Section 9.2 Amendments, Changes and Modifications. This Agreement may be amended, changed, modified, altered or terminated only by a written instrument or written instruments signed by the parties to this Agreement. No course of dealing among the Sponsor and Freddie Mac, nor any delay in exercising any rights hereunder, shall operate as a waiver of any rights of Freddie Mac hereunder. Unless otherwise specified in such waiver or consent, a waiver or consent given hereunder shall be effective only in the specific instance, and for the specific purpose for which given.

Section 9.3 Payment Procedure. All amounts due to Freddie Mac under Article III of this Agreement shall be paid to Freddie Mac. All such payments shall be paid in lawful currency of the United States of America and in immediately available funds in accordance with instructions given to the Sponsor by Freddie Mac to an account designated in writing by Freddie Mac before 2:00 p.m. (Washington, D.C. time) on the date when due, unless the Sponsor is otherwise instructed in writing by Freddie Mac.

Section 9.4 Payments on Business Days. In any case where the date of payment to Freddie Mac or the expiration of any time period hereunder occurs on a day which is not a Business Day, then such payment or expiration of such time period need not occur on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the day of maturity or expiration of such period, except that interest shall continue to accrue for the period after such date to the next Business Day.

Section 9.5 Governing Law; Severability. This Agreement shall be construed, and the rights and obligations of Freddie Mac and the Sponsor hereunder determined, in accordance with federal statutory or common law ("federal law"). Insofar as there may be no applicable rule or precedent under federal law and insofar as to do so would not frustrate the purposes of any provision of this Agreement and the Freddie Mac Act, the local law of the State of New York shall be deemed reflective of federal law. The parties agree that any legal actions among Freddie Mac and the Sponsor regarding each party hereunder shall be originated in the United States District Court in and for the Eastern District of Virginia, and the parties hereby consent to the jurisdiction and venue of said Court in connection with any action or proceeding initiated concerning this Agreement.

The invalidity or enforceability of any provision of this Agreement shall not affect the validity of any other provision, and all other provisions shall remain in full force and effect.

Section 9.6 Notices. All notices, directions, certificates or other communications hereunder to Freddie Mac or the Sponsor shall be deemed to be given (unless another form of notice shall be specifically set forth in this Agreement) on the Business Day following the date on which the same shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt for overnight delivery service) with arrangements made for payment of all charges, for next Business Day delivery, addressed as set forth below. All notices, directions, certificates or other communications to the Pledge Custodian or the Administrator shall be given and addressed in accordance with this Agreement and the Series Certificate Agreement.

Section 9.7 Further Assurances and Corrective Instruments. To the extent permitted by law, the parties to this Agreement agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements to this Agreement and such further instruments as Freddie Mac may request and as may be reasonably required in the opinion of Freddie Mac or its counsel to effectuate the intention of or to facilitate the performance of this Agreement or any other Sponsor Document.

Section 9.8 Term of this Agreement. The term of this Agreement (the "Term") shall continue in full force and effect, and Sponsor shall not be released from liability under this Agreement until the later of (a) the Terminating Mandatory Tender Date, (b) the date on which Freddie Mac has no further liability (accrued or contingent) under the Series Certificate Agreement and (c) the date on which Freddie Mac has been paid all amounts due it under this Agreement, under the other Sponsor Documents and otherwise with respect to the Obligations. Notwithstanding such termination, the provisions of Sections 2.1, 2.2, 2.4 and Section 3.12 hereof shall survive the expiration or termination of this Agreement.

Section 9.9 Assignments; Transfers; Third-Parties Rights. The Sponsor shall not assign this Agreement, or delegate any of its obligations hereunder, without the prior written consent of Freddie Mac. This Agreement may not be transferred in any respect without the prior written consent of Freddie Mac. Nothing in this Agreement shall confer any right upon the owner or holder of any Certificate or upon any other Person other than the parties hereto and their successors and permitted assigns.

Section 9.10 Headings. Article and section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.11 Limitation on Personal Liability.

(a) Except as otherwise provided in Section 9.11(b), neither the Sponsor nor its officers, directors, partners, members, managers or employees, shall have personal liability under this Agreement or any other Sponsor Document for the payment of the payment Obligations or for the performance of any other Obligations of the Sponsor under the Sponsor Documents, and Freddie Mac's only recourse for the satisfaction or performance of the Obligations shall be Freddie Mac's exercise of its rights and remedies with respect to the UCC Collateral and any other collateral held by Freddie Mac as security for the Obligations. The foregoing notwithstanding, the Sponsor acknowledges that this Section 9.11(a) shall not be construed as limiting the coverage of, or any of Freddie Mac's rights under, the Guaranty.

(b) The Sponsor shall be personally liable to Freddie Mac for its damages, losses or expenses, as applicable upon the occurrence of any of the following: (1) fraud or written material misrepresentation by the Sponsor, or any Sponsor Affiliate, or any officer, director, partner, member, manager or employee of the Sponsor, or any Sponsor Affiliate, in connection with the application for or creation of the Obligations or any request for any action or consent by Freddie Mac, (2) any costs and expenses incurred by Freddie Mac in connection with the collection of any amount for which the Sponsor is personally liable under this Section, including fees and out of pocket expenses of attorneys and expert witnesses and the costs of conducting any independent audit of the Sponsor's and any Sponsor Affiliate's books and records to determine the amount for which the Sponsor has personal liability; and (3) any Breach that is uncured by the Sponsor in the event the Sponsor does not fulfill its obligations under Section 2.4(c). In addition, the Sponsor shall be personally liable to Freddie Mac for indemnification obligations under Section 3.12.

(c) To the extent that the Sponsor has personal liability under this Section 9.11, Freddie Mac may exercise its rights against the Sponsor personally without regard to whether Freddie Mac has exercised any rights against the UCC Collateral or any other security or pursued any rights against any guarantor or pursued any other rights available to Freddie Mac under this Agreement, any other Sponsor Document or applicable law.

Section 9.12 Consent of Freddie Mac. Whenever Freddie Mac shall have any right or option to exercise any discretion, to determine any matter, to accept any presentation or to approve any matter, such exercise, determination, acceptance or approval shall, unless otherwise specifically provided, be in Freddie Mac's sole and absolute discretion.

Section 9.13 Disclaimer; Acknowledgments. Approval by Freddie Mac of the Sponsor, any Sponsor Affiliate, the Remarketing Agent, the Sponsor Documents, any Owner Documents, any Mortgaged Property, the Bonds, or otherwise shall not constitute a warranty or representation by Freddie Mac as to any matter. Nothing set forth in this Agreement, in any of the other Sponsor Documents or in the subsequent conduct of the parties shall be deemed to constitute Freddie Mac as the partner or joint venturer of the Sponsor, any Sponsor Affiliate, or any Person for any purpose whatsoever.

Section 9.14 Entire Agreement. This Agreement and the Sponsor Documents constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the Sponsor Documents. Nothing in this Agreement or the Sponsor Documents, expressed or implied, is intended to confer upon any party, other than the parties hereto and thereto, any rights, remedies, obligations or liabilities under or by reason of this Agreement or the Sponsor Documents; provided, however, that as to Persons other than Freddie Mac and the Sponsor that are parties to any of the Sponsor Documents, such Persons shall not have any rights, remedies, obligations or liabilities under this Agreement or any of the Sponsor Documents except under such Sponsor Documents to which such Persons are directly parties.

Section 9.15 Survival of Representation and Warranties. All statements contained in any Sponsor Document, or in any certificate, financial statement or other instrument delivered by or on behalf of the Sponsor pursuant to or in connection with this Agreement (including but not limited to any such statement made in or in connection with any amendment hereto or thereto)

shall constitute representations and warranties made under this Agreement. All representations and warranties made under this Agreement (a) shall be made and shall be true at and as of the Closing Date and (b) shall survive the execution and delivery of this Agreement, regardless of any investigation made by Freddie Mac or on its behalf.

Section 9.16 Waiver of Claims. IN ORDER TO INDUCE FREDDIE MAC TO EXECUTE AND DELIVER THE SERIES CERTIFICATE AGREEMENT, THE SPONSOR HEREBY REPRESENTS AND WARRANTS THAT IT HAS NO CLAIMS, SET-OFFS OR DEFENSES AS OF THE CLOSING DATE IN CONNECTION WITH THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR IN CONNECTION WITH ANY OF THE OTHER SPONSOR DOCUMENTS. TO THE EXTENT ANY SUCH CLAIMS, SET-OFFS OR DEFENSES MAY EXIST, WHETHER KNOWN OR UNKNOWN, THEY ARE EACH HEREBY WAIVED AND RELINQUISHED IN THEIR ENTIRETY.

Section 9.17 Waivers of Jury Trial. THE SPONSOR AND FREDDIE MAC EACH (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS AGREEMENT OR THE RELATIONSHIP BETWEEN THE SPONSOR AND FREDDIE MAC AS CREDIT FACILITY PROVIDER, LIQUIDITY FACILITY PROVIDER, PLEDGE CUSTODIAN AND ADMINISTRATOR THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

APPENDIX A

STANDARD TERMS

FREDDIE MAC
MULTIFAMILY M CERTIFICATES
STANDARD TERMS OF THE
SERIES CERTIFICATE AGREEMENT
DATED AS OF JULY 1, 2015

The Multifamily M Certificates will represent undivided ownership interests in a pool of tax-exempt Bonds issued to finance multifamily affordable housing mortgages. "Bonds" include municipal securities issued for such purpose as well as custodial receipts, trust receipts or any other similar instruments evidencing an ownership interest in municipal securities held in a pass-through arrangement. Each offering of Multifamily M Certificates will be issued as a Series. Each Series will be comprised of Class A Certificates and Class B Certificates that have different specified rights in the related Series Pool (the Class A Certificates and Class B Certificates, collectively, the "Certificates"). Each Series Pool will be separate from each other Series Pool, and the Certificates of any Series will relate only to the assets of a single Series Pool.

Freddie Mac uses standard documentation and terms for the creation, issuance and sale of each Series of Certificates. This documentation includes the Offering Circular and an Offering Circular Supplement for each Series and the Series Certificate Agreement. The Series Certificate Agreement will incorporate the Standard Terms set forth below. Freddie Mac will execute the Series Certificate Agreement in its corporate capacity and in its capacity as Administrator of the Series Pool. In its corporate capacity, Freddie Mac will act as the Depositor, the Certificate Registrar, the Pledge Custodian, the guarantor and the liquidity provider. The Standard Terms provide that other entities may serve some of these functions (other than serving as guarantor or liquidity provider).

These Standard Terms will not be effective as to any Certificates until these Standard Terms are incorporated into a Series Certificate Agreement creating the related Series. If a conflict arises between the provisions of a Series Certificate Agreement and these Standard Terms, the provisions of the Series Certificate Agreement will control.

ARTICLE I
DEFINITIONS, CERTAIN CALCULATIONS AND RULES OF CONSTRUCTION

Section 1.01 Definitions. Whenever used in these Standard Terms, capitalized terms will have the meaning for those terms provided in Appendix I to the Offering Circular, which appendix is attached as Exhibit A.

Section 1.02 Certain Interest Calculations. Unless provided otherwise, the computation of interest on any Certificate will be performed on the basis of the actual number of days elapsed during each Accrual Period. However, if interest on any Bond is calculated as if each year consisted of twelve 30-day months, and if the computation of any Required Class A Certificate Interest Distribution Amount on the basis of the actual number of days elapsed would result in an amount in excess of the interest due on the related Bonds for the applicable period, then the Required Class A Certificate Interest Distribution Amount will be reduced by the amount of such excess.

Section 1.03 Other Definitional Provisions. All capitalized terms used in any certificate or other documents delivered pursuant to these Standard Terms and not otherwise defined in such documents will have the meanings assigned to such terms in these Standard Terms.

Section 1.04 Rules of Construction. Unless the context or use indicates a different meaning or intent, the following rules will apply to the construction of the Series Certificate Agreement:

(a) Words in the singular will include the plural and vice versa.

(b) The captions and headings of these Standard Terms are solely for convenience of reference and neither constitute a part of the Series Certificate Agreement nor affect its meaning.

(c) All references to a particular time of day will be to Washington, D.C. time.

(d) References to Sections, Articles, Schedules and Exhibits will be to Sections, Articles, Schedules and Exhibits of or to the Series Certificate Agreement unless a different document is specified.

(e) Whenever an action is to be taken by Freddie Mac under the Series Certificate Agreement, unless such action is designated to be taken by Freddie Mac as Administrator, such action is to be taken by Freddie Mac in its corporate capacity. If an action is to be taken by the Sponsor, it will be taken by the Person designated by Freddie Mac as Sponsor in the Series Certificate Agreement or, if undesignated, by Freddie Mac.

ARTICLE II
THE CERTIFICATES AND THE SERIES POOL

Section 2.01 Classes of Certificates (a) *The Class A Certificates.* All Class A Certificates will be identical in all respects except for their designated number and denominations and will be issued in book-entry only form. All Class A Certificates issued under the Series Certificate Agreement will be equally and proportionately entitled to the benefits of the Series Certificate Agreement without preference, priority or distinction, except as indicated in these Standard Terms and the Series Certificate Agreement with respect to Pledged Class A Certificates. The Class A Certificates will be in substantially the form indicated in **Exhibit B**.

(b) *The Class B Certificates.* All Class B Certificates will be identical in all respects except for their designated number and denominations and will be issued and held in certificated form. All Class B Certificates issued under the Series Certificate Agreement will be equally and proportionately entitled to the benefits of the Series Certificate Agreement without preference, priority or distinction. The Class B Certificates will be in substantially the form indicated in **Exhibit C**.

Section 2.02 Book-Entry Only for Class A Certificates (a) Unless the book-entry system is terminated as provided in Section 2.02(b), this paragraph will override any other conflicting provisions of these Standard Terms, except in the case of provisions governing Pledged Class A Certificates. All of the Class A Certificates will initially be registered in the name of Cede & Co., as nominee for DTC, provided that Cede & Co. may register the transfer of such Certificates to another nominee for DTC. There will be one Global Class A Certificate, except as otherwise requested by DTC. The procedures for making payments on the Class A Certificates and for giving any notice or other communication that is permitted or required to be given to Holders of Class A Certificates under these Standard Terms, will comply in all respects with DTC's rules and operational arrangements, and, notwithstanding any other provisions in these Standard Terms, the Administrator and Freddie Mac agree to comply with all rules and operational arrangements of DTC, as such rules and operational arrangements change from time to time. The exercise by Holders and Registered Holders of Class A Certificates of the Tender Option, mandatory tender rights, rights to retain Class A Certificates subject to mandatory tender, rights to convert Class B Certificates to Class A Certificates, the Optional Disposition Right and all other rights granted to such Holders or Registered Holders under the Series Certificate Agreement will be made in accordance with DTC's rules and operational arrangements, as such rules and operational arrangements change from time to time.

(b) If, pursuant to DTC's rules and operating procedures, DTC gives notice to the Administrator, that DTC will discontinue providing its services as securities depository for the Class A Certificates or if Freddie Mac elects to terminate the services of DTC as securities depository with respect to the Class A Certificates, Freddie Mac will, in its sole discretion, either appoint a successor securities depository or terminate the book-entry system for the Class A Certificates.

(c) Any successor securities depository must be a clearing agency registered with the Commission pursuant to Section 17A of the Securities Exchange Act, and must enter into an agreement with Freddie Mac and the Administrator agreeing to act as the depository and clearing agency for all the Class A Certificates. After any such agreement has become effective, DTC

will present all the Class A Certificates for registration of transfer in accordance with Section 2.05, and the Administrator will register them in the name of the successor securities depository or its nominee. If a successor securities depository has not entered into such agreement or otherwise accepted such position at least 10 days before the effective date of termination of DTC's services, the book-entry system will automatically terminate and may not be reinstated without the consent of all the Holders of the Class A Certificates.

(d) If a successor securities depository is appointed, or the Administrator receives notice from Freddie Mac that the book-entry system has been terminated, the Administrator will, at least 10 days before such appointment or termination is effective, give notice of such event to the Registered Holders and will inform them either (i) of the name and address of the successor securities depository or (ii) that certificated Class A Certificates may now be obtained by Holders of the Class A Certificates, or their nominees, when proper instructions have been given to DTC by the relevant DTC Participant and when DTC has complied with the provisions of the Series Certificate Agreement regarding registration of transfers.

(e) The Administrator and Freddie Mac may enter into an amendment to these book-entry terms to make those changes that are necessary or appropriate if the Class A Certificates will not be held by DTC or its nominee.

(f) None of Freddie Mac, the Administrator or the Remarketing Agent will be liable to any Person, including any DTC Participant, Indirect DTC Participant or any Person claiming any interest in any Certificate under or through DTC, any DTC Participant or Indirect DTC Participant, for any action or failure to act or delay in action by DTC, any DTC Participant or Indirect DTC Participant. In particular, none of Freddie Mac, the Administrator or the Remarketing Agent will have any obligation with respect to the accuracy of any records maintained by DTC, any DTC Participant or Indirect DTC Participants, the payment by such parties of any amount in respect of any Certificate, any notice or other communication that is permitted or required to be given to Holders or under these Standard Terms or which is permitted or required to be given under the Letter of Representations, the failure of DTC to effect any transfer, the selection by DTC, any DTC Participant or Indirect DTC Participant of any Person to receive payment in the event of a partial redemption of the Bonds, or any consent given by DTC as Registered Holder.

(g) Except as otherwise provided herein, so long as the Class A Certificates are registered in the name of DTC or its nominee, the Administrator may treat DTC or its nominee as, and deem DTC or its nominee to be, the sole and absolute owner of the Class A Certificates for all purposes whatsoever, including, without limitation, the payment of distributions to Holders of Class A Certificates, giving or receiving notices of redemption, tender and other matters with respect to the Class A Certificates and the selection of Class A Certificates for redemption or tender.

(h) DTC shall be responsible for transmitting information and payments to its participants, who will be responsible for transmitting such information and payments to Indirect DTC Participants and the Holders.

(i) Any requirements of surrender of Class A Certificates under these Standard Terms will be inapplicable if contrary to the rules and operational procedures of DTC, or if DTC and the Administrator agree to waive them, and an appropriate notation will instead be made on the related Class A Certificates then in the possession of DTC or its nominee.

Section 2.03 Denominations. The Certificates will be issued in registered form in any Authorized Denomination.

Section 2.04 Execution and Authentication; Persons Deemed Owners. A Responsible Officer acting on behalf of the Administrator will execute and authenticate the Certificates by manual or facsimile signature. The signature of an authorized Responsible Officer will bind the Administrator even if the Responsible Officer ceases to hold such office prior to the authentication and delivery of such Certificates or at the date of issuance of such Certificates.

Section 2.05 Registration of Transfer and Exchange. (a) The Administrator will act as the initial Certificate Registrar for the purpose of registering Certificates and transfers and exchanges of Certificates as provided in these Standard Terms and in accordance with the standard procedures of the Administrator. Upon any resignation of the Certificate Registrar, Freddie Mac will promptly appoint a successor Certificate Registrar or, in the absence of such appointment, assume the duties of Certificate Registrar. The Certificate Registrar will appoint an office or agency in McLean, Virginia where the Certificates may be surrendered for registration of transfer or exchange, and presented for final payment, and where notice and demands to or upon the Certificate Registrar with respect to the Certificates may be served, which office will initially be the Delivery Office.

(b) All Certificates issued in connection with any transfer or exchange will be entitled to the same benefits under the Series Certificate Agreement as the Certificates that were surrendered.

(c) A Holder will not be required to pay a service charge for any transfer or exchange of Certificates, but may be required to pay a transfer tax or other governmental charge that may be imposed in connection with any transfer or exchange of Certificates. If any such tax or governmental charge is imposed but is not paid by the transferee or transferor, but is paid by the Administrator, the Administrator will have the right to be reimbursed the amount of such payment from the Bond Payment Subaccount, as described in Section 4.03.

(d) If an exercise of the Tender Option or Optional Disposition Right occurs with respect to a portion, but not all, of a Class A Certificate, the Administrator will execute, authenticate and deliver to the applicable Class A Holder, in exchange for the surrendered Class A Certificate, one or more new Class A Certificates, in Authorized Denominations, having an aggregate Current Certificate Balance equal to the Current Certificate Balance of that portion of the surrendered Class A Certificate for which the Tender Option or Optional Disposition Right was not exercised.

(e) The Sponsor may at any time deliver to the Administrator for cancellation any Certificates previously authenticated and delivered hereunder which the Sponsor may have acquired, and all Certificates so delivered shall be promptly cancelled by the Administrator.

Section 2.06 Transfer Restrictions Related to Class B Certificates. Without the prior written consent of Freddie Mac, no Class B Certificate may, in whole or in part, be sold, assigned, pledged, hypothecated or otherwise transferred (including any transfer of a beneficial interest) nor may any liens, security interests, options or other charges or encumbrances be granted with respect to the Class B Certificates. Any transfer of the Class B Certificates will require the delivery to the Administrator of an Investor Letter by the Person acquiring an interest substantially in the form attached as **Exhibit D**.

Section 2.07 Mutilated, Destroyed, Lost or Stolen Certificates. (a) If any mutilated Certificate is surrendered to the Certificate Registrar or the Administrator, the Administrator will execute, authenticate and deliver in exchange a new Certificate of the same type, and having the same Current Certificate Balance as the surrendered Certificate. If a Holder of a destroyed, lost or stolen Certificate provides an affidavit to the Administrator of such occurrence and indemnity satisfactory to the Certificate Registrar or the Administrator, the Administrator will execute, authenticate and deliver in exchange a new Certificate of the same type, and having the same Current Certificate Balance as the destroyed, lost or stolen Certificate. Every new Certificate issued pursuant to this paragraph in lieu of any mutilated, destroyed, lost or stolen Certificate will be entitled to all the benefits of the Series Certificate Agreement equally and proportionately with any and all other Certificates properly issued under the Series Certificate Agreement, whether or not the mutilated, destroyed, lost or stolen Certificate is at any time enforceable by anyone. The provisions of this paragraph are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Certificates.

(b) When any new Certificate is issued under this Section 2.07, the Certificate Registrar or the Administrator may require that the Holder pay any transfer tax or other governmental charge that may be imposed in relation to the creation, issuance, transfer or registration of the new Certificate and any other reasonable related expenses (including the fees and expenses of the Certificate Registrar or the Administrator). If any such amount is not paid by the transferee or transferor, but is paid by the Administrator, the Administrator will have the right to be reimbursed the amount of such payment from the Bond Payment Subaccount, as described in Section 4.03.

Section 2.08 No Additional Liabilities or Indebtedness. Unless a Series Certificate Agreement provides otherwise, none of the Administrator, the parties to the Series Certificate Agreement or the Holders of Certificates will cause the Series Pool to incur, assume or guarantee any liability or indebtedness. The Administrator will have no power or authority to assign, transfer or pledge any of the Assets of any Series Pool to any Person or otherwise dispose of any Assets of any Series Pool, except as otherwise permitted or required by the Series Certificate Agreement.

Section 2.09 Initial Authentication and Delivery of Certificates. The initial Certificates will be executed, authenticated and delivered by the Administrator only after Freddie Mac executes the Series Certificate Agreement and thereby directs the execution, authentication and delivery of the Certificates. The Series Certificate Agreement will identify the Persons in whose names the Class A Certificates are to be registered, the Current Certificate Balances to be registered to each such Person, and also state that the Class B Certificates are to be registered in the name of the Sponsor, but only after each of the following is delivered or has occurred:

(1) *The Bonds.* The Bonds have been acquired by Freddie Mac and transferred to the Series Pool created by the Series Certificate Agreement.

(2) *Initial Deposits.* The initial deposit of cash required by the Series Certificate Agreement, if applicable, has been deposited in the Distribution Account.

(3) *Opinion of Counsel.* An Opinion of Tax Counsel, dated the Date of Original Issue, with respect to certain tax matters and an opinion of the General Counsel or one of the Deputy General Counsels to Freddie Mac dated the Date of Original Issue with respect to the status of the Certificates as exempt securities within the meaning of the laws administered by the United States Securities and Exchange Commission, and certain other matters pertaining to the authorization and enforceability of the Series Certificate Agreement.

(4) *Reimbursement Agreement.* The original executed Reimbursement Agreement has been delivered to the Administrator.

(5) *Sponsor's Acceptance.* If the Sponsor is designated by Freddie Mac in the Series Certificate Agreement, an acceptance by the Sponsor of its obligations set forth in the Series Certificate Agreement.

(6) *Rating Letters.* To the extent receipt of a rating letter is a condition to the issuance of any Certificates as provided in the Series Certificate Agreement, a favorable letter from the Rating Agency.

Section 2.10 Identification of the Assets to a Series Pool. (a) Freddie Mac acknowledges its ownership of the Bonds on the Date of Original Issue. By its execution of the Series Certificate Agreement, Freddie Mac will simultaneously transfer the Bonds to the Series Pool created by the Series Certificate Agreement for the benefit of the Holders of the related Certificates, together with all of its interest in (a) the Bonds, including all Bond Payments made from and after the Date of Original Issue and all certificates and instruments, if any, representing the Bonds, (b) the Distribution Account and (c) all proceeds of the Bonds and the Distribution Account of every kind and nature.

(b) Freddie Mac will segregate the Assets of each Series Pool from all of its general assets and from any other bonds in its possession, and will hold the Assets of each Series Pool at all times during the existence of the Series Pool for the benefit of the related Holders. The Holders of the Class A Certificates and Class B Certificates will have the respective rights with respect to the Assets specified for each Class as set forth in the Series Certificate Agreement.

Section 2.11 Delivery and Possession of Bonds. The Bonds identified to a Series Pool will not be subject to any Lien in favor of the Administrator (provided, Freddie Mac in its corporate capacity will be the beneficiary of the pledge of the Class B Certificates and any Pledged Class A Certificates).

Section 2.12 Purposes and Powers. The Series Pool has been formed for the sole purpose of, and will engage only in the following activities: (a) acquiring, owning, holding and selling the Assets of the Series Pool; (b) issuing and selling Certificates as provided in the Series Certificate Agreement; and (c) such other activities as may be required by the express terms of the Series Certificate Agreement in connection with the conservation and administration of the Assets of the Series Pool and distributions to Holders.

Section 2.13 Recharacterization. The parties intend that the transfer of the Assets to the Series Pool will be an acquisition by the Administrator on behalf of the Holders of all of Freddie Mac's interest in the Series Pool Assets. The parties do not intend that such transfer be deemed a pledge of the Series Pool Assets by Freddie Mac to secure a debt or other obligation of Freddie Mac. However, if, in spite of the parties' intent, the Series Pool Assets are held by a court to continue to be the property of Freddie Mac (a) the Series Certificate Agreement will be deemed a security agreement within the meaning of the applicable UCC, and may be properly filed as a financing statement and (b) the transfer of the Series Pool Assets will be deemed a Grant by Freddie Mac to the Administrator of an interest in all of Freddie Mac's interest in the Series Pool Assets, and all amounts payable to the holders of the Series Pool Assets in accordance with the terms of the Series Certificate Agreement, and all related proceeds. Any assignment of the interests of the Holders of the Certificates pursuant to any provision of the Series Certificate Agreement will also be deemed to be an assignment of any security interest created by this recharacterization provision. The Administrator will cause to be filed UCC financing statements on a periodic basis as necessary to maintain a security interest in the Series Pool Assets in favor of the Administrator in the event of any such recharacterization.

Section 2.14 Decrease of Aggregate Outstanding Class B Certificate Balance. On any day that is (A)(i) a Reset Date for the applicable Reset Rate Method or (ii) a Business Day with the prior written consent of 100% of the Holders of Class A Certificates and (B) at least 10 Business Days following the delivery of notice of the below conversion to the Registered Holders, with the prior written consent of Freddie Mac, the Sponsor, if a Holder of Class B Certificates, acting alone or all of the Holders of Class B Certificates acting together, may direct the Administrator to convert a specified Current Certificate Balance of Class B Certificates to an equivalent Current Certificate Balance of Class A Certificates. If the Sponsor is the directing Holder alone, the Current Certificate Balance of Class B Certificates to be converted may be equal to or less than the Current Certificate Balance that it holds, subject to maintaining a minimum Current Certificate Balance of Class B Certificates of \$5,000. If all Holders of Class B Certificates make such direction, the Current Certificate Balance of Class B Certificates to be converted for each such Holder will be proportional to each Holder's Current Certificate Balance of Class B Certificates prior to conversion, subject to the Sponsor's maintaining a minimum Current Certificate Balance of Class B Certificates of \$5,000. Any such conversion will be effected by delivering to the Administrator (A) at least 15 Business Days prior to the date on which such conversion is to occur (i) a written request to increase the Current Certificate Balance of such Class A Certificates, and (ii) the written consent of Freddie Mac, and (B) on the date of the conversion, an equivalent Current Certificate Balance of Class B Certificates. The Administrator will promptly notify Freddie Mac and DTC of the resulting reduction in the Aggregate Outstanding Class B Certificate Balance and the corresponding increase in the Aggregate Outstanding Class A Certificate Balance, and the Liquidity Commitment will be increased accordingly.

ARTICLE III
SPONSOR COVENANTS; RELEASE EVENT

Section 3.01 Negative Covenants. The Sponsor will not:

- (i) sell, transfer, exchange or otherwise dispose of, or Grant a Lien on, any Series Pool Assets; or
- (ii) claim any credit or deduction with respect to the principal or interest payable on the Certificates or pursuant to the Credit Enhancement or the Liquidity Facility (other than amounts properly withheld from such payments under the Code or other applicable tax law) on its federal, state or local income tax filings.

Section 3.02 Other Obligations. Subject to Section 3.05, the Sponsor accepts all of its obligations under each of the Documents and will comply in all material respects with any obligations that are imposed on the Sponsor pursuant to any of such Documents, whether or not explicitly set forth in the Series Certificate Agreement.

Section 3.03 Maintenance of Office or Agency. The Sponsor will maintain an office where notices to the Sponsor in connection with the Certificates and the Series Certificate Agreement may be served. The Sponsor will give prompt written notice to Freddie Mac, the Administrator and the Remarketing Agent of any change in the location of any notice office.

Section 3.04 Payment of Certain Fees and Expenses. The Series Certificate Agreement and the Reimbursement Agreement will provide for the payment to Freddie Mac of the Freddie Mac Fee. The Sponsor also agrees:

- (a) except as otherwise expressly provided in the Series Certificate Agreement, to pay, or cause to be paid, to the Administrator (if different than Freddie Mac) the Administrator Fee; to pay, or cause to be paid, to the Remarketing Agent the Remarketing Agent Fee (each to the extent not paid from funds received by the Series Pool); and to pay, or cause to be paid, to the Initial Purchaser any amounts owed to the Initial Purchaser pursuant to the Remarketing Agreement in connection with issuing and selling the Class A Certificates and preparing all related offering documents;
- (b) except as otherwise expressly provided in the Series Certificate Agreement or the last paragraph of Section 3.5 of the Reimbursement Agreement, to reimburse or cause reimbursement of the Administrator for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by it in accordance with the Series Certificate Agreement (including the reasonable compensation, expenses and disbursements of its respective agents and counsel), except any such expense, disbursement or advance as may be attributable to its gross negligence, bad faith, fraud or willful misconduct; and
- (c) to pay any amounts required to be paid by it pursuant to the Documents.

The provisions of this Section 3.04 will survive any termination of the Series Certificate Agreement.

Section 3.05 Liabilities and Recourse Against Freddie Mac and the Sponsor for Liabilities of the Series Pool (a) The Sponsor will perform only those duties of it that are specifically set forth in the Series Certificate Agreement, and does not assume any other obligation or liability under the Series Certificate Agreement. If the Series Certificate Agreement provides that the Partnership Factors apply to the Series Pool, the Sponsor will be corporately liable for any fees, expenses and other liabilities of the Series Pool arising under the Series Certificate Agreement to the extent not otherwise satisfied (excluding amounts due to Holders in respect of their Certificates). Except to the extent payable from the cash flow of the Bonds or by the Holders of Class B Certificates, the Sponsor agrees that any such fees, expenses and other liabilities will be without recourse against any other Holder, and that any such fees, expenses and liabilities will not be secured by the Bonds or any other Asset of the Series Pool.

(b) Subject to any credit enhancement with respect to any Bonds, the Issuer of each Bond is the sole obligor with respect to the payment of the principal or redemption price of such Bond, and interest on the Bond. The payments on the Bonds, amounts in the Distribution Account, the Credit Enhancement and the Liquidity Facility constitute the sole security for the Certificates. Each of the Sponsor and Freddie Mac has no obligation whatsoever with respect to any Bond or any payments due on the Bonds or with respect to the security for, or the sufficiency of, any such payments or any obligations of the Issuer, any related credit enhancer or any other Person arising in connection with the Bonds, other than the obligations of Freddie Mac under the Credit Enhancement and the Liquidity Facility. In the event of a default in the payment of the principal of or interest on, or any other amount payable with respect to, any of the Bonds, or in the event of a default under any credit enhancement with respect to such Bond, neither the Sponsor nor Freddie Mac will have any duty to proceed against the Issuer or any related credit enhancer and no obligation to assert any rights and privileges of the Holders with respect to such Bonds or such credit enhancement. Neither the Sponsor nor Freddie Mac will be under any obligation whatsoever to appear in, prosecute or defend any action, suit or other proceeding in respect of such Bonds or such credit enhancement; provided the Administrator may in its sole discretion and upon being provided with indemnification satisfactory to it agree to proceed against any such party at the written direction of the Registered Holders of at least 51% of the Current Certificate Balance of the Class A Certificates.

(c) Payment of the Purchase Price on any Class A Certificate will be made solely from amounts received by the Administrator pursuant to Section 6.06.

(d) The provisions of this Section 3.05 will survive any termination of the Series Certificate Agreement.

(e) Without limiting the foregoing, it is expressly acknowledged and agreed by the parties to the Series Certificate Agreement and other Documents, and any beneficiary of the Series Certificate Agreement by acceptance of its status as such beneficiary, and by Holders upon acceptance of a Certificate, and anyone having a beneficial interest in the Certificates by acceptance of its status as such beneficiary, that:

(i) Under no condition or circumstance will any recourse or personal liability whatever attach to or be incurred by, and under no condition or circumstance will any deficiency or other judgment be had against, the officers, directors, agents, employees or stockholders of the Sponsor or Freddie Mac, by reason of any obligation, covenant, agreement, representation, warranty or indemnity of the Sponsor or Freddie Mac under the Series Certificate Agreement, any Certificates or any document, instrument or certificate delivered hereunder or thereunder; and

(ii) They expressly waive recourse against, or personal liability of, any officer, director, agent, employee or stockholder of the Sponsor or Freddie Mac for breaches by Sponsor or Freddie Mac of any such obligation, covenant, agreement, representation, warranty or indemnity either at common law or at equity, or by statute or constitution; and

(iii) The permissive right of the Sponsor or Freddie Mac to take actions set forth in the Series Certificate Agreement will not be construed as a duty, and neither the Sponsor nor Freddie Mac will be answerable for other than its own fraud, bad faith, gross negligence or willful misconduct. Each of the Sponsor and Freddie Mac will not be liable for any action that it takes or omits to take in good faith (including, but not limited to any action it takes or omits to take as Tax Matters Partner pursuant to Section 11.10) and, in the absence of fraud, bad faith, gross negligence or willful misconduct, that it believes to be authorized or within its rights or powers.

(f) Each Registered Holder and Holder (by acceptance of its Certificate), each party to the Series Certificate Agreement (by its execution of the Series Certificate Agreement), and any other beneficiary of the Series Certificate Agreement (by its acceptance of its status as such a beneficiary), expressly acknowledges and agrees to each and every provision of this Section 3.05.

Section 3.06 The Sponsor's Interest and Net Worth The Sponsor represents, warrants and covenants that it (a) has and will maintain throughout the term of the Series Certificate Agreement a Capital Account Balance in an amount not less than the Minimum Sponsor Interest and, if the Series Certificate Agreement provides that the Partnership Factors will apply to the Series Pool, a net worth as determined in compliance with Section 4.07 of Revenue Procedure 89-12; and (b) will not take a distribution of any amount from the Assets of the Series Pool (other than in connection with the termination of the Series Pool) if such distribution would result in a Capital Account Balance with respect to its interest in the Series Pool less than the Minimum Sponsor Interest. These representations, warranties and covenants will survive the delivery of the related Bonds and the Certificates.

Section 3.07 Successor Sponsor. If a party other than Freddie Mac is the Sponsor and the Sponsor wishes to assign its rights and obligations under the Series Certificate Agreement to another Person and Freddie Mac provides its prior written consent, the Sponsor will provide notice to the Administrator, the Remarketing Agent and each applicable Rating Agency, together with the written consent of Freddie Mac, at least 10 Business Days prior to the proposed effective date of such assignment. Such notice (a "Successor Sponsor Notice") will set forth (A) a brief statement that the Sponsor is assigning its rights and obligations hereunder to the successor Sponsor named therein, (B) the proposed effective date of such assignment and (C) the Mandatory Tender Date on which the Class A Certificates will be subject to Mandatory Tender pursuant to Section 6.04 (subject to the right of retention), which day shall be the Business Day before the effective date of the assignment. When the Administrator has received the Successor Sponsor Notice, unless Freddie Mac consents, the assignment of the Sponsor to its successor will be irrevocable and will take place on the proposed date set forth in the Successor Sponsor Notice.

Section 3.08 Release Event. At the election of Freddie Mac, in accordance with the Reimbursement Agreement, when a Release Event occurs, the affected series of Bonds (or portion thereof) will be subject to mandatory purchase from the Series Pool at the Release Purchase Price. Payment of such Release Purchase Price will be made by Freddie Mac pursuant to the Credit Enhancement or by the Sponsor. Any Bond purchased on the related Release Event Date will be deemed purchased by the Sponsor at the Release Purchase Price from funds provided pursuant to the Credit Enhancement or, if applicable, by the Sponsor. In addition, Hypothetical Gain Share, if any, as calculated by Freddie Mac, will be payable on the Release Event Date from amounts provided by the Sponsor to the Administrator on such Release Event Date (and such Hypothetical Gain Share will be paid to the Class A Certificateholders in addition to the Release Purchase Price). When purchased with monies provided pursuant to the Credit Enhancement, the Administrator will cause the transfer of the related Bonds to the Pledge Custodian to be held pursuant to the Reimbursement Agreement. When purchased with funds provided by the Sponsor, the Administrator will cause the transfer and release of the related Bonds to the Sponsor or as directed by the Sponsor.

When the Administrator receives amounts paid by Freddie Mac or the Sponsor in connection with a Release Event, the Administrator will promptly deposit an amount equal to the related Outstanding Bond Balance plus Hypothetical Gain Share, if applicable, into the Bond Payment Subaccount-Principal and an amount equal to accrued interest thereon into the Bond Payment Subaccount-Interest. The Administrator will provide notice of any Release Event to the Registered Holders, each applicable Rating Agency and the Remarketing Agent concurrently with the applicable Release Event Date, provided any failure to provide such notice shall not affect the validity of any payment made pursuant to this Section.

In addition to the foregoing notice, with respect to a Release Event occurring as a result of the Sponsor's delivery of notice to the Administrator that it has elected to purchase all of the Bonds in the Series Pool on either July 15, 2020 or July 15, 2025 (either a "Optional Series Termination Date"), the Administrator, following receipt of such notice from the Sponsor, shall provide written notice to the Registered Holders of such Release Event not less than twenty (20) days prior to the Optional Series Termination Date, which notice will set forth (A) a brief statement that the Sponsor has elected to cause a Release Event of all of the Bonds on the Optional Series Termination Date, (B) that the Release Event is conditioned upon the Sponsor depositing at least five (5) Business Days prior to the Optional Series Termination Date funds sufficient to pay in full the Release Purchase Price and Hypothetical Gain Share, if any, due on the Optional Series Termination Date, and any additional amounts owed by the Sponsor to Freddie Mac (or making escrow arrangements acceptable to Freddie Mac with respect to the same) and (C) that if such conditions are not satisfied, such Release Event shall not occur.

Section 3.09 Sponsor's Indemnification of the Administrator. The Sponsor will indemnify and hold harmless the Administrator from and against any loss, liability, expense, damage or injury suffered or sustained by reason of any acts, omissions or alleged acts or omissions arising out of the activities of the Sponsor pursuant to the Series Certificate Agreement, including but not limited to, any judgment, award, settlement (to which the Sponsor has given its prior written consent, which will not be unreasonably withheld), reasonable

attorneys' fees and expenses and other costs or expenses incurred in connection with the defense of any actual or threatened action proceeding or claim; provided, however, that the Sponsor will not indemnify the Administrator if such acts, omissions or alleged acts or omissions constitute fraud, gross negligence, bad faith or willful misconduct by the Administrator. This Section 3.09 will survive (i) the resignation or removal of the Administrator, (ii) the termination of the Series Certificate Agreement and (iii) the transfer by the Sponsor of any portion of its Certificates with respect to obligations incurred by the Sponsor under this Section 3.09 prior to such transfer.

Section 3.10 Substitution of Bonds After Date of Original Issue.

(a) On any Payment Date after the Date of Original Issue (a "*Substitution Date*"), with the Required Class B Certificate Consent and the consent of Freddie Mac and subject to the prior delivery to the Administrator of a confirmation of the existing rating on the Class A Certificates from each applicable Rating Agency, the Sponsor may deliver to the Administrator a new series of Bonds in substitution for an existing series of Bonds with respect to which an event of default exists under the related Bond Documents (or in the case of the existing Bonds relating to the Perrin Square Apartments, Renaissance Gateway Apartments, Vantage at Judson Apartments and Vantage at Harlingen Apartments Mortgaged Properties, also in the event of a sale of no more than two related Projects to a party not related to the Sponsor). Any series of Bonds delivered in substitution for an existing series of Bonds must have terms consistent with the series of Bonds being released, including principal amount (which must be equal to or less than the principal amount of Bonds being released), tax status, interest rate, interest payment date and interest modes. If such principal amount is less, the Sponsor must, prior to the substitution, provide funds to the Administrator in an amount sufficient to effect a Release Event with respect to the principal portion of the Bonds being released that is in excess of the principal amount of Bonds being substituted. In addition, upon any Substitution, the Sponsor must pay Hypothetical Gain Share, if any, as calculated by Freddie Mac, with respect to the total principal amount of Bonds being released. Such Hypothetical Gain Share will be paid to the Class A Certificateholders in addition to any applicable Release Purchase Price.

(b) The Sponsor shall, at least 10 days prior to each Substitution Date, submit a notice (a "*Substitution Notice*") to the Administrator and the Remarketing Agent, which notice shall be accompanied by copies of the consents and rating confirmation (if applicable) referenced in Section 3.10(a) above and shall set forth the following:

- (i) the series of Bonds to be released upon substitution;
- (ii) with respect to the series of Bonds to be substituted, the items of information set forth on Schedule 1 of the Series Certificate Agreement;
- (iii) the Substitution Date;
- (iv) if applicable, the amount being paid by the Sponsor to effect a related Release Event and the Hypothetical Gain Share; and

(v) instructions to the Administrator to effect the substitution on the Substitution Date.

(c) Within five Business Days of its receipt thereof (and only if the Administrator has received the amount necessary to effect any related Release Event and the Hypothetical Gain Share, if applicable), the Administrator will forward a copy of the Substitution Notice to the Registered Holders and each applicable Rating Agency.

(d) On the Substitution Date, the Administrator shall effect the substitution if the aforementioned requirements have been satisfied. In addition, notwithstanding the foregoing, if the Series Certificate Agreement contains a representation that the Bonds were neither deposited with nor acquired with market discount in excess of a *de minimis* amount within the meaning of Section 1278(a)(2)(C) of the Code determined as of the Date of Original Issue, the same requirement shall apply to the substitution.

ARTICLE IV ACCOUNTS AND DISBURSEMENTS; CREDIT ENHANCEMENT

Section 4.01 Collection of Money. Except as otherwise expressly provided in the Series Certificate Agreement, the Administrator will demand payment or delivery of, and will directly receive and collect all money and other property payable to the Administrator pursuant to the Series Certificate Agreement, and will hold such money and property as part of the Assets of the Series Pool.

Section 4.02 Distribution Account; Establishment. (a) On or before the Date of Original Issue, the Administrator will establish the Distribution Account into which the Administrator will deposit all Bond Payments received from time to time, including Bond Redemption Premiums, all amounts paid pursuant to the Credit Enhancement, all amounts paid in connection with a Release Event, all Administrator Advances and all Bankruptcy Coverage Payments. The Distribution Account will have the following subaccounts: (i) the Bond Payment Subaccount – Interest; (ii) the Bond Payment Subaccount – Principal; (iii) the Bond Payment Subaccount – Holdback; and (iv) the Odd-Lot Subaccount.

(b) The Administrator will deposit into the Bond Payment Subaccount—Interest or Bond Payment Subaccount—Principal, as applicable, promptly upon receipt, Bond Payments in respect of each Bond Interest Payment Date or Bond Redemption Date, as applicable, Bond Payments in connection with any Release Event and any Bankruptcy Coverage Payments. The Administrator will also deposit into the Bond Payment Account—Interest any Administrator Advances it makes pursuant to Section 4.09. Prior to any Bond Interest Payment Date or Bond Redemption Date, as applicable, the Administrator will notify Freddie Mac of the amounts of each Bond Payment anticipated on such date. In connection with any Payment Date, the Administrator will notify Freddie Mac as soon as practicable by Electronic Notice of any amounts not received by the Administrator for such Payment Date corresponding to scheduled interest on and principal of the Bonds. If the Administrator receives any Bond Redemption Premium, it will promptly deposit it into the Bond Payment Subaccount – Principal. The Administrator will deposit into the Odd-Lot Subaccount the amounts required by Section 4.03(f).

(c) The Administrator will hold all sums under the Series Certificate Agreement for the payment of amounts due with respect to the Certificates separate and apart from its other assets for the benefit of the Persons entitled thereto.

(d) Upon receipt by the Administrator of any Bankruptcy Coverage Payments, the Administrator will promptly remit such monies to present and former Holders to the extent they are entitled thereto.

(e) In addition to the Distribution Account the Administrator may establish other accounts under the Series Certificate Agreement in order to carry out its duties.

(f) Amounts on deposit in the Distribution Account may be invested by the Administrator at the direction of Freddie Mac, and any investment earnings will be retained by Freddie Mac. Any such investment earnings will not constitute part of the Series Pool Assets and will at all times be accounted for separately and held segregated from and outside of the Distribution Account. If any loss from such investment occurs, Freddie Mac will be obligated to reimburse the Administrator for any such loss at the time it occurs. The Administrator will use any such reimbursement amount to replenish the Distribution Account.

Section 4.03 Distributions and Payments from Bond Payment Subaccounts (a) No later than 4:30 p.m. on each Payment Date, the Administrator will withdraw from the Bond Payment Subaccount—Interest and the Bond Payment Subaccount—Holdback the Available Funds deposited into each such subaccount and will distribute or retain, as applicable, the following amounts in the following priority, in each case to the extent of remaining Available Funds:

(i) first, pro rata to

(A) the Registered Holders of Class A Certificates (other than Pledged Class A Certificates), the aggregate of the amounts of interest accrued, for each day in the Accrual Period related to that Payment Date at the Reset Rate in effect for each such day, on the Current Certificate Balance of such Certificates; and

(B) the Pledge Custodian with respect to Pledged Class A Certificates, the aggregate of the amounts of interest accrued, for each day in the Accrual Period related to such Payment Date at the Reset Rate in effect for each such day, on the Current Certificate Balance of such Pledged Class A Certificates;

provided that on the First Payment Date, before making the foregoing distributions, the Administrator will transfer to the Person designated by the Sponsor the amount, if any, set forth in the Series Certificate Agreement as Accrued Interest on the Bonds;

(ii) second, to the Administrator, the amount of the Administrator Fee (if the Administrator is not Freddie Mac), the aggregate accrued Daily Administrator Advance Charges unpaid on such date (if Section 4.09 is made applicable under the Series Certificate Agreement) and all other reasonable amounts payable to the Administrator upon the issuance of a new Certificate pursuant to Section 2.05 or Section 2.07 or as reimbursement for its out-of-pocket expenses;

(iii) third, to the Administrator (if Section 4.09 is made applicable under the Series Certificate Agreement), the amount of any outstanding Administrator Advances previously made to Holders of Class A Certificates as of such Payment Date;

(iv) fourth, to Freddie Mac, the amount of the Freddie Mac Fee due and payable on such date;

(v) fifth, if provided for in the Series Certificate Agreement, pro rata, to the Holders of Class A Certificates, their Class A Certificate Notional Accelerated Principal Paydown Amounts, if any;

(vi) sixth, to the Remarketing Agent, the amount of the Remarketing Agent Fee due and payable on such date;

(vii) seventh, to the Pledge Custodian, the amount required to be deposited in the Cap Fee Escrow (as defined in the Reimbursement Agreement) on such date;

(viii) eighth, to the Servicer, the amount of the Servicing Fee due and payable on such date;

(ix) ninth, to the Bond Payment Subaccount—Holdback, the amount necessary to fully fund the Holdback Requirement, if applicable, as of such Payment Date;

(x) tenth, to Freddie Mac the amount of any Advances (as defined in the Reimbursement Agreement) previously made by Freddie Mac as of such Payment Date and all other amounts then payable pursuant to the Reimbursement Agreement; and

(xi) eleventh, to the Holders of Class B Certificates, any remainder.

(b) No later than 4:30 p.m. on each Redemption Date, the Administrator will withdraw from the Bond Payment Subaccount — Principal the Available Funds deposited into that subaccount and will distribute the following amounts in the following priority, in each case to the extent of remaining Available Funds:

(i) first, pro rata to (A) the Pledge Custodian, to pay the Outstanding Certificate Balance of Pledged Class A Certificates and (B) the Registered Holders of Class A Certificates, the sum of: (1) the remaining Available Funds (other than funds in respect of any Redemption Premium Payment or any Hypothetical Gain Share payable in connection with a Release Event) until the Aggregate Outstanding Class A Certificate Balance is reduced to zero; and (2) the Class A Holder's allocable share of the respective portion of the Redemption Premium Payment, if any, payable to Holders, determined in accordance with the definition of Gain Share or, in connection with a payment arising from a Release Event, the Class A Holder's allocable share of the Hypothetical Gain Share; *provided that*, if Freddie Mac makes a principal payment in connection with a Release Event, the portion of such principal payment to be paid pro rata to the Pledge

Custodian with respect to the Pledged Class A Certificates and to the Registered Holders of Class A Certificates will be determined using the following formula:

Amount to be paid = X + Y
where X = (60%)(A + B) minus B
and Y = A minus (X + C minus D + E) [BUT Y WILL NEVER BE LESS THAN ZERO]

and where:

A = the principal amount paid by Freddie Mac related to the applicable tax-exempt Bonds subject to a Release Event
B = the outstanding principal amount of taxable bonds that financed the same Project as the applicable Bonds
C = the Current Class B Certificate Balance
D = the Minimum Sponsor Interest (\$5,000 where Partnership Factors have not been elected)
E = prior distributions of principal other than to Holders of Class A Certificates (including Pledged Class A Certificates) or Holders of Class B Certificates to pay amounts described in Subsection 4.03(b)(ii) below;¹

¹ Example 1:

Assumptions:

1. Outstanding Bond Balance of applicable Bonds: \$9,000,000
2. Outstanding principal amount of related taxable bonds: \$1,000,000
3. Current Class B Certificate Balance: \$20,000,000
4. Partnership Factors have not been elected
5. No prior distributions of principal other than to Holders of Class A Certificates (including Pledged Class A Certificates), and Class B Certificates have been made.

$$X = (60\%)(\$9,000,000 + \$1,000,000) \text{ minus } \$1,000,000$$

$$X = (60\%)(\$10,000,000) \text{ minus } \$1,000,000$$

$$X = \$6,000,000 \text{ minus } \$1,000,000$$

$$X = \$5,000,000$$

$$Y = \$9,000,000 \text{ minus } (\$5,000,000 + (\$20,000,000 \text{ minus } (\$5,000 + \$0)))$$

$$Y = \$9,000,000 \text{ minus } (\$5,000,000 + (\$20,000,000 \text{ minus } \$5,000))$$

$$Y = \$9,000,000 \text{ minus } \$24,995,000$$

Y is less than zero, so (Y) equals zero

Because X + Y = \$5,000,000, \$5,000,000 is the amount of principal paid pro rata against the Pledged Class A Certificates and Class A Certificates and \$4,000,000 is paid against the Class B Certificates. Pledged Class A Certificates and Class A Certificates are redeemed pro rata in the amount of \$5,000,000 and Class B Certificates are redeemed in the amount of \$4,000,000. Redemption payments made on the Pledged Class A Certificates are paid to the Pledge Custodian; redemption payments made on the Class A Certificates are paid to the Registered Holders of Class A Certificates. Redemption payments made on the Class B Certificates are paid to the Pledge Custodian.

Example 2:

Assumptions:

1. Same assumptions, with the only difference being that the Current Class B Balance is \$2,000,000.

$$X = \$5,000,000$$

$$Y = \$9,000,000 \text{ minus } (\$5,000,000 + (\$2,000,000 \text{ minus } (\$5,000 + \$0)))$$

$$Y = \$9,000,000 \text{ minus } (\$5,000,000 + \$1,995,000)$$

$$Y = \$9,000,000 \text{ minus } \$6,995,000$$

$$Y = \$2,005,000$$

Because X + Y = \$7,005,000, \$7,005,000 is the amount of principal paid pro rata against the Pledged Class A Certificates and the Class A Certificates and \$1,995,000 is principal paid against the Class B Certificates.

(ii) second, to the Administrator, Freddie Mac, the Remarketing Agent, the Pledge Custodian and the Servicer, amounts owed to such parties pursuant to Subsections 4.03(a)(ii), (iii), (iv), (vi), (vii), (viii) and (x) in the same order of priority to the extent any such amounts were not paid pursuant to such subsections;

(iii) third, (subject to the provisions of Section 4.03(c) and the agreement of the Sponsor to maintain a Minimum Sponsor Interest), to the Holders of Class B Certificates, any remainder.

(c) All distributions made to Holders described above on each Payment Date will be made to the Registered Holders of the Certificates of record on the related Regular Record Date, based on the Current Certificate Balances of their respective Certificates; *provided, however*, that the final payment on each Certificate will be made only in accordance with payments to be made on a termination of the Series Pool pursuant to Article XIII. Subject to Section 2.02(b), each distribution with respect to Class A Certificates or Pledged Class A Certificates will be paid to DTC for distribution to DTC Participants, Indirect Participants and Holders in accordance with the Letter of Representations and the rules and regulations of DTC. Each distribution with respect to Class B Certificates will be paid to the Holders of the Class B Certificates.

(d) If a payment error occurs, the Administrator, in its sole discretion, may elect to correct the error by adjusting payments to be made on later Payment Dates or in any other manner as it deems appropriate.

(e) Any provision of this Article IV notwithstanding, redemptions of Class A Certificates shall only be made in Permitted Increments. In the event of a partial redemption of Class A Certificates, the particular Class A Certificates to be redeemed shall be Selected by Lot.

(f) Any amounts not permitted to be distributed on any Redemption Date pursuant to Section 4.03(b)(i) as a result of subsection (e) above, shall be retained and held by the Administrator in the Odd-Lot Subaccount.

On the Date of Original Issue, the Sponsor shall cause to be deposited into the Odd-Lot Subaccount the initial amount specified in the Series Certificate Agreement. On the first Redemption Date, the Administrator shall withdraw from the Odd-Lot Subaccount any funds needed to round the amount to be distributed pursuant to Section 4.03(b)(i) to a Permitted Increment and pay the rounded amount on the Class A Certificates. On the next Redemption Date, the Administrator will apply Available Funds under Section 4.03(b) first to repay any amount withdrawn from the Odd-Lot Subaccount on the previous Redemption Date. The Administrator shall then round the remainder of the amount to be distributed pursuant to Section 4.03(b)(i) to a Permitted Increment by making another withdrawal from the Odd-Lot Subaccount, and shall pay this amount on the Class A Certificates. This process shall continue on each following Redemption Date until the Class A Certificates have been retired.

Section 4.04 Administrator May Appoint Paying Agents The Administrator may appoint one or more Paying Agents to perform the obligations of the Administrator under Section 4.03. Each such Paying Agent will execute and deliver to Freddie Mac an instrument in which such Paying Agent agrees with Freddie Mac to comply with all obligations and covenants imposed on Paying Agents by the Series Certificate Agreement and by such instrument. If appointed, a Paying Agent will provide notices to Freddie Mac pursuant to Section 6.06(a)(v) in connection with payments pursuant to the Liquidity Facility.

Section 4.05 General Provisions Regarding Accounts The Distribution Account and its related subaccounts will relate solely to the Certificates and to the Series Pool Assets, and funds in the Distribution Account and related subaccounts will not be commingled with any other funds.

Section 4.06 Pledged Class A Certificates (a) The Administrator will not obtain separate CUSIP identification numbers for Pledged Class A Certificates unless required by DTC. The Administrator will take any reasonable action requested by Freddie Mac in order to perfect or otherwise safeguard its security interest in the Pledged Class A Certificates, including arranging for such pledge to be noted in the records of DTC Participants.

(b) The Tender Option will not be effective with respect to any Pledged Class A Certificate, nor will any Pledged Class A Certificate be subject to Mandatory Tender on any Mandatory Tender Date.

(c) If the Class A Certificates are ever withdrawn from a book-entry system with DTC or another depository, when a Certificate becomes a Pledged Class A Certificate, the Administrator will exchange such Certificate for one or more new Certificates representing, separately, Pledged Class A Certificates and Certificates that do not constitute Pledged Class A Certificates.

Section 4.07 Reports to Holders. (a) Each month, not later than the second Business Day prior to the Payment Date for that month, Freddie Mac will post on its Internet web-site the following information regarding the Class A Certificates:

- (i) the related Payment Date for such monthly report;
- (ii) the Class Factor for the Class A Certificates; and
- (iii) the weighted average of the Reset Rate for the preceding monthly period.

If the Class A Certificates are to be redeemed in full on a Redemption Date, a notice as required by Section 13.02(a) will also be delivered by the Administrator.

(b) Any failure by the Administrator to post the information or provide the notice described in Section 4.07(a) above, will not impair or affect the validity of the redemption of any other Certificate.

Section 4.08 Reductions of the Aggregate Outstanding Amounts When any Certificates are transferred to the Administrator for cancellation, the Administrator will cancel those Certificates, and following such cancellation, the Aggregate Outstanding Certificate Balance will be reduced by the Current Certificate Balance of the canceled Certificates.

Section 4.09 Administrator Advances and Daily Administrator Advance Charges The Administrator may make Administrator Advances, if the Series Certificate Agreement provides for them to be made, as described below.

(a) *Administrator to Make Administrator Advances.* The Administrator may, but need not, make Administrator Advances to Holders of Class A Certificates on a Payment Date in an amount up to the Required Class A Certificate Interest Distribution Amount for the prior Accrual Period. The decision by the Administrator to make an Administrator Advance in any amount will be made in the sole discretion of the Administrator, and no decision to make an Administrator Advance on any Payment Date will impose any obligation to make an Administrator Advance of any further amount. On each occasion when the Administrator determines to make an Administrator Advance, the Administrator will notify the Remarketing Agent and Freddie Mac of such determination prior to 12:00 noon, on the Business Day prior to such Payment Date.

(b) *Repayment of Administrator Advances.* Unreimbursed Administrator Advances will be repaid from amounts deposited in the Bond Payment Subaccount-Interest as provided in Section 4.03(a) or from proceeds of Bonds sold as provided in Article XIII.

(c) *Administrator Advance Charge.* The Administrator will be entitled to receive a fee equal to the aggregate accrued Daily Administrator Advance Charges.

(d) *Payment of Daily Administrator Advance Charge.* Aggregate Daily Administrator Advance Charges will be paid, to the extent available, from Available Funds, on each Payment Date derived from interest payments on Bonds or in the Bond Payment Subaccount-Holdback before payments to Class A Holders on each Payment Date and as elsewhere herein upon the withdrawal, sale or redemption of Bonds.

(e) *Authorization to Deduct Administrator Advances, Administrator Advance Charges, Service Charges, Liquidity Charges and Administrator Fees* Each Holder of Certificates, by its purchase thereof, authorizes the Administrator to deduct from payments on the Bonds any unreimbursed Administrator Advances, unpaid Daily Administrator Advance Charges, and accrued fees and reimbursements due to Freddie Mac, the Administrator, the Remarketing Agent or the Servicer.

(f) If the Administrator determines not to make Administrator Advances for any reason, interest distributions on the Class A Certificates will be made on each Payment Date in the manner described in Section 4.03(a) by the payment of the Available Funds in the Bond Payment Subaccount-Interest and the Bond Payment Subaccount-Holdback. After the payment of Administrator Fees and aggregate Daily Administrator Advance Charges, all amounts remaining in the Bond Payment Subaccount-Interest and the Bond Payment Subaccount-Holdback will be paid immediately to Holders of Class A Certificates on each Payment Date. Interest on the Class A Certificates will continue to accrue at the Reset Rate in effect for each Accrual Period without an increase in the accrual rate for any delay in payment.

Section 4.10 [Reserved].

Section 4.11 Credit Enhancement. Freddie Mac guarantees certain payments with respect to the Certificates as set forth below:

(a) Freddie Mac hereby guarantees to each Registered Holder of a Class A Certificate the timely payment on each Payment Date of such Holder's pro rata portion of

(i) interest on the Bonds equal to the Required Class A Certificate Interest Distribution Amount; and

(ii) that portion of the scheduled principal then due and payable on any Bond on the most recent Bond Redemption Date that was not received by the Administrator on such Bond Redemption Date (excluding any Bond Redemption Premium).

(b) Freddie Mac hereby guarantees to each Registered Holder of a Class A Certificate or a Class B Certificate the timely payment on each Release Event Date of the applicable Release Purchase Price (but not any Hypothetical Gain Share payable on such date).

(c) Freddie Mac hereby guarantees to the Registered Holder of the Class B Certificates the timely payment on each Payment Date of such Holder's residual interest set forth in Section 4.03(a) and the payment of the remainder of principal set forth in Section 4.03(b) (but in each such case only to the extent the Administrator has received Available Funds required to be paid to the Registered Holder of the Class B Certificates pursuant to Section 4.03(a) or Section 4.03(b), as applicable).

(d) In addition, with respect to any series of Bonds, if all or any portion of a payment of principal of (but not premium related to such Bonds), or interest on, such Bonds or the Release Purchase Price (but not Gain Share or Hypothetical Gain Share) is recovered from any Holder of a Certificate, in whole or in part, as a matter of a final, nonappealable order by a court of competent jurisdiction pursuant to section 544, 547, 549 or 550 of the United States Bankruptcy Code, or under the banking laws of the United States, in any proceeding instituted thereunder by or against the owner of the property that secures the applicable Bonds, or any other Person (other than Freddie Mac) making such payment, Freddie Mac will pay to the Administrator, within five (5) Business Days after receiving a written notice from the affected Registered Holders of the Certificates that were required to pay such recovery, an amount equal to the amount of such recovery. Nothing contained in this paragraph will preclude Freddie Mac, after making the payment referred to in the prior sentence, from contesting, directly or indirectly, in any such proceeding, any such attempted recovery or stay, or from seeking to lift or modify the automatic stay, and Freddie Mac in its capacity as Administrator, will have the right to contest any attempted recovery or stay, or to seek to lift or modify any automatic stay. The amounts payable pursuant to this paragraph will be deposited into the applicable Bond Payment Subaccount within the Distribution Account.

(e) Except as provided in the next sentence, Freddie Mac's obligations under the Credit Enhancement will terminate on the Series Expiration Date. Under certain circumstances involving an Act of Bankruptcy, Freddie Mac's obligations under the immediately preceding paragraph will continue beyond the Series Expiration Date, as follows: Freddie Mac's obligations under the immediately preceding paragraph will continue beyond the Series Expiration Date with respect to any payment (a "Covered Payment") on any series of Bonds made by an Owner, the Sponsor or any other person (other than Freddie Mac) within three hundred sixty-six (366) days prior to an Act of Bankruptcy with respect to such Bonds, and will terminate on the later to occur of (i) the date on which Freddie Mac has paid to the Administrator an amount equal to all Covered Payments recovered from the Holders pursuant to such proceeding, and (ii) the date on which all claims with respect to any such proceeding have been denied with prejudice by a final, nonappealable order of a court of competent jurisdiction, and (iii) if no Act of Bankruptcy has occurred, the last expiration date of all statutes of limitations applicable to claims against Holders pursuant to an Act of Bankruptcy. However, all Credit Enhancement obligations of Freddie Mac with respect to any series of Bonds will terminate on the earlier of (A) the receipt by the Administrator of a certificate of each Owner or the Sponsor, as applicable, dated not earlier than 366 days following the applicable Series Expiration Date to the effect that as of the date of the certificate no Act of Bankruptcy has occurred or (B) 380 days following such Series Expiration Date provided that the Administrator has not received notice that an Act of Bankruptcy has occurred.

(f) Freddie Mac will be subrogated to all the rights, interest, remedies, powers and privileges of the Holders with respect to any payments made by Freddie Mac pursuant to its Credit Enhancement set forth in this Section 4.11. In particular, to the extent Freddie Mac makes a payment pursuant to its Credit Enhancement under this Section 4.11 and has not been fully reimbursed for such payment pursuant to the terms of the Reimbursement Agreement, the Administrator will remit to Freddie Mac any subsequent Bond Payments or other payments received by the Administrator in satisfaction of the obligations with respect to which such Credit Enhancement payment was made. In the event Freddie Mac makes a payment pursuant to its Credit Enhancement under this Section 4.11 and is fully reimbursed for such Credit Enhancement payment in accordance with the Reimbursement Agreement, then any subsequent Bond Payments or other payments received by the Administrator in satisfaction of the obligations with respect to which such reimbursed Credit Enhancement payment was made, shall be disbursed pursuant to Section 4.03. Each Holder of Certificates will be deemed to have consented to these subrogation rights.

(g) Any payments by Freddie Mac pursuant to its guaranty set forth in this Section 4.11 will be made by Freddie Mac using its own funds, and not any funds of the Sponsor or otherwise derived from the Bonds.

ARTICLE V
RESET RATES; RESET RATE METHOD; RESET DATES

Section 5.01 Determination of Reset Rates, Reset Rate Methods and Reset Dates

(a) Each Series of Class A Certificates may have a Reset Rate Method that is a Weekly Reset Rate Method, a Monthly Reset Rate Method or a Term Reset Rate Method. The Series Certificate Agreement will designate the initial Reset Rate Method as of the Date of Original Issue. The Remarketing Agent will determine the Reset Rate applicable to the Class A Certificates in accordance with this Article V, as applicable. The Holders of not less than 51% of the Aggregate Outstanding Class B Certificate Balance, with the consent of Freddie Mac, or Freddie Mac, if the interest rate hedge required by the Reimbursement Agreement is not in effect, will have the right to change the initial Reset Rate Method or any subsequent Reset Rate Method to another Reset Rate Method.

(b)(i) Any change in the Reset Rate Method from a Weekly Reset Rate Method or a Monthly Reset Rate Method will be conditioned upon the remarketing of all Available Remarketing Class A Certificates for a price equal to the Current Class A Certificate Balance thereof; and (ii) any change in the Reset Rate Method from a Term Reset Rate Method or any continuation of a Term Reset Rate Method will be conditioned upon the remarketing of all Available Remarketing Class A Certificates for a price equal to the Current Class A Certificate Balance thereof.

(c) If all Available Remarketing Class A Certificates are not remarketed for a purchase price equal to the Current Class A Certificate Balance thereof as provided in Section 5.01(b), beginning on the date that would have been the Reset Rate Method Change Date or the Term Reset Date, as applicable, the Reset Rate Method that will be in effect will be a Weekly Reset Rate Method, and the Weekly Reset Rate will be determined by the Remarketing Agent on or prior to the Reset Rate Method Change Date or the Term Reset Date, as applicable, and will be effective from the day that would have been the Reset Rate Method Change Date or the Term Reset Date through the next succeeding Wednesday. The Reset Rate Method thereafter will continue to be a Weekly Reset Rate Method unless and until a Reset Rate Method Change Date occurs.

Section 5.02 Weekly Reset Rate; Monthly Reset Rate

(a) *Weekly Reset Rate; Weekly Reset Date.* If the Reset Rate Method is, or is being changed to, a Weekly Reset Rate Method, the Remarketing Agent will determine, by not later than 5:00 p.m. on each Weekly Reset Date, the Weekly Reset Rate for the Class A Certificates, which rate will be the per annum rate, not exceeding the Maximum Reset Rate, determined by the Remarketing Agent as the minimum rate of interest which would, in the judgment of the Remarketing Agent, under then prevailing market conditions (taking into account that such rate will be reset on the next Weekly Reset Date), result in a sale of the Class A Certificates at a market price equal to the Current Certificate Balance thereof, plus accrued interest. The Weekly Reset Rate applicable on the Weekly Reset Date in each week will be in effect from Thursday of such week through Wednesday of the following week, or, if earlier, through the day preceding the next Reset Rate Method Change Date. However, if on any Weekly Reset Date, the Remarketing Agent fails to establish the Weekly Reset Rate, the then applicable Reset Rate will be the lesser of the previous Reset Rate or the Maximum Reset Rate.

(b) *Monthly Reset Rate; Monthly Reset Date* If the Reset Rate Method is, or is being changed to, a Monthly Reset Rate Method, the Remarketing Agent will determine, by not later than 5:00 p.m. on each Monthly Reset Date, the Monthly Reset Rate for the Class A Certificates, which rate will be the per annum rate, not exceeding the Maximum Reset Rate, determined by the Remarketing Agent as the minimum rate of interest which would, in the judgment of the Remarketing Agent, under then prevailing market conditions (taking into account that such rate will be reset on the next Monthly Reset Date), result in a sale of the Class A Certificates at a market price equal to the Current Certificate Balance thereof, plus accrued interest. The Monthly Reset Rate will be in effect from the first day of the month through the last day of such month or, if earlier, on the day preceding the next Reset Rate Method Change Date. However, if on any Monthly Reset Date, the Remarketing Agent fails to establish the Monthly Reset Rate, the then applicable Reset Rate will be the lesser of the previous Reset Rate or the Maximum Reset Rate. Six Business Days before any Monthly Reset Date, the Remarketing Agent will determine the Preliminary Class A Certificate Rate pursuant to the standard set forth in the first sentence of this Subsection 5.02(b). Upon such determination, the Remarketing Agent will immediately give telephonic notice of the Preliminary Class A Certificate Rate to each Holder requesting such notice. The Monthly Reset Rate may be more than, but will be at least equal to such Preliminary Class A Certificate Rate, *provided that* it may not exceed the Maximum Reset Rate.

(c) *Reset Rate Method Change Notice and Related Mandatory Tender*. If the Holders of not less than 51% of the Aggregate Outstanding Class B Certificate Balance, with the written consent of Freddie Mac (which may be conditioned upon a repricing by the Remarketing Agent), or Freddie Mac, if the interest rate hedge required by the Reimbursement Agreement is not in effect, at any time determine to change the Reset Rate Method from a Weekly Reset Rate Method to a Monthly Reset Rate Method, or from a Monthly Reset Rate Method to a Weekly Reset Rate Method, and gives the Administrator notice of such determination along with a copy of such consent if applicable, the Administrator will give, by Electronic Notice, a Reset Rate Method Change Notice to the Remarketing Agent and to the Registered Holders, not later than the second Business Day following the date Freddie Mac consents to or initiates such change. Each such Reset Rate Method Change Notice must be provided to the Holders of Class A Certificates no later than eight Business Days prior to the Reset Rate Method Change Date and state (A) that a Weekly Reset Rate Method or Monthly Reset Rate Method, whichever is applicable, will be in effect, following the Reset Rate Method Change Date, (B) the date on which such Weekly Reset Rate Method or Monthly Reset Rate Method will become effective, (C) that the Class A Certificates will be subject to Mandatory Tender on the Reset Rate Method Change Date (subject to the Class A Holders' right to retain their Class A Certificates) and (D) that the change in Reset Rate Method will be subject to the remarketing of all Available Remarketing Class A Certificates for a price equal to the Current Class A Certificate Balance thereof and if not remarketed, the Reset Rate Method will change to the Weekly Reset Rate Method. Such notice will be attached to the Mandatory Tender Notice that is required to be provided pursuant to Section 6.05.

Section 5.03 Term Reset Rate; Term Reset Date

(a) *Determination of Term Reset Rate.* Subject to the next two sentences of this Section 5.03(a), if the Reset Rate Method is, or is being changed to, a Term Reset Rate Method, the Remarketing Agent will determine by not later than 5:00 p.m. on the Term Reset Date the Term Reset Rate for the Class A Certificates, which rate will be the per annum rate, not exceeding the Maximum Reset Rate, determined by the Remarketing Agent as the minimum rate of interest which would, in the judgment of the Remarketing Agent, under then prevailing market conditions (taking into account that such rate will be reset on the next Term Reset Date), result in a sale of the Class A Certificates at a price equal to the Current Certificate Balance thereof, plus accrued interest. The Class A Certificates will only bear interest at the Term Reset Rate if on the Term Reset Date all Available Remarketing Class A Certificates are remarketed for a price equal to the Current Class A Certificate Balance thereof. If all Available Remarketing Class A Certificates are not remarketed for a price equal to the Current Class A Certificate Balance thereof, beginning on the date that would have been the Term Reset Date, the Class A Certificates will bear interest at the Weekly Reset Rate. The Term Reset Rate determined on each Term Reset Date will be in effect from the related Term Effective Date through the day preceding the earlier of the Series Expiration Date or the next Term Effective Date which period will not be less than 180 days nor exceed one year unless otherwise consented to by Freddie Mac; *provided that* if, on any Term Reset Date, the Remarketing Agent fails to establish the Term Reset Rate, the applicable Term Reset Rate will be the lesser of the previous Reset Rate or the Maximum Reset Rate. Following the First Optional Disposition Date, the period during which a Term Reset Rate may be in effect will not be less than 180 days nor exceed five years unless otherwise consented to by Freddie Mac. Six Business Days before any Term Reset Date, the Remarketing Agent will determine the Preliminary Class A Certificate Rate pursuant to the standard set forth in the first sentence of this Subsection 5.03(a). Upon such determination, the Remarketing Agent will immediately give telephonic notice of the Preliminary Class A Certificate Rate and the length of the ensuing term to each Holder requesting such notice. The Term Reset Rate may be more than, but will be at least equal to such Preliminary Class A Certificate Rate, *provided that* it may not exceed the Maximum Reset Rate.

(b) *Term Reset Method Notice and Related Mandatory Tender.* A Term Reset Rate may be set or reset as of the applicable Term Effective Date and may be set or reset at a fixed rate. If the Holders of not less than 51% of the Aggregate Outstanding Class B Certificate Balance, with the written consent of Freddie Mac, or Freddie Mac if the interest rate hedge acquired by the Reimbursement Agreement is not in effect, determine to change the Reset Rate Method from a Weekly Reset Rate Method or Monthly Reset Rate Method to a Term Reset Rate Method or to reset the Term Reset Rate as of the applicable Term Effective Date (and gives the Administrator notice of such determination along with a copy of such consent if applicable, in all events before any Term Reset Date and on or prior to the ninth Business Day prior to the Term Effective Date) the Administrator will give by Electronic Notice, a Term Reset Method Notice to the Remarketing Agent and to the Registered Holders not later than the Business Day following the date Freddie Mac consents to or initiates such change. Such notice will be attached to the Mandatory Tender Notice that is required to be provided pursuant to Section 6.05, if applicable. Each such Term Reset Method Notice will set forth: (A) a statement that the ensuing Reset Rate Method will be a Term Reset Rate Method, (B) the Term Effective Date on which the Term Reset Rate Method will take effect, (C) a statement that the Class A Certificates will be subject to Mandatory Tender on the Term Effective Date (subject to the Class A Holders' right to retain

their Class A Certificates), provided that such date will be no earlier than eight Business Days following the date on which such notice is given to the Registered Holders by the Administrator, (D) the Term Reset Date on which the Term Reset Rate for such Term Effective Date will be determined, (E) a statement that the Preliminary Class A Certificate Rate will be determined six Business Days before the Term Reset Date, and (F) a statement that the beginning of the Term Reset Rate Method on the Term Reset Date will be subject to the remarketing of all Available Remarketing Class A Certificates for a price equal to the Current Class A Certificate Balance thereof and if not so remarketed, beginning on the date that would have been the Term Reset Date, the Class A Certificates will bear interest at the Weekly Reset Rate.

(c) *Reset Rate Method Change Notice and Related Mandatory Tender.* If the Holders of not less than 51% of the Aggregate Outstanding Class B Certificate Balance, with the written consent of Freddie Mac (which may be conditioned upon a repricing by the Remarketing Agent), or Freddie Mac, if the interest rate hedge required by the Reimbursement Agreement is not in effect, determine to change the Reset Rate Method from a Term Reset Rate Method to a Weekly Reset Rate Method or Monthly Reset Rate Method and give the Administrator notice of such determination along with a copy of such consent if applicable, no later than the ninth Business Day prior to the day that would be the Term Effective Date if the Term Reset Rate Method were to continue, the Administrator will give by Electronic Notice a Reset Rate Method Change Notice to the Remarketing Agent and to the Registered Holders not later than the Business Day following the date Freddie Mac consents or initiates such change. Such Reset Rate Method Change Notice will set forth (A) a statement that a Weekly Reset Rate Method or Monthly Reset Rate Method, whichever is applicable, will be in effect, (B) the date on which such Weekly Reset Rate Method or Monthly Reset Rate Method will become effective; provided that such date will be a Business Day not earlier than the first day following the end of the term which was in effect and not earlier than eight Business Days following the date on which such notice is given by the Administrator to the Registered Holders, (C) a statement that the Class A Certificates will be subject to Mandatory Tender on the Reset Rate Method Change Date (subject to the Class A Holders' right to retain their Class A Certificates) and (D) a statement that if all Available Remarketing Class A Certificates are not remarketed for a price equal to the Current Class A Certificate Balance thereof, beginning on the Reset Method Change Date all Class A Certificates will bear interest at the Weekly Reset Rate, notwithstanding, if applicable, the prior election to change the Reset Rate Method to the Monthly Reset Method. Such notice will be attached to the Mandatory Tender Notice that is required to be provided pursuant to Section 6.05.

(d) *Reversion to Weekly Reset Rate Method.* If the Administrator has not received a Term Reset Method Notice pursuant to Section 5.03(b), or a Reset Rate Method Change Notice pursuant to Section 5.03(c), by the ninth Business Day prior to the day that would be the Term Effective Date if the Term Reset Rate Method were to continue or if all Available Remarketing Class A Certificates have not been remarketed for a price equal to the Current Class A Certificate Balance thereof, the Reset Rate Method that will be in effect as of the end of such term will be a Weekly Reset Rate Method, and the Weekly Reset Rate will be determined by the Remarketing Agent on the last Business Day on or prior to the end of such term and will be effective from the day following the end of such term through the next succeeding Wednesday, or, if earlier, through the day preceding the next Reset Rate Method Change Date. Unless any such Reset Rate Method Change Date occurs on or prior to such Wednesday, the Reset Rate Method thereafter will continue to be a Weekly Reset Rate Method unless and until a Reset Rate Method Change Date occurs. On the eighth Business Day prior to the day that would be the Term

Effective Date if the Term Reset Rate Method were to continue, the Administrator will give a notice to Freddie Mac and the Registered Holders of Class A Certificates setting forth (A) a statement that a Weekly Reset Rate Method will be in effect, (B) the date on which such Weekly Reset Rate Method will become effective, and (C) a statement that the Class A Certificates will be subject to Mandatory Tender on the Reset Rate Method Change Date (subject to the Class A Holders' right to retain their Class A Certificates). Such notice will be attached to the Mandatory Tender Notice that is required to be provided pursuant to Section 6.05.

Section 5.04 Notice of Reset Rate. On each Weekly Reset Date, Monthly Reset Date and Term Reset Date, promptly after determining the Reset Rate applicable to the Class A Certificates, the Remarketing Agent will give to the Sponsor, the Administrator and Freddie Mac, by Electronic Notice, a notice setting forth (A) the Maximum Reset Rate, (B) the Reset Rate and (C) the date on which such Reset Rate will take effect in accordance with this Article V. Upon the giving of such notice to the Administrator, the determination of the Reset Rate by the Remarketing Agent will, in the absence of manifest error, be conclusive and binding upon the Remarketing Agent, the Administrator, Freddie Mac, and the Holders, subject to the Maximum Reset Rate. The Administrator and the Remarketing Agent will make the Reset Rate available by telephone to any requesting Holder during regular business hours.

Section 5.05 No Changes in Reset Rate Method During the Two Business Days Preceding Mandatory Tender Date No change in any Reset Rate Method will be effective during the last two Business Days preceding any Mandatory Tender Date.

Section 5.06 Maximum Reset Rate. In no event will the rate at which interest will accrue on any day on the Class A Certificates exceed the Maximum Reset Rate for such day. The Maximum Reset Rate will be calculated by the Remarketing Agent on each Reset Date immediately prior to the determination of the Reset Rate.

ARTICLE VI THE LIQUIDITY FACILITY; THE TENDER OPTION; MANDATORY TENDER

Section 6.01 Tender Option; Rights of Holders; Liquidity Facility. (a) Each Holder of a Class A Certificate will have the right, at its option, at the times and in compliance with the requirements and subject to the provisions of Section 6.03, to tender such Holder's Class A Certificate in Authorized Denominations to the Administrator for purchase and to receive payment of the Purchase Price thereof pursuant to Section 6.06. This right of tender is not available to Affected Certificates after the occurrence of an applicable Tender Option Termination Event or to Pledged Class A Certificates.

(b)(i) Freddie Mac agrees to provide payment of the Purchase Price of Class A Certificates (other than Affected Certificates or Pledged Class A Certificates) on a Purchase Date, Optional Disposition Date or Mandatory Tender Date, as applicable, in accordance with the following provisions. Subject to its receipt of notice from the Remarketing Agent as provided in Section 6.01(b)(iii) and, if applicable, from the Paying Agent pursuant to Section 6.06(a)(v), Freddie Mac hereby agrees to pay the Administrator no later than 2:00 p.m. on any Purchase Date, Optional Disposition Date or Mandatory Tender Date, as applicable, the Purchase Price of any Class A Certificate that is subject to (i) Optional Tender, (ii) Mandatory Tender following a Mandatory Tender Event, or (iii) the right of Holders of Class A Certificates to

exercise the Optional Disposition Right (in each instance, less any available remarketing proceeds as provided in Section 6.06(a) or in the case of Class A Certificates subject to Mandatory Tender in connection with a Special Adjustment Event, only to the extent the applicable Purchase Price is not funded from the sources described in Sections 7.02(c) or (d) of these Standard Terms). Unless a Tender Option Termination Event has occurred and continues with respect to all of the Certificates, this obligation of Freddie Mac is binding against it, irrespective of any insolvency, bankruptcy, assignment for the benefit of creditors or readjustment of the debts of, or other similar events or proceedings affecting, any Person, or any action taken by any trustee or receiver, or any court in any such proceeding, or any allegation of invalidity of the agreement of Freddie Mac to make such payments in any such proceeding.

(ii) The initial Liquidity Commitment is an amount equal to the sum of (A) the Aggregate Outstanding Class A Certificate Balance as of the Date of Original Issue plus (B) an amount equal to interest for thirty five (35) days on the Aggregate Outstanding Bond Balance at a rate per annum equal to the Weighted Average Bond Rate assuming that the Bond Rate is the maximum possible rate for the related Bond. The Liquidity Commitment will be increased on any date on which Class B Certificates are converted to Class A Certificates pursuant to Section 2.14 so that as of such date of conversion, the Liquidity Commitment will be the Aggregate Outstanding Class A Certificate Balance plus an amount equal to interest for thirty five (35) days on the Aggregate Outstanding Bond Balance at a rate per annum equal to the Weighted Average Bond Rate assuming that the Bond Rate is the maximum possible rate for the related Bond. The Liquidity Commitment shall be decreased on any date on which Class A Certificates (A) are canceled or exchanged for Bonds or proceeds from the Disposition of Bonds or (B) become Pledged Class A Certificates pursuant to the Series Certificate Agreement.

(iii) Freddie Mac's obligation to pay the Purchase Price with respect to any Available Remarketing Class A Certificates on any Purchase Date, Optional Disposition Date or Mandatory Tender Date pursuant to the Liquidity Facility is subject to the condition precedent that Freddie Mac has timely received from the Remarketing Agent and, if applicable, the Paying Agent, all notices required to be received by Freddie Mac pursuant to Section 6.06 no later than 9:00 a.m. and 10:00 a.m., respectively, on such date, in which event Freddie Mac will pay the amounts required under the Liquidity Facility no later than 2:00 p.m. on such date. If Freddie Mac receives such notice from the Remarketing Agent after 9:00 a.m., or from the Paying Agent, if applicable, after 10:00 a.m., it will pay the amounts required under the Liquidity Facility no later than 2:00 p.m. on the Business Day following the Purchase Date, as applicable.

(iv) The Administrator will receive and hold for the benefit of Freddie Mac all funds provided by Freddie Mac under the Liquidity Facility on account of the Purchase Price of Class A Certificates and will not disburse such funds until the tendered Class A Certificates have been received from the Registered Holders of the Tendered Class A Certificates. On the Purchase Date, the Administrator will cause Pledged Class A Certificates to be registered in the name of the Pledge Custodian until remarketed or redeemed, subject to the security interest provided for in the Reimbursement Agreement.

(v) When Freddie Mac pays the Purchase Price of Class A Certificates tendered as provided above, all payment obligations of Freddie Mac related to the payment of the Purchase Price of such Class A Certificates will terminate, subject to reinstatement as provided in the next sentence. Freddie Mac's obligation to pay all or a portion of the Purchase Price of

such tendered Class A Certificates, as applicable, will be reinstated (A) automatically, when and to the extent that (1) Freddie Mac has confirmed in writing to the Administrator full reimbursement in immediately available funds for the amount provided by it pursuant to the Liquidity Facility to pay all or a portion of the Purchase Price of such tendered Class A Certificates or (2) the Administrator has received immediately available funds from the Remarketing Agent or other applicable source to reimburse Freddie Mac fully for the amount provided to pay all or a portion of the Purchase Price of such tendered Class A Certificates, and the Remarketing Agent has delivered to Freddie Mac a certificate to that effect, by facsimile transmission to the Director of Multifamily Management and Information Control (with confirmation of the facsimile transmission by (X) telephone call to the Director of Multifamily Management and Information Control, and (Y) concurrently mailed an original certificate to that effect, completed and signed by an officer of the Remarketing Agent, by first-class mail, postage fully prepaid, to the Director of Multifamily Management and Information Control or to such other offices or Freddie Mac employee as Freddie Mac designates by written notice to the Remarketing Agent) or (B) at such time as and to the extent that Freddie Mac, in its discretion, advises the Remarketing Agent in writing that such reinstatement will occur, it being understood that Freddie Mac has no obligation to grant any such reinstatement except as provided in clause (A) immediately above. Freddie Mac may, by notice to the Administrator and Remarketing Agent, change the office or employee to which such notice is to be provided.

(vi) The Liquidity Facility will terminate on the earlier of (i) the date that the Reset Rate Method for the Class A Certificates is changed to the Term Reset Rate Method for a term interval that ends on the latest maturity date of the Bonds, (ii) the termination of the Series pursuant to Article XIII, (iii) the occurrence of a Tender Option Termination Event with respect to all of the Certificates, or (iv) the date on which the Class A Certificates have been redeemed in full.

Section 6.02 Funds Held by Administrator. In connection with an exercise of the Tender Option pursuant to Section 6.03, if a Mandatory Tender Event occurs pursuant to Section 6.04, or in connection with an exercise of the Optional Disposition Right pursuant to Section 7.05, the Administrator, on behalf of the Holders of Class A Certificates (other than Affected Certificates and Pledged Class A Certificates), agrees to accept and hold all moneys related to the Purchase Price of such Certificates separate and apart from its other assets, until such funds are to be disbursed in accordance with the terms of the Series Certificate Agreement.

Section 6.03 Exercise of Tender Option. (a) *Purchase Dates.* Class A Certificates as to which a Weekly Reset Rate Method is in effect are eligible for purchase pursuant to the Tender Option on any Business Day, subject to compliance with the notice and other requirements set forth Section 6.03(b). Class A Certificates as to which a Monthly Reset Rate Method is in effect are eligible for purchase pursuant to the Tender Option only on the first Business Day of every calendar month. Class A Certificates as to which a Term Reset Rate Method is in effect are not eligible for purchase pursuant to the Tender Option; such Class A Certificates are subject to mandatory tender on the Mandatory Tender Date following a Mandatory Tender Event, subject to the Holder's right to retain its Class A Certificate.

(b) *Exercise Notice and Delivery Requirements for Class A Certificates.* In order to exercise the Tender Option with respect to Class A Certificates, a Holder will instruct its DTC Participant to (i) give to the Administrator and the Remarketing Agent, not later than 5:00 p.m.

on the fifth Business Day preceding the applicable Purchase Date, a notice of exercise of the Tender Option (an "Exercise Notice"), (ii) deliver not later than 11:00 a.m. on the Purchase Date "free" to the Administrator, by book-entry transfer into the Administrator's account at DTC, all tendered Certificates, and (iii) advise the Administrator, in writing, of the single account of such DTC Participant into which payment for such Certificates (for all Holders using such DTC Participant) is to be transferred. Any such Exercise Notice (A) will specify the Initial Certificate Balance and Current Certificate Balance in Authorized Denominations of the Certificates tendered and the Purchase Date on which such Certificates will be purchased, and (B) will be given telephonically, with prompt confirmation by Electronic Notice, to the Administrator at its principal office and to the Remarketing Agent at its principal office.

(c) *Irrevocability of Exercise Notice.* Any exercise of the Tender Option made pursuant to this Section 6.03 will be irrevocable, and from and after the giving of an Exercise Notice to the Administrator or the Remarketing Agent in accordance with Section 6.03(b), the Class A Holder will have no further rights or interests in such Class A Certificates other than the right to receive payment of the Purchase Price, without interest on such Class A Certificates from and after the Purchase Date, as provided in Section 6.06, from moneys held by the Administrator for such purpose, upon delivery or deemed delivery of such Certificates to the Administrator in accordance with Section 6.03.

(d) *Failure to Deliver Class A Certificates Following Exercise Notice.* If an Exercise Notice with respect to any Class A Certificate is duly given by any DTC Participant, but the Class A Certificate described in such Exercise Notice is not timely delivered to the Administrator as described in Section 6.03, the Administrator will deem such Class A Certificate to have been delivered, and the Administrator will promptly notify the DTC Participant that the DTC Participant will be required to deliver such Certificate to the Administrator as described in Section 6.03(b).

(e) *Re-Delivery in Event of Failed Exercise.* If the Administrator deems the Tender Option not to have been exercised with respect to any Class A Certificate, or if any Class A Certificates are delivered to the Administrator in connection with an attempted exercise of the Tender Option, but such attempted exercise does not comply with the requirements of subsection (b) above, the Administrator will reject such exercise and use its best efforts to redeliver such Class A Certificates by requesting the transfer of such Certificates "free" on the records of DTC to the Holder's DTC Participant.

(f) *Tender Advice.* Not later than 5:00 p.m. on the Business Day after it receives an Exercise Notice, the Administrator will give Freddie Mac, the Remarketing Agent and DTC a Tender Advice by Electronic Notice setting forth (i) the Purchase Date, and (ii) the Current Certificate Balance in Authorized Denominations of such Class A Certificates tendered for purchase.

Holders of Affected Certificates and Pledged Class A Certificates have no right to tender such Affected Certificates or Pledged Class A Certificates for purchase by the Administrator at the Purchase Price upon the occurrence of a Mandatory Tender Event.

Section 6.05 Notice of Mandatory Tender. (a) When any Mandatory Tender Event occurs, the Administrator will give to the Registered Holders a Mandatory Tender Notice, as applicable, with one copy to Freddie Mac, the Sponsor and the Remarketing Agent (i) on the Business Day on which such notice is required to be given pursuant to Section 7.03(b) in connection with the occurrence of a Liquidity Provider Termination Event, (ii) on the Business Day on which such notice is required to be given pursuant to Section 7.04 in connection with the occurrence of a Sponsor Act of Bankruptcy, (iii) on the Business Day on which notice is required to be given pursuant to Section 3.07 in connection with a Successor Sponsor, (iv) on the Business Day on which such notice is required to be given in connection with a Term Reset Method Notice, a Reset Method Change Notice or a reversion to a Weekly Rate Reset Method, (v) on the Business Day on which notice is required to be given pursuant to the procedures related to a Section 12.01(b) amendment, (vi) on the Business Day on which such notice is required to be given with respect to a Special Adjustment Date pursuant to Section 7.02(b) and (vii) on the Business Day on which notice is required to be given pursuant to Section 7.06(b) in connection with the occurrence of a Clean-Up Event. surrendered unless the applicable Holder of Class A Certificates has delivered a conforming Retention Notice; and (G) a statement that, notwithstanding such Mandatory Tender Notice, each affected Holder of Class A Certificates will continue to have the right to exercise the Tender Option in accordance with the terms and provisions of the Series Certificate Agreement; *provided that*, if the Series is terminated as a result of such Mandatory Tender Event, such right will terminate at the last applicable time and date on which an Exercise Notice may be given by or on behalf of such Holder of Class A Certificates in accordance with the terms and provisions of the Series Certificate Agreement.

(b) *Tender Advice*. Not later than 10:00 a.m. on the second Business Day prior to any Mandatory Tender Date, the Administrator will give a Tender Advice by Electronic Notice to DTC, the Remarketing Agent and Freddie Mac setting forth (A) such Mandatory Tender Date, (B) the aggregate Current Certificate Balance of Class A Certificates subject to Mandatory Tender and (C) if applicable, the Authorized Denominations of Class A Certificates with respect to which a conforming Retention Notice has been received by the Administrator.

Section 6.06 Funding Procedures; Payment of Purchase Price

(a) *Funding Procedures*. (i) The Purchase Price of any Class A Certificate will be paid as follows if the applicable conditions have been satisfied:

- (A) A Holder of Class A Certificates that has properly exercised its Tender Option will be paid on the Purchase Date designated in the related Exercise Notice.
- (B) A Holder of Class A Certificates subject to Mandatory Tender will be paid on the Mandatory Tender Date designated in the related Mandatory Tender Notice.
- (C) A Holder of Class A Certificates that has properly exercised its Optional Disposition Right will be paid on the Optional Disposition Date.

The Administrator will obtain funds to make such payments on or before the designated date for distribution as provided in Section 6.06(c) from the Person indicated below in the following order of priority:

- (1) with respect to Available Remarketing Class A Certificates as described in Section 6.06(a)(ii) only, the Remarketing Agent will deposit with the Administrator, immediately available funds in an amount equal to the net proceeds from the remarketing of such Class A Certificates up to the amount of such Purchase Price, or with respect to Class A Certificates subject to Mandatory Tender as a result of a Special Adjustment Event as described in Section 7.02 only, the Pledge Custodian or the Sponsor, as applicable, will deposit with the Administrator immediately available funds in the amount of such Purchase Price; and
- (2) with respect to Tended Class A Certificates, all Class A Certificates subject to Mandatory Tender, or Class A Certificates with respect to which the Holder has exercised the Optional Disposition Right, the Administrator will, subject to the terms and conditions of the Liquidity Facility, demand payment of an amount equal to such Purchase Price (less any amounts received from remarketing proceeds), which will be deposited with the Administrator on behalf of the Holders by Freddie Mac, in immediately available funds.

(ii) Upon receipt by the Administrator and the Remarketing Agent of (A) an Exercise Notice with respect to Tendered Class A Certificates, (B) notice of a Mandatory Tender Date with respect to a Term Effective Date (that is not a Reset Rate Method Change Date) or a Reset Rate Method Change Date relating to a change (but not a continuation) in the Reset Rate Method, (C) notice of a Mandatory Tender Date with respect to an amendment to the Standard Terms pursuant to Section 12.01(b), (D) notice of a Mandatory Tender Date with respect to the appointment of a successor Sponsor, and (E) unless otherwise directed by Freddie Mac, notice that any Holder of Class A Certificates has exercised its Optional Disposition Right (all Certificates being subject to any such notice being referred to as “*Available Remarketing Class A Certificates*”), the Remarketing Agent will use its best efforts to solicit offers for purchases of such Available Remarketing Class A Certificates in accordance with the Remarketing Agreement and the Series Certificate Agreement. With respect to any Available Remarketing Class A Certificates that the Remarketing Agent has been able to obtain successfully a bid for the purchase thereof, which bid, if accepted, would be binding on the bidder for the consummation of the sale of such Available Remarketing Class A Certificates, the Remarketing Agent shall in accordance with the Remarketing Agreement provide funds, as principal and not as agent, to the Administrator to effect such purchase.

(iii) Not later than 9:00 a.m. on the Purchase Date, a Mandatory Tender Date or an Optional Disposition Date, as applicable, the Administrator will confirm with the Remarketing Agent the Purchase Price of such Available Remarketing Class A Certificates. Not later than 9:00 a.m. on the Purchase Date, Mandatory Tender Date or Optional Disposition Date, as applicable, the Remarketing Agent will give to Freddie Mac and the Administrator, a Remarketing Agent Notice by Electronic Notice, promptly confirmed by first class mail. Such Remarketing Agent Notice will contain (A) a statement that such Available Remarketing Class A Certificates have been fully remarketed, and that the net remarketing proceeds will be deposited with the Administrator by not later than 9:15 a.m. on such Purchase Date, Mandatory Tender Date or Optional Disposition Date, as applicable, or (B) a statement that only a portion of such Available Remarketing Class A Certificates have been remarketed and the remarketing proceeds that were obtained will be deposited with the Administrator by not later than 9:15 a.m. on the Purchase Date, Mandatory Tender Date or Optional Disposition Date, as applicable, or (C) a statement that such Available Remarketing Class A Certificates have not been remarketed by the Remarketing Agent and that no funds will be deposited with the Administrator on the Purchase Date, Mandatory Tender Date or Optional Disposition Date, as applicable. If such Available Remarketing Class A Certificates have been remarketed and the Remarketing Agent has received the remarketing proceeds, the Remarketing Agent will, not later than 9:15 a.m. on the Purchase Date, Mandatory Tender Date, or Optional Disposition Date, as applicable, deposit with the Administrator, from the remarketing proceeds, immediately available funds in the amount specified in the Remarketing Agent Notice.

(iv) If Freddie Mac has received a Remarketing Agent Notice from the Remarketing Agent as described in Section 6.06(a)(iii) indicating a failure to remarket any of the Available Remarketing Class A Certificates and requesting payment, Freddie Mac will make a payment in accordance with the conditions set forth in the Liquidity Facility of the Purchase Price of such Available Remarketing Class A Certificates not remarketed (net of any remarketing proceeds)

that have been received) no later than 2:00 p.m. on the Purchase Date. Any such Remarketing Agent Notice must be sent to Freddie Mac's Special Transaction Accounting by facsimile transmission at (703) 714-3273, immediately confirmed by overnight delivery service (or to such other facsimile number or using such other means of electronic communication as otherwise instructed by Freddie Mac).

(v) If the Administrator has appointed a Paying Agent, it will be an additional condition precedent to Freddie Mac's obligations to pay pursuant to the Liquidity Facility that no later than 10:00 a.m. on the Purchase Date, Mandatory Tender Date or Optional Disposition Date, as applicable, the Paying Agent will have provided proper notice by facsimile means to Freddie Mac to the effect that monies held by the Paying Agent for the purpose of paying the Purchase Price of Tendered Class A Certificates are insufficient and that Freddie Mac is required pursuant to the Liquidity Facility to cover such deficit.

(b) *Purchase Price Excesses.* If, as of any time preceding the payment of the Purchase Price of Class A Certificates the sum of the amounts deposited with the Administrator pursuant to Section 6.06(a) exceeds the aggregate Purchase Price of such Class A Certificates (any such excess, a "*Purchase Price Excess*"), the Administrator will (i) give to the Remarketing Agent and Freddie Mac notice of the amount of such Purchase Price Excess by Electronic Notice, and (ii) pay by wire transfer of immediately available funds unless otherwise requested (A) first, to Freddie Mac, that portion of the Purchase Price Excess funded by Freddie Mac pursuant to the Liquidity Facility and (B) second, to the Remarketing Agent, the balance of such Purchase Price Excess. Such payments will be made by the Administrator in accordance with written instructions for such transfer provided by Freddie Mac. Concurrently with the receipt by Freddie Mac or the Remarketing Agent, as the case may be, of any payment made pursuant to this Section 6.06(b), such Person will execute and deliver to the Administrator a receipt therefor.

(c)(i) *Payment of Purchase Price of Tendered Class A Certificates.* Payment of the Purchase Price of any Tendered Class A Certificates will be made by the Administrator at or before 3:00 p.m. to the Class A Holders, upon receipt by the Administrator of such Class A Certificates pursuant to Section 6.03(b), from amounts provided to the Administrator by 2:00 p.m., by wire transfer of immediately available funds to such account as such Holder's DTC Participant has specified in writing to the Administrator. If all or a portion of funds for the payment of the Purchase Price of any Tendered Class A Certificates are provided the Administrator after 2:00 p.m. on any Business Day, the Administrator will pay such Purchase Price or portion thereof to the related DTC Participant by not later than 3:00 p.m. on the next succeeding Business Day.

(ii) *Payment of Purchase Price of Certificates Subject to Mandatory Tender or Optional Disposition Right.* Subject to Section 6.07, payment of the Purchase Price of any Class A Certificates subject to Mandatory Tender or the Optional Disposition Right will be made by the Administrator to the Class A Holders, from amounts provided to the Administrator from remarketing proceeds, from in the case of a Mandatory Tender related to a Special Adjustment Event the Pledge Custodian or the Sponsor, or from the Liquidity Facility, as applicable, pursuant to Section 6.06(a) only upon presentation and surrender of the Class A Certificates by the Class A Holder, on the Mandatory Tender Date or Optional Disposition Date, as applicable, at the principal office of the Administrator. Such payment will be made by the Administrator at or before 3:00 p.m. to the Class A Holder from amounts provided to the Administrator by 2:00 p.m.

on any Business Day for such purpose pursuant to Section 6.06(a), by payment to the Class A Holder by wire transfer of immediately available funds to such account as such Holder's DTC Participant specifies in writing to the Administrator. If all or a portion of the funds for payment of the Purchase Price of a Class A Certificate that is subject to Mandatory Tender or the Optional Disposition Right are provided to the Administrator after 2:00 p.m. on any Business Day, the Administrator will pay such Purchase Price or portion thereof to the related DTC Participant by not later than 3:00 p.m. on the next succeeding Business Day.

(iii) *Failure to Pay Purchase Price.* If payment of the Purchase Price is not made as described in Section 6.06(c)(i) or (ii), as applicable, on any Purchase Date for Class A Certificates for which the Tender Option has been exercised, any Mandatory Tender Date or the Optional Disposition Date for Class A Certificates for which the Optional Disposition Right has been exercised because of a failure by the Liquidity Provider to comply with the terms of the Liquidity Facility (a "*Liquidity Failure*"), then, unless such failure is cured on or before the third Business Day after such date, each Class A Holder will be required to exchange its Class A Certificates for its pro rata share of the Bonds or sales proceeds thereof in accordance with Section 13.04 on the related Exchange Date. The Administrator will immediately notify the Sponsor upon the occurrence of a Liquidity Failure, and the Sponsor will advise the Administrator of the related Exchange Date. The Administrator will notify the Registered Holders, each applicable Rating Agency and the Remarketing Agent within one Business Day after the occurrence of a Liquidity Failure. Any distribution made in connection with such a Liquidity Failure is in no way intended to, and will not, negate or waive any rights of the Holders of Class A Certificates or the Administrator on their behalf, to take any action against, or to pursue any other remedy available to them under the Series Certificate Agreement, under any other document related to the Series Certificate Agreement, at law, in equity or otherwise against Freddie Mac, with respect to any failure by Freddie Mac to pay the Purchase Price for Class A Certificates when required to do so and such failure is not cured on or before the third Business Day after the related Mandatory Tender Date or Purchase Date.

(d) *Disposition of Tendered Class A Certificates and Class A Certificates Subject to Mandatory Tender.* (i) Concurrently with the payment of the Purchase Price for Available Remarketing Class A Certificates on any Purchase Date, Mandatory Tender Date or Optional Disposition Date, the Administrator will (A) to the extent that the Remarketing Agent deposited with the Administrator remarketing proceeds in the amount of such Purchase Price pursuant to Section 6.06(a)(i), deliver to the Remarketing Agent (for redelivery to the purchasers of such Class A Certificates) the Class A Certificates with respect to which the Remarketing Agent deposited with the Administrator the Purchase Price and (B) to the extent Freddie Mac deposited with the Administrator, or in the case of Class A Certificates subject to Mandatory Tender related to a Special Adjustment Event, the Pledge Custodian or the Sponsor deposited with the Administrator, the amount of any Purchase Price with respect to any such Class A Certificates, deliver to the Pledge Custodian, for the benefit of Freddie Mac, such Class A Certificates with respect to which Freddie Mac, the Pledge Custodian or the Sponsor, as applicable, deposited with the Administrator such Purchase Price. In the case of a delivery described by clause (A) above, the Administrator will deliver such Class A Certificates to the Remarketing Agent registered in such name and to such address as the Remarketing Agent directs in writing. In the case of a delivery described by clause (B) above, the Administrator will deliver such Class A Certificates to the Pledge Custodian registered in such name, and to such address, as Freddie Mac directs in writing, and the Administrator and the Certificate Registrar will note the pledge of

such Class A Certificates to the Pledge Custodian on behalf of Freddie Mac on the books and records of the Administrator and the Certificate Registrar, and the Administrator will send confirmation of such delivery to Freddie Mac. Any Class A Certificates delivered to the Pledge Custodian as described in the preceding sentence will be Pledged Class A Certificates subject to Section 4.06. Following such registration, Freddie Mac will be entitled to receive payments on the Pledged Class A Certificates in accordance with its interest.

(ii) If any Class A Certificate that is subject to Mandatory Tender is not surrendered by the Holder of such Certificate on a Mandatory Tender Date (except for a Class A Certificate which the respective Holder has elected to retain as provided in Section 6.07), such Class A Certificate will be deemed surrendered for all purposes under the Series Certificate Agreement. After the Mandatory Tender Date, except to the extent of the portion, if any, of the Current Class A Certificate Balance of such Class A Certificates that is not subject to Mandatory Tender on such Mandatory Tender Date, the Class A Holder will have no further rights with respect to such Class A Certificates except the right to receive payment of the Purchase Price, without interest from or after the Mandatory Tender Date, and its portion of the Hypothetical Gain Share, if any, pursuant to Section 13.03 upon the presentation and surrender of such Class A Certificate at the Delivery Office of the Administrator.

(e) *Reductions of the Aggregate Outstanding Amounts.* The Aggregate Outstanding Class A Certificate Balance will be reduced by the aggregate Current Certificate Balance of such Class A Certificates subject to Mandatory Tender that are canceled.

(f) *No Investment.* Any amounts received pursuant to the Liquidity Facility or as remarketing proceeds will be held uninvested.

(g) *Substitution of Procedure Times.* Any times specified in Sections 6.03 and 6.06 may be modified pursuant to (i) a Series Certificate Agreement applicable to any Series of Certificates or (ii) written agreement executed by Freddie Mac, the Administrator and the Remarketing Agent, provided notice of any such agreement is provided to the Registered Holders of Certificates.

Section 6.07 Right of Holder to Elect to Retain Class A Certificates Upon the Occurrence of Certain Mandatory Tender Events (a) If the Class A Certificates are subject to Mandatory Tender in connection with (a) a Term Effective Date (that is not a Reset Rate Method Change Date), (b) a Reset Rate Method Change Date relating to a change (but not a continuation) in the Reset Rate Method from a Weekly Reset Rate Method or a Monthly Reset Rate Method to a Monthly Reset Rate Method or a Term Reset Rate Method, (c) a Reset Rate Method Change Date relating to a change (but not a continuation) in the Reset Rate Method from a Term Reset Rate Method or a Monthly Reset Rate Method to a Weekly Reset Rate Method or Monthly Reset Rate Method, (d) the date on which the Sponsor assigns its duties to a successor Sponsor pursuant to Section 3.08 or (e) the date on which an amendment to the Standard Terms described in Section 12.01(b) becomes effective, the Class A Certificates owned by each Holder that exercised its right to elect to retain such Class A Certificates in accordance with the requirements of subsection (b) below will not be subject to Mandatory Tender.

(b) In order to elect to retain such Holder must deliver (or cause its DTC Participant to deliver, as required) to the principal office of the Administrator, a Retention Notice by no later than 12:00 noon on the third Business Day prior to the Mandatory Tender Date. The Administrator will give a copy of each Retention Notice received by it to the Remarketing Agent and Freddie Mac, by Electronic Notice, promptly confirmed in writing by mailing a copy thereof, not later than the Business Day following the Business Day on which the Administrator receives such notice. Upon receipt by the Administrator of a Retention Notice, the related Class A Certificates will no longer be subject to the applicable Mandatory Tender.

Section 6.08 Sole Sources of Payment of Purchase Price The sole sources of payment of the Purchase Price of any Tendered Class A Certificates, Class A Certificates subject to Mandatory Tender, and Class A Certificates with respect to which the Holders thereof have exercised the Optional Disposition Right will be (a) proceeds from the remarketing of Available Remarketing Class A Certificates, to the extent available, (b) with respect to Class A Certificates subject to Mandatory Tender as a result of a Special Adjustment Event as described in Section 7.02 only, the Pledge Custodian or the Sponsor, and (c) amounts received under the Liquidity Facility, as further described in Section 6.06(a)(1) and (2).

**ARTICLE VII
TENDER OPTION TERMINATION EVENTS AND CERTAIN MANDATORY TENDER
EVENTS; OPTIONAL DISPOSITION RIGHT**

Section 7.01 Tender Option Termination Events. (a) Without notice, on or prior to any Purchase Date, Mandatory Tender Date, or Optional Disposition Date, upon the occurrence of any of the following events (each a “*Tender Option Termination Event*”), the Tender Option will be terminated as provided below:

(i) there shall have occurred (A) a failure to pay when due any installment of principal of or premium, if any, or interest with respect to any Bonds (whether by scheduled maturity, regular repayment, acceleration, demand or otherwise), and (B) a failure by Freddie Mac to pay under the Credit Enhancement set forth in Section 4.11, which failure or failures continue for a period of three (3) Business Days;

(ii) upon the entry of any decree or judgment by a court of competent jurisdiction or the taking of any official action by the Internal Revenue Service or the Department of the Treasury, which decree, judgment or action is deemed final under applicable procedural law, and which has the effect of a determination that the interest on any of the Bonds is includable in the gross income of the recipients thereof for federal income tax purposes; or

(iii) if the rating of the long-term senior debt of Freddie Mac is reduced below “investment grade” (being “Baa3” in the case of Moody’s and “BBB-” in the case of Fitch and S&P) by each such Rating Agency rating such debt.

When the Administrator has Knowledge of a Tender Option Termination Event it will promptly give the Remarketing Agent a Tender Option Termination Notice with respect thereto by Electronic Notice, promptly confirmed by mailing a copy thereof. The Tender Option Termination Notice will set forth (1) a description of the Tender Option Termination Event that has occurred and a description of the Affected Bonds, (2) the date when such Tender Option Termination Event occurred, (3) a schedule, prepared by Freddie Mac, of the Bonds, if any, that

will remain after the complete or partial liquidation of the Series Pool and required distributions have been effected on the related Exchange Date, and (4) a schedule, prepared by Freddie Mac, of the amounts of Class A Certificates and Class B Certificates, and of the Liquidity Commitment, that will remain after the complete or partial liquidation of the Series Pool and after all required distributions have been effected on the related Exchange Date.

Not later than one Business Day following its delivery of a Tender Option Termination Notice to the Remarketing Agent, the Administrator will give the Registered Holders, the Sponsor and each applicable Rating Agency a copy of such Tender Option Termination Notice; provided, however, that the Administrator will have no duty or obligation to ascertain whether any Tender Option Termination Event described therein occurred; and provided further, that neither the failure to give notice of any Tender Option Termination Event to the Administrator, the failure of the Administrator to give such notice to any Registered Holder, nor the failure of any Holder to receive such notice, will delay or affect in any manner the termination of the right of Class A Holders to exercise the Tender Option with respect to any Affected Certificate.

When a Tender Option Termination Event occurs, the Series Pool Assets will be subject to complete or partial liquidation on the related Exchange Date in accordance with Section 13.04.

Section 7.02 Special Adjustment Event. (a) Freddie Mac will have the right to cause a Mandatory Tender in part of the Class A Certificates (i) upon the Pledge Custodian's receipt of any principal paid with respect to any "Class B Certificates" of another designated Series with respect to such Certificates; provided that in such event, the aggregate Current Certificate Balance of Class A Certificates subject to Mandatory Tender will equal the amount of such principal received by the Pledge Custodian as of the tenth Business Day of the month (rounded down to the nearest \$5,000 increment) which, at the direction of Freddie Mac, is to be remitted to the Administrator on or before the related Mandatory Tender Date or (ii) when any event permitting a Special Adjustment Event described in the provisions of the Reimbursement Agreement occurs, in which case the aggregate Current Certificate Balance of Class A Certificates subject to Mandatory Tender will equal the amount needed to satisfy such provisions of the Reimbursement Agreement. The Series Certificate Agreement will designate the other series pool from which payments of principal on "Class B Certificates" will generate a Special Adjustment Event.

(b) When any Special Adjustment Event occurs with respect to which Freddie Mac exercises its right to cause a Mandatory Tender, Freddie Mac will give a Special Adjustment Event Notice to the Administrator, each applicable Rating Agency, and the Remarketing Agent by Electronic Notice, promptly confirmed by mailing a copy thereof. The Special Adjustment Event Notice will set forth (i) a brief statement describing the Special Adjustment Event, (ii) the aggregate Current Certificate Balance of Class A Certificates to be Selected by Lot which will be subject to Mandatory Tender, and (iii) the Special Adjustment Date specified by Freddie Mac on which Class A Certificates so Selected by Lot will be subject to Mandatory Tender, which date may not be earlier than five (5) nor later than ten (10) Business Days after that the Administrator provides notice to the Holders as described in the following sentence. Not later than 5:00 p.m. on the second Business Day following the date on which a Special Adjustment Event Notice is received by the Administrator, the Administrator will give to Registered Holders Selected by Lot a Mandatory Tender Notice. Any Special Adjustment Event Notice executed by Freddie Mac under the Series Certificate Agreement will become irrevocable when the related Mandatory Tender Notice is given by the Administrator to the Registered Holders Selected by Lot. Pledged Class A Certificates existing at the time of such Mandatory Tender will not be subject to Mandatory Tender as a result of the Special Adjustment Event.

(c) If a Special Adjustment Event arises from the receipt of principal paid with respect to any Class B Certificate of another Series as provided above, no later than 3:00 p.m. on such Mandatory Tender Date, the Administrator will, with the monies provided by the Pledge Custodian to the Administrator, purchase an equal aggregate Current Certificate Balance of Class A Certificates tendered on the related Mandatory Tender Date for the account of each related holder of Tax-Exempt Class B Certificates of the other Series (an “*Exchanging Holder*”).

(d) If a Special Adjustment Event occurs due to certain events under the Reimbursement Agreement, the Sponsor will purchase from the applicable Holders of Class A Certificates, the Class A Certificates tendered on the related Mandatory Tender Date, with such purchase to occur no later than 3:00 p.m. on such Mandatory Tender Date.

(e) Class A Certificates that are purchased on a Mandatory Tender Date in connection with a Special Adjustment Event will be deemed Pledged Class A Certificates, will be delivered to the Pledge Custodian to be held pursuant to the Reimbursement Agreement and will not be subject to any subsequent remarketing.

(f) No Hypothetical Gain Share will be payable in connection with any Mandatory Tender arising as the result of a Special Adjustment Event.

Section 7.03 Liquidity Provider Termination Event When any Liquidity Provider Termination Event occurs with respect to which Freddie Mac (subject to Section 7.1 of the Reimbursement Agreement) exercises its right to cause a Mandatory Tender, Freddie Mac will give a Liquidity Provider Termination Notice to the Administrator, the Remarketing Agent, the Sponsor and each applicable Rating Agency by Electronic Notice, promptly confirmed by first class mail, which notice will set forth (i) a brief statement describing the Liquidity Provider Termination Event giving rise to such termination, and (ii) the Mandatory Tender Date specified by Freddie Mac on which the Class A Certificates will be subject to Mandatory Tender, which date will be no earlier than five (5), nor later than ten (10), Business Days after the Administrator provides notice to the Holders, as described in the following sentence. Not later than 5:00 p.m. on the second Business Day following the date on which a Liquidity Provider Termination Notice is received by the Administrator, the Administrator will give to the Registered Holders a Mandatory Tender Notice. Any Liquidity Provider Termination Notice executed by Freddie Mac under the Series Certificate Agreement will become irrevocable when the related Mandatory Tender Notice is given by the Administrator to the Registered Holders.

Section 7.04 Sponsor Act of Bankruptcy. (a) If the Partnership Factors apply to the Series Pool, the Class A Certificates are subject to Mandatory Tender upon the occurrence of a Sponsor Act of Bankruptcy, in accordance with the following provisions. If the Series Certificate Agreement provides that the Partnership Factors will apply, then when a Sponsor Act of Bankruptcy occurs (i) Freddie Mac will promptly give a Notice of Sponsor Bankruptcy to the Administrator, the Remarketing Agent and each applicable Rating Agency, promptly confirmed by first class mail, which Notice of Sponsor Bankruptcy will set forth (A) a statement that the Administrator has received notice that a Sponsor Act of Bankruptcy has occurred, and (B) the

Mandatory Tender Date on which the Class A Certificates will be subject to Mandatory Tender, which date will be the fifth Business Day after the Administrator provides notice to the Registered Holders as described in the following sentence. Not later than 5:00 p.m. on the second Business Day following the date on which the Administrator provides the Notice of Sponsor Bankruptcy, the Administrator will give to the Registered Holders a Mandatory Tender Notice, as required by Section 6.05 of the Standard Terms.

(b) If the Series Certificate Agreement does not provide that the Partnership Factors will apply, this Section 7.04 will not apply to the Series Pool.

Section 7.05 Optional Disposition Date (a) The Class A Certificates may be tendered at a price equal to the Optional Disposition Price on any Optional Disposition Date, in accordance with the following provisions. On any Optional Disposition Date, any Holder of Class A Certificates (other than Affected Certificates or Pledged Class A Certificates), which has held such Class A Certificates for at least one year, may tender any of its Class A Certificates for a price equal to the Optional Disposition Price. To tender its Class A Certificates, the Holder must submit a notice to the Administrator and its DTC Participant at least five (5) Business Days before the related Optional Disposition Date stating that such Holder is the Holder of a specified Current Certificate Balance of Class A Certificates, that it is exercising its right to tender such Class A Certificates in exchange for the Optional Disposition Price and its identity. Within one Business Day after it receives an optional disposition notice, the Administrator will notify the Remarketing Agent and Freddie Mac of its receipt. Unless otherwise directed by Freddie Mac, the Remarketing Agent will attempt to remarket all Class A Certificates tendered pursuant to the Optional Disposition Right, for settlement on the related Optional Disposition Date.

(b) On any Business Day not earlier than 10 Business Days before an Optional Disposition Date, any Holder of Class A Certificates may request a valuation of the Bonds from the Remarketing Agent. The Remarketing Agent will then determine such valuation for such Business Day in the manner specified in the definition of "Hypothetical Gain Share". Such valuation will be provided to any such Holder solely for informational purposes and will be non-binding on any Person.

(c) On the Optional Disposition Date, the Class A Certificates tendered pursuant to the Optional Disposition Right will be surrendered by the related Holders to the Administrator. Such Holders of Class A Certificates will be paid the Optional Disposition Price for such Class A Certificates consisting of the Purchase Price of such Certificates and the related Hypothetical Gain Share. The Purchase Price will be paid in accordance with Section 6.06 of the Standard Terms, and the Hypothetical Gain Share, as calculated by Freddie Mac, will be paid from (i) first, amounts provided to the Administrator by the Holders of Class B Certificates, at their election, after inquiry by the Administrator, and (ii) second, sales of Bonds selected by Freddie Mac, but only to the extent necessary to pay such Hypothetical Gain Share (subject to applicable Authorized Denomination provisions), and in no event in an aggregate principal amount exceeding the aggregate Current Certificate Balance of the Class A Certificates tendered pursuant to the Optional Disposition Right. To the extent any Bonds are sold to pay Hypothetical Gain Share as aforesaid, the aggregate Current Certificate Balance of such Class A Certificates so tendered will be adjusted downward by the Administrator's cancellation of such Class A Certificates in an amount equal to the aggregate principal amount of Bonds sold, such that the Aggregate Outstanding Certificate Balance does not exceed the Aggregate Outstanding Bond Balance, and only such reduced amount of Class A Certificates will be available for remarketing on the related Optional Disposition Date.

However, in no event may a Holder of Class A Certificates exercise its Optional Disposition Right unless the Hypothetical Gain Share is greater than zero. If the Hypothetical Gain Share is not greater than zero, the Optional Disposition Date for which the Optional Disposition Right has been exercised will be cancelled, and any Class A Certificates delivered to the Administrator pursuant to the preceding paragraph will be returned to the Holders thereof.

Section 7.06 Clean-Up Event. (a) Each of Freddie Mac and the Sponsor has the right to cause a Mandatory Tender of the Class A Certificates at any time after the Aggregate Outstanding Bond Balance is not more than 5% of the Aggregate Outstanding Bond Balance on the Date of Original Issue (a “*Clean-Up Event*”) in accordance with the following provisions.

(b) When a Clean-Up Event occurs with respect to which Freddie Mac or Sponsor exercises its right to cause a Mandatory Tender, such party will provide written notice of such exercise to the other party and to the Administrator. Promptly following receipt of such notice, the Administrator will give a Clean-Up Notice to the Remarketing Agent and each applicable Rating Agency by Electronic Notice, promptly confirmed by first class mail, which Clean-Up Notice will set forth (i) a brief statement describing the Clean-Up Event, and (ii) the Mandatory Tender Date specified by Freddie Mac or the Sponsor, as applicable, on which the Class A Certificates will be subject to Mandatory Tender, which date will be not earlier than five (5), nor later than ten (10), Business Days after the Administrator provides notice to the Holders as described in the following sentence. Not later than 5:00 p.m. on the second Business Day following its receipt of a Clean-Up Notice, the Administrator will give to the Registered Holders a Mandatory Tender Notice.

ARTICLE VIII THE REMARKETING AGENT

Section 8.01 Duties of the Remarketing Agent The Remarketing Agent will undertake to perform the duties, and only those duties, as are specifically set forth in the Series Certificate Agreement and in the Remarketing Agreement.

Section 8.02 Resignation or Removal of the Remarketing Agent (a) Upon the giving of 30 days’ written notice to the Sponsor, Freddie Mac and the Administrator, the Remarketing Agent may resign as Remarketing Agent and be discharged from its duties to be performed under the Series Certificate Agreement and the Remarketing Agreement. Upon receiving any such notice of resignation, Freddie Mac will promptly appoint in writing a successor Remarketing Agent.

(b) The Remarketing Agent may be removed, without cause, upon 10 days’ written notice from the Administrator in accordance with the terms of the Remarketing Agreement. Upon any such removal of the Remarketing Agent, Freddie Mac will promptly appoint in writing a successor Remarketing Agent.

(c) Any removal or resignation of the Remarketing Agent, and any appointment of a successor Remarketing Agent pursuant to any of the provisions of this Section 8.02, will not become effective until the successor Remarketing Agent has accepted its appointment as provided in Section 8.03.

Section 8.03 Successor Remarketing Agent (a) Any successor Remarketing Agent appointed as provided in Section 8.02 will execute, acknowledge and deliver to the Administrator, and to its predecessor Remarketing Agent, an instrument accepting such appointment under the Series Certificate Agreement and the Remarketing Agreement, and when accepted, such successor Remarketing Agent, without any further act, will become fully vested as Remarketing Agent as if originally named. The predecessor Remarketing Agent will deliver to the successor Remarketing Agent all documents held by it under the Series Certificate Agreement, and the Administrator and the predecessor Remarketing Agent will execute and deliver such instruments, and do such other things, as may reasonably be required to confirm the new appointment.

(b) Upon the Administrator's receipt of an acceptance notice pursuant to Section 8.03(a), the Administrator will provide notice of the appointment of the successor Remarketing Agent to the Registered Holders and the Sponsor not later than two Business Days later.

Section 8.04 Merger or Consolidation of the Remarketing Agent If the Remarketing Agent merges or consolidates with another Person, the resulting entity will be the successor to the Remarketing Agent, without the need to execute or file any paper, or take any further action. The Remarketing Agent will provide notice of any such merger or consolidation to Freddie Mac and the Administrator.

Section 8.05 Notices by Remarketing Agent The Remarketing Agent will agree to provide to beneficial owners of Class A Certificates copies of all notices that are to be provided to Holder of Class A Certificates upon its receipt of a written request from such beneficial owner(s) setting forth the address that such notices are to be sent, together with evidence of its beneficial ownership in a form reasonably satisfactory to the Remarketing Agent.

ARTICLE IX EVENTS OF DEFAULT AND RIGHTS AND REMEDIES OF HOLDERS

Section 9.01 Event of Default "Event of Default", wherever used in the Series Certificate Agreement, means any one of the following events:

(a) The Administrator defaults in the payment to Holders of the applicable Certificate Payment Amount, or Freddie Mac defaults in the payment of any amount pursuant to the Credit Enhancement or the Liquidity Facility, when the same is due and payable as provided in the Series Certificate Agreement, and such default continues for a period of three Business Days; or

(b) Freddie Mac or the Administrator fails to observe or perform any other of its covenants set forth in the Series Certificate Agreement, and such failure continues for a period of 60 days after the date on which written notice of such failure, requiring Freddie Mac or the Administrator to remedy the same, has been given to Freddie Mac or the Administrator, as appropriate, by the Holders representing not less than 60% of the Current Class A Certificate Balance or the Current Class B Certificate Balance, as applicable.

Section 9.02 Remedies. (a) If an Event of Default occurs and continues, then the Holders representing a majority of the then Current Certificate Balance of any affected Class of Certificates may, by written notice to Freddie Mac, remove the Administrator and nominate a successor Administrator under the Series Certificate Agreement, which nominee will be deemed appointed as successor Administrator unless within 10 days after such nomination Freddie Mac objects, in which case Freddie Mac may petition any court of competent jurisdiction for the appointment of a successor Administrator, or any Holder, which has been a bona fide Holder of any affected Class for at least six months may, on behalf of such Holder and all others similarly situated, petition any such court for appointment of a successor Administrator. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor Administrator.

(b) Upon the appointment of any successor Administrator pursuant to this Section 9.02, the retiring Administrator will submit to its successor a complete written report and accounting as to the Certificates and will take all other steps necessary or desirable to transfer its interest in, and the administration of, the Series Certificate Agreement to the successor. Subject to the Freddie Mac Act, such successor may take such actions with respect to the Series Certificate Agreement as may be reasonable and appropriate in the circumstances. Prior to any such designation of a successor Administrator, the Holders representing a majority of the Current Certificate Balance of Certificates of any affected Class then Outstanding may waive any past default or Event of Default. The appointment of a successor Administrator will not relieve Freddie Mac of its Credit Enhancement obligation as set forth in Section 4.11 or its Liquidity Facility obligations set forth in Section 6.01.

Section 9.03 Waiver of Past Defaults. Except to the extent otherwise provided, the Holders of Certificates representing a majority of the then Current Certificate Balance may waive any past default, Event of Default or breach of a covenant under the Series Certificate Agreement and its consequences. In the case of any such waiver, Freddie Mac, the Administrator and the Holders of the Certificates will be restored to their former positions and rights, respectively, but no such waiver will extend to any subsequent or other default, Event of Default or breach of a covenant under the Series Certificate Agreement or impair any right related to a subsequent or unwaived breach. When any default, Event of Default or breach of a covenant is waived, such default, Event of Default or breach will cease to exist and will be deemed cured and not to have occurred for every purpose of the Series Certificate Agreement.

**ARTICLE X
THE ADMINISTRATOR; HOLDERS' LISTS AND REPORTS; BONDHOLDER
REPRESENTATIVE**

Section 10.01 Certain Duties and Responsibilities. (a) (i) The Administrator agrees to perform only such duties as are specifically set forth in the Series Certificate Agreement, and no implied covenants or obligations will be read into the Series Certificate Agreement against the Administrator. If Freddie Mac is Administrator, it will hold or administer, or supervise the administration of, the Series Pool in a manner consistent with and to the extent required by prudence and in substantially the same manner as it holds and administers assets of the same or similar type for its own account.

(ii) The Administrator is not authorized to, and agrees that it will not, engage in activities with respect to the Series Pool that are not required by the Series Certificate Agreement.

(iii) In the absence of gross negligence or willful misconduct on its part, the Administrator may conclusively rely upon certificates or opinions furnished to the Administrator and conforming to the requirements of the Series Certificate Agreement; *provided, that*, as to the truth of the statements and the correctness of the opinions expressed therein in the case of any such certificates or opinions which by any provision of the Series Certificate Agreement are specifically required to be furnished to the Administrator, the Administrator will be under a duty to examine those opinions or certificates to determine whether or not they conform to the requirements of the Series Certificate Agreement.

(b) No provision of the Series Certificate Agreement will be construed to relieve the Administrator from liability for its own grossly negligent action or its own grossly negligent failure to act, or its own willful misconduct, except that:

(i) the Administrator will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Administrator was grossly negligent in ascertaining the pertinent facts; and

(ii) the Administrator will not be liable with respect to any action taken or omitted by it upon the direction of the required percentage of the Holders affected (such percentage will not include those Certificates, if any, that are to be disregarded in accordance with the definition of the term "Outstanding") relating to the time, method and place of conducting any Proceeding for any remedy available to the Administrator, or relating to the exercise of any power conferred upon the Administrator under the Series Certificate Agreement with respect to the Certificates.

(c) No provision of the Series Certificate Agreement will require the Administrator to expend or risk its own funds, or otherwise to incur any financial liability in the performance of any of its duties under the Series Certificate Agreement, or in the exercise of any of its rights or powers, if it has reasonable grounds for believing that repayment of such funds, or adequate indemnity against such risk or liability, is not reasonably assured to it. However, the Administrator agrees to perform and continue performing fully its duties under any other provision of the Series Certificate Agreement even following any Person's failure to perform any repayment or indemnity obligation owed to the Administrator by such Person as described in this Section 10.01(c); but such performance will not be deemed a waiver of the Administrator's right to repayment or indemnity.

(d) The permissive right of the Administrator to take actions enumerated in the Series Certificate Agreement will not be construed as a duty, and the Administrator will not be answerable for other than its own gross negligence or willful misconduct.

(e) In no event will the Administrator be liable for acts or omissions of its agents, designees, subcustodians or correspondents, other than its failure to appoint them without gross negligence or willful misconduct.

(f) In no event will the Administrator be liable for special, consequential or punitive damages.

Section 10.02 Notice of Non-Monetary Default. The Administrator will transmit notice of the occurrence of any Non-Monetary Default known to the Administrator, (a) by Electronic Notice to Freddie Mac, the Sponsor, the Remarketing Agent and each applicable Rating Agency promptly upon the Administrator's Knowledge of such Non-Monetary Default and, in any event, within one Business Day after such Non-Monetary Default has become known to the Administrator, and (b) by first class mail to all Holders of Certificates, as their names and addresses appear in the Certificate Register, within five Business Days after the Administrator's Knowledge of such Non-Monetary Default.

Section 10.03 Certain Rights of the Administrator. Except as otherwise provided in Section 10.01:

(a) the Administrator may rely, and will be protected in acting or refraining from acting, (i) upon any document or facsimile transmission believed by it to be genuine and to have been signed or presented by the proper party or parties, or (ii) following consultation, upon any advice of counsel;

(b) the Administrator will be under no obligation to exercise any of the rights or powers vested in it by the Series Certificate Agreement (other than with respect to the Administrator's obligation to make demands on the Liquidity Facility or the Credit Enhancement at the request or direction of any of the Holders of Class A Certificates pursuant to the Series Certificate Agreement), unless such Holders of Class A Certificates have offered to the Administrator reasonable security or reasonable indemnity against the costs, expenses and liabilities which might be incurred by it in comply with such request or direction;

(c) the Administrator will not be liable for any action that it takes or omits to take in good faith and, in the absence of gross negligence or willful misconduct, that it believes to be authorized or within its rights or powers.

(d) Freddie Mac, as Administrator, will have the right to engage subcontractors for the performance of any of its duties as Administrator under the Series Certificate Agreement.

Section 10.04 Parties that May Hold Certificates The Administrator, any Paying Agent, Certificate Registrar or any other agent of Freddie Mac, in its individual or any other capacity, may become the owner or pledgee of Class A Certificates with the same rights as it would have if it were not the Administrator, Paying Agent, Certificate Registrar or such other agent.

Section 10.05 Information Regarding Holders. For purposes of taking or recognizing any direction from the Holders of a given percentage of the Current Certificate Balance of any Class, the Administrator may conclusively rely (i) in the case of the Class A Certificates, on written information received from DTC or its nominee while the Class A Certificates are held in book-entry only form through the facilities of DTC, and (ii) in the case of Class B Certificates, on a written certification received from the Sponsor.

Section 10.06 Corporate Administrator Required; Eligibility. The Administrator, if other than Freddie Mac, must have the following qualifications. It (i) will be either (1) a bank or trust company organized, in good standing and doing business under the laws of the State of New York or (2) a national banking association organized, in good standing and doing business under the laws of the United States of America with its principal place of business located in the State of New York, in either case, reasonably acceptable to Freddie Mac, (ii) will be authorized under such laws to exercise corporate trust powers, (iii) will have a combined capital and surplus of at least \$50,000,000, (iv) will be subject to supervision or examination by Federal or State banking authority, (v) will be a member of the Federal Reserve System and (vi) will not be or be affiliated (within the meaning of Rule 405 under the Securities Act) with any of Freddie Mac, the Remarketing Agent, any Class B Holder, or with an Affiliate of any of the foregoing. If such Administrator publishes reports of conditions at least annually, pursuant to law or the requirements of such supervising or examining authority, then for the purposes of this paragraph, the combined capital and surplus of such Administrator will be deemed to be its combined capital and surplus as set forth in its most recently published report of condition. If at any time the Administrator ceases to be eligible in accordance with the provisions of this Section 10.06, it will resign immediately in the manner and with the effect specified in Article X.

Section 10.07 Resignation. (a) Freddie Mac may resign from the duties imposed upon Freddie Mac in its capacity as Administrator by the terms of the Series Certificate Agreement at any time provided that at the time of its resignation a successor administrator meeting the qualifications set forth in Section 10.06 is appointed by Freddie Mac and has accepted such appointment. If Freddie Mac resigns in accordance with these terms, it promptly will furnish written notice to all Holders. Subsequent to such resignation, Freddie Mac will continue to be obligated pursuant to the Credit Enhancement and the Liquidity Facility.

(b) If the Administrator is no longer Freddie Mac, the following provisions will apply:

(i) No resignation or removal of the Administrator, and no appointment of a successor Administrator pursuant to this Article X, will become effective until the successor Administrator has accepted its appointment under this Section 10.07(b).

(ii) The Administrator, or any Administrator or Administrators appointed as successors, may resign at any time by giving written notice of resignation to Freddie Mac, the Sponsor, the Remarketing Agent and each applicable Rating Agency, and by mailing notice of resignation to Registered Holders of the Certificates at their addresses appearing on the Certificate Register. Upon receiving notice of resignation, Freddie Mac will promptly appoint a successor Administrator or Administrators by delivering a Depositor Order to both the resigning Administrator and the successor administrator. If no successor administrator has been appointed and has accepted its appointment within 30 days after the giving of such resignation notice, the resigning Administrator may petition any court of competent jurisdiction for the appointment of a successor Administrator, or any Holder of a Certificate may, subject to Section 10.07(b)(vii), petition any such court for the appointment of a successor Administrator. Such court may, after receiving such notice, if any, as it may deem proper, appoint a successor administrator.

(iii) If at any time:

(A) the Administrator ceases to be eligible under Section 10.06 and fails to resign after written request by Freddie Mac; or

(B)(1) the Administrator becomes incapable of acting or (2) there is entered a decree or order for relief by a court having jurisdiction in an involuntary case against the Administrator under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency, or other similar law, or appointing a receiver, or similar official of the Administrator, for any substantial part of its property, or ordering the winding-up or liquidation of its affairs, and any such decree or order continues unstayed and in effect for a period of 15 consecutive days, or (3) the Administrator commences a voluntary case under the Bankruptcy Code, or any other applicable federal or state bankruptcy, insolvency, or other similar law, or consents to the appointment of a receiver or other similar official of the Administrator, of any substantial part of its property, or the making by it of any assignment for the benefit of its creditors, or the Administrator fails generally to pay its debts as such debts become due or takes any corporate action in furtherance of any of the above,

then, in any such case, Freddie Mac, will remove the Administrator.

(iv) At any time Freddie Mac may, upon five days' written notice to the Administrator, and with or without cause, remove the Administrator and appoint a successor Administrator.

(v) If the Administrator is removed or if a vacancy occurs in the office of the Administrator for any cause, Freddie Mac will promptly appoint in writing a successor Administrator. If no successor administrator is so appointed and accepts its appointment as provided below within 30 days any Holder may petition any court of competent jurisdiction to appoint a successor administrator. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor administrator.

(vi) Freddie Mac will give notice of each removal of the Administrator, and each appointment of, and the acceptance of its duties by, a successor administrator by mailing notice of such event to the Registered Holders, and by Electronic Notice to the Remarketing Agent, the Sponsor and each applicable Rating Agency.

(vii) Every successor Administrator appointed under the Series Certificate Agreement will, within 10 days of its appointment, execute, acknowledge and deliver to Freddie Mac, the Sponsor and its predecessor Administrator an instrument accepting such appointment, and thereupon the resignation or removal of the predecessor Administrator will become effective, and such successor administrator, without any further act, deed, or conveyance, will become vested with all the rights, powers, duties and obligations of its predecessor under the Series Certificate Agreement. All relevant legal documents and records held by the predecessor Administrator in such circumstance will be transferred to the successor Administrator.

(viii) No successor Administrator will accept its appointment unless, at the time of such acceptance, such successor administrator is qualified and eligible under Section 10.06 and satisfies the requirements for a "trustee" under Section 26(a)(1) of the Investment Company Act.

Section 10.08 Preservation of Information; Communications to Holder. (a) Holders may communicate with other Holders with respect to their rights under the Series Certificate Agreement. If any Holder writes to the Administrator and states that it desires to communicate with other Holders with respect to its rights under the Series Certificate Agreement, and encloses with such writing a copy of the form of proxy or other communication which it proposes to transmit to the other Holders, the Administrator will, within five Business Days after the receipt of such writing, at its election either:

(i) afford such Holder access to the information regarding the names and addresses of all other Holders provided by the Remarketing Agent pursuant to Section 14.03, or

(ii) inform the requesting Holder(s) of the approximate number of Holders whose names and addresses appear in the information provided by the Remarketing Agent pursuant to Section 14.03, and as to the approximate cost of mailing to such Holders the form of proxy or other communication, if any, specified in such written request.

If the Administrator does not allow the requesting Holder(s) access to the information described in subsection (i) above, the Administrator will, upon the written request of such Holder(s), mail to each current Holder a copy of the form of proxy or other communication that is specified in such request, with reasonable promptness, upon the Administrator's receipt of the material to be mailed and payment of the reasonable mailing expenses. The Holder(s) requesting such mailing will be solely responsible for complying with any state and Federal securities laws and regulations regarding any communication pursuant to this Section, and the Administrator will have no responsibility in that regard. At the request of Freddie Mac, a requesting Holder may be required to provide an Opinion of Counsel that all securities laws have been complied with in connection with any such mailing.

(b) Every Holder, by receiving and holding any such information as to the names and addresses of the Holders in accordance with Section 10.08(a), or by directing the Administrator to mail certain information pursuant to Section 10.08(b), agrees with Freddie Mac and the Administrator to hold such information confidential, and agrees that none of Freddie Mac, the Remarketing Agent or the Administrator will be held accountable by reason of the disclosure of such information regardless of the source from which such information was derived.

Section 10.09 Bondholder Representative. Freddie Mac in its role as provider of the Credit Enhancement and the Liquidity Facility will be appointed as the Bondholder Representative for all Bonds. If any action, consent or direction relating to a change in the terms of the Bonds or the related Bond Documents is required from the owners of the Bonds as

provided in the related Bond Documents, the Administrator will solicit from the Bondholder Representative (or the Bondholder Representative's appointee) its proxy for such vote, consent or direction in favor of and returnable to the Administrator, which will vote, consent or otherwise take direction solely in accordance with the written direction of the Bondholder Representative (or its appointee); provided upon the occurrence and during the continuance of any failure by Freddie Mac to pay under its Credit Enhancement or Liquidity Facility in accordance with the terms hereof, the Administrator will solicit from each Holder of the Certificates instead of the Bondholder Representative its proxy for any such vote, consent or direction in favor of and returnable to the Administrator, which will vote, consent or otherwise take direction solely in accordance with such proxies, weighted by the Current Certificate Balance of each Holder providing the same. The Administrator shall have no liability for any failure to act resulting from the late return of, or failure to return, any such proxy sent by the Administrator to a Holder.

ARTICLE XI PROFITS AND LOSSES

Section 11.01 Tax Information. The Administrator, upon request, will furnish Freddie Mac and the Holders of Certificates with all such information known to the Administrator as may be reasonably required by Freddie Mac and the Holders of Certificates in connection with the preparation of tax returns and other information relating to the Series Certificate Agreement.

Section 11.02 Capital Accounts. (a) There will be established for each Holder a capital account (the "*Capital Account*") on the books for the Series Pool to be maintained and adjusted pursuant to the Series Agreement, which will control (pursuant to the provisions of Article XIII) the division of Series Pool Assets upon the termination of the Series Pool and liquidation and/or distribution of the Series Pool Assets or the redemption of any Certificate. Such Capital Account will be increased by (i) the amount of all Capital Contributions made or deemed made by such Holder to the Series Pool pursuant to the Series Certificate Agreement, and (ii) the allocable share of Profits, Market Discount Gains and Capital Gains of such Holder and all items in the nature of income or gain specially allocated to such Holder pursuant to Sections 11.03 and 11.05; and will be decreased by (i) the amount of any cash and the Fair Market Value of any non-cash assets distributed to such Holder by the Series Pool pursuant to the Series Certificate Agreement, and (ii) the allocable share of Losses and Capital Losses of such Holder and all items in the nature of Series Pool expenses or losses which are specially allocated to such Holder pursuant to Sections 11.04 and 11.05. Freddie Mac will be responsible for the establishment and maintenance of the Capital Accounts in accordance with this Section 11.02 and, to facilitate such establishment and maintenance, will monitor the Current Certificate Balances of Holders of Class A Certificates and Class B Certificates.

(b) Immediately before a distribution to any Holder in redemption of all or any portion of its Certificates (including the liquidation of the Series Pool as a result of a Series Termination Event), the Capital Account of such Holder will be increased or decreased, as the case may be with its allocable portion of any Profit, Losses, Market Discount Gain, Capital Gain or Capital Loss, or other items of income, gain, loss or deduction that would result if the Series Pool Assets were sold at such time at their Fair Market Values. In the case of any distribution of Bonds to any Holder, the Capital Account of such Holder will be adjusted in the manner described in the preceding sentence.

(c) A transferee of an interest in the Series Pool will succeed to the Capital Account of the transferor to the extent it relates to the interest transferred.

(d) The foregoing provisions and the other provisions of the Series Certificate Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Regulations, and will be interpreted and applied in a manner consistent therewith. In the event that Freddie Mac determines that it is necessary to modify the manner in which the Capital Accounts, or any debits or credits thereto are computed in order to comply with such Regulations, Freddie Mac will make such modification, provided that such modification is not likely to have a material effect on the amounts distributable to any Holders pursuant to Articles IV, VII or XIII upon the withdrawal of the Holders or the dissolution of the Series Pool.

Section 11.03 Allocations of Profits, Market Discount Gains and Capital Gains (a) Profits for each Fiscal Year or other relevant period will be allocated (i) first, to the Holders of Class A Certificates in proportion to their Current Class A Certificate Balances until each Holder of a Class A Certificate has been allocated, on a cumulative basis, an amount equal to the cumulative amount of its Required Class A Certificate Interest Distribution Amount for such period; (ii) second, to the Holders of Class B Certificates, in proportion to their Current Class B Certificate Balances, the Class A Certificate Notional Accelerated Principal Paydown Amount, and (iii) third, the remainder to the Holders of the Class B Certificates in proportion to their Current Class B Certificate Balances. The Capital Accounts relating to the Class B Certificates will be adjusted for any bond premium required to be amortized pursuant to Section 171 of the Code and any other capitalized items subject to amortization.

(b) Market Discount Gains realized under applicable federal income tax provisions from a Disposition of any Bond will be allocated solely to the Holders of Class B Certificates in proportion to their current Class B Certificate Balances.

(c) Capital Gains recognized other than in connection with an Exchange Date will be allocated in accordance with the Gain Share.

(d) With respect to an Exchange Date, Capital Gains will be allocated: (i) to the extent that any Losses or Capital Losses have been allocated to the Holders of Class B Certificates pursuant to Section 11.04(a), first, to the Holders of Class B Certificates, pro rata, until the sum of all amounts of Losses or Capital Losses allocated to them under Section 11.04(a) for the current and all preceding periods equals the sum of all Capital Gains allocated to them pursuant to this subsection or Section 11.03(c) for the current and all preceding periods, and (ii) thereafter according to the Gain Share.

(e) In the event of a partial redemption of the Bonds, the Gain Share is only determined with respect to Holders that are redeemed as a result thereof.

Section 11.04 Allocations of Losses and Capital Losses. (a) Other than in connection with the occurrence of an Exchange Date, Losses and Capital Losses that result from a liquidation of the related Bonds as a result of a mandatory purchase, failure to remarket tendered Class A Certificates or redemption of any related Bonds will be allocated to the Holders of the Class B Certificates, pro rata, to the extent of their Capital Account Balances.

(b)(1) In connection with the occurrence of a Tender Option Termination Event and immediately prior to the distribution of the Bonds, Affected Bonds or sales proceeds, as applicable, to the Holders, both Losses and Capital Losses will be allocated: (i) first, to the Holders of the Affected Class A Certificates and Affected Class B Certificates on a pro rata basis in proportion to the Aggregate Outstanding Certificate Balances until their Capital Account Balances have been reduced to zero; and (ii) thereafter, to the Sponsor.

(2) In connection with the occurrence of an Exchange Date described in Section 6.06(c)(iii), and immediately prior to the distribution of Bonds or sales proceeds, as applicable, to the Holders, both Losses and Capital Losses will be allocated (i) first, to the Holders of Class B Certificates and Class A Certificates on a pro rata basis in proportion to the Aggregate Outstanding Certificate Balances until their Capital Account Balances have been reduced to zero; and (ii) thereafter, to the Sponsor.

(c) Notwithstanding anything to the contrary contained in this Article XI, any “partner nonrecourse deductions” within the meaning of Section 1.704-2(i)(2) of the Regulations will be allocated to the partner bearing the economic risk of loss for the related debt, in the manner required by Section 1.704-2(i)(1) of the Regulations.

(d) Any Loss (or item thereof) not otherwise allocated pursuant to this Article XI will be allocated to the Sponsor.

Section 11.05 Special Allocations. (a) Notwithstanding anything to the contrary contained in this Article XI, no allocation of a loss or deduction will be made to a Holder to the extent such allocation would cause or increase an Adjusted Capital Account Deficit with respect to such Holder. In the event that any Holder unexpectedly receives adjustments, allocations or distributions described in Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, items of income and gain will be specially allocated to each such Holder in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of such Holder as quickly as possible. In no event, however, will any item or items of Series Pool income that represent Market Discount be allocated to any Holder of a Class A Certificate. This Section 11.05(a) is intended to constitute a “qualified income offset” within the meaning of Section 1.704-1(b)(2)(ii)(d)(3) of the Regulations and will be interpreted consistently therewith.

(b)(i) Notwithstanding anything to the contrary contained in this Article XI, if there is a net decrease in “partnership minimum gain” within the meaning of Section 1.704-2(d)(1) of the Regulations during any Fiscal Year, each Holder who has a share of the partnership minimum gain will be specially allocated items of Series Pool income and gain in an amount equal to such Holder’s share of the net decrease in partnership minimum gain, subject to any modifications deemed appropriate by Freddie Mac to comply with the minimum gain chargeback requirement of Section 1.704-2(f) of the Regulations. This subsection is intended to comply with the “*partnership minimum gain chargeback*” requirement of Section 1.704-2(f) of the Regulations and will be interpreted consistently therewith.

(ii) Notwithstanding anything to the contrary contained in this Article XI, except as otherwise provided in Section 1.704-2(i)(4) of the Regulations, if there is a net decrease in “partner nonrecourse debt minimum gain” within the meaning of Section 1.704-2(i)(3) of the Regulations, attributable to “partner nonrecourse debt” within the meaning of Section 1.704-2(b)(4) of the Regulations during any Fiscal Year, each Holder who has a share of the partner nonrecourse debt minimum gain attributable to such partner nonrecourse debt, determined in accordance with Section 1.704-2(i)(5) of the Regulations, will be specially allocated items of Series Pool income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Holder’s share of the net decrease in partner nonrecourse debt minimum gain attributable to such partner nonrecourse debt, determined in accordance with Section 1.704-2(i)(4) of the Regulations. Allocations pursuant to the previous sentence will be made in proportion to the respective amounts required to be allocated to each Holder pursuant thereto. The items to be so allocated will be determined in accordance with Sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Regulations. This subsection is intended to comply with the “*partner minimum gain chargeback*” requirement of Section 1.704-2(i)(4) of the Regulations and will be interpreted consistently therewith.

(c) To the extent an adjustment to the adjusted tax basis of any Series Pool Assets pursuant to Section 734(b) of the Code or Section 743(b) of the Code is required, pursuant to Section 1.704-1(b)(2)(iv)(m) of the Regulations, to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts of each of the Holders will be treated as an item of gain (if the adjustment increases the basis of the Series Pool Asset) or loss (if the adjustment decreases such basis) in respect of the relevant Series Pool Assets and such gain or loss will be specially allocated to the Holders in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Regulations.

(d) The allocations set forth in Sections 11.05(a), (b) and (c) (collectively, the “*Regulatory Allocations*”) are intended to comply with certain requirements of Section 1.704-1(b) of the Regulations. By its purchase of a Class A Certificate or Class B Certificates, each Holder acknowledges that the Regulatory Allocations may not be consistent with the manner in which the Holders intend to divide Series Pool distributions. Accordingly, the Holders agree that the Regulatory Allocations will be offset with subsequent allocations of income, gain, loss, or deduction pursuant to this Section 11.05(d) (collectively, the “*Offsetting Allocations*”), so that the net amount of any Regulatory Allocations and Offsetting Allocations pursuant to this Article XI will, to the greatest extent possible, be equal to the net amount that would have been allocated to each Holder pursuant to the provisions of this Article XI if the Regulatory Allocations had not occurred.

(e) If the Partnership Factors apply, notwithstanding any other provision of the Series Certificate Agreement, during each Fiscal Year the Sponsor will be allocated a percentage of Profits, Capital Gains, Market Discount Gain, Losses and Capital Losses, and of each other item of income, gain, loss, deduction or credit not less than the Minimum Sponsor Percentage.

(f) If the Sponsor has a deficit balance in its Capital Account following a Series Termination Event and the liquidation of its Certificate (after giving effect to all contributions, distributions, allocations and other Capital Account adjustments for all Fiscal Years, including the Fiscal Year during which such liquidation occurs), the Sponsor will be treated, as obligated to restore the amount of such deficit balance to the Series Pool by the end of such Fiscal Year or, if later, within 90 days after the date of such liquidation, but only to the extent of the Sponsor’s legal obligations, if any, to Freddie Mac and other creditors of the Series Pool.

Section 11.06 Tax Allocations; Code Section 704(c). (a) For federal income tax purposes, except as provided in this Section 11.06, each item of income, gain, loss, deduction and credit of the Series Pool will be allocated consistent with the allocations described in Sections 11.03 through 11.05.

(b) If there is a difference between the adjusted tax basis of any Series Pool Asset and its fair market value when such asset was contributed to the Series Pool, allocations of gain or loss and amortization of bond premium with respect to such asset, as computed for tax purposes, will be made among the Holders in a manner which takes such difference into account in accordance with Section 704(c) of the Code and Section 1.704-1(b)(4)(i) of the Regulations.

(c) All liabilities of the Series Pool (both recourse and nonrecourse) (including any reimbursement obligations under the Reimbursement Agreement) will be allocated to the Sponsor. Excess nonrecourse liabilities, if any, will be allocated to the Sponsor.

(d) Any elections or other decisions relating to such allocations will be made by Freddie Mac in any manner that reasonably reflects the purpose and intention of the Series Certificate Agreement. Allocations pursuant to this Section are solely for purposes of federal, state and local taxes and will not affect, or in any way be taken into account in computing, any Holder's Capital Account or share of Profits, Capital Gains, Losses, Capital Losses, other items or distributions pursuant to any provision of the Series Certificate Agreement.

Section 11.07 Allocation Among Holders. Except as otherwise provided, all amounts allocated to transferring Holders will be allocated among them in accordance with the interests held by each such Holder from time to time. Subject to applicable Regulations, all items of income, gain, expense or loss that are allocated pursuant to this Article XI for a Fiscal Year allocable to any Certificates will be allocated between the transferor and the transferee based on an interim closing of the Series Pool's books.

Section 11.08 Tax Matters; Tax Election. It is the intention of the parties that the Series Pool will be classified as a partnership for all federal, state and local tax purposes. Each Holder and transferee of Certificates acknowledges that it will treat the Series Pool as a partnership for federal, State and local income tax purposes and that it intends and expects to be treated as a partner for such purposes. No Person is authorized to elect under Section 301.7701-3(c) of the Regulations or any applicable State or local law to have the Series Pool classified as a corporation for federal or any applicable State or local income tax purposes. Freddie Mac will have the discretion to make, or if necessary, to instruct the Administrator to take the necessary steps to make, a Monthly Closing Election on behalf of the Series Pool, in which case the Sponsor and each Holder of Certificates (by their purchase of Certificates) will be deemed to have consented to the Monthly Closing Election. The Series Pool, the Sponsor and each Holder of Certificates (by their purchase of Certificates) agrees to comply with any special tax reporting requirements applicable to the Monthly Closing Election. Additionally, Freddie Mac may at its discretion and to the extent permitted by applicable law, file a Section 761 Election to exclude the Series Pool from the application of all of the provisions of Subchapter K of Chapter 1 of the Code. Each Holder, by virtue of acquiring a Certificate in a Series of Certificates, consents,

pursuant to Section 761 of the Code, to the Section 761 Election. The Sponsor will be liable for any penalties and interest on penalties imposed on the Series Pool relating to the Section 761 Election. The parties hereto agree that Freddie Mac will not act as or be deemed to be a partner for federal, state or local tax purposes by virtue of its execution and delivery of the Liquidity Facility. Freddie Mac agrees to timely file the necessary or appropriate elections and all tax returns and tax reports consistent with and based upon this Section 11.08 and neither Freddie Mac nor any Holder will take any position on any tax return or report or in any proceeding or audit which is inconsistent with this Section 11.08.

Section 11.09 Accounting Method. The Series Pool will compute its income on the accrual method of accounting.

Section 11.10 Tax Matters Partner. (a) If Freddie Mac is one of the Holders of Class B Certificates or if permitted by applicable law, Freddie Mac will file any required federal, state or local tax returns for the Series Pool, and will act as the "Tax Matters Partner" for the Series Pool in the manner specified in the Regulations. In any other case, the Holder of the Class B Certificates having the largest Current Class B Certificate Balance is designated as the partner responsible for filing such tax returns and as Tax Matters Partner for the Series Pool. Such Holder, however, by its acceptance of its Class B Certificate, agrees to designate Freddie Mac as its agent and attorney-in-fact in the performance of all the duties required of, or permitted to be taken by, the partner responsible for filing such tax returns and the Tax Matters Partner for the Series Pool and, if requested by Freddie Mac, to execute a power of attorney to this effect. Freddie Mac agrees to prepare such tax returns and, if permitted by applicable law, to sign and file such tax returns on behalf of the Series Pool. To the extent required by law, Freddie Mac will provide Holders with copies of any such tax returns. Freddie Mac will represent the Series Pool to the extent permitted by law in connection with any inquiry, examination or audit of the Series Pool affairs by tax authorities.

(b) Each Registered Holder and Holder by acceptance of its Certificate agrees (i) to hold the Tax Matters Partner and Freddie Mac (and any officer, director, agent, employee, member, stockholder, or Affiliate of Freddie Mac) harmless from, and (ii) in connection with any action taken at the request of such Registered Holder or Holder, to indemnify the Tax Matters Partner and Freddie Mac (and any officer, director, agent, employee, member, stockholder, or Affiliate of Freddie Mac) against, any actual out-of-pocket loss, liability, expense, damages or injury suffered, sustained or incurred to the extent that they are a direct result of any acts, omissions, or alleged acts or omissions arising out of the activities or actions of the Tax Matters Partner and Freddie Mac in connection with the performance of its duties as Tax Matters Partner or as agent or attorney-in-fact for the Tax Matters Partner, including but not limited to any penalties or interest thereon assessed under the Code or other applicable tax laws, judgments, fines, amounts paid in settlement, reasonable attorneys' fees and expenses and other costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim, unless such acts, omissions or alleged acts or omissions constitute fraud, gross negligence, or willful misconduct by Freddie Mac and the Tax Matters Partner, respectively.

Section 11.11 Compliance with Code Requirements. The Administrator will comply with all requirements of the Code and other applicable tax laws with respect to the withholding from any payments made by it on any Certificates of any applicable back-up withholding taxes or other withholding taxes imposed thereon and with respect to any applicable information

reporting requirements (e.g., Form 1099-B) in connection therewith; provided however, that with respect to any applicable withholding and reporting requirements relating to original issue discount or market discount, Freddie Mac will provide the Administrator with any calculations pertaining thereto.

ARTICLE XII AMENDMENTS

Section 12.01 Amendments. (a) Except as provided in Section 12.01(b), without the consent of the Holders of any Class A Certificates, the Standard Terms and the Series Certificate Agreement may be amended if the conditions provided in Section 12.01(c) have been satisfied. When Freddie Mac gives the Administrator a Depositor Order, the Administrator will enter into any amendment permitted by the Series Certificate Agreement if the Administrator determines the amendment is in acceptable form.

(b) The Standard Terms may be amended in order to amend any of the provisions relating to (i) distributions and payments from the Distribution Account and Bond Payment Subaccounts, (ii) the determination of the Reset Rate and changes in the Reset Rate, (iii) the Tender Option or Tender Option Termination Events or (iv) this Section 12.01(b), if the conditions provided in Section 12.01(c) have been satisfied, *provided, that* (x) such amendments will be subject to the consent of the Holders of Class A Certificates, which consent will be evidenced by executing a Retention Notice, and (y) Holders of Class A Certificates that do not consent to such amendments by executing a Retention Notice will have their Certificates subject to Mandatory Tender.

The Administrator is authorized and agrees to join in the execution of any such amendment and to make any further appropriate agreements and stipulations that may be contained in such amendment when Freddie Mac requests such execution if the conditions to such amendment have been satisfied.

(c) No amendment to the Standard Terms or the Series Certificate Agreement will be effective without the written consent of the Sponsor and until all of the following conditions have been satisfied:

(i) Freddie Mac and the Administrator have received an Opinion of Tax Counsel satisfactory to each of them to the effect that such amendment does not adversely affect any of the prior opinions relating to federal income taxation pertaining to the Certificates;

(ii) The Required Class B Certificate Consent has been delivered to the Administrator;

(iii) The Administrator will provide notice of any proposed amendment to the Registered Holders at least 20 days prior to the effective date of such amendment. In the case of an amendment that is not a Section 12.01(b) amendment, if the Reset Rate is a Monthly Reset Rate, and the next Purchase Date or Mandatory Tender Date will occur either (i) after the proposed effective date of such amendment, or (ii) before the date which is 10 Business Days after the Registered Holders receive notice of such

amendment, then Holders of Class A Certificates will be permitted to treat the Business Day preceding the proposed effective date of such amendment as a Purchase Date for purposes of exercising their Optional Tender. In the case of a Section 12.01(b) amendment, Holders of Class A Certificates who elect to retain their Class A Certificates, in accordance with Section 6.07 of the Standard Terms, will be deemed to have consented to the related amendment; and

(iv) Each applicable Rating Agency has confirmed its rating on the Class A Certificates.

The Administrator will promptly provide notice to the Sponsor, the Remarketing Agent and each applicable Rating Agency of any amendments to the Standard Terms or the Series Certificate Agreement.

Section 12.02 Execution of Amendments. In executing any amendment permitted by this Article XII, the Administrator will be entitled to receive, and (subject to Sections 10.01 and 10.03) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by the Series Certificate Agreement. The Administrator may, but will not be obligated to, enter into any such amendment that affects the Administrator's own rights, duties, liabilities or immunities under the Series Certificate Agreement or otherwise.

Section 12.03 Effect of Amendment. Upon the execution of any amendment pursuant to the provisions of this Article XII, the Series Certificate Agreement will be deemed modified and amended with respect to all Certificates, and the respective rights, limitations of rights, obligations and immunities under the Series Certificate Agreement of the Administrator, Freddie Mac, the Holders of Certificates and any other affected secured parties under the Series Certificate Agreement will thereafter be determined, exercised and enforced under the Series Certificate Agreement subject in all respects to such amendment, and all the terms and conditions of any such amendment will be deemed part of the terms and conditions of the Series Certificate Agreement for all purposes.

Section 12.04 Reference in Certificates to Amendments. Certificates authenticated and delivered after the execution of any amendment pursuant to this Article XII may, and if required by the Administrator will, bear a notation in form approved by the Administrator as to any matter provided for in such amendment. New Certificates that are modified to conform to such amendment may be prepared and executed by Freddie Mac and authenticated and delivered by the Administrator in exchange for Outstanding Certificates.

ARTICLE XIII TERMINATION

Section 13.01 Termination. (a) The respective obligations of Freddie Mac, the Administrator, the Remarketing Agent and the Sponsor created under the Series Certificate Agreement will terminate (other than the obligation of the Administrator to enforce any remaining obligations of Freddie Mac under Section 4.11 and to make payment to the Holders, and except with respect to the duties and obligations set forth in Sections 3.04(a), 3.05, 3.09, 4.02(d), 11.08, 11.10, 11.11, 13.02(b) and 14.09, which will survive any termination of the Series Certificate Agreement) upon the earliest of the following events (each of which is a "Series Termination Event"):

(i) the Series Expiration Date;

(ii) the Exchange Date on which all Certificates are exchanged for either Bonds or sales proceeds in connection with a Tender Option Termination Event or a Liquidity Failure;

(iii) the Mandatory Tender Date arising in connection with a Liquidity Provider Termination Event, a Clean-Up Event, or, if applicable, following a Sponsor Act of Bankruptcy (collectively, a “*Terminating Mandatory Tender Date*”); or

(iv) the date on which the Optional Disposition Right has been exercised with respect to the last Class A Certificate (unless such Class A Certificate has been remarketed).

Any termination of the Series Certificate Agreement on the Series Expiration Date will be effected as provided in Section 13.02. Any termination of the Series Certificate Agreement on the Exchange Date following the occurrence of a Tender Option Termination Event will be effected as provided in Sections 7.01 and 13.04. Any termination of the Series Certificate Agreement on the Exchange Date following the occurrence of a Liquidity Failure will be effected as described in as provided in Sections 6.06(c)(iii), 13.01(b) and 13.04. Any termination of the Series Certificate Agreement upon the occurrence of a Terminating Mandatory Tender Date will be effected as provided in Sections 13.01(b) and 13.03. Any termination of the Series Certificate Agreement on the date on which the Optional Disposition Right has been exercised with respect to the last Class A Certificate described above will be effected as provided in Sections 7.05 and 13.01(b). The Administrator will promptly provide notice to Freddie Mac, the Sponsor, the Remarketing Agent and each applicable Rating Agency of any Series Termination Event.

(b) On the Exchange Date, the applicable Terminating Mandatory Tender Date, or the applicable Optional Disposition Date described in Section 13.01(a)(iv), (i) the amounts, if any, on deposit in the Bond Payment Subaccount—Interest, or Bond Payment Subaccount—Principal, to the extent not previously distributed, will be distributed to the Holders based on their respective Current Certificate Balances and in accordance with their positive Capital Account Balances, and (ii) the amount in the Bond Payment Subaccount – Holdback, will be distributed to the Holders of Class B Certificates.

(c) So long as the Sponsor maintains the Minimum Sponsor Interest and a Series Termination Event has not occurred, the Series Pool will continue in full force and effect. The Series Pool will not terminate prior to the occurrence of a Series Termination Event.

Section 13.02 Final Distribution on the Series Expiration Date. (a) The Administrator will give written notice to the Holders of the pending termination of the obligations and responsibilities of Freddie Mac, the Administrator, the Remarketing Agent and the Sponsor under the Series Certificate Agreement when the Series Expiration Date occurs.

Such written notice will specify (i) the date on which the Administrator expects the final payment or distribution of principal will be made, but only upon presentation and surrender of such Certificates for cancellation at the principal office of the Administrator specified in such notice, (ii) the expected amount of such final payment or distribution, and (iii) that the Regular Record Date otherwise applicable with respect to such payment or distribution is not applicable, and that such payment or distribution will be made only to the Holders presenting and surrendering such Certificates at the principal office of the Administrator specified in such notice.

Even though a Certificate is surrendered when the final distribution of principal with respect to that Certificate is made, if interest or redemption premium with respect to such Certificate will be distributable pursuant to the Series Certificate Agreement on a date after such final distribution of principal, the Administrator will make such distribution from amounts deposited with respect to such interest or redemption premium in the related Distribution Account in accordance with the Series Certificate Agreement.

(b) Even after the Series Certificate Agreement terminates on the Series Expiration Date, any funds not distributed to any Holder of Certificates on the Redemption Date established for the final distribution on such Certificates because of the failure of such Holder to tender its Certificates will, on such Redemption Date, be set aside and credited to the account of the applicable non-tendering Holder. If any Certificates as to which notice of the pendency of the final distribution has been given as described in the second preceding paragraph have not been surrendered for cancellation within six months after the time specified in such notice, the Administrator will mail a second notice to the remaining non-tendering Holders to surrender their Certificates for cancellation in order to receive the final distribution with respect to their Certificates. If within one year after the second notice all Certificates have not been surrendered for cancellation, the Administrator will, directly or through an agent, make a reasonable effort to contact the remaining non-tendering Holders concerning surrender of their Certificates. The costs and expenses of maintaining the funds and of contacting such Holders will be paid out of the assets remaining in such funds prior to any distribution to such Holders. If within two years after the second notice any Certificates have not been surrendered for cancellation, the Administrator will thereafter hold such amounts for the benefit of such Holders, subject to any applicable escheat statutes. Any amounts held as described above will not be invested. No interest will accrue or be payable to any Holder on any amount held as a result of the Holder's failure to surrender its Certificates for final payment in accordance with this paragraph.

If the Aggregate Outstanding Class B Certificate Balance has not been reduced to zero after the final distributions pursuant to the provisions of Article IV and this Section 13.02 have been effected, all Class B Certificates will nonetheless be surrendered at the principal office of the Administrator. On the Series Expiration Date or as soon as practicable thereafter, the Bonds will be sold to the extent necessary to pay any accrued and unpaid expenses of the Series Pool (including, but not limited to, any unpaid Administrator Fee, Administrator Advances, Daily Administrator Advance Charges, Freddie Mac Fee, Servicing Fee and Remarketing Agent Fee). The remaining Bonds will be distributed to the Pledge Custodian to be held pursuant to the Reimbursement Agreement.

Section 13.03 Terminating Mandatory Tender Date. (a) The Administrator will give written notice to the Registered Holders of the pending termination of the obligations and responsibilities of Freddie Mac, the Sponsor, the Remarketing Agent and the Administrator under the Series Certificate Agreement on a Terminating Mandatory Tender Date together with the notice of Mandatory Tender provided in Article VI.

(b) By the close of business on the related Terminating Mandatory Tender Date, the Administrator will liquidate the Series Pool in accordance with the following provisions. On the second Business Day immediately preceding the Terminating Mandatory Tender Date, the Administrator will solicit three bids to purchase the Bonds from Persons other than the Specified Parties and which customarily provide such bids, including but not limited to investment dealers and brokers that customarily deal in municipal bonds, determined for the Business Day immediately preceding the Terminating Mandatory Tender Date.

(c) On the Terminating Mandatory Tender Date, the Administrator will sell the Bonds to the extent necessary to pay (i) any accrued and unpaid expenses of the Series Pool (including, but not limited to, Administrator Fee, Freddie Mac Fee, Administrator Advances, Daily Administrator Advance Charges, Servicing Fee and Remarketing Agent Fee) and (ii) Hypothetical Gain Share, if any, as calculated by the Administrator, to the extent unpaid by any Holder or Holders of Class B Certificates at their election after inquiry by the Administrator. The remaining Bonds will be distributed to the Pledge Custodian to be held pursuant to the Reimbursement Agreement.

(d) The Administrator will calculate and pay Hypothetical Gain Share, if any, in addition to the Purchase Price on the Terminating Mandatory Tender Date to the Holders of Class A Certificates tendered on the Terminating Mandatory Tender Date from (i) first, amounts provided by the Holders of Class B Certificates to the Administrator on such Terminating Mandatory Tender Date at their election after inquiry by the Administrator and (ii) second, from sales proceeds as described in Section 13.03(c).

(e) When the distributions required pursuant to Section 13.03 have been completed, all Class A Certificates and Class B Certificates will be canceled.

Section 13.04 Exchange Date. (a) The Administrator will provide written notice of the pending termination of the responsibilities of Freddie Mac, the Sponsor, the Remarketing Agent and the Administrator under the Series Certificate Agreement arising from an Exchange Date. The termination of the Series Pool will be governed by the applicable provisions in the following paragraphs.

(b) Liquidity Failure or Tender Option Termination Event Relating to Rating Downgrade. If the Exchange Date arises from a Liquidity Failure or a Tender Option Termination Event described in Section 7.01(a)(iii) hereof, the following provisions will govern.

(i) On the Business Day immediately preceding such Exchange Date, the Administrator will solicit at least three commitments to purchase the Bonds from Persons, other than Specified Parties, which customarily provide such bids, including but not limited to investment dealers and brokers that customarily deal in municipal bonds. In the case of either a Liquidity Failure or a Tender Option Termination Event described in Section 7.01(a)(iii) hereof, if the Bonds can be sold for a price that is at least equal to the sum of the amounts specified in clauses (A) through (C) of the next subparagraph (the "Total Termination Required Exchange Price"), the Series Pool will be liquidated in accordance with the provisions of Section 13.04(b)(ii). In the case of either a Liquidity Failure or a Tender Option Termination Event described in Section 7.01(a)(iii) hereof, if the Bonds cannot be sold for a price that is at least equal to the Total Termination Required Exchange Price, Freddie Mac will elect that the Bonds be subject to mandatory purchase from the Series Pool at the Release Purchase Price and declare a Release Event for such purpose, and the Administrator will distribute the proceeds from such funding of such Release Event in the order provided in Section 13.04(b)(ii). If there is any failure in the funding of such Release Event which failure continues for a period of three (3) Business Days, the Series Pool will be liquidated in accordance with the provisions of Section 13.04(b)(iii).

(ii) If the Bonds can be sold for a price that is at least equal to the Total Termination Required Exchange Price, the Administrator will sell the Bonds on the Exchange Date to the party that has committed, by the close of the Administrator's business on the Business Day preceding the Exchange Date, to purchase the Bonds at the Commitment Price; however, if any Specified Party commits to purchase the Bonds at a price that is at least the Commitment Price, the Bonds will be sold to such Specified Party, with priority given, first, to Holders of Class B Certificates, and second, to Freddie Mac. Immediately upon the disposition of the Bonds in accordance with this subparagraph, the Administrator will distribute the liquidation proceeds from the sale of Bonds: (A) first, to pay any accrued and unpaid expenses of the Series Pool (including, but not limited to any Administrator Fee, Freddie Mac Fee, Administrator Advance, Daily Administrator Advance Charges, Servicing Fee and Remarketing Agent Fee); (B) second, to pay the Holders of Class A Certificates an amount equal to their Current Certificate Balances plus the accrued but unpaid Required Class A Certificate Interest Distribution Amount thereon; (C) third, to pay to the Holders of Class B Certificates an amount equal to their Current Certificate Balance; (D) fourth, to pay to Holders of Class A Certificates the amount of each such Holder's Capital Account Balance (after taking into account all allocations pursuant to Article XI of these Standard Terms and amounts previously distributed pursuant to clause (B)) as determined by Freddie Mac in accordance with Section 11.02 (generally, Gain Share as calculated pursuant to the Series Certificate Agreement); and (E) fifth, to pay to the Holders of Class B Certificates the amount of each such Holder's remaining Capital Account Balance (after taking into account all allocations pursuant to Article XI of these Standard Terms and previously distributed pursuant to clause (C)) as determined by Freddie Mac in accordance with Section 11.02 (including Gain Share and Market Discount Share).

(iii) In the case of either a Liquidity Failure or a Tender Option Termination Event described in Section 7.01(a)(iii) hereof, if the Bonds cannot be sold for a price that is at least equal to the Total Termination Required Exchange Price and the funding of a Release Event does not occur as provided in Section 13.04(b)(i) hereof, the Series Pool will be liquidated as follows on the Exchange Date:

(A) With respect to each Bond, the Administrator will sell a principal amount of such Bond equal to the portion of the Outstanding Bond Balance necessary to generate proceeds sufficient to pay any accrued and unpaid expenses of the Series Pool (including,

but not limited to any Administrator Fee, Freddie Mac Fee, Administrator Advances, Daily Administrator Advance Charges and Remarketing Agent Fee), determined by multiplying the sum of such expenses by the ratio of the Outstanding Bond Balance to the Aggregate Outstanding Bond Balance; and

(B) After completing the sale required pursuant to preceding clause (A), the Administrator will distribute each Bond, on a pari passu basis, to the Holders of Class A Certificates and the Holders of Class B Certificates as follows: (i) to the Holders of Class A Certificates, on a pro rata basis, the product of (A) the remaining Outstanding Bond Balance and (B) the ratio of their Current Certificate Balance to the Aggregate Outstanding Certificate Balance; and (ii) to the Holders of Class B Certificates, on a pro rata basis, the product of (A) the remaining Outstanding Bond Balance and (B) the ratio of their Current Certificate Balance to the Aggregate Outstanding Certificate Balance.

(iv) Upon the completion of the distributions required pursuant to the preceding two subparagraphs, all Class B Certificates and Class A Certificates will be canceled.

(c) Tender Option Termination Event Relating to Failure to Pay or Taxability. (i) If the Exchange Date arises from a Tender Option Termination Event as described in Section 7.01(a)(i) or (ii) hereof, the following provisions will govern. By the close of business on the Exchange Date, the Administrator will use its best efforts to sell the Affected Bonds. On the Business Day immediately preceding such Exchange Date, the Administrator will solicit at least three commitments to purchase the Affected Bonds from Persons, other than Specified Parties, which customarily provide such bids, including but not limited to investment dealers and brokers that customarily deal in municipal bonds. In the case of a Tender Option Termination Event under either Section 7.01(a)(i) or (ii), if the Affected Bonds can be sold for a price that is at least equal to the sum of the amounts specified in clauses (A) through (C) of the next subparagraph (the "Partial Termination Required Exchange Price"), the Series Pool will be liquidated in part in accordance with Section 13.04(c)(ii). In the case of a Tender Option Termination Event under Section 7.01(a)(i), if the Affected Bonds cannot be sold for a price that is at least equal to the Partial Termination Required Exchange Price, the Series Pool will be liquidated in part in accordance with the provisions of Section 13.04(c)(iii). In the case of a Tender Option Termination Event under Section 7.01(a)(ii), if the Affected Bonds cannot be sold for a price that is at least equal to the Partial Termination Required Exchange Price, Freddie Mac will elect that the Affected Bonds be subject to mandatory purchase from the Series Pool at the Release Purchase Price and declare a Release Event for such purpose, and the Administrator will distribute the proceeds from such funding of such Release Event in the order provided in Section 13.04(c)(ii). If there is any failure in the funding of such Release Event which failure continues for a period of three (3) Business Days, the Series Pool will be liquidated in part in accordance with the provisions of Section 13.04(c)(iii).

(ii) If the Affected Bonds can be sold for a price that is at least equal to the Partial Termination Required Exchange Price, the Administrator will sell Affected Bonds on the Exchange Date to the party that has committed, by the close of the Administrator's business on the Business Day preceding the Exchange Date, to purchase the Affected

Bonds at the Commitment Price; however, if any Specified Party commits to purchase the Affected Bonds at a price that is at least the Commitment Price, the Affected Bonds will be sold to such Specified Party, with priority given, first, to Holders of Class B Certificates and second, to Freddie Mac. Immediately upon the disposition of the Affected Bonds in accordance with this subparagraph, the Administrator will distribute the liquidation proceeds from the sale of Affected Bonds: (A) first, to pay any allocable accrued and unpaid expenses of the Series Pool (including, but not limited to any Administrator Fee, Freddie Mac Fee, Administrator Advances, Daily Administrator Advance Charges, Servicing Fee and Remarketing Agent Fee), determined by multiplying the sum of such expenses by the ratio of the principal balance of the Affected Bonds to the Aggregate Outstanding Bond Balance; (B) second, to pay the Holders of Class A Certificates an amount equal to the sum of (1) the product of the principal balance of the Affected Bonds and the ratio of their Current Certificate Balances to the Aggregate Outstanding Certificate Balance and (2) the accrued but unpaid Required Class A Certificate Interest Distribution Amount thereon; (C) third, to pay to the Holders of Class B Certificates an amount equal to the product of the principal balance of the Affected Bonds and the ratio of their Current Certificate Balances to the Aggregate Outstanding Certificate Balance; (D) fourth, to pay to Holders of Class A Certificates Gain Share determined by Freddie Mac in accordance with Section 11.02; and (E) fifth, to pay the balance to the Holders of Class B Certificates.

(iii) In the case of a Tender Option Termination Event under Section 7.01(a)(i) or Section 7.01(a)(ii) hereof, if the Affected Bonds cannot be sold for a price that is at least equal to the Partial Termination Required Exchange Price (and in the case of a Tender Option Termination Event under Section 7.01(a)(ii), the funding of a Release Event does not occur as provided in Section 13.04(c)(i) hereof), the Series Pool will be liquidated in part as follows on the Exchange Date:

(A) With respect to each Affected Bond, the Administrator will sell the portion of the outstanding balance necessary to generate proceeds sufficient to pay any allocable accrued and unpaid expenses of the Series Pool (including, but not limited to any Administrator Fee, Freddie Mac Fee, Administrator Advances, Daily Administrator Advance Charges, Servicing Fee and Remarketing Agent Fee), determined by multiplying the sum of such expenses by the ratio of the outstanding balance of such Bond to the Aggregate Outstanding Bond Balance; and

(B) After completing the sale required pursuant to preceding clause (A), the Administrator will distribute each Affected Bond, on a pari passu basis, to the Holders of Class A Certificates and the Holders of Class B Certificates as follows: (1) to the Holders of Class A Certificates on a pro rata basis, the product of (a) the remaining outstanding balance of such Affected Bond and (b) the ratio of their Current Certificate Balance to the Aggregate Outstanding Certificate Balance; and (2) to the Holders of Class B Certificates, on a pro rata basis, the product of (a) the remaining outstanding balance of such Affected Bond and (b) the ratio of their Current Certificate Balance to the Aggregate Outstanding Certificate Balance.

(iv) Upon the completion of the distributions required pursuant to this Section 13.04(c), (A) corresponding adjustments will be made to Capital Account Balances and Current Certificate Balances to reflect such distributions, (B) a corresponding adjustment will be made to the Liquidity Commitment, (C) the Affected Certificates will be deemed canceled and then Outstanding Certificates with Current Certificate Balances reflecting such adjustments will not be considered Affected Certificates for purposes of the Series Certificate Agreement, and (D) the related Tender Option Termination Event will no longer be considered to be continuing for purposes of the Series Certificate Agreement.

ARTICLE XIV MISCELLANEOUS

Section 14.01 Acts of Holders. (a) Any request or other action provided by the Series Certificate Agreement to be given or taken by Holders may be evidenced by one or more instruments of substantially similar tenor signed by such Holders or their agents; and, except as otherwise expressly provided in the Series Certificate Agreement, such action will become effective when such instrument or instruments are delivered to the Administrator and Freddie Mac. (Such an instrument is sometimes referred to in the Series Certificate Agreement as the “*action*” of the Holders signing such instrument). Proof of execution of any such instrument, or of the appointment of any such agent, will be sufficient for any purpose of the Series Certificate Agreement and (subject to Section 10.01) conclusive in favor of the Administrator and Freddie Mac, if made in the manner provided in this Section.

(b) Any action by the Holder of any Certificate will bind its successor Holder whether or not notation of such action is noted upon such Certificate.

Section 14.02 Notices. Unless otherwise specified, all communications under the Series Certificate Agreement must be in writing and will be deemed duly given if personally delivered to, mailed by first-class mail, postage prepaid, or sent by Electronic Notice and confirmed by first-class mail, postage prepaid, addressed to: (i) in the case of Freddie Mac, Federal Home Loan Mortgage Corporation, 8100 Jones Branch Drive, Mail Stop B4Q, McLean, Virginia 22102, Attention: Director of Multifamily Management and Information Control, Telephone No.: (703) 903-2000, Facsimile No.: (703) 714-3273; Federal Home Loan Mortgage Corporation, 8200 Jones Branch Drive, McLean, Virginia 22102, Attention: Associate General Counsel – Multifamily Legal Department, Telephone No.: (703) 903-2000, Facsimile No.: (703) 903-2885; Federal Home Loan Mortgage Corporation, 8100 Jones Branch Drive, Mail Stop B2E, McLean, Virginia 22102, Attention: Director of Multifamily Loan Servicing, Telephone No.: (703) 903-2000, Facsimile No.: (703) 714-3273; and (ii) in the case of the Remarketing Agent, as provided in the Remarketing Agreement or, as to each such Person, at such other address designated by such Person in a written notice to each other such Person.

Section 14.03 Notices to Holders; Waiver. Unless otherwise specified, wherever the Series Certificate Agreement provides for notice to Registered Holders of any event, such notice will be deemed to be sufficiently given (whether or not received) if given by mail, first-class postage prepaid, to each Registered Holder at such Registered Holder’s address as it appears on the Certificate Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Registered Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Registered Holder will affect the sufficiency of such notice with respect to any other Registered Holder, and any notice that is mailed in the manner provided in this Section will

conclusively be presumed to have been properly given. In addition, the Administrator will provide to the Registered Holders, upon the request of the Holders of Certificates, the names and contacts of the Holders that have been provided by the Remarketing Agent (to the extent that the Remarketing Agent can ascertain the identity of the beneficial owners without expense and through the use of commercially reasonable methods) and certain notices as prescribed by the Remarketing Agreement.

Section 14.04 Successors and Assigns. All covenants and agreements of Freddie Mac set forth in the Series Certificate Agreement will bind its successors and assigns.

Section 14.05 Severability. If any provision of the Series Certificate Agreement or the Certificates is determined to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 14.06 Benefits of Series Certificate Agreement. Nothing in the Series Certificate Agreement or in the Certificates, express or implied, will give to any Person, other than the parties to the Series Certificate Agreement and their successors, the Remarketing Agent and the Holders, any benefit of any legal or equitable right, remedy or claim under the Series Certificate Agreement.

Section 14.07 Governing Law. The Series Certificate Agreement and each Certificate will be construed, and the rights and obligations of Freddie Mac and the Administrator under the Series Certificate Agreement will be determined, in accordance with federal statutory or common law ("Federal law"). Insofar as there may be no applicable rule or precedent under Federal law, and insofar as to do so would not frustrate the purposes of any provision of the Freddie Mac Act, the local law of the State of New York will be deemed reflective of Federal law. The parties agree that any legal actions between Freddie Mac and the Administrator or the Holders regarding each party under the Series Certificate Agreement will be originated in the United States District Court in and for the Eastern District of Virginia, and the parties hereby consent to the jurisdiction and venue of said Court in connection with any action or proceeding initiated concerning the Series Certificate Agreement.

Section 14.08 Counterparts. The Series Certificate Agreement may be executed in any number of counterparts, each of which so executed will be deemed to be an original, but all such counterparts will together constitute but one and the same instrument.

Section 14.09 Non-Petition Covenants. The Administrator, in its individual capacity, agrees, and it is a condition to the appointment of any successor Administrator, co-Administrator or separate Administrator, and to the appointment of the Certificate Registrar, that the Person so appointed will agree, in its individual capacity, and the Sponsor agrees, that it will not, at any time, consent, petition or otherwise invoke the process of the United States, any state or other political subdivision thereof, or any entity exercising executive, legislative, judicial, regulatory or administrative functions of, or pertaining to, government for the purpose of commencing or sustaining a case by or against Freddie Mac or the Series Pool under a federal or state bankruptcy, insolvency or similar law, or for the appointment of a receiver of Freddie Mac or the Series Pool, or all or any part of their respective property or assets, or ordering the winding up or liquidation of the affairs of Freddie Mac or the Series Pool. Freddie Mac agrees that it will not, at any time, consent, petition or otherwise invoke the process of the United States, any state or

other political subdivision thereof, or any entity exercising executive, legislative, judicial, regulatory or administrative functions of, or pertaining to, government for the purpose of commencing or sustaining a case by or against the Series Pool under a federal or state bankruptcy, insolvency or similar law, or for the appointment of a receiver of the Series Pool or all or any part of the Series Pool's property or assets, or ordering the winding up or liquidation of the affairs of the Series Pool. Each such agreement will survive any termination of the Series Certificate Agreement and the subsequent removal of such Person from its capacity under the Series Certificate Agreement.

Ladies and Gentlemen:

This letter applies to privately offered Certificates designated as the Series of Class B Certificates described above ("*Class B Certificates*") that are currently being offered or that may be offered in the future. We may from time to time offer to purchase, purchase, offer to sell and/or sell Class B Certificates, and we agree that this letter shall apply to all such purchases, acquisitions, sales and offers. Certain terms of the Class B Certificates are generally described in the Offering Circular and Offering Circular Supplement with respect to the related senior Class A Certificates (as the same may be amended or supplemented, collectively, the "*Offering Circular*"). The Class B Certificates are subject to certain restrictions on transfer set forth in the Series Certificate Agreement and the Bond Exchange, Reimbursement, Pledge and Security Agreement dated as of July 1, 2015 (the "Reimbursement Agreement") between ATAX TEBS III, LLC ("Sponsor") and Federal Home Loan Mortgage Corporation ("Freddie Mac"). Undefined capitalized terms used herein shall generally have the meanings ascribed to such terms in the Offering Circular; however, the terminology used herein is intended to be general in its application and not to exclude any Class B Certificates in respect of which (in the Offering Circular or otherwise) alternative terminology is used.

1. In connection with its purchase of the Class B Certificates and intending to be bound by the terms hereof, the undersigned (the "*Purchaser*") hereby represents, warrants and agrees for the benefit of the above addressees as follows:

A. On the date hereof, the Purchaser is purchasing an interest in \$_____ of Class B Certificates issued pursuant to the Series Certificate Agreement dated as of July 1, 2015, by and between Freddie Mac, in its corporate capacity and Freddie Mac in its capacity as Administrator (the "*Administrator*"), incorporating by reference the Standard Terms of the Series Certificate Agreement dated as of July 1, 2015 by and between Freddie Mac and the Administrator (the "*Standard Terms*" and, collectively with the Series Certificate Agreement, the "*Series Certificate Agreement*"). Prior to the purchase of any Class B Certificates, the Purchaser has reviewed the Series Certificate Agreement and the Offering Circular, and asked questions and received answers concerning the terms and conditions of the transactions contemplated by the Series Certificate Agreement and the Offering Circular and has

requested and obtained additional information deemed necessary to verify the accuracy and completeness of any information furnished to the Purchaser or to which the Purchaser has access. The Purchaser has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of a purchase of the Class B Certificates. The Purchaser is an “accredited investor” within the meaning of Rule 501(a) of Regulation D or a “qualified institutional buyer” as defined in Rule 144A (“*Rule 144A*”), both Rules promulgated under the Securities Act of 1933, as amended (the “*1933 Act*”).

B. The Purchaser (i) acknowledges that it will treat the Series Pool as a partnership for federal, state and local income tax purposes and that it intends and expects to be treated as a partner for such purposes and (ii) consents to all federal and other tax elections made on behalf of the Series Pool pursuant to the Series Certificate Agreement. The Purchaser acknowledges that no Person is authorized under Treas. Reg. Section 301.7701-3(c) or any applicable state or local law to have the Series Pool classified as a corporation for federal, state or local income tax purposes. The Purchaser consents to an election under Revenue Procedure 2003-84 (or any successor Revenue Procedure or other guidance issued by the Internal Revenue Service) to account for items of Series Pool tax-exempt income, taxable income (if any), gain, loss and deduction on the basis of a monthly closing of the books, and agrees to comply with the alternative reporting requirements prescribed by Revenue Procedure 2003-84, if such election is made by Freddie Mac.

C. The Purchaser’s intention is to acquire the Class B Certificates for investment (a) for the Purchaser’s own account and not as a nominee or agent or (b) for resale to “accredited investors” in a transaction exempt from the registration requirements of the 1933 Act or for resale to “qualified institutional buyers” in transactions under Rule 144A, and not with the view to, or for resale in connection with, any other distribution thereof (although it retains the right to resell, subject to the transfer restrictions set forth herein and in the Series Certificate Agreement and the Reimbursement Agreement).

D. The Purchaser acknowledges that the Class B Certificates are being purchased pursuant to an exemption under the 1933 Act which depends upon, among other things, the bona fide nature of the Purchaser’s investment intent (or intent to resell only in transactions exempt from the registration requirements of the 1933 Act) as expressed herein and may not be transferred unless an exemption from registration under the 1933 Act and any applicable state “Blue Sky” or securities laws is available. In addition, the Purchaser understands that the Class B Certificates have not been registered under the securities laws of any state. The Purchaser agrees to comply with applicable restrictions on the transfer of the Class B Certificates contained and referred to herein, the Series Certificate Agreement and the Reimbursement Agreement.

E. The Purchaser is neither a “substantial user” nor a “related person” to a substantial user (within the meanings of Section 147(a) of the Internal Revenue Code of 1986, as amended and Section 103(b)(13) of the Internal Revenue Code of 1954, as amended) of the property financed by a Bond held by the Series Pool or any Underlying Bond, as applicable.

F. The Purchaser has had adequate opportunity to consult with legal, tax and investment advisors of its own choosing concerning its investment, and the Purchaser is not relying upon legal, tax or investment advice from the Administrator, the Sponsor or Remarketing Agent or any of their respective professionals or agents (provided the Purchaser is entitled to rely on the opinions delivered on the Date of Original Issue to the extent and with respect to the matters provided therein). The Purchaser has relied on its own investigation of the Bonds, the Issuers of the Bonds, any underlying obligors, the security provided therefor, and acknowledges that no investigation has been made by the Administrator, the Sponsor or the Remarketing Agent in connection with (i) the offering of Certificates, (ii) the Bonds and (iii) the financial condition or creditworthiness of the Issuers or underlying obligors with respect to the Bonds.

G. The Purchaser acknowledges and agrees that pursuant to the Series Certificate Agreement and the Reimbursement Agreement Freddie Mac’s prior written consent is required for any sale, assignment, pledge, hypothecation or other transfer of the Purchaser’s interest in the Class B Certificates or to grant any lien, security interest, options or other charges or encumbrances with respect to the Class B Certificates, and that unless a transfer or grant is made in accordance with the foregoing, such transfer or grant will be void ab initio with respect to the Purchaser and any transferee and the Purchaser will continue to be the Holder of the Class B Certificates.

H. The foregoing representations, warranties and agreements are made by the Purchaser with the intent that they may be relied upon in determining its qualification and suitability to purchase Class B Certificates, and the Purchaser hereby agrees that such representations, warranties and agreements shall survive its purchase thereof, and that if any such representations, warranties or agreements are no longer accurate, it shall promptly notify the Administrator, the Remarketing Agent and the Sponsor. The Purchaser hereby agrees to indemnify and hold harmless the Series Pool, the Sponsor, the Remarketing Agent, the Administrator and agents of each of them from and against any losses, claims, damages, liabilities, expenses (including attorneys’ reasonable fees and disbursements), judgments and amounts paid in settlement resulting from the untruth of any of the warranties and representations contained herein or the breach by the Purchaser of any of the covenants made by it herein. Notwithstanding the foregoing, however, no representation, warranty, acknowledgment or agreement by the Purchaser made herein shall in any manner be deemed to constitute a waiver of any rights granted to it under Federal or state securities laws.

I. If this letter is signed by an investment adviser on behalf of one or more investment companies identified on Appendix A hereto (each a “Fund”), the investment adviser hereby represents and warrants that (i) each of the statements, agreements, covenants and representations and warranties herein are made on behalf of each such Fund and are true and correct, and (ii) the investment adviser is authorized to execute this letter on behalf of each Fund.

J. This letter shall apply to all Class B Certificates owned by the Purchaser.

K. The Purchaser represents and warrants that the signatory of this letter is authorized to execute and deliver this letter on behalf of such Purchaser, and acknowledges and agrees that the representations, warranties, agreements and acknowledgements set forth herein are legal, valid and binding, and enforceable against such Purchaser.

2. Any xerographic or other copy of this letter shall be deemed of equal effect as a signed original.

3. Information regarding the Purchaser's taxpayer identification number is listed on Appendix A attached hereto.

4. The Purchaser's telephone and facsimile numbers for purposes of receiving Electronic Notice under the Series Certificate Agreement are listed on Appendix A attached hereto.

5. Information regarding the Purchaser's Participant of The Depository Trust Company and its account number are listed on Appendix A attached hereto.

6. This letter supersedes any version of this letter delivered by us and dated earlier than the date hereof.

“*Available Interest Amount*” means, as of any date of determination, accrued and to accrue Bond interest from the beginning of the Accrual Period to the next Reset Date, described as follows. Available Interest Amount is only used in the context of establishing the Maximum Reset Rate where all the Bonds are not fixed rate bonds and is only calculated on a Reset Date. Accrued and to accrue Bond interest will be determined on a Bond by Bond basis as the product of the Bond Rate and the related Outstanding Bond Balance, calculated for each preceding day in the applicable Accrual Period and each day up to and including the next Reset Date; however, if the Bond Rate has not been determined for any day up to and including the next Reset Date, then the Bond Rate for such day will be deemed to be the minimum stated rate of interest on the

Bonds. Available Interest Amount will never be more than interest on the Bonds regardless of any calculation previously made. Available Interest Amount is expressed as the variable "AIA" in the following formula:¹

$$AIA = AI + TAI$$

where

AI = accrued interest for each preceding day in the Accrual Period
TAI = interest that will accrue for each day up to and including the next Reset Date (but only at the minimum stated interest unless the interest rate is known)

"Available Remarketing Class A Certificates" means (i) Tendered Class A Certificates, (ii) Class A Certificates subject to Mandatory Tender (A) on a Term Effective Date (that is not a Reset Rate Method Change Date), (B) on a Reset Rate Method Change Date relating to a change (but not a continuation) in the Reset Rate Method from a Weekly Reset Rate Method or a Monthly Reset Rate Method to a Monthly Reset Rate Method or a Term Reset Rate Method, (C) on a Reset Rate Method Change Date relating to a change (but not a continuation) in the Reset Rate Method from a Term Reset Rate Method or a Monthly Reset Rate Method to a Weekly Reset Rate Method or Monthly Reset Rate Method, (D) the date on which an amendment to the Standard Terms described in Section 12.01(b) becomes effective and (E) the date on which a successor Sponsor is appointed pursuant to Section 3.08 of the Standard Terms, and (iii) Class A Certificates with respect to which the Holder thereof has exercised the Optional Disposition Right. Available Remarketing Class A Certificates do not include Pledged Class A Certificates that are purchased in connection with a Special Adjustment Event.

¹ Example 1:

Assumptions:

1. Bonds bear variable interest tied to the SIFMA Municipal Swap Index ("SIFMA") are reset on the same day as a Weekly Reset Date.
2. The applicable Weekly Reset Date is the beginning of the third reset period following the beginning of the Accrual Period, so there are 14 days of prior interest accrual.
3. During the first accrual week, SIFMA interest was 2.0%; during the second accrual week, SIFMA interest was 2.5%. SIFMA is established for the third week at 2.3%.
4. \$100,000,000 in Outstanding Bond Balance

Interest Accruals:

1. First Week = \$100,000,000 times 2% divided by 365 times 7 = \$38,356.16
 2. Second Week = \$100,000,000 times 2.5% divided by 365 times 7 = \$47,945.20
 3. Third Week = \$100,000,000 times 2.3% divided by 365 times 7 = \$44,109.58
- So Available Interest Amount = \$130,410.94

Example 2:

Same assumptions except that the Reset Date is a Monthly Reset Date in a 31 day month.

Interest accruals are the same. Note that because we cannot determine the SIFMA for the last 10 days of the month, no additional accrued interest on the Bonds can be projected and taken into account.

So Available Interest Amount is the same as Example 1, or \$130,410.94

Example 3:

Same assumptions except that the Reset Date is a Term Reset Date with a period of 6 months.

Interest accruals are the same as in Example 1.

So Available Interest Amount is the same as Example 1, or \$130,410.94

Example 2:

Assumptions:

Same assumptions except that there is a Monthly Rate

$$\frac{365}{30} \times \frac{\$50,000}{\$80,000,000}$$

(12.1666) (0.000625)

Gain Share with respect to the Holders of the Class A Certificates for any one Bond is expressed as the variable “GS” in the following formula:

where

DG = Disposition Gain

However, in no event may the Hypothetical Gain Share be less than zero. Hypothetical Gain Share is expressed as the variable "HGS" in the following formula:³

2. Accreted Price of First Bond = (100%)(10,000,000)
3. Current Certificate Balance of applicable Class A Certificate = \$5,000,000
4. Aggregate Outstanding Class A Certificate Balance = \$20,000,000
5. Aggregate Outstanding Class B Certificate Balance = \$10,000,000
6. Market Value of Second Bond = (100%)(10,000,000)
7. Accreted Price of Second Bond = (100%)(10,000,000)
8. Market Value of Third Bond = (98%)(10,000,000)
9. Accreted Price of Third Bond = (100%)(10,000,000)
10. Previously paid applicable Hypothetical Gain Share = \$2,000 (100%)

$$\text{Bond 1: } ((110\%)(\$10,000,000) - (100\%)(\$10,000,000)) \left(\frac{\$5,000,000}{(\$20,000,000 + \$10,000,000)} \right) (.10) = \$16,666$$

$$\text{Bond 2: } ((100\%)(\$10,000,000) - (100\%)(\$10,000,000)) \left(\frac{\$5,000,000}{(\$20,000,000 + \$10,000,000)} \right) (.10) = \text{zero}$$

$$\text{Bond 3: } ((98\%)(\$10,000,000) - (100\%)(\$10,000,000)) \left(\frac{\$5,000,000}{(\$20,000,000 + \$10,000,000)} \right) (.10) = (\$3,333)$$

However, Hypothetical Gain Share may not be less than zero, so the amount for Bond 3 equals zero. Aggregating the hypothetical gain share

$$\text{Bond 1} + \text{Bond 2} + \text{Bond 3} - \text{HGSP} \\ \$16,666 + 0 + 0 - \$2,000 = \$14,666$$

“Maximum Reset Rate” is to be calculated by the Remarketing Agent on any Reset Date immediately before determining the applicable Reset Rate. The Maximum Reset Rate is to be calculated, as applicable, using one of two different methods. One method applies only if all the Bonds are fixed rate bonds and the other method applies if any of the Bonds are not fixed rate bonds.

The Maximum Reset Rate, if all the Bonds are fixed rate bonds, is equal to the Excess Accrued Net Interest Amount Rate, if any, plus a rate determined by dividing the product of the lowest Bond Rate times the Aggregate Outstanding Bond Balance by the Aggregate Outstanding Class A Certificate Balance as of such day. For any Reset Rate Method other than a Weekly Reset Rate method, the calculation will not include the Excess Accrued Net Interest Amount Rate because the Maximum Reset Rate is calculated on a Reset Date and there will be no Excess Accrued Net Interest Amount on a Reset Date for a Monthly Reset Rate Method or a Term Reset Rate Method. This Maximum Reset Rate is expressed as the variable MRR(FRB) in the following formula:⁴

4 Example 1:

Assumptions:

1. Aggregate Outstanding Bond Balance: \$100,000,000
2. Lowest Bond Rate: 6.5%
3. Aggregate Outstanding Class A Balance: \$80,000,000
4. Aggregate Outstanding Class B Balance: \$20,000,000
5. Not a leap year
6. Weekly Reset Rate; 7 days previously accrued interest for Class A Certificates at 3.8%
7. The applicable Weekly Reset Date is the second such Reset Date in the Accrual Period

STEP ONE:

Bond Interest on \$100,000,000@6.5% for 7 days = \$124,657.53
Accrued interest on Class A Certificates for 7 days @3.8% = \$58,301.37
(\$124,657.53)-(\$58,301.37) = \$66,356.16

STEP TWO:

convert that amount to an annual interest rate related to Class A Certificates:

$$\frac{365}{7} \times \frac{EA}{CLA}$$

(52.1428)(.00082945) = 4.324995%

STEP THREE: Convert Bond interest to an interest rate related to Class A Certificates

$$\frac{(LBR)(BB)}{CLA}$$

$\frac{(.065)(100,000,000)}{80,000,000}$
8.125%

STEP FOUR: add STEP TWO and STEP THREE

$$4.324995\% + 8.125\% = 12.449995\%$$

Example 2:

1. Same assumptions as first six assumptions
2. 14 days of accrued interest on Class A Certificates at 3.8% and the applicable Weekly Reset Date is the third Weekly Reset Date in the Accrual Period

STEP ONE:

Bond interest on \$100,000,000@6.5% for 14 days = \$249,315.07
Accrued interest on Class A Certificates @3.8% for 14 days = \$116,602.74
(\$249,315.07)-(\$116,602.74)=\$132,712.33

STEP TWO:

convert that amount to an annual interest rate related to Class A Certificates

$$\frac{365}{D} \times \frac{EA}{CLA}$$

$\frac{365}{7} \times \frac{\$132,712.33}{\$80,000,000}$
(52.1428)(.00165890) = 8.649991%

STEP THREE: Convert Bond interest to interest rate related to Class A Certificates. Same result as Example 1 = 8.125%

STEP FOUR: add STEP TWO and STEP THREE

$$8.649991\% + 8.125\% = 16.774991\%$$

$$\text{MRR}(\text{FRB}) = \left[\frac{365/6}{D} \right] \left[\frac{EA}{CLA} \right] \text{ PLUS } \left[\frac{(LBR \times BB)}{CLA} \right]$$

This Maximum Reset Rate is determined in four steps.

STEP ONE: the Excess Accrued Net Interest Amount is determined, which is the excess of accrued interest on the underlying Bonds over the sum of interest on the Class A Certificates, in each case, for each prior day in the Accrual Period.

STEP TWO: the Excess Accrued Net Interest Amount is converted to an annual rate of interest (the Excess Accrued Net Interest Amount Rate) related to the Class A Certificates. This excess rate is expressed as the variable "ER" in the following formula:

$$\text{ER} = \left[\frac{365/6}{D} \right] \left[\frac{EA}{CLA} \right]$$

where

D = Number of calendar days during which a Reset Period will be in effect
EA = Excess Accrued Net Interest Amount
CLA = Aggregate Outstanding Class A Certificate Balance

STEP THREE: interest on the Bonds at the lowest Bond Rate is converted to an interest rate related to the Class A Certificates. This converted rate is expressed in the following formula:

$$\frac{(LBR \times BB)}{CLA}$$

where

LBR = Lowest Bond Rate
 BB = Aggregate Outstanding Bond Balance

STEP FOUR: add the rates obtained in STEP TWO and STEP THREE.

The Maximum Reset Rate, if any of the Bonds are not fixed rate bonds, is equal to the product of (i) the quotient of the number of days in the year divided by the number of days in which a Reset Rate will be in effect times (ii) the quotient of (a) the Available Interest Amount minus the aggregate amount of interest accrued at the applicable Reset Rate on the Aggregate Outstanding Class A Certificate Balance for each preceding day in the Accrual Period divided by (b) the Aggregate Outstanding Class A Certificate Balance; provided however, that the Class A Certificates will never accrue more interest than the Available Interest Amount, regardless of any calculation previously made. Unlike the formula for determining the Maximum Reset Rate where all Bonds are fixed rate Bonds, this calculation will apply to all Reset Rate Methods because the determination of the Available Interest Amount includes both accrued interest on the Bonds and Interest on the Bonds that will accrue over the balance of the applicable Reset Period, to the extent that amount is known. This Maximum Reset Rate is expressed as the variable MRR(NFRB) in the following formula:⁵

⁵ Example 1:

Assumptions:

1. Weekly Reset for Class A Certificates
2. Available Interest Amount the same as Example 1 under definition of Available Interest Amount
3. Not a leap year
4. Aggregate Outstanding Class A Certificate Balance:
\$80,000,000
5. Interest accrued on Class A Certificates at 2.0% during first week and 2.5% during second week

$$\frac{365}{7} \times (\$130,410.94 - (69,041.10))$$

\$80,000,000

$$\frac{(52.1428)(\$61,369.84)}{\$80,000,000}$$

3.9999% = Maximum Reset Rate

Example 2:

Assumptions:

1. Weekly Reset for Class A Certificates
2. Available Interest Amount assumptions
 - a. Bonds bear interest at 90% of 30 day LIBOR; LIBOR is 3.0% for applicable period and for this example, LIBOR is set on the same day as the first Weekly Reset Date in the Accrual Period
 - b. the applicable Weekly Reset Date is the beginning of the third reset period so there are 14 days of prior interest accrual on the Class A Certificates
 - c. \$100,000,000 in Outstanding Bond Balance
3. Not a leap year
4. Aggregate Outstanding Class A Certificate Balance:
\$80,000,000
5. Interest accrued on Class A Certificates at 2.0% during first week and 2.5% during second week

STEP ONE: establish Reset Rate period factor

$$\frac{365}{7} = 52.1428$$

STEP TWO: determine the Available Interest Amount accruals on Bonds: \$155,342.46

(21 days; 14 days have already accrued and since the rate is established for next 7 days that period is included as well)

AIA = \$155,342.46 then subtract Class A Certificates Accruals from AIA \$155,342.46 – \$69,041.10

= \$86,301.36

STEP THREE: multiply STEP ONE times STEP TWO and convert to interest rate related to Class A Certificates

$$\frac{(52.1428)(\$86,301.36)}{\$80,000,000}$$

5.62499% = Maximum Reset Rate

Example 3:

Assumptions:

1. Same as Example 2 except that the applicable Weekly Reset Date is the first one in the Interest Accrual Period so there are no prior interest accruals on the Bonds or the Class A Certificates

STEP ONE: the applicable Reset Period factor is 52.1428

STEP TWO: determine the Available Interest Amount Interest accruals on Bonds: \$51,780.82

(7 days until next Weekly Reset Date since rate on Bonds is established)

AIA = \$51,780.82

STEP THREE: multiply STEP ONE times STEP TWO and convert to interest rate related to Class A Certificates

$$\frac{(52.1428)(\$51,780.82)}{\$80,000,000}$$

3.337% = Maximum Reset Rate

Example 4:

Assumptions:

1. Same as Example 3 except that \$20,000,000 of Bonds bear interest at 90% of 30 day LIBOR and \$80,000,000 of Bonds are fixed rate bonds bearing interest at 6.8%

STEP ONE: the applicable Reset Period factor is 52.1428

STEP TWO: determine the Available Interest Amount

Interest accruals on Bonds

\$20,000,000 LIBOR-based Bonds =

$$\frac{(\$20,000,000)(2.7\%)(7)}{365} = \$10,356.16$$

$$\frac{(\$80,000,000)(6.8\%)(7)}{365} = \$104,328.76$$

$$\text{AIA} = (\$10,356.16 + \$104,328.76) = \$114,684.92$$

STEP THREE: multiply STEP ONE and STEP TWO and convert to interest rate related to Class A Certificates

$$\frac{(52.1428)(\$114,684.92)}{\$80,000,000}$$

\$80,000,000

7.47499% = Maximum Reset Rate

$$\text{MRR(NFRB)} = \frac{365}{D} (AIA - ACI)$$

where

D = number of calendar days in which a Reset Period will be in effect
AIA = Available Interest Amount
ACI = Accrued Certificate Interest

This Maximum Reset Rate is determined in three steps.

STEP ONE: establish the Reset Rate period factor

$$\frac{365}{D} \quad D = \text{Number of calendar days in which a Reset Period will be in effect}$$

STEP TWO: determine the Available Interest Amount; then subtract Accrued Certificate Interest

STEP THREE: multiply STEP ONE times STEP TWO and convert product to interest rate related to Class A Certificates by dividing by Aggregate Outstanding Class A Certificate Balance.

LIMITED SUPPORT AGREEMENT

This Limited Support Agreement (this "Agreement") is entered into as of July 1, 2015, between **AMERICA FIRST MULTIFAMILY INVESTORS, L.P.** (the "Agreement Provider") and **FEDERAL HOME LOAN MORTGAGE CORPORATION** and/or any subsequent obligee under the Reimbursement Agreement hereinafter defined ("Freddie Mac" or the "Lender").

RECITALS

- A. ATAX TEBS III, LLC (the "Sponsor"), an Affiliate of the Agreement Provider, was the owner of certain tax-exempt multifamily housing revenue bonds (the "Bonds" as specified in further detail in the Reimbursement Agreement referenced below), that it absolutely assigned and transferred to Lender, as Administrator pursuant to a Series Certificate Agreement with respect to the Bonds, dated as of the date hereof (together with the Standard Terms attached thereto, collectively, the "Series Certificate Agreement"). Pursuant to the Series Certificate Agreement, Lender has agreed to provide credit enhancement with respect to the Bonds and related Certificates issued thereunder and to provide liquidity support for the Class A Certificates issued thereunder.
- B. The Lender has conditioned its credit enhancement and liquidity support upon the execution and delivery by the Sponsor of a Bond Exchange, Reimbursement, Pledge and Security Agreement dated as of the date hereof with the Lender (the "Reimbursement Agreement"), and the execution and delivery by the Agreement Provider of this Agreement.

NOW, THEREFORE, in order to induce Lender to provide credit enhancement and liquidity support, and in consideration of the Recitals, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Agreement Provider and Lender hereby agree as follows:

1. "Obligations" and other capitalized terms used but not defined in this Agreement shall have the meanings assigned to them in the Reimbursement Agreement.
2. Agreement Provider hereby absolutely, unconditionally and irrevocably guarantees to Lender the full and prompt payment when due, whether at maturity or earlier, by reason of acceleration or otherwise, and at all times thereafter, and the full and prompt performance when due, of all of the following:
 - (a) A portion of the Obligations equal to zero percent (0%) of the original principal balance of the Obligations (the "Base Support").
 - (b) In addition to the Base Support, all other amounts for which Sponsor is personally liable under Section 9.11(b) of the Reimbursement Agreement.

-
- (c) The payment and performance of all of Sponsor's obligations under Section 2.4 and 5.1 of the Reimbursement Agreement.
 - (d) The payment and performance of the Stabilization Obligations under the Stabilization Agreement.
 - (e) All costs and expenses, including reasonable fees and out of pocket expenses of attorneys and expert witnesses, incurred by Lender in enforcing its rights under this Agreement.

For purposes of determining Agreement Provider's liability under this Agreement, all payments made by the Sponsor with respect to the Obligations and all amounts received by Lender from the enforcement of its rights under the Reimbursement Agreement shall be applied first to the portion of the Obligations for which neither the Sponsor nor the Agreement Provider has personal liability.

- 3. The obligations of Agreement Provider under this Agreement shall survive any foreclosure proceeding, any foreclosure sale and any release of record of the collateral securing the Reimbursement Agreement.
- 4. Agreement Provider's obligations under this Agreement constitute an unconditional guaranty of payment and performance and not merely a guaranty of collection.
- 5. The obligations of Agreement Provider under this Agreement shall be performed without demand by Lender and shall be unconditional irrespective of the genuineness, validity, regularity or enforceability of the Reimbursement Agreement or any Sponsor Document, and without regard to any other circumstance which might otherwise constitute a legal or equitable discharge of a surety, a guarantor, a borrower or a mortgagor. Agreement Provider hereby waives the benefit of all principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms of this Agreement and agrees that Agreement Provider's obligations shall not be affected by any circumstances, whether or not referred to in this Agreement, which might otherwise constitute a legal or equitable discharge of a surety, a guarantor, a borrower or a mortgagor. Agreement Provider hereby waives the benefits of any right of discharge under any and all statutes or other laws relating to a guarantor, a surety, a borrower or a mortgagor and any other rights of a surety, a guarantor, a borrower or a mortgagor thereunder. Without limiting the generality of the foregoing, Agreement Provider hereby waives, to the fullest extent permitted by law, diligence in collecting the Obligations, presentment, demand for payment, protest, all notices with respect to the Reimbursement Agreement and this Agreement which may be required by statute, rule of law or otherwise to preserve Lender's rights against Agreement Provider under this Agreement, including, but not limited to, notice of acceptance, notice of any amendment of the Sponsor Documents, notice of the occurrence of any default or Event of Default, notice of intent to accelerate, notice of acceleration, notice of dishonor, notice of foreclosure, notice of protest, and

notice of the incurring by Sponsor of any obligation or indebtedness. Agreement Provider also waives, to the fullest extent permitted by law, all rights to require Lender to (a) proceed against Sponsor or any other guarantor of Sponsor's payment or performance with respect to the Obligations (an "Other Guarantor") (b) if Sponsor or any Other Guarantor is a partnership, proceed against any general partner of Sponsor or the Other Guarantor, or (c) proceed against or exhaust any collateral held by Lender to secure the repayment of the Obligations. Agreement Provider further waives, to the fullest extent permitted by applicable law, any right to revoke this Agreement as to any future advances by Lender under the Reimbursement Agreement to protect Lender's interest in the UCC Collateral securing the Reimbursement Agreement.

6. At any time or from time to time and any number of times, without notice to Agreement Provider and without affecting the liability of Agreement Provider, (a) the time for payment of the Obligations may be extended or the Obligations may be renewed in whole or in part; (b) the time for Sponsor's performance of or compliance with any covenant or agreement contained in the Reimbursement Agreement or any other Sponsor Document, whether presently existing or hereinafter entered into, may be extended or such performance or compliance may be waived; (c) the maturity of the Obligations may be accelerated as provided in the Reimbursement Agreement or any other Sponsor Document; (d) the Reimbursement Agreement, and the security instrument or any other loan document evidencing or securing the obligations of Owners (as defined in the Reimbursement Agreement) may be modified or amended by Lender and Sponsor in any respect, including, but not limited to, an increase in the principal amount; and (e) any security for the Obligations may be modified, exchanged, surrendered or otherwise dealt with or additional security may be pledged or mortgaged for the Obligations.
7. Lender, in its sole and absolute discretion, may (a) bring suit against Agreement Provider, or any one or more of the persons constituting Agreement Provider, and any Other Guarantor, jointly and severally, or against any one or more of them; (b) compromise or settle with any one or more of the persons constituting Agreement Provider for such consideration as Lender may deem proper; (c) release one or more of the persons constituting Agreement Provider, or any Other Guarantor, from liability; and (d) otherwise deal with Agreement Provider and any Other Guarantor, or any one or more of them, in any manner, and no such action shall impair the rights of Lender to collect from Agreement Provider any amount guaranteed by Agreement Provider under this Agreement. Nothing contained in this paragraph shall in any way affect or impair the rights or obligations of Agreement Provider with respect to any Other Guarantor.
8. Any indebtedness of Sponsor held by Agreement Provider now or in the future is and shall be subordinated to the Obligations and any such indebtedness of Sponsor shall be collected, enforced and received by Agreement Provider, as trustee for Lender, but without reducing or affecting in any manner the liability of Agreement Provider under the other provisions of this Agreement.

-
9. Agreement Provider shall have no right of, and hereby waives any claim for, subrogation or reimbursement against Sponsor or any general member of Sponsor by reason of any payment by Agreement Provider under this Agreement, whether such right or claim arises at law or in equity or under any contract or statute, until the Obligations has been paid in full and there has expired the maximum possible period thereafter during which any payment made by Sponsor to Lender with respect to the Obligations could be deemed a preference under the United States Bankruptcy Code.
 10. If any payment by Sponsor is held to constitute a preference under any applicable bankruptcy, insolvency, or similar laws, or if for any other reason Lender is required to refund any sums to Sponsor, such refund shall not constitute a release of any liability of Agreement Provider under this Agreement. It is the intention of Lender and Agreement Provider that Agreement Provider's obligations under this Agreement shall not be discharged except by Agreement Provider's performance of such obligations and then only to the extent of such performance.
 11. Agreement Provider shall from time to time, upon request by Lender, deliver to Lender such financial statements as Lender may reasonably require but not more frequently than once each year. As a condition to Agreement Provider's delivery of its financial information, Lender agrees that such information is confidential information, shall not be used for any purpose other than evaluating compliance by the Agreement Provider with this Agreement, and shall be disclosed only to those employees, directors, officers and agents of Lender who need to know such information for purposes of performing or enforcing Lender's obligations and rights under this Agreement and who are advised of the need to maintain the confidentiality of such information. Lender shall not otherwise use or disclose Agreement Provider's financial information without Agreement Provider's prior written consent. The restrictions on use and disclosure set forth above shall not apply when and to the extent that the information received by Lender (a) is or becomes generally available to the public through no fault of Lender (or anyone acting on its behalf); (b) was previously known by Freddie Mac free of any obligation to keep it confidential; (c) is subsequently disclosed to Freddie Mac by a third party who may rightfully transfer and disclose such information without restriction and free of any obligation to keep it confidential; or (d) is required to be disclosed by Freddie Mac by applicable law.
 12. Lender agrees that it may assign its rights under this Agreement in whole or in part solely in the event an "Event of Default" exists under the Reimbursement Agreement. Upon any such assignment pursuant to this Section 12, all the terms and provisions of this Agreement shall inure to the benefit of such assignee to the extent so assigned. Lender agrees to notify Agreement Provider of any such assignment. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors and assigns of such parties; and the term "Lender" shall include, in addition to Lender, any lawful owner, holder or pledgee of the Reimbursement Agreement. Reference herein to "person" or "persons" shall be deemed to include individuals and entities.

Agreement Provider acknowledges that Agreement Provider has received copies of the Reimbursement Agreement and all other Sponsor Documents.  14. This Agreement shall be construed, and the rights and obligations of Agreement Provider hereunder determined, in accordance with federal statutory or common law ("federal law"). Insofar as there may be no applicable rule or precedent under federal law and insofar as to do so would not frustrate the purposes of any provision of this Agreement, the local law of the State of New York shall be deemed reflective of federal law. The parties agree that any legal actions among the Agreement Provider and the Lender regarding each party hereunder shall be originated in the United States District Court in and for the Eastern District of Virginia, and the parties hereby consent to the exclusive jurisdiction and venue of said Court in connection with any action or proceeding initiated concerning this Agreement. Agreement Provider irrevocably consents to service, jurisdiction, and venue of such court for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise.
 15. **AGREEMENT PROVIDER AND LENDER EACH (A) AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS AGREEMENT PROVIDER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.**
 16. As of the date of this Agreement, the Agreement Provider represents and warrants to the Lender that each Agreement Provider has (i) a Net Worth equal to at least \$5,000,000 and (ii) Liquidity equal to at least \$500,000. (ii) make timely payment of the amount withheld to the appropriate governmental authority;

(iii) forthwith pay the other party ("Y") such additional amount as may be necessary to ensure that the net amount actually received by Y free and clear of Taxes (including any Taxes on the additional amount) is equal to the amount that Y would have received had no Taxes been withheld; and

(iv) on or before the thirtieth day after payment, send the payee the original or a certified copy of an official tax receipt evidencing that payment; provided, however, that if any representation or warranty made by a party in Section 7(c) proves not to have been true when made or, if repeated on each Payment Date, would not then be true, or if a party fails to perform or observe any of its covenants set forth in Section 7 or Section 8, the other party shall be under no obligation to pay any additional amount hereunder to the extent that the withholding would not have been required if the representation or warranty had been true when made, or would have been true if so repeated, or if the failure had not occurred.

(b) If X would be required to make any withholding for or on account of Taxes and pay any additional amount as provided in Section 6(a) with respect to any payment to be made by X in accordance with Section 2, it shall give notice to that effect to Y and shall use reasonable efforts

(i) to assign or transfer its rights and obligations under this Agreement, subject to Section 14, to another of X's branches, offices or affiliates, or to any leading participant in the interest rate cap market, that may make the payments to be made by X hereunder lawfully and without withholding for or on account of Taxes; or

(ii) to agree with Y to modify this Agreement or change the method of payment hereunder so that those payments will not be subject to the withholding. If an assignment or agreement is not made as provided herein on or before the tenth day after that notice becomes effective, X may give notice of termination as provided in Section 10.

(c) In addition, each party agrees with the other that it will observe any covenant set forth in Exhibit B.

(d) **Foreign Account Tax Compliance Act** The following provision shall apply in respect of this Agreement between the parties (including the Credit Support Annex):

“Taxes” shall not include any U.S. federal withholding tax imposed or collected pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the “Code”), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (a “**FATCA Withholding Tax**”). For the avoidance of doubt, a FATCA Withholding Tax is a Tax the deduction or withholding of which is required by applicable law.

Section 7. Representations and Warranties.

(a) Each of the parties makes the representations and warranties set forth below to the other as of the date hereof:

(i) It is duly organized and validly existing and has the corporate, partnership or other power as a company and the authority to execute and deliver this Agreement and to perform its obligations hereunder;

(ii) It has taken all necessary action to authorize its execution and delivery of this Agreement and the performance of its obligations hereunder;

(iii) All governmental authorizations and actions necessary in connection with its execution and delivery of this Agreement and the performance of its obligations hereunder have been obtained or performed and remain valid and in full force and effect;

(iv) This Agreement has been duly executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with the terms of this Agreement, subject to all applicable bankruptcy, insolvency, moratorium and similar laws affecting creditors’ rights generally;

(v) Each of the documents delivered by it hereunder is, as of the date stated in such document, true, accurate and complete in every material respect; and

(vi) It is an “eligible contract participant” within the meaning of the Commodity Exchange Act (7 U.S.C. § 1 et seq), as amended by the Dodd Frank Wall Street Reform and Consumer Protection Act and as modified by 17 C.F.R. § 1.3(m). The ISDA Non-ECP Guarantor Exclusionary Terms (“Exclusionary Terms”) are incorporated by reference in this Agreement and apply to the entry into this Transaction by the parties within the meaning of §2(e) of the Commodity Exchange Act. For the avoidance of doubt, the Exclusionary Terms will not

apply, in respect of any guarantor, to any unwind, termination, transfer or other disposition of this Transaction, whether in whole or in part, to the extent this Transaction is lawfully guaranteed by such guarantor, whether or not such guarantor is an ECP (as defined in the Exclusionary Terms) when such unwind, termination, transfer or other disposition is agreed or effected.

(b) The Seller makes the following additional representations and warranties to the Buyer as of the date hereof:

(i) No event or condition that constitutes (or that with the giving of notice or the lapse of time or both would constitute) a Termination Event with respect to it has occurred and is continuing or will occur by reason of its entering into or performing its obligations under this Agreement; and

(ii) There are no actions, proceedings or claims pending or, to its knowledge, threatened, the adverse determination of which might have a materially adverse effect on its ability to perform its obligations under, or affect the validity or enforceability against it of, this Agreement; and

(iii) To the extent the Seller is required by Section 4r(a)(3) of the Commodity Exchange Act, as amended (“CEA”), to be the reporting party, the Seller covenants, represents and warrants that it is and shall be the reporting party for the Transaction and shall report the Transaction to a Swap Data Repository (as defined in Section 1a(48) of the CEA, pursuant to any requirements of 17 CFR Part 44, 45 and 46 applicable to the Transaction).

(c) In addition, each of the Buyer and the Seller makes the representations and warranties set forth on Exhibit B hereto, except in the case of the Payee Tax Representations which each of the parties in its capacity as a payee makes as of the date hereof and at all times thereafter until the termination of this Agreement.

Section 8. Documents. At or before the time of execution of this Agreement, each party shall deliver to the other evidence of the truth and accuracy of its representations in subsections (ii) and (iii) of Section 7(a) as well as evidence of the authority, incumbency and specimen signature of each Person authorized to execute and deliver this Agreement or any other document to be delivered under this Agreement on its behalf as well as any other document required to be delivered in Part 2 of Exhibit A.

Section 9. Termination Events. For purposes of this Agreement, “Termination Event” means each of the events and circumstances listed below:

(a) The Seller fails to pay any amount payable by it hereunder as and when that amount becomes payable and does not remedy that failure on or before the third Local Business Day after notice from the Buyer of the failure;

(b) Any representation or warranty made by the Seller in this Agreement, other than in Section 7(c), or made by any Credit Support Provider in any Credit Support Document (or document related thereto) delivered hereunder proves to have been

incorrect, incomplete or misleading in any material respect at the time it was made, or the Seller fails to deliver any document it is required to deliver as provided in Part 2 of Exhibit A and does not remedy that failure on or before the thirtieth day after notice from the Buyer of the failure or, in the case of failure to deliver a Credit Support Document, does not remedy that failure immediately;

(c) The Seller or any Credit Support Provider becomes the subject of any action or proceeding for relief under any bankruptcy or insolvency law or any law affecting creditors' rights that is similar to a bankruptcy or insolvency law or law relating to the composition of debts or seeks or becomes subject to the appointment of a receiver, custodian or similar official for it or any of its property or fails or is unable to pay its debts generally as they fall due;

(d) The Seller or any Credit Support Provider fails to pay any amount payable by it to the Buyer under any other agreement or under any instrument of the Seller or any Credit Support Provider held by the Buyer and does not remedy that failure during any applicable cure period;

(e) (i) There occurs a default, an event of default or another similar condition or event (however described) in respect of the Seller or any Credit Support Provider for the Seller under one or more agreements or instruments relating to Specified Indebtedness in an aggregate amount of not less than the Threshold Amount and as a result such Specified Indebtedness has been or may be declared due and payable before it would otherwise have been due and payable or (ii) there occurs a default by the Seller or any such Credit Support Provider in making one or more payments on the due date thereof in an aggregate amount of not less than the Threshold Amount under any such agreements or instruments or under any Specified Transaction (after giving effect to any applicable notice requirement or grace period) or (iii) the combined amounts of Specified Indebtedness covered by clause (i) and unpaid amounts covered by clause (ii) shall be at least equal to the Threshold Amount, provided, however, that amounts covered in clause (i) shall be excluded from amounts covered by clause (ii) and vice versa in calculating the combined amount in clause (iii).

For this purpose, "Specified Indebtedness," with respect to any Person, means all obligations of that Person (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money but shall exclude deposits received in the ordinary course of the Seller's banking business; "Specified Transaction" means any rate swap, currency swap, cross-currency swap, commodity-price swap, equity, equity-index, debt-linked or debt-index-linked swap, rate cap, floor or collar, forward rate agreement, forward or spot foreign exchange transaction, interest rate, currency or commodity-price option, any cash-settled option on a security or index or group of securities, any combination of any of the foregoing and any similar transaction; and "Threshold Amount" means U.S. \$100,000,000 (or the equivalent in any other currency or currencies);

(f) The Seller or any Credit Support Provider fails to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with

any Credit Support Document to which it is a party if the failure is not remedied during any applicable cure period; or any Credit Support Document expires or terminates or fails or ceases to be in full force and effect (in either case, other than in accordance with its terms) prior to the satisfaction of all obligations of the Seller under this Agreement; or any Credit Support Provider for the Seller or any Person purporting to act on its behalf disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, any Credit Support Document to which it is a party;

(g) The Seller or any Credit Support Provider consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity, and the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of the Seller or such Credit Support Provider (as the case may be) as determined by Freddie Mac in good faith immediately prior to such action; or

(h) If at any time the unsecured, unsubordinated long term obligations of the Seller are rated below A+ by S&P (or such rating is suspended or withdrawn) or below A1 by Moody's (or such rating is suspended or withdrawn), and within five Business Days of the issuance of such a rating, (a) Seller fails to post collateral to Buyer sufficient to secure Seller's obligation hereunder pursuant to the Credit Support Annex delivered concurrently herewith and incorporated herein by reference (the "Credit Support Annex"), and (b) Buyer and Seller, each using its good faith efforts, fail to find a party acceptable to the other party hereto and to Freddie Mac, which acceptance shall not be unreasonably withheld, to which all of Seller's interests and obligations under this Agreement shall be assigned at no cost to Buyer, and following which Seller shall be released from all obligations hereunder.

Section 10. Early Termination.

(a) At any time while a Termination Event is continuing, the Buyer may, with the prior written consent of Freddie Mac, or Freddie Mac may, in its absolute discretion, give notice of termination in accordance with this Section. If a party gives notice of supervening illegality, either party may give notice of termination in accordance with this Section in the circumstances described in Section 5. If a party is required to pay any additional amount pursuant to Section 6, it may give notice of termination in accordance with this Section in the circumstances described in Section 6. At any time while an event described in Paragraph 7 of the Credit Support Annex is continuing with respect to the Buyer, the Seller may give notice of termination in accordance with this Section.

(b) Any notice of termination hereunder

(i) shall state the grounds for termination;

(ii) shall specify a Business Day at least one (1) Business Day after, but no more than 10 days after, the date the notice of early termination is effective on which the payments required by Section 11 shall be made as provided therein (the "Early Termination Date"); and

(iii) shall declare the obligations of the Seller to make the payments required by Section 2 that are scheduled to be made after the Early Termination Date to be terminated as of that date, and those obligations shall so terminate and be replaced by the parties' obligations to make the payments specified in Section 11.

Section 11. Payments Upon Early Termination.

(a) If notice of termination is given pursuant to Section 10, the Seller shall pay the Buyer its Damages.

(b) The Buyer's Damages in the event of early termination shall be the Market Quotation, if it can be determined. If it cannot be determined, the Buyer's Damages shall be an amount in Dollars, determined by the Buyer in good faith, equal to the sum of the losses (including loss of bargain) that it may incur as a result of the early termination or as a result of the event that served as the ground for early termination.

(c) Payments to be made in accordance with this Section shall be made on the Early Termination Date. If the Buyer is entitled to be paid any amount in respect of its Damages in accordance with this Section, it shall submit to the Seller a statement in reasonable detail of those Damages at least one Business Day prior to the Early Termination Date.

Section 12. Market Quotation.

(a) For the purpose of determining the Market Quotation, the Buyer shall select, with the consent of Freddie Mac, four leading participants in the interest rate cap market (each a "Reference Market-maker"), in its sole discretion and in good faith, with a view to minimizing the Market Quotation (to the extent required by law); provided, however, that in doing so the Buyer shall be entitled to select market participants that are of the highest credit standing and that otherwise satisfy all the criteria that the Buyer applies generally at the time in deciding whether to enter into an interest rate protection transaction.

(b) On the same day at approximately the same time, the Buyer shall request from each of the ReferenceMarket-makers it has selected a quotation of the amount in Dollars which that Reference Market-maker would charge on the Early Termination Date as a flat amount for entering into an agreement (the "Replacement Transaction"), effective on the Early Termination Date, pursuant to which it would be obligated to make all the payments scheduled to be made by the Seller under Section 2 of this Agreement after the Early Termination Date.

(c) The Market Quotation shall be the arithmetic mean (rounded up, if necessary, to the nearest cent) of the amounts described in Section 12(b) that are quoted

to the Buyer by the Reference Market-makers it has selected or, if only one Reference Market-maker will quote such a fee, the Market Quotation shall be the amount quoted by that Reference Market-maker.

Section 13. Costs and Expenses.

(a) Each of the parties shall pay, or reimburse the other on demand for, all stamp, registration, documentation or similar taxes or duties, and any penalties or interest that may be due with respect thereto, that may be imposed by any jurisdiction in respect of its execution or delivery of this Agreement. If any such tax or duty is imposed by any jurisdiction as the result of the conduct or status of both parties, each party shall pay one half of the amount of the tax or duty.

(b) The Seller shall pay, or reimburse the Buyer on demand for, all reasonable costs and expenses incurred by the Buyer in connection with enforcement of its rights under this Agreement or as a consequence of a Termination Event, including, without limitation, fees and expenses of legal counsel.

Section 14. Nonassignment. Neither party shall assign or otherwise transfer its rights or obligations hereunder or any interest herein to any other Person or any of its other branches or offices without the prior written consent of the other party to this Agreement and Freddie Mac, unless the assignment or transfer by the Seller is pursuant to Section 5 or Section 6 and provided that:

(a) the Seller gives the Buyer ten (10) Business Days' prior written notice of the assignment or transfer;

(b) the assignee or transferee meets the criteria set forth in Section 5(a) or Section 6(b)(i), as the case may be;

(c) the credit policies of the Buyer or Freddie Mac at the time would permit the Buyer to purchase an interest rate cap from the assignee or transferee;

(d) a Termination Event does not occur as a result of such transfer;

(e) on or prior to the effective date of the transfer, this Agreement (including, without limitation, any Tax covenants (if any) in Exhibit B to this Agreement) and all other related documents shall have been amended to reflect the transfer in a manner reasonably satisfactory to Buyer; and

(f) on or prior to the effective date of the transfer, Seller shall have agreed in writing to indemnify and hold harmless Buyer in a manner reasonably satisfactory to Buyer from and against any adverse tax consequences and any related fees, expenses and other losses resulting from the transfer, subject to the following conditions:

(i) notwithstanding Seller's duty to indemnify Buyer, Buyer shall at all times retain sole control and decision-making authority with regard to any tax issues affecting Buyer or related litigation arising from or in connection with said transfer; and (ii) such indemnification shall be made as such expenses are incurred by Buyer and at such time as

Buyer is required to pay any such tax liability, provided that Seller shall not be required to make such indemnification until five (5) Business Days after it has received written notice from Buyer of expenses or liabilities for which Buyer seeks reimbursement.

Any purported transfer in violation of this Section shall be void. The parties are acting for purposes of this Agreement through their respective branches or offices specified in Exhibit A.

The Seller shall not withhold its consent to an assignment or transfer proposed by the Buyer, or by any subsequent assignee or transferee of the Buyer, if the Seller would be entitled to make the payments it is required to make pursuant to Section 2 to the proposed assignee or transferee lawfully and without withholding for or on account of Taxes and the proposed assignee or transferee assumes the obligations of the Buyer under the Tax covenants (if any) of the Buyer in Exhibit B to this Agreement to the satisfaction of the Seller. Notwithstanding the provisions of this Section 14 to the contrary, the Seller consents to the collateral assignment of the Buyer's interest herein to Freddie Mac, its successors and Permitted Assigns. "Permitted Assigns", with respect to Freddie Mac, means any national banking association organized under the laws of the United States, or Deutsche Bank Trust Company Americas, which serves as trustee ("Trustee") of a Freddie Mac-sponsored securitization trust and its successors and assigns. No assignment by Freddie Mac of its security interest in this Agreement shall be effective with respect to the Seller until delivery by Freddie Mac to the Seller of a notification of such assignment, which notification shall include the name and contact information of the Trustee and of the servicer which shall be entitled to act on behalf of the Trustee. Buyer hereby consents to the assignment of Freddie Mac's security interest in this Agreement to any Permitted Assigns. Buyer and Seller agree that, following receipt of such notice, the Trustee or the designated servicer shall be entitled to exercise all rights of Freddie Mac set forth herein; provided, however, that (a) such assignment to a Permitted Assign complies with (i) the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (Public Law 107-56) (The USA PATRIOT Act), (ii) Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001, and relating to Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, (iii) the International Emergency Economic Power Act, 50 U.S.C. §1701 et. seq. and (iv) all other applicable federal and state laws and regulations relating to money laundering or terrorism and (b) any such assignment pursuant to a foreclosure sale or conveyance in lieu thereof shall not result in any gross-up obligation on the part of the Seller with respect to withholding tax in excess of any such obligation existing immediately prior to any such assignment. Accordingly, all payments hereunder shall be made in accordance with Section 3 hereof and to the account of the Servicer as specified in Exhibit A hereto or as otherwise directed by Freddie Mac, regardless of whether the Buyer's interest herein are assigned to Freddie Mac's successors or assigns. The Seller agrees that Freddie Mac may exercise the rights of the Buyer hereunder from time to time, and Buyer agrees that (i) Seller shall be entitled to conclusively rely (without any independent investigation) on Freddie Mac's statement or the Servicer's statement, as the case may be, that the Servicer is entitled to payment under this Agreement, and (ii) Seller shall be held harmless and shall be fully indemnified by Buyer, from and against any and all claims, other than those ultimately determined to be founded on gross negligence or willful misconduct of Seller, and from and against any damages, penalties, judgments, liabilities, losses or expenses (including reasonable attorneys' fees and disbursements) incurred by Seller as a

result of the assertion of any claim, by any person or entity excluding Freddie Mac, arising out of, or otherwise related to, any actions taken or omitted to be taken by Seller in reliance upon any such notice or instruction provided by Freddie Mac (or a Permitted Assign) or Servicer.

Section 15. Waivers: Rights Not Exclusive. No failure or delay by a party in exercising any right hereunder shall operate as a waiver of, or impair, any such right. No single or partial exercise of any such right shall preclude any other or further exercise thereof or the exercise of any other right. No waiver of any such right shall be effective unless given in writing. No waiver of any such right shall be deemed a waiver of any other right hereunder. The right to terminate provided for herein is in addition to, and not exclusive of, any other rights, powers, privileges or remedies provided by law.

Section 16. Interpretation. The section headings in this Agreement are for convenience of reference only and shall not affect the meaning or construction of any provision hereof.

Section 17. Notices. Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Sections 2, 3, 5, 6, 9 or 10 may not be given by facsimile transmission) to the address or number provided (see Exhibit A) and will be deemed effective as indicated:—

(i) if in writing and delivered in person or by courier, on the date it is delivered; (ii) if sent by facsimile transmission, on the date that transmission is received by the recipient; or (iii) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted, unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day. Notwithstanding the foregoing, any notice under the Credit Support Annex shall be sent or delivered by one party to the other party at its address or facsimile number specified in the Credit Support Annex for that purpose.

Section 18. Amendments. This Agreement may be amended only by an instrument in writing executed by the parties hereto and only with the prior written consent of Freddie Mac (or Permitted Assign).

Section 19. Survival. The obligations of the parties under Section 6, Section 11 and Section 13 shall survive payment of the obligations of the parties under Section 2 and Section 4 and the termination of their other obligations hereunder.

Section 20. Jurisdiction; Governing Law.

(a) Any action or proceeding relating in any way to this Agreement shall be brought and enforced initially in any federal court of competent jurisdiction in New York County in the State of New York, or, if such federal court of competent jurisdiction in New York County in the State of New York does not have jurisdiction, in any state court of competent jurisdiction in New York County in the State of New York and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in connection with any such action or proceeding.

(b) This Agreement shall be governed by, and construed in accordance with, the law of the State of New York without reference to its choice of law doctrine.

Section 21. Independence of this Agreement. It is the parties' intention that no other agreements or arrangements between them or any of their affiliates affect the transaction provided for herein except as expressly provided herein. Therefore, except as expressly provided herein, the Seller's obligation to make payments to the Buyer hereunder shall not be subject to early termination or to any condition precedent, no such payment obligation shall be netted against any payment due from the Buyer or any third party under any other agreement or instrument, and neither the Seller nor any third party shall have any right to set off any such payment due from the Seller to the Buyer or withhold any such payment, in whole or in part, pending payment of any amount payable by the Buyer or any third party to the Seller or any third party. In addition, the terms set forth in this provision may not be modified except in a written amendment to this Agreement executed by both parties hereto that (i) is expressly identified in capital letters as modifying this provision (identified by its title) and (ii) deals only with such modification.

Section 22. Waiver of Jury Trial. Each of the Buyer and the Seller, respectively, hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding relating to this Agreement or any Credit Support Document. Each of the Buyer and the Seller (i) certifies that no representative, agent or attorney of the other party or any Credit Support Provider has represented, expressly or otherwise, that such other party would not, in the event of such suit, action or proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other party have been induced to enter into this Agreement and provide for any Credit Support Document, as applicable, by, among other things, the mutual waivers and certifications in this Section.

Section 23. Setoff. The obligation to pay amounts due hereunder shall be absolute and unconditional and shall not be subject to diminution by set-off, recoupment, counterclaim, abatement or otherwise.

Section 24. Counterparts: Integration of Terms. This Agreement may be executed in counterparts, and the counterparts taken together shall be deemed to constitute one and the same agreement. This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto.

Section 25. Contractual Currency. The provision on Contractual Currency set forth in Part 4 of Exhibit A will apply if the Seller or any Credit Support Provider for the Seller is not organized in the United States or is acting through any office outside the United States.

Section 26. Recorded Conversations. Each party and any of its affiliates may electronically record any of its telephone conversations with the other party or with any of the other party's affiliates in connection with this Agreement, and any such recordings may be submitted in evidence in any proceeding to establish any matters pertinent to this Agreement

Section 27. Relationship Between the Parties. Each party represents to the other party that:

(a) **Non-Reliance.** It is acting for its own account, and it has made its own independent decisions to enter into this Agreement and as to whether this Agreement is appropriate or proper for it based solely upon its own judgment and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the other party or any of its affiliates (or its respective representatives) as investment advice or as a recommendation to enter into this Agreement, it being understood that information and explanations related to the terms and conditions of this Agreement will not be considered investment advice or a recommendation to enter into this Agreement. No communication (written or oral) received from the other party or any of its affiliates (or its respective representatives) will be deemed to be an assurance or guarantee as to the expected results of this Agreement.

(b) **Assessment and Understanding.** It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of this Agreement based solely upon its own evaluation of this Agreement (including the present and future results, consequences, risks, and benefits thereof, whether financial, accounting, tax, legal, or otherwise) or that of its own advisers. It is also capable of assuming, and assumes, the risks of this Agreement. It also understands that the terms under which this Agreement may be terminated early are set forth herein.

(c) **Status of Parties.** The other party is not acting as a fiduciary for or an adviser to it in respect of this Agreement, and any agency, brokerage, advisory or fiduciary services that the other party (or any of its affiliates) may otherwise provide to the party (or to any of its affiliates) excludes this Agreement.

Section 28.

(a) **ISDA August 2012 DF Protocol.** If both parties hereto have adhered to the ISDA August 2012 DF Protocol Agreement, as published on August 13, 2012, by ISDA (the "August Protocol Agreement") and have delivered "Matched Questionnaires" (as defined in the August Protocol Agreement), then this Master Agreement shall be deemed to be a "Matched PCA" under the August Protocol Agreement.

(b) **ISDA March 2013 DF Protocol.** If both parties hereto have adhered to the ISDA March 2013 DF Protocol Agreement, as published on March 22, 2013, by ISDA (the "March Protocol Agreement") and have delivered "Matched Questionnaires" (as defined in the March Protocol Agreement), then this Master Agreement shall be deemed to be a "Matched PCA" under the March Protocol Agreement." Certain "swap trading relationship documentation" provisions required by Regulation 23.504 of the Commodity Futures Trading Commission are contained in the March Protocol Agreement.

CREDIT SUPPORT ANNEX

to the Rate Cap Agreement

dated as of July 8, 2015

between

WELLS FARGO BANK, NATIONAL ASSOCIATION (“Party A”)

and

ATAX TEBS III, LLC (“Party B”)

This Annex supplements, forms part of, and is subject to, the above-referenced Agreement, is part of its Schedule and is a Credit Support Document under this Agreement with respect to each party.

Accordingly, the parties agree as follows:

Paragraph 1. Interpretation

(a) **Definitions and Inconsistency.** Capitalized terms not otherwise defined herein or elsewhere in this Agreement have the meanings specified pursuant to Paragraph 12, and all references in this Annex to Paragraphs are to Paragraphs of this Annex. In the event of any inconsistency between this Annex and the other provisions of this Schedule, this Annex will prevail, and in the event of any inconsistency between Paragraph 13 and the other provisions of this Annex, Paragraph 13 will prevail.

(b) **Secured Party and Pledgor.** All references in this Annex to the “Secured Party” will be to either party when acting in that capacity and all corresponding references to the “Pledgor” will be to the other party when acting in that capacity; *provided, however*, that if Other Posted Support is held by a party to this Annex, all references herein to that party as the Secured Party with respect to that Other Posted Support will be to that party as the beneficiary thereof and will not subject that support or that party as the beneficiary thereof to provisions of law generally relating to security interests and secured parties.

Paragraph 2. Security Interest

Each party, as the Pledgor, hereby pledges to the other party, as the Secured Party, as security for its Obligations, and grants to the Secured Party a first priority continuing security interest in, lien on and right of Set-off against all Posted Collateral Transferred to or received by the Secured Party hereunder. Upon the Transfer by the Secured Party to the Pledgor of Posted Collateral, the security interest and lien granted hereunder on that Posted Collateral will be released immediately and, to the extent possible, without any further action by either party.

Reference No. 1690092814205752

Paragraph 3. Credit Support Obligations

(a) **Delivery Amount.** Subject to Paragraphs 4 and 5, upon a demand made by the Secured Party on or promptly following a Valuation Date, if the Delivery Amount for that Valuation Date equals or exceeds the Pledgor's Minimum Transfer Amount, then the Pledgor will Transfer to the Secured Party Eligible Credit Support having a Value as of the date of Transfer at least equal to the applicable Delivery Amount (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the "**Delivery Amount**" applicable to the Pledgor for any Valuation Date will equal the amount by which:

(i) the Credit Support Amount

exceeds

(ii) the Value as of that Valuation Date of all Posted Credit Support held by the Secured Party.

(b) **Return Amount.** Subject to Paragraphs 4 and 5, upon a demand made by the Pledgor on or promptly following a Valuation Date, if the Return Amount for that Valuation Date equals or exceeds the Secured Party's Minimum Transfer Amount, then the Secured Party will Transfer to the Pledgor Posted Credit Support specified by the Pledgor in that demand having a Value as of the date of Transfer as close as practicable to the applicable Return Amount (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the "**Return Amount**" applicable to the Secured Party for any Valuation Date will equal the amount by which:

(i) the Value as of that Valuation Date of all Posted Credit Support held by the Secured Party

exceeds

(ii) the Credit Support Amount.

"**Credit Support Amount**" means, unless otherwise specified in Paragraph 13, for any Valuation Date (i) the Secured Party's Exposure for that Valuation Date plus (ii) the aggregate of all Independent Amounts applicable to the Pledgor, if any, minus (iii) all Independent Amounts applicable to the Secured Party, if any, minus (iv) the Pledgor's Threshold; *provided, however*, that the Credit Support Amount will be deemed to be zero whenever the calculation of Credit Support Amount yields a number less than zero.

Paragraph 4. Conditions Precedent, Transfer Timing, Calculations and Substitutions

(a) **Conditions Precedent.** Each Transfer obligation of the Pledgor under Paragraphs 3 and 5 and of the Secured Party under Paragraphs 3, 4(d)(ii), 5 and 6(d) is subject to the conditions precedent that:

(i) no Event of Default, Potential Event of Default or Specified Condition has occurred and is continuing with respect to the other party; and

(ii) no Early Termination Date for which any unsatisfied payment obligations exist has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the other party.

(b) **Transfer Timing.** Subject to Paragraphs 4(a) and 5 and unless otherwise specified, if a demand for the Transfer of Eligible Credit Support or Posted Credit Support is made by the Notification Time, then the relevant Transfer will be made not later than the close of business on the next Local Business Day; if a demand is made after the Notification Time, then the relevant Transfer will be made not later than the close of business on the second Local Business Day thereafter.

(c) **Calculations.** All calculations of Value and Exposure for purposes of Paragraphs 3 and 6(d) will be made by the Valuation Agent as of the Valuation Time. The Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) of its calculations not later than the Notification Time on the Local Business Day following the applicable Valuation Date (or in the case of Paragraph 6(d), following the date of calculation).

Reference No. 16900928

CSA-2

(d) **Substitutions.**

- (i) Unless otherwise specified in Paragraph 13, upon notice to the Secured Party specifying the items of Posted Credit Support to be exchanged, the Pledgor may, on any Local Business Day, Transfer to the Secured Party substitute Eligible Credit Support (the "Substitute Credit Support"); and
- (ii) subject to Paragraph 4(a), the Secured Party will Transfer to the Pledgor the items of Posted Credit Support specified by the Pledgor in its notice not later than the Local Business Day following the date on which the Secured Party receives the Substitute Credit Support, unless otherwise specified in Paragraph 13 (the "Substitution Date"); *provided* that the Secured Party will only be obligated to Transfer Posted Credit Support with a Value as of the date of Transfer of that Posted Credit Support equal to the Value as of that date of the Substitute Credit Support.

Paragraph 5. Dispute Resolution

If a party (a "Disputing Party") disputes (I) the Valuation Agent's calculation of a Delivery Amount or a Return Amount or (II) the Value of any Transfer of Eligible Credit Support or Posted Credit Support, then (1) the Disputing Party will notify the other party and the Valuation Agent (if the Valuation Agent is not the other party) not later than the close of business on the Local Business Day following (X) the date that the demand is made under Paragraph 3 in the case of (I) above or (Y) the date of Transfer in the case of (II) above, (2) subject to Paragraph 4(a), the appropriate party will Transfer the undisputed amount to the other party not later than the close of business on the Local Business Day following (X) the date that the demand is made under Paragraph 3 in the case of (I) above or (Y) the date of Transfer in the case of (II) above, (3) the parties will consult with each other in an attempt to resolve the dispute and (4) if they fail to resolve the dispute by the Resolution Time, then:

- (i) In the case of a dispute involving a Delivery Amount or Return Amount, unless otherwise specified in Paragraph 13, the Valuation Agent will recalculate the Exposure and the Value as of the Recalculation Date by:

- (A) utilizing any calculations of Exposure for the Transactions (or Swap Transactions) that the parties have agreed are not in dispute;
- (B) calculating the Exposure for the Transactions (or Swap Transactions) in dispute by seeking four actual quotations atmid-market from Reference Market-makers for purposes of calculating Market Quotation, and taking the arithmetic average of those obtained; *provided* that if four quotations are not available for a particular Transaction (or Swap Transaction), then fewer than four quotations may be used for that Transaction (or Swap Transaction); and if no quotations are available for a particular Transaction (or Swap Transaction), then the Valuation Agent's original calculations will be used for that Transaction (or Swap Transaction); and
- (C) utilizing the procedures specified in Paragraph 13 for calculating the Value, if disputed, of Posted Credit Support.

- (ii) In the case of a dispute involving the Value of any Transfer of Eligible Credit Support or Posted Credit Support, the Valuation Agent will recalculate the Value as of the date of Transfer pursuant to Paragraph 13.

Following a recalculation pursuant to this Paragraph, the Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) not later than the Notification Time on the Local Business Day following the Resolution Time. The appropriate party will, upon demand following that notice by the Valuation Agent or a resolution pursuant to (3) above and subject to Paragraphs 4(a) and 4(b), make the appropriate Transfer.

Paragraph 6. Holding and Using Posted Collateral

- (a) **Care of Posted Collateral.** Without limiting the Secured Party's rights under Paragraph 6(c), the Secured Party will exercise reasonable care to assure the safe custody of all Posted Collateral to the extent required by

Reference No. 16900928

applicable law, and in any event the Secured Party will be deemed to have exercised reasonable care if it exercises at least the same degree of care as it would exercise with respect to its own property. Except as specified in the preceding sentence, the Secured Party will have no duty with respect to Posted Collateral, including, without limitation, any duty to collect any Distributions, or enforce or preserve any rights pertaining thereto.

(b) Eligibility to Hold Posted Collateral; Custodians.

(i) **General.** Subject to the satisfaction of any conditions specified in Paragraph 13 for holding Posted Collateral, the Secured Party will be entitled to hold Posted Collateral or to appoint an agent (a "Custodian") to hold Posted Collateral for the Secured Party. Upon notice by the Secured Party to the Pledgor of the appointment of a Custodian, the Pledgor's obligations to make any Transfer will be discharged by making the Transfer to that Custodian. The holding of Posted Collateral by a Custodian will be deemed to be the holding of that Posted Collateral by the Secured Party for which the Custodian is acting.

(ii) **Failure to Satisfy Conditions.** If the Secured Party or its Custodian fails to satisfy any conditions for holding Posted Collateral, then upon a demand made by the Pledgor, the Secured Party will, not later than five Local Business Days after the demand, Transfer or cause its Custodian to Transfer all Posted Collateral held by it to a Custodian that satisfies those conditions or to the Secured Party if it satisfies those conditions.

(iii) **Liability.** The Secured Party will be liable for the acts or omissions of its Custodian to the same extent that the Secured Party would be liable hereunder for its own acts or omissions.

(c) **Use of Posted Collateral.** Unless otherwise specified in Paragraph 13 and without limiting the rights and obligations of the parties under Paragraphs 3, 4(d)(ii), 5, 6(d) and 8, if the Secured Party is not a Defaulting Party or an Affected Party with respect to a Specified Condition and no Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Secured Party, then the Secured Party will, notwithstanding Section 9-207 of the New York Uniform Commercial Code, have the right to:

(i) sell, pledge, rehypothecate, assign, invest, use, commingle or otherwise dispose of, or otherwise use in its business any Posted Collateral it holds, free from any claim or right of any nature whatsoever of the Pledgor, including any equity or right of redemption by the Pledgor; and

(ii) register any Posted Collateral in the name of the Secured Party, its Custodian or a nominee for either.

For purposes of the obligation to Transfer Eligible Credit Support or Posted Credit Support pursuant to Paragraphs 3 and 5 and any rights or remedies authorized under this Agreement, the Secured Party will be deemed to continue to hold all Posted Collateral and to receive Distributions made thereon, regardless of whether the Secured Party has exercised any rights with respect to any Posted Collateral pursuant to (i) or (ii) above.

(d) Distributions and Interest Amount.

(i) **Distributions.** Subject to Paragraph 4(a), if the Secured Party receives or is deemed to receive Distributions on a Local Business Day, it will Transfer to the Pledgor not later than the following Local Business Day any Distributions it receives or is deemed to receive to the extent that a Delivery Amount would not be created or increased by that Transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed to be a Valuation Date for this purpose).

(ii) **Interest Amount.** Unless otherwise specified in Paragraph 13 and subject to Paragraph 4(a), in lieu of any interest, dividends or other amounts paid or deemed to have been paid with respect to Posted Collateral in the form of Cash (all of which may be retained by the Secured Party), the Secured Party will Transfer to the Pledgor at the times specified in Paragraph 13 the Interest Amount to the extent that a Delivery Amount would not be created or increased by that Transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed to be a Valuation Date for this purpose). The Interest Amount or portion thereof not Transferred pursuant to this Paragraph will constitute Posted Collateral in the form of Cash and will be subject to the security interest granted under Paragraph 2.

Paragraph 7. Events of Default

For purposes of Section 5(a)(iii)(1) of this Agreement, an Event of Default will exist with respect to a party if:

- (i) that party fails (or fails to cause its Custodian) to make, when due, any Transfer of Eligible Collateral, Posted Collateral or the Interest Amount, as applicable, required to be made by it and that failure continues for two Local Business Days after notice of that failure is given to that party;
- (ii) that party fails to comply with any restriction or prohibition specified in this Annex with respect to any of the rights specified in Paragraph 6(c) and that failure continues for five Local Business Days after notice of that failure is given to that party; or
- (iii) that party fails to comply with or perform any agreement or obligation other than those specified in Paragraphs 7(i) and 7(ii) and that failure continues for 30 days after notice of that failure is given to that party.

Paragraph 8. Certain Rights and Remedies

(a) **Secured Party's Rights and Remedies.** If at any time (1) an Event of Default or Specified Condition with respect to the Pledgor has occurred and is continuing or (2) an Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Pledgor, then, unless the Pledgor has paid in full all of its Obligations that are then due, the Secured Party may exercise one or more of the following rights and remedies:

- (i) all rights and remedies available to a secured party under applicable law with respect to Posted Collateral held by the Secured Party;
- (ii) any other rights and remedies available to the Secured Party under the terms of Other Posted Support, if any;
- (iii) the right to Set-off any amounts payable by the Pledgor with respect to any Obligations against any Posted Collateral or the Cash equivalent of any Posted Collateral held by the Secured Party (or any obligation of the Secured Party to Transfer that Posted Collateral); and
- (iv) the right to liquidate any Posted Collateral held by the Secured Party through one or more public or private sales or other dispositions with such notice, if any, as may be required under applicable law, free from any claim or right of any nature whatsoever of the Pledgor, including any equity or right of redemption by the Pledgor (with the Secured Party having the right to purchase any or all of the Posted Collateral to be sold) and to apply the proceeds (or the Cash equivalent thereof) from the liquidation of the Posted Collateral to any amounts payable by the Pledgor with respect to any Obligations in that order as the Secured Party may elect.

Each party acknowledges and agrees that Posted Collateral in the form of securities may decline speedily in value and is of a type customarily sold on a recognized market, and, accordingly, the Pledgor is not entitled to prior notice of any sale of that Posted Collateral by the Secured Party, except any notice that is required under applicable law and cannot be waived.

(b) **Pledgor's Rights and Remedies.** If at any time an Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Secured Party, then (except in the case of an Early Termination Date relating to less than all Transactions (or Swap Transactions) where the Secured Party has paid in full all of its obligations that are then due under Section 6(e) of this Agreement):

- (i) the Pledgor may exercise all rights and remedies available to a pledgor under applicable law with respect to Posted Collateral held by the Secured Party;
- (ii) the Pledgor may exercise any other rights and remedies available to the Pledgor under the terms of Other Posted Support, if any;

Reference No. 16900928

(iii) the Secured Party will be obligated immediately to Transfer all Posted Collateral and the Interest Amount to the Pledgor; and

(iv) to the extent that Posted Collateral or the Interest Amount is not so Transferred pursuant to (iii) above, the Pledgor may:

(A) Set-off any amounts payable by the Pledgor with respect to any Obligations against any Posted Collateral or the Cash equivalent of any Posted Collateral held by the Secured Party (or any obligation of the Secured Party to Transfer that Posted Collateral); and

(B) to the extent that the Pledgor does not Set-off under (iv)(A) above, withhold payment of any remaining amounts payable by the Pledgor with respect to any Obligations, up to the Value of any remaining Posted Collateral held by the Secured Party, until that Posted Collateral is Transferred to the Pledgor.

(c) **Deficiencies and Excess Proceeds.** The Secured Party will Transfer to the Pledgor any proceeds and Posted Credit Support remaining after liquidation, Set-off and/or application under Paragraphs 8(a) and 8(b) after satisfaction in full of all amounts payable by the Pledgor with respect to any Obligations; the Pledgor in all events will remain liable for any amounts remaining unpaid after any liquidation, Set-off and/or application under Paragraphs 8(a) and 8(b).

(d) **Final Returns.** When no amounts are or thereafter may become payable by the Pledgor with respect to any Obligations (except for any potential liability under Section 2(d) of this Agreement), the Secured Party will Transfer to the Pledgor all Posted Credit Support and the Interest Amount, if any.

Paragraph 9. Representations

If any amount due hereunder is not paid when due, interest shall accrue on that amount to the extent permitted by applicable law at a rate per annum equal for each day that amount remains unpaid to the sum of 1% and the rate per annum equal to the cost (without proof or evidence of any actual cost) to the intended payee (as certified by it) if it were to fund or of funding the relevant amount for that day.

Section 5. Supervening Illegality. If it becomes unlawful for either party to make any payment to be made by it hereunder, as a result of the adoption of, or any change in, or

change in the interpretation of, any law, regulation or treaty, that party shall give notice to that effect to the other party and shall use reasonable efforts (a) to assign or transfer its rights and obligations under this Agreement, subject to Section 14, to another of its branches, offices or affiliates, or to any leading participant in the interest rate cap market, that may make those payments lawfully and without withholding for or on account of Taxes or (b) to agree with that other party to modify this Agreement or change the method of payment hereunder so that the payment will not be unlawful. If an assignment or agreement is not made as provided herein on or before the tenth Business Day after that notice becomes effective, either party may give notice of termination as provided in Section 10.

Section 6. Taxes.

(a) For the purpose of this Agreement, the Buyer hereby represents that it is a “United States person” for purposes of the United States Internal Revenue Code of 1986, as amended, and the Seller makes the representations set out in “B” of Exhibit B. Except as otherwise required by law, each payment hereunder shall be made without withholding for or on account of Taxes. If a party is required to make any withholding from any payment under this Agreement for or on account of Taxes, it shall:

(i) make that withholding;

(ii) make timely payment of the amount withheld to the appropriate governmental authority;

(iii) forthwith pay the other party such additional amount as may be necessary to ensure that the net amount actually received by it free and clear of Taxes (including any Taxes on the additional amount) is equal to the amount that it would have received had no Taxes been withheld; and

(iv) on or before the thirtieth day after payment, send the payee the original or a certified copy of an official tax receipt evidencing that payment; provided, however, that if the representation and warranty made by a party in Section 7(c) proves not to have been true when made or, if repeated on each Payment Date, would not then be true, or if a party fails to perform or observe any of its covenants set forth in Section 7 or Section 8, the other party shall be under no obligation to pay any additional amount hereunder to the extent that the withholding would not have been required if the representation and warranty had been true when made, or would have been true if so repeated, or if the failure had not occurred.

(b) If a party would be required to make any withholding for or on account of Taxes and pay any additional amount as provided in Section 6(a) with respect to any payment to be made by it in accordance with Section 2, it shall give notice to that effect to the other party and shall use reasonable efforts

(i) to assign or transfer its rights and obligations under this Agreement, subject to Section 14, to another of its branches, offices or affiliates, or to any leading participant in the interest rate cap market, that may make the payments to be made by it hereunder lawfully and without withholding for or on account of Taxes; or

(ii) to agree with that other party to modify this Agreement or change the method of payment hereunder so that those payments will not be subject to the withholding. If an assignment or agreement is not made as provided herein on or before the tenth day after that notice becomes effective, the party that would be required to make the withholding may give notice of termination as provided in Section 10.

Section 7. Representations and Warranties.

(a) Each of the parties makes the representations and warranties set forth below to the other as of the date hereof:

(i) It is duly organized and validly existing and has the corporate, partnership or other power as a company and the authority to execute and deliver this Agreement and to perform its obligations hereunder;

(ii) It has taken all necessary action to authorize its execution and delivery of this Agreement and the performance of its obligations hereunder;

(iii) All governmental authorizations and actions necessary in connection with its execution and delivery of this Agreement and the performance of its obligations hereunder have been obtained or performed and remain valid and in full force and effect;

(iv) This Agreement has been duly executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with the terms of this Agreement, subject to all applicable bankruptcy, insolvency, moratorium and similar laws affecting creditors' rights generally;

(b) The Seller makes the following additional representations and warranties to the Buyer:

(i) No event or condition that constitutes (or that with the giving of notice or the lapse of time or both would constitute) a Termination Event with respect to it has occurred and is continuing or will occur by reason of its entering into or performing its obligations under this Agreement;

(ii) There are no actions, proceedings or claims pending or, to its knowledge, threatened, the adverse determination of which might have a materially adverse effect on its ability to perform its obligations under, or affect the validity or enforceability against it of, this Agreement;

(iii) Each of the documents delivered by the Seller hereunder is, as of the date stated in such document, true, accurate and complete in every material respect or, in the case of financial statements, fairly presents the condition of the Person indicated therein; and

(iv) Seller covenants, (RBC) represents and warrants that it is and shall, be the reporting party for the Transaction if and to the extent such reporting is required pursuant to Section 4(a)(3) of the Commodity Exchange Act, as amended (“CEA”), and shall in such case, report the Transaction to a Swap Data Repository (as defined in Section 1(a)(48) of the CEA, pursuant to any requirements of 17 CFR Part 43, 45 and 46 applicable to the Transaction.

(c) In addition, if an Exhibit B on Tax Representations and Covenants is made a part of this Agreement, each of the Buyer and the Seller makes the representations and warranties set forth therein to the other and covenants as set forth therein with the other with respect to certain matters relating to Taxes.

Section 8. Documents. At or before the time of execution of this Agreement by the Buyer, the Seller shall deliver to the Buyer evidence of the truth and accuracy of the Seller’s representations in subsections (ii) and (iii) of Section 7(a) as well as evidence of the authority, incumbency and specimen signature of each Person authorized to execute and deliver this Agreement or any other document to be delivered by the Seller under this Agreement on behalf of the Seller. In addition, the Seller shall deliver to the Buyer at the times specified in Part 2 of Exhibit A, each of the documents there specified.

Section 9. Termination Events. For purposes of this Agreement, “Termination Event” means each of the events and circumstances listed below:

(a) The Seller fails to pay any amount payable by it hereunder as and when that amount becomes payable and does not remedy that failure on or before the third Local Business Day after notice from the Buyer of the failure;

(b) Any representation or warranty made by the Seller in this Agreement, other than in Section 7(c), or made by any Credit Support Provider in any Credit Support Document (or document related thereto) delivered hereunder proves to have been incorrect, incomplete or misleading in any material respect at the time it was made, or the Seller fails to deliver any document it is required to deliver as provided in Part 2 of Exhibit A and does not remedy that failure on or before the thirtieth day after notice from the Buyer of the failure or, in the case of failure to deliver a Credit Support Document, does not remedy that failure immediately;

(c) The Seller or any Credit Support Provider becomes the subject of any action or proceeding for relief under any bankruptcy or insolvency law or any law affecting creditors’ rights that is similar to a bankruptcy or insolvency law or law relating to the composition of debts or seeks or becomes subject to the appointment of a receiver, custodian or similar official for it or any of its property or fails or is unable to pay its debts generally as they fall due;

(d) The Seller or any Credit Support Provider fails to pay any amount payable by it to the Buyer under any other agreement or under any instrument of the Seller or any Credit Support Provider held by the Buyer and does not remedy that failure during any applicable cure period;

(e) (i) There occurs a default, an event of default or another similar condition or event (however described) in respect of the Seller or any Credit Support Provider for the Seller under one or more agreements or instruments relating to Specified Indebtedness in an aggregate amount of not less than the Threshold Amount and as a result such Specified Indebtedness has been or may be declared due and payable before it would otherwise have been due and payable or (ii) there occurs a default by the Seller or any such Credit Support Provider in making one or more payments on the due date thereof in an aggregate amount of not less than the Threshold Amount under any such agreements or instruments or under any Specified Transaction (after giving effect to any applicable notice requirement or grace period) or (iii) the combined amounts of Specified Indebtedness covered by clauses (i) and (ii) at least equal the Threshold Amount.

For this purpose, "Specified Indebtedness," with respect to any Person, means all obligations of that Person (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money; "Specified Transaction" means any rate swap, currency swap, cross currency swap, commodity-price swap, equity, equity-index, debt-linked or debt-index-linked swap, rate cap, floor or collar, forward rate agreement, forward or spot foreign exchange transaction, interest rate, currency or commodity-price option, any cash-settled option on a security or index or group of securities, any combination of any of the foregoing and any similar transaction; and "Threshold Amount" means U.S. \$10,000,000 (or the equivalent in any other currency or currencies);

(f) Any Credit Support Provider fails to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document to which it is a party if the failure is not remedied during any applicable cure period; or any Credit Support Document expires or terminates or fails or ceases to be in full force and effect (in either case, other than in accordance with its terms) prior to the satisfaction of all obligations of the Seller under this Agreement; or any Credit Support Provider or any Person purporting to act on its behalf disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, any Credit Support Document to which it is a party;

(g) The Seller or any Credit Support Provider consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity, and the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of the Seller or such Credit Support Provider (as the case may be) as determined by the Buyer or Freddie Mac immediately prior to such action; or

(h) Standard & Poor's suspends or withdraws Party A's long-term credit rating or lowers Party A's long-term credit rating below "BBB+" or Moody's suspends or withdraws Party A's long-term credit rating or lowers Party A's long-term credit rating below "Baa1".

Section 10. Early Termination.

(a) At any time while a Termination Event is continuing, the Buyer may, with the prior written consent of Freddie Mac, or Freddie Mac may, in its absolute discretion, give notice of termination in accordance with this Section. If a party gives notice of supervening illegality, either party may give notice of termination in accordance with this Section in the circumstances described in Section 5. If a party is required to pay any additional amount pursuant to Section 6, it may give notice of termination in accordance with this Section in the circumstances described in Section 6.

(b) Any notice of termination hereunder

(i) shall state the grounds for termination;

(ii) shall specify a date that is not before, nor more than 10 days after, the date the notice of early termination is given on which the payments required by Section 11 shall be made as provided therein (the "Early Termination Date"); and

(iii) shall declare the obligations of the Seller to make the payments required by Section 2 that are scheduled to be made after the Early Termination Date to be terminated as of that date, and those obligations shall so terminate and be replaced by the parties' obligations to make the payments specified in Section 11.

Section 11. Payments Upon Early Termination.

(a) If notice of termination is given pursuant to Section 10, the Seller shall pay the Buyer its Damages.

(b) The Buyer's Damages in the event of early termination shall be the Market Quotation, if it can be determined. If it cannot be determined, the Buyer's Damages shall be an amount in Dollars equal to the sum of the losses (including loss of bargain) determined by the Buyer that it may incur as a result of the early termination or as a result of the event that served as the ground for early termination.

(c) Payments to be made in accordance with this Section shall be made on the Early Termination Date. If the Buyer is entitled to be paid any amount in respect of its Damages in accordance with this Section, it shall submit to the Seller a statement in reasonable detail of those Damages.

Section 12. Market Quotation.

(a) For the purpose of determining the Market Quotation, the Buyer shall select, with the consent of Freddie Mac, four leading participants in the interest rate cap market (each a "Reference Market-maker"), in its sole discretion and in good faith, with a view to minimizing the Market Quotation (to the extent required by law); provided, however, that in doing so the Buyer shall be entitled to select market participants that are of the highest credit standing and that otherwise satisfy all the criteria that the Buyer applies generally at the time in deciding whether to enter into an interest rate protection transaction.

(b) The Buyer shall request from each of the Reference Market-makers it has selected a quotation of the amount in Dollars which that Reference Market-maker would charge on the Early Termination Date as a flat amount for entering into an agreement, effective on the Early Termination Date, pursuant to which it would be obligated to make all the payments scheduled to be made by the Seller under Section 2 of this Agreement after the Early Termination Date.

(c) The Market Quotation shall be the arithmetic mean (rounded up, if necessary, to the nearest cent) of the amounts described in Section 12(b) that are quoted to the Buyer by the Reference Market-makers it has selected or, if only one Reference Market-maker will quote such a fee, the Market Quotation Value shall be the amount quoted by that Reference Market-maker.

Section 13. Costs and Expenses.

(a) Each of the parties shall pay, or reimburse the other on demand for, all stamp, registration, documentation or similar taxes or duties, and any penalties or interest that may be due with respect thereto, that may be imposed by any jurisdiction in respect of its execution or delivery of this Agreement. If any such tax or duty is imposed by any jurisdiction as the result of the conduct or status of both parties, each party shall pay one half of the amount of the tax or duty.

(b) The Seller shall pay, or reimburse the Buyer on demand for, all reasonable costs and expenses incurred by the Buyer in connection with enforcement of its rights under this Agreement or as a consequence of a Termination Event, including, without limitation, fees and expenses of legal counsel.

Section 14. Nonassignment. Neither party shall assign or otherwise transfer its rights or obligations hereunder or any interest herein to any other Person or any of its other branches or offices without the prior written consent of the other party to this Agreement and Freddie Mac, unless the assignment or transfer by the Seller is pursuant to Section 5 or Section 6 and provided that:

(a) the Seller gives the Buyer 10 Business Days' prior written notice of the assignment or transfer;

-
- (b) the assignee or transferee meets the criteria set forth in Section 5(i) or Section 6(b), as the case may be;
 - (c) the credit policies of the Buyer or Freddie Mac at the time would permit the Buyer to purchase an interest rate cap from the assignee or transferee without credit support;
 - (d) a Termination Event does not occur as a result of such transfer;
 - (e) on or prior to the effective date of the transfer, this Agreement (including, without limitation, any Tax covenants (if any) in Exhibit B to this Agreement) and all other related documents shall have been amended to reflect the transfer in a manner reasonably satisfactory to Buyer; and
 - (f) on or prior to the effective date of the transfer, Seller shall have agreed in writing to indemnify and hold harmless Buyer in a manner reasonably satisfactory to Buyer from and against any adverse tax consequences and any related fees, expenses and other losses resulting from the transfer, subject to the following conditions: (i) notwithstanding Seller's duty to indemnify Buyer, Buyer shall at all times retain sole control and decision-making authority with regard to any tax issues affecting Buyer or related litigation arising from or in connection with said transfer; and (ii) such indemnification shall be made as such expenses are incurred by Buyer- and at such time as Buyer is required to pay any such tax liability, provided that Seller shall not be required to make such indemnification until five Business Days after it has received written notice from Buyer of expenses or liabilities for which Buyer seeks reimbursement.

Any purported transfer in violation of this Section shall be void, The parties are acting for purposes of this Agreement through their respective branches or offices specified in Exhibit A.

The Seller shall not withhold its consent to an assignment or transfer proposed by the Buyer, or by any subsequent assignee or transferee of the Buyer, if the Seller would be entitled to make the payments it is required to make pursuant to Section 2 to the proposed assignee or transferee lawfully and without withholding for or on account of Taxes and the proposed assignee or transferee assumes the obligations of the Buyer under the Tax covenants (if any) of the Buyer in Exhibit B to this Agreement to the satisfaction of the Seller. Notwithstanding the provisions of this Section 14 to the contrary, the Seller consents to the assignment of the Buyer's interest herein ultimately to Freddie Mac. Accordingly, all payments hereunder shall be made in accordance with Section 3 hereof and to the account of the Servicer as specified in Exhibit A hereto. The Seller agrees that Freddie Mac may exercise the rights of the Buyer hereunder from time to time, and Buyer agrees that the Seller may rely conclusively on the written instructions of Freddie Mac to Seller made pursuant to this Agreement.

Section 15. Waivers: Rights Not Exclusive. No failure or delay by a party in exercising any right hereunder shall operate as a waiver of, or impair, any such right.

No

single or partial exercise of any such right shall preclude any other or further exercise thereof or the exercise of any other right. No waiver of any such right shall be effective unless given in writing. No waiver of any such right shall be deemed a waiver of any other right hereunder. The right to terminate provided for herein is in addition to, and not exclusive of, any other rights, powers, privileges or remedies provided by law.

Section 16. Interpretation. The section headings in this Agreement are for convenience of reference only and shall not affect the meaning or construction of any provision hereof.

Section 17. Notices. All notices in connection with this Agreement shall be given by telex or cable or by notice in writing hand-delivered or sent by facsimile transmission or by airmail, postage prepaid. All such notices shall be sent to the telex or telecopier number or address (as the case may be) specified for the intended recipient in Exhibit A (or to such other number or address as that recipient may have last specified by notice to the other party). All such notices shall be effective upon receipt, and confirmation by answerback of any notice sent by telex as provided herein shall be sufficient evidence of receipt thereof, and telephone confirmation of receipt of any facsimile transmission in accordance with Exhibit A shall be sufficient evidence of receipt thereof.

Section 18. Amendments. This Agreement may be amended only by an instrument in writing executed by the parties hereto.

Section 19. Survival. The obligations of the parties under Section 6, Section II and Section 13 shall survive payment of the obligations of the parties under Section 2 and Section 4 and the termination of their other obligations hereunder.

Section 20. Jurisdiction; Governing Law.

(a) Any action or proceeding relating in any way to this Agreement may be brought and enforced in the courts of the State of New York or of the United States for the Southern District of New York, and each of the parties irrevocably submits to the nonexclusive jurisdiction of each such court in connection with any such action or proceeding.

(b) This Agreement shall be governed by, and construed in accordance with, the law of the State of New York without reference to its choice of law doctrine.

Section 21. Independence of this Agreement. It is the parties' intention that no other agreements or arrangements between them or any of their affiliates affect the transaction provided for herein except as expressly provided herein. Therefore, except as expressly provided herein, the Seller's obligation to make payments to the Buyer hereunder shall not be subject to early termination or to any condition precedent, no such payment obligation shall be netted against any payment due from the Buyer or any third party under any other agreement or instrument, and neither the Seller nor any third party shall have any right to set off any such payment due from the Seller to the Buyer or withhold any such payment, in whole or in part, pending payment of any amount payable by the Buyer or any third party to the Seller or any third party. In addition, the terms set forth in this provision

may not be modified except in a written amendment to this Agreement executed by both parties hereto that (i) is expressly identified in capital letters as modifying this provision (identified by its title) and (ii) deals only with such modification.

Section 22. Waiver of Jury Trial. Each of the Buyer and the Seller, respectively, hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding relating to this Agreement or any Credit Support Document. Each of the Buyer and the Seller (i) certifies that no representative, agent or attorney of the other party or any Credit Support Provider has represented, expressly or otherwise, that such other party would not, in the event of such suit, action or proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other party have been induced to enter into this Agreement and provide for any Credit Support Document, as applicable, by, among other things, the mutual waivers and certifications in this Section.

Section 23. Setoff. The obligation to pay amounts due hereunder shall be absolute and unconditional and shall not be subject to diminution by set-off, recoupment, counterclaim, abatement or otherwise.

Section 24. Counterparts: Integration of Terms. This Agreement may be executed in counterparts, and the counterparts taken together shall be deemed to constitute one and the same agreement. This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto.

Section 25. Contractual Currency. The provision on Contractual Currency set forth in Part 4 of Exhibit A will apply if the Seller or any Credit Support Provider for the Seller is not organized in the U.S. or is acting through any office outside the U.S.

IN WITNESS WHEREOF the parties have caused this Agreement to be duly executed and delivered as of the day and year first written above.

Section 2. Payments. All payments hereunder shall be made to the account of the intended payee specified in Exhibit A, or to such other account that party may have last specified by notice to the party required to make the payment. All such payments shall be made in funds settled through the Federal Reserve, Wire Network or such comparable same-day electronic fund transfer clearing system as is customary at the time for the settlement in New York City of banking transactions denominated in Dollars.

If any amount due hereunder is not paid when due, interest shall accrue on that amount for each day such amount remains unpaid at a rate per annum equal to the sum of (x) one percent (1%) and (y) the rate per annum equal to the cost (without proof or evidence of any actual cost) to the intended payee (as certified by it) if it were to fund, or for funding of, the relevant amount for that day.

If an assignment or agreement is not made as provided herein on or before the tenth Business Day after that notice becomes effective, either party may give notice of termination as provided in Section 11.

Section 6. Taxes.

(a) Except as otherwise required by law, each payment hereunder shall be made without withholding for or on account of Taxes. If a party is required to make any withholding from any payment under this Agreement for or on account of Taxes, it shall:

(i) make that withholding;

(ii) make timely payment of the amount withheld to the appropriate governmental authority;

(iii) forthwith pay the other party such additional amount as may be necessary to ensure that the net amount actually received by it free and clear of Taxes (including any Taxes on the additional amount) is equal to the amount that it would have received had no Taxes been withheld; and

(iv) on or before the thirtieth day after payment, send the payee the original or a certified copy of an official tax receipt evidencing that payment; provided, however, that if the representation and warranty made by a party in Section 7(d) proves not to have been true when made or, if repeated on each Payment Date, would not then be true, or if a party fails to perform or observe any of its covenants set forth in Section 7 or Section 8, the other party shall be under no obligation to pay any additional amount hereunder to the extent that the

withholding would not have been required if the representation and warranty had been true when made, or would have been true if so repeated, or if the failure had not occurred.

(b) If a party would be required to make any withholding for or on account of Taxes and pay any additional amount as provided in Section 6(a) with respect to any payment to be made by it in accordance with Section 2, it shall give notice to that effect to the other party and shall use reasonable efforts

(i) to assign or transfer its rights and obligations under this Agreement, subject to Section 15, to another of its branches, offices or affiliates, or to any leading participant in the interest rate cap market, that may make the payments to be made by it hereunder lawfully and without withholding for or on account of Taxes; or

(ii) to agree with that other party to modify this Agreement or change the method of payment hereunder so that those payments will not be subject to the withholding. (c) In addition, each party agrees with the other that it will deliver to the other party any forms, documents or certificates relating to taxation and observe any covenants set forth in Exhibit B.

(v) Each of the documents delivered by it hereunder is, as of the date stated in such document, true, accurate and complete in every material respect or, in the case of financial statements, fairly presents the condition of the Person indicated therein.

(b) The Buyer makes the following representations and warranties to the Seller:

(i) It is an Eligible Contract Participant as defined in Section 1a of the Commodity Exchange Act, as amended (“CEA”).

(ii) It is not a Special Entity as defined in Section 17 CFR 23.40 I(c) (a governmental entity, employee benefit plan or an endowment).

(c) The Seller makes the following additional representations and warranties to the Buyer:

(i) No event or condition that constitutes (or that with the giving of notice or the lapse of time or both would constitute) a Termination Event with respect to it has occurred and is continuing or will occur by reason of its entering into or performing its obligations under this Agreement;

(ii) There are no actions, proceedings or claims pending or, to its knowledge, threatened, the adverse determination of which might have a materially adverse effect on its ability to perform its obligations under, or affect the validity or enforceability against it of this Agreement;

(iv) Seller shall be the reporting party for the Transaction pursuant to the requirements of 17 CFR 45.8(a).

(d) In addition, each of the Buyer and the Seller makes the representations and warranties set forth in Exhibit B hereof to the other and covenants as set forth therein with the other with respect to certain matters relating to Taxes.

Section 8. Documents. At or before the time of execution of this Agreement each party shall deliver to the other party evidence of the truth and accuracy of such party’s representations in subsections (ii) and (iii) of Section 7(a) as well as evidence of the authority, incumbency and specimen signature of each Person authorized to execute and deliver this Agreement or any other document to be delivered under this Agreement. In addition, the Seller shall deliver to the Buyer at the times specified in Part 2 of Exhibit A, each of the documents there specified.

Section 9. Termination Events. (a) For purposes of this Agreement, “Termination Event” means each of the events and circumstances listed below:

(i) The Seller fails to pay any amount payable by it hereunder as and when that amount becomes payable and does not remedy that failure on or before the third Local Business Day after notice from the Buyer of the failure;

(ii) Any representation or warranty made by the Seller in this Agreement, other than in Section 7(d), or made by any Credit Support Provider in any Credit Support Document (or document related thereto) delivered hereunder proves to have been incorrect, incomplete or misleading in any material respect at the time it was made, or the Seller fails to deliver any document it is required to deliver as provided in Part 2 of Exhibit A and does not remedy that failure on or before the thirtieth day after notice from the Buyer of the failure or, in the case of failure to deliver a Credit Support Document, does not remedy that failure immediately;

(iii) The Seller or any Credit Support Provider for the Seller becomes the subject of any action or proceeding for relief under any bankruptcy or insolvency law or any law affecting creditors' rights that is similar to a bankruptcy or insolvency law or law relating to the composition of debts or seeks or becomes subject to the appointment of a receiver, custodian or similar official for it or any of its property or fails or is unable to pay its debts generally as they fall due;

(iv) The Seller or any Credit Support Provider for the Seller fails to pay any amount payable by it to the Buyer under any other agreement or under any instrument of the Seller or any Credit Support Provider held by the Buyer and does not remedy that failure during any applicable cure period;

(v) The Seller or any Credit Support Provider for the Seller fails to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document to which it is a party if the failure is not remedied during any applicable cure period; or any Credit Support Document expires or terminates or fails or ceases to be in full force and effect (in either case, other than in accordance with its terms) prior to the satisfaction of all obligations of the Seller under this Agreement; or the Seller or any Credit Support Provider for the Seller or any Person purporting to act on its behalf disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, any Credit Support Document to which it is a party

(vi) (i) There occurs a default, an event of default or another similar condition or event (however described) in respect of the Seller or any Credit Support Provider for the Seller under one or more agreements or instruments relating to Specified Indebtedness in an aggregate amount of not less than the Threshold Amount and as a result such Specified Indebtedness has been or may be declared due and payable before it would otherwise have been due and payable or (ii) there occurs a default by the Seller or any such Credit Support Provider in making one or more payments on the due date thereof in an aggregate amount of not less than the Threshold Amount under any such agreements or instruments or under any Specified Transaction (after giving effect to any applicable notice requirement or grace period) or (iii) the combined amounts of Specified Indebtedness covered by clauses (i) and (ii) at least equal the Threshold Amount.

For this purpose, "Specified Indebtedness", with respect to any Person, means all obligations of that Person (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money but shall exclude deposits received in the ordinary course of the Seller's banking business or the banking business of the Seller's Credit Support Provider; "Specified Transaction" means any (i) rate swap transaction, swap option, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross currency rate swap transaction, currency option, credit protection transaction, credit swap, credit default swap, credit default option, total return swap, credit spread transaction, repurchase transaction, reverse repurchase transaction, buy/sell-back transaction, securities lending transaction, weather index transaction, futures contract (whether exchange traded or otherwise) or forward purchase or sale of a security, commodity or other financial instrument or interest (including any option with respect to any of these transactions) or (ii) which is a type of transaction that is similar to any transaction referred to in clause (i) above that is currently, or in the future becomes, recurrently entered into in the financial markets (including terms and conditions incorporated by reference in such agreement) and which is a forward, swap, future (whether exchange traded or otherwise), option or other derivative on one or more rates, currencies, commodities, equity securities or other equity instruments, debt securities or other debt instruments, economic indices or measures of economic risk or value, or other benchmarks against which payments or deliveries are to be made and any combination of any of these transactions; and "Threshold Amount" means U.S. \$50,000,000 (or the equivalent in any other currency or currencies);

(vii) The Seller or any Credit Support Provider for the Seller consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity, and the creditworthiness of the resulting, surviving or transferee entity after such consolidation, amalgamation, merger or transfer of assets is materially weaker than that of the Seller or such Credit Support Provider (as the case may be) immediately prior to such action as determined by the Buyer or Freddie Mac; or

(viii) If at any time the long term unsecured and unsubordinated indebtedness or deposits (the "**Long Term Senior Debt**" of the Credit Support Provider of the Seller are rated below A+ by S&P (or such rating is suspended or withdrawn) or below A1 by Moody's (or such rating is suspended or withdrawn), and Seller fails to post collateral to Buyer or assign Seller's interest in this Agreement pursuant to Section 10(a) hereof.

(ix) At the option of the Buyer if at any time the Long Term Senior Debt of the Credit Support Provider of the Seller are rated below A- by S&P (or such rating is suspended or withdrawn) or below A3 by Moody's (or such rating is suspended or withdrawn);

(x) The Seller shall fail to comply with the provisions of Section 10(a) hereof.

(b) Seller shall notify Buyer upon the occurrence of a Termination Event identified in Sections 9(a)(iii), (v) or (vi) hereof.

Section 10. Collateralization or Seller Replacement Event. (a) In the event that the Long Term Senior Debt of the Credit Support Provider for the Seller shall be below A1 by Moody's or A+ by S&P, (such event being referred to herein as a "Credit Event"), within five Local Business Days of such Credit Event either (1) Seller's obligations hereunder shall be collateralized on the terms and subject to the conditions set forth in this Agreement and in the Collateral Trust Agreement dated as of May 8, 2014 between the Seller and U.S. Bank National Association ("USB"), as supplemented from time to time, and incorporated by reference herein (the "Collateral Trust Agreement"), a copy of which is attached as Exhibit C hereto, or (2) at Seller's sole cost and expense, Seller shall obtain a replacement counterparty who shall enter into an Agreement with Buyer on substantially the same terms as contained in this Agreement. Until such replacement counterparty is in place, Seller shall continue to perform its obligations under this Agreement. Such replacement counterparty must be approved by Freddie Mac and acceptable to Buyer in its sole discretion. Seller's failure to comply with this provision will constitute a Termination Event for purposes of this Agreement.

Upon the occurrence of a Credit Event, and upon each subsequent change to the Long Term Senior Debt of the Credit Support Provider for the Seller, the Seller shall give notice to that effect to the Buyer, but failure to provide such notice shall not result a Termination Event if Seller shall otherwise have provided Buyer collateral or obtained a replacement counterparty on the terms and subject to the conditions set forth in this Agreement and in the Collateral Trust Agreement.

(b) The amount of Collateral posted pursuant to section 10(a)(1) above will be calculated as a mid-market estimate of the value of this Agreement as of the date of the Credit Event and the collateral will be posted to USB.

The parties acknowledge that the calculation of the mid-market value used to determine the amount of collateral posted pursuant to the Collateral Trust Agreement may result in a value different than the Damages payable in connection with an early termination of this Agreement as calculated in Section 12(b) hereof. The cost to replace this Agreement with a new interest rate cap provider would be determined by a variety of factors, such as the then-current market conditions, and documentation requirements and credit rating requirements of the replacement transaction.

Section 11. Early Termination.

(a) At any time while a Termination Event is continuing, the Buyer may, with the prior written consent of Freddie Mac, or Freddie Mac may, in its absolute discretion, give notice of termination in accordance with this Section. If a party gives notice of supervening illegality, either party may give notice of termination in accordance with this Section in the circumstances described in Section 5. If a party is required to pay any additional amount pursuant to Section 6, it may give notice of termination in accordance with this Section in the circumstances described in Section 6.

(b) Any notice of termination hereunder

(i) shall state the grounds for termination;

(ii) shall specify a date that is not before, nor more than 10 days after, the date the notice of early termination is given on which the payments required by Section 1 shall be made as provided therein (the "Early Termination Date"); and

(iii) shall declare the obligations of the Seller to make the payments required by Section 2 that are scheduled to be made after the Early Termination Date to be terminated as of that date, and those obligations shall so terminate and be replaced by the parties' obligations to make the payments specified in Section 12.

Section 12. Payments Upon Early Termination.

(a) If notice of termination is given pursuant to Section 11, the Seller shall pay the Buyer an amount in Dollars determined pursuant to this Section 12 (the "Damages").

(b) The Buyer's Damages in the event of early termination shall be the Market Quotation, if it can be determined and the Unpaid Amounts owing to the Buyer in respect of this Agreement. If it cannot be determined, the Buyer's Damages shall be an amount in Dollars equal to the sum of the losses (including loss of bargain) a determined by the Buyer that it may incur as a result of the early termination or as a result of the event that served as the ground for early termination.

(c) Payments to be made in accordance with this Section shall be made on the Early Termination Date. If the Buyer is entitled to be paid any amount in respect of its Damages in accordance with this Section, it shall submit to the Seller a statement in reasonable detail of those Damages.

Section 13. Market Quotation.

(a) For the purpose of determining the Market Quotation, the Buyer shall select, with the consent of Freddie Mac, four leading participants in the interest rate cap market (each a "Reference Market-maker"), in its sole discretion and in good faith, with a view to minimizing the Market Quotation (to the extent required by law); provided, however, that in doing so the Buyer shall be entitled to select market participants that are of the highest credit standing and that otherwise satisfy all the criteria that the Buyer applies generally at the time in deciding whether to enter into an interest rate protection transaction.

(b) The Buyer shall request from each of the Reference Market-makers it has selected a quotation of the amount in Dollars which that Reference Market-maker would charge on the Early Termination Date as an up-front payment for entering into an agreement, effective on the Early Termination Date, pursuant to which it would be obligated to make all the payments scheduled to be made by the Seller under this Agreement after the Early Termination Date.

(c) The Market Quotation shall be the arithmetic mean (rounded up, if necessary, to the nearest cent) of the amounts described in Section 12(b) that are quoted to the Buyer by the Reference Market-makers it has selected or, if only one Reference Market-maker will quote such a fee, the Market Quotation Value shall be the amount quoted by that Reference Market-maker. If no quotations are provided, it will be deemed that the Market Quotation in respect of the Agreement cannot be determined.

Section 14. Costs and Expenses.

(a) Each of the parties shall pay, or reimburse the other on demand for, all stamp, registration, documentation or similar taxes or duties, and any penalties or interest that may be due with respect thereto, that may be imposed by any jurisdiction in respect of its execution or delivery of this Agreement. If any such tax or duty is imposed by any jurisdiction as the result of the conduct or status of both parties, each party shall pay one half of the amount of the tax or duty.

(b) The Seller shall pay, or reimburse the Buyer on demand for, all reasonable costs and expenses incurred by the Buyer in connection with enforcement of its rights under this Agreement or as a consequence of a Termination Event, including, without limitation, fees and expenses of legal counsel.

Section 15. Nonassignment. Neither party shall assign or otherwise transfer its rights or obligations hereunder or any interest herein to any other Person or any of its other branches or offices without the prior written consent of the other party to this Agreement and Freddie Mac, unless the assignment or transfer by the Seller is pursuant to Section 5 or Section 6 and provided that:

(a) the Seller gives the Buyer 10 Business Days' prior written notice of the assignment or transfer;

(b) the assignee or transferee meets the criteria set forth in Section 5(a) or Section 6(b)(i), as the case may be;

(c) the credit policies of the Buyer or Freddie Mac at the time would permit the Buyer to purchase an interest rate cap from the assignee or transferee without credit support;

(d) a Termination Event does not occur as a result of such transfer;

(e) on or prior to the effective date of the transfer, this Agreement (including, without limitation, any Tax covenants (if any) in Exhibit B to this Agreement) and all other related documents shall have been amended to reflect the transfer in a manner reasonably satisfactory to Buyer; and

(f) on or prior to the effective date of the transfer, Seller shall have agreed in writing to indemnify and hold harmless Buyer in a manner reasonably satisfactory to Buyer from and against any adverse tax consequences and any related fees, expenses and other losses resulting from the transfer, subject to the following conditions: (i) notwithstanding Seller's duty to indemnify Buyer, Buyer shall at all times retain sole control and decision-making authority with regard to any tax issues affecting Buyer or related litigation arising from or in connection with said transfer; and (ii) such indemnification shall be made as such expenses are incurred by Buyer and at such time as Buyer is required to pay any such tax liability, provided that Seller shall not be required to make such indemnification until five Business Days after it has received written notice from Buyer of expenses or liabilities for which Buyer seeks reimbursement.

Any purported transfer in violation of this Section shall be void. The parties are acting for purposes of this Agreement through their respective branches or offices specified in Exhibit A.

The Seller shall not unreasonably withhold its consent to an assignment or transfer proposed by the Buyer, or by any subsequent assignee or transferee of the Buyer, if the Seller would be entitled to make the payments it is required to make pursuant to Section 2 to the proposed assignee or transferee lawfully and without withholding for or on account of Taxes and the proposed assignee or transferee assumes the obligations of the Buyer under the Tax covenants (if any) of the Buyer in Exhibit B to this Agreement to the satisfaction of the Seller and if the proposed assignee or transferee provides all information (if any) necessary for Seller to comply with any applicable money laundering "know your customer" or government regulations, including but not limited to regulations under the Dodd Frank Wall Street Reform and Consumer Protection Act.

Notwithstanding the provisions of this Section 15 to the contrary, the Seller consents to the Buyer's grant of a security interest herein to Freddie Mac, its successors and a Permitted Assign. The Buyer and Seller agree that Freddie Mac may exercise the rights of the Buyer hereunder from time to time, and Buyer agrees that the Seller (i) may rely conclusively on the written instructions of Freddie Mac or a Permitted Assign to Seller made pursuant to this Agreement, (ii) has no duty to investigate or verify such written instructions, and (iii) shall not be liable for any actions taken in accordance with such written instructions except actions involving Seller's own gross negligence or willful misconduct.

Seller shall be held harmless and shall be fully indemnified by the Buyer, from and against any and all claims, other than those arising out of the gross negligence or willful misconduct of the Seller, from and against any damages, penalties, judgments, liabilities, losses or expenses (including attorney's fees and disbursements) reasonably incurred by the Seller as a result of the assertion of any claim, by any person or entity, arising out of, or otherwise related to, any action taken or omitted to be taken by the Seller in reliance upon assignment of the security interest in the Rate Cap Agreement to Freddie Mac, or any instructions or notice provided by Freddie Mac or its servicer, or the Buyer.

All notices delivered to Seller pursuant to this Section 15 shall also be delivered to USB at the address set forth in the Collateral Trust Agreement.

Section 16. Waivers: Rights Not Exclusive. No failure or delay by a party in exercising any right hereunder shall operate as a waiver of, or impair, any such right. No single or partial exercise of any such right shall preclude any other or further exercise thereof or the exercise of any other right. No waiver of any such right shall be effective unless given in writing. No waiver of any such right shall be deemed a waiver of any other right hereunder. The right to terminate provided for herein is in addition to, and not exclusive of, any other rights, powers, privileges or remedies provided by law.

Section 17. Interpretation. The section headings in this Agreement are for convenience of reference only and shall not affect the meaning or construction of any provision hereof.

Section 18. Notices. Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Sections 2, 5, 6, 9, 11 or 12 may not be given by facsimile transmission or electronic mail) to the address or number provided (see Exhibit A) and will be deemed effective as indicated: (i) if in writing and delivered in person or by courier, on the date it is delivered; (ii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission reprint generated by the sender's facsimile machine); (iii) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or (iv) if sent by electronic mail, on the date that it is delivered, unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

Section 19. Amendments. This Agreement may be amended only by an instrument in writing executed by the parties hereto and the prior written consent of Freddie Mac.

Section 20. Survival. The obligations of the parties under Section 6, Section 12 and Section 14 shall survive payment of the obligations of the parties under Section 2 and Section 4 and the termination of their other obligations hereunder.

Section 21. Jurisdiction; Governing Law.

(a) Any action or proceeding relating in any way to this Agreement may be brought and enforced in the courts of the State of New York or of the United States for the Southern District of New York, and each of the parties irrevocably submits to the non-exclusive jurisdiction of each such court in connection with any such action or proceeding.

(b) This Agreement shall be governed by, and construed in accordance with, the law of the State of New York without reference to its choice of law doctrine.

Section 22. Independence of this Agreement. It is the parties' intention that no other agreements or arrangements between them or any of their affiliates affect the transaction provided for herein except as expressly provided herein. Therefore, except as expressly provided herein, the Seller's obligation to make payments to the Buyer hereunder shall not be subject to early termination or to any condition precedent, no such payment obligation shall be netted against any payment due from the Buyer or any third party under any other agreement or instrument, and neither the Seller nor any third party shall have any right to set off any such payment due from the Seller to the Buyer or withhold any such payment, in whole or in part, pending payment of any amount payable by the Buyer or any third party to the Seller or any third party. In addition, the terms set forth in this provision may not be modified except in a written amendment to this Agreement executed by both parties hereto that (i) is expressly identified in capital letters as modifying this provision (identified by its title) and (ii) deals only with such modification.

Section 23. Waiver of Jury Trial. Each of the Buyer and the Seller, respectively, hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect of any suit, action or proceeding relating to this Agreement or any Credit Support Document. Each of the Buyer and the Seller (i) certifies that no representative, agent or attorney of the other party or any Credit Support Provider has represented, expressly or otherwise, that such other party would not, in the event of such suit, action or proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other party have been induced to enter into this Agreement and provide for any Credit Support Document, as applicable, by, among other things, the mutual waivers and certifications in this Section.

Section 24. Setoff. The obligation to pay amounts due hereunder shall be absolute and unconditional and shall not be subject to diminution by set-off, recoupment, counterclaim, abatement or otherwise.

Section 25. Counterparts: Integration of Terms. This Agreement may be executed in counterparts, and the counterparts taken together shall be deemed to constitute one and the same agreement. This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto.

Section 26. Contractual Currency. The provision on Contractual Currency set forth in Part 4 of Exhibit A will apply if the Seller or any Credit Support Provider for the Seller is not organized in the U.S. or is acting through any office outside the U.S.

Grantor agrees that, at all times on or after a Credit Event, the Cash Account Value shall equal or exceed 107% of the Aggregate Required Collateral Amount. Grantor agrees that Freddie Mac or any Beneficiary may deliver a written notice to the Grantor (with a copy to the Collateral Trustee) on or prior to 12:00 p.m., New York City time, on any Business Day that the Cash Account Value is below an amount equal to 107% of the Aggregate Required Collateral Amount. In addition, each month promptly after receipt by the Collateral Trustee of written notice of the Cash Account Value and Aggregate Required Collateral Amount from the Calculation Agent and the Valuation Agent (if there is a Valuation Agent), which notice shall refer to this Section 5 and the Collateral Trustee's responsibility to make the calculation or determination hereinafter described, the Collateral Trustee will calculate or otherwise determine whether the Cash Account Value is below an amount equal to 107% of the Aggregate Required Collateral Amount and, if so, will deliver a written notice to the Grantor on or prior to 12:00 p.m., New York City time, on any Business Day that the Cash Account Value is below an amount equal to 107% of the Aggregate Required Collateral Amount. Grantor shall, no later than the close of business on the next Business Day immediately following receipt of such notice referred to in the two preceding sentences, Transfer or cause to be Transferred additional cash to the Cash Account and shall provide the Collateral Trustee with written certification that 1 immediately after such Transfer the Cash Account Value is at least equal to 110% of the Aggregate Required Collateral Amount. Notwithstanding the foregoing, Grantor shall not be obligated to make any Transfers to the Cash Account in an amount less than \$100,000. Subject to its obligation under Section 6, in no event shall the Collateral Trustee have any obligation to calculate or otherwise determine (a) the Cash Account Value, (b) the Aggregate Required Collateral Amount or (c) except as expressly provided in this Section 5, whether the Cash Account Value equals or exceeds the Aggregate Required Collateral Amount, to monitor the Grantor's compliance with this Section or otherwise take any action other than as provided in Section 7 in the event the Grantor ceases to comply with its obligations under this Section, it being understood that the Beneficiaries will exercise their rights against the Grantor directly and solely in accordance with the terms of any applicable Rate Cap Agreement based upon information they receive under Section 6 and their rights under Section 7.

Section 6. Beneficiary Percentage Interest Schedule and Notification of Cash Value Account.

On the date on which the Grantor has Transferred Collateral to the Collateral Trustee under this Agreement as a result of the occurrence of a Credit Event and on the fourth Business Day of each calendar month starting after such date, (a) by 12:00 p.m., New York City time, on such day, the Grantor shall deliver to the Collateral Trustee, Freddie Mac and each Beneficiary a Beneficiary Percentage Interest Schedule as of the last Business Day of the immediately preceding month, upon which the Collateral Trustee, Freddie Mac and each Beneficiary may conclusively rely, (b) by 12:00 p.m., New York City time, on such day, the Grantor shall cause the Calculation Agent to deliver to the Collateral Trustee, Freddie Mac and each Beneficiary a written notice of the Cash Account Value and Aggregate Required Collateral Amount as of the last Business Day of the

immediately preceding month, upon which the Collateral Trustee, Freddie Mac and each Beneficiary may conclusively rely, and (c) the Collateral Trustee shall make available, via online access, the Cash Account Value (as set forth in the notice last provided by the Calculation Agent pursuant to clause (b) of this Section 6) as of the last Business Day of the immediately preceding month, upon which Freddie Mac and each Beneficiary may conclusively rely. On the date on which the Grantor has Transferred Collateral to the Collateral Trustee under this Agreement as a result of the occurrence of a Credit Event, and on the third Business Day of each calendar month starting after such date, Grantor shall cause the Valuation Agent to deliver to the Collateral Trustee and Freddie Mac a written notice of the Aggregate Required Collateral Amount as of the last Business Day of the immediately preceding month. Grantor agrees that Freddie Mac, or any Beneficiary, may deliver a written notice to the Collateral Trustee (with a copy to the Grantor) on any Business Day following either the date on which the Grantor has Transferred Collateral to the Collateral Trustee under this Agreement as a result of the occurrence of a Credit Event or the fourth Business Day of each calendar month certifying that it has not received either a Beneficiary Percentage Interest Schedule or a written notice of the Cash Account Value or Aggregate Required Collateral Amount from the Calculation Agent or the written notice of Aggregate Required Collateral Amount from Valuation Agent under this Section 6. Grantor shall, not later than the close of business on the next Business Day immediately following receipt of such notice, deliver or cause to be delivered such documents or information to Freddie Mac or such Beneficiary.

Section 7. Distributions From Cash Account Upon Termination.

(a) If at anytime (1) a Termination Event has occurred and is continuing or (2) an Early Termination Date has occurred or been designated as the result of a Termination Event, then, unless the Grantor has paid in full the Termination Amount that is then due pursuant to a Beneficiary's Rate Cap Agreement, Beneficiary may deliver a Termination Notice to the Collateral Trustee (with a copy to the Grantor). Any Termination Notice received by the Collateral Trustee on any Business Day on or prior to 12:00 p.m., New York City time, shall be effective on such Business Day and any Termination Notice received by the Collateral Trustee after 12:00 p.m., New York City time, shall be deemed to be received on the next succeeding Business Day (in each case, an "Effective Termination Notice"). No later than 12:00 p.m., New York City time, on the Business Day immediately following receipt of one or more Effective Termination Notices, the Collateral Trustee shall, subject to Section 15(c), withdraw cash amounts held in the Cash Account equal to the Aggregate Requested Amount (the "Liquidation Proceeds") from the Cash Account and Transfer to each such Beneficiary such Beneficiary's Requested Amount, provided that if on any Business Day there is insufficient cash to pay each Requested Amount payable on such date then the Collateral Trustee shall, subject to Section 15(c), Transfer to each such Beneficiary an amount equal to the product of the aggregate cash balance in the Cash Account and each such Beneficiary's Percentage Interest. Notwithstanding anything to the contrary in the foregoing, the amount Transferred by the Collateral Trustee to any Beneficiary that has delivered a Termination Notice shall not exceed an amount (the "Payable Amount") equal to the lesser of (i) such Beneficiary's Requested Amount and (ii) such Beneficiary's pro rata share (based on such Beneficiary's Percentage Interest) of the Collateral Transferred by Grantor to the Collateral Trustee. After all amounts in the Cash Account have been Transferred to

Beneficiaries in accordance with this Section 7 and Section 8, no Beneficiary shall have any further rights or claims hereunder. Each Beneficiary acknowledges that the amounts owed to it by the Grantor upon the termination of any Rate Cap Agreement may exceed the Requested Amount for such Rate Cap Agreement. Grantor acknowledges that payment of any Liquidation Proceeds to any Beneficiary shall not affect the rights of Freddie Mac or any Beneficiary to recover any Termination Amount in excess thereof from Grantor pursuant to the terms of any Rate Cap Agreement.

(b) On or prior to the third Business Day immediately following each distribution of Liquidation Proceeds, the Grantor shall provide to the Collateral Trustee, Freddie Mac, and each Beneficiary an updated Beneficiary Percentage Interest Schedule, upon which the Collateral Trustee and each Beneficiary may conclusively rely. Grantor agrees that Freddie Mac or any Beneficiary may deliver a written notice to the Collateral Trustee (with a copy to the Grantor) on any Business Day certifying that it has not received an updated Beneficiary Percentage Interest Schedule under the first sentence of this Section 7(b). Grantor shall, not later than the close of business on the next Business Day immediately following receipt of such notice, deliver or cause to be delivered such document to such Beneficiary.

(c) The Collateral Trustee may conclusively rely upon any Termination Notice given to it as provided herein in accordance with this Agreement. The Collateral Trustee shall have no obligation to make payments under this Section 7 in the absence of such instructions or directions and shall have no liability to Grantor or any Beneficiary for actions taken in reliance on such instructions or directions. All distributions made by the Collateral Trustee pursuant to this Section 7 shall be final (except in the event of manifest error) and the Collateral Trustee shall have no duty to inquire as to the application of any amount distributed.

Section 8. Release of Collateral; Termination of Collateral Trust Liens.

(a) Subject to the conditions precedent that (i) no Termination Event or Potential Termination Event has occurred and is continuing; (ii) there is a Valuation Agent; (iii) the Liquidation Proceeds relating to any Termination Notice that has been delivered have been paid to the Beneficiary named therein; and (iv) there is no dispute regarding a Determination under Section 30 that is unresolved, Collateral Trustee may at any time release cash deposited in the Cash Account to Grantor upon receipt by Collateral Trustee of a Request for Release of Collateral from Grantor accompanied by a written certification from the Calculation Agent dated as of the date of Grantor's Request for Release of Collateral (which may be included as part of Grantor's Request for Release of Collateral) that the Cash Account Value shall equal or exceed 110% of the Aggregate Required Collateral Amount immediately after withdrawal of the amount specified in the Request for Release of Collateral and a written certification from the Valuation Agent (which may be in the form of the most recent monthly report from the Valuation Agent delivered under Section 6 if the Aggregate Required Collateral Amount in such report is as of a day no more than five (5) Business Days prior to the date of Grantor's Request for Release of Collateral) that the Cash Account Value immediately after withdrawal of the amount specified in the Request for Release of Collateral shall equal or exceed 110% of the Aggregate Required Collateral Amount in such report.

In the event there is no Valuation Agent, Collateral Trustee may at any time release cash deposited in the Cash Account to Grantor without the written confirmation of the Valuation Agent upon receipt by Collateral Trustee of a Request for Release of Collateral accompanied by either of the following:

- (A) a written certification from Grantor that a decrease in the Aggregate Required Collateral Amount has resulted from the reduction of a Required Collateral Amount to \$0 with respect to a Rate Cap Agreement pursuant to Section 8(c)(i), accompanied by the Termination Notice related to such reduction;
- (B) a written certification from Grantor that a decrease in the Aggregate Required Collateral Amount has resulted from the reduction of the Required Collateral Amount to \$0 with respect to a Rate Cap Agreement pursuant to Section 8(c)(ii), accompanied by the written certifications required under Section 8(c)(ii);
- (C) a written certification from Grantor that a decrease in the Aggregate Required Collateral Amount has resulted from the reduction of the Required Collateral Amount to \$0 with respect to a Rate Cap Agreement pursuant to Section 8(c)(iii), accompanied by the written certification and evidence required under Section 8(c)(iii);
- (D) a written certification from Grantor that a decrease in the Aggregate Required Collateral Amount has resulted due to the Credit Event requiring the deposit of collateral to secure the Secured Obligations no longer existing pursuant to Section 8(c)(iv), accompanied by the written certification and evidence required under Section 8(c)(iv);
- (E) a written certification from Grantor that a decrease in the Aggregate Required Collateral Amount has resulted due to an agreement among the Grantor, Freddie Mac, and a Beneficiary pursuant to Section 8(c)(v), accompanied by an executed copy of such agreement; or
- (F) a written certification from the Calculation Agent dated as of the date of Grantor's Request for Release of Collateral that the Cash Account Value immediately after withdrawal of the amount specified in the Request for Release of Collateral shall equal or exceed 110% of the Aggregate Required Collateral Amount as calculated by a Dealer Poll (as defined hereinafter) conducted by Grantor and a written certification from Grantor showing in reasonable detail (including the names of the Reference Market-makers (as defined in Section 30(b)) the quotations from that Dealer Poll, provided that any withdrawals in reliance on Dealer Polls shall not exceed one in each calendar quarter. "Dealer Poll" means the Aggregate Required Collateral

Amount determined on the basis of quotations from Reference Market-makers, each such quotation made on the same day and at approximately the same time, which date shall be no more than five (5) Business Days prior to the day of Grantor's withdrawal certification. If more than three quotations are provided, the Dealer Poll will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three quotations are provided, the Dealer Poll will be the quotation remaining after discarding the highest and the lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If exactly two quotations are provided, the Dealer Poll will be the arithmetic mean of the quotations. If fewer than two quotations are provided, it will be deemed that the Dealer Poll cannot be determined. In no event shall the Collateral Trustee have any obligation to conduct the Dealer Poll.

(b) Except as expressly provided in this Section 8, the Collateral Trustee shall be entitled to rely conclusively upon a Request for Release of Collateral from Grantor and related certifications in delivering the withdrawn assets to the Grantor and shall not be required to give prior notice to or obtain the prior consent of any Beneficiary or Freddie Mac in respect thereof.

(c) The Required Collateral Amount with respect to any Rate Cap Agreement shall be reduced to \$0 upon the occurrence of any of the following: (i) the Transfer from the Cash Account to the applicable Beneficiary of the Required Collateral Amount with respect to its Rate Cap Agreement pursuant to Section 7, (ii) the written certification by a Responsible Officer of Grantor to the Collateral Trustee, Freddie Mac and the applicable Beneficiary thereunder that such Rate Cap Agreement has expired in accordance with its terms and that all payments, if any, due and owing by Grantor to such Beneficiary thereunder have been paid in full, (iii) the written certification by a Responsible Officer of Grantor accompanied by evidence of agreement by Beneficiary (which may be in the form of e-mails by Beneficiary to Grantor) to the Collateral Trustee that such Rate Cap Agreement has terminated and that all payments, if any, due and owing by Grantor to such Beneficiary thereunder have been paid in full, (iv) the written certification by a Responsible Officer of Grantor accompanied by evidence thereof (which may be a link or a webpage of a financial website) to the Collateral Trustee, Freddie Mac and the applicable Beneficiary that the Credit Event requiring the deposit of collateral to secure the Secured Obligations no longer exists or (v) any other agreement thereto by the applicable Beneficiary, Freddie Mac and the Grantor.

(d) Upon the written certification by a Responsible Officer of Grantor accompanied by evidence of agreement by Beneficiary (which may be in the form of e-mails by Beneficiary to Grantor) to the Collateral Trustee that the Aggregate Required Collateral Amount has been reduced to \$0, then (A) the Trust and any Collateral Trust Liens shall automatically terminate and be discharged without further action by any party hereto, (B) all right, title and interest of the Collateral Trustee in and to the Collateral Trust Estate shall automatically revert to Grantor without further action by any party hereto, and

(C) the Collateral Trustee shall promptly return to Grantor, in accordance with the written direction of Grantor, all assets in the Cash Account then held by the Collateral Trustee under this Agreement. From time to time thereafter the Collateral Trustee shall, at the expense of Grantor, execute and deliver to Grantor such documents as Grantor shall reasonably provide in order to evidence the termination and discharge of the Trust and the Collateral Trust Liens and the release of the Collateral. The Collateral Trustee shall be entitled to rely conclusively upon the certification of the Grantor in returning all assets to the Grantor and shall not be required to give prior notice to or obtain the prior consent of any Beneficiary in respect thereof.

(e) Unless previously terminated in accordance with any of the provisions of this Agreement, the Trust shall automatically terminate on May 9, 2034, and all right, title and interest of the Collateral Trustee in and to the Collateral Trust Estate shall automatically revert to Grantor without further action by any party hereto. The Collateral Trustee shall promptly return to Grantor, in accordance with the written direction of Grantor, all assets in the Cash Account then held by the Collateral Trustee under this Agreement. From time to time thereafter the Collateral Trustee shall, at the expense of Grantor, execute and deliver to Grantor such documents provided to it as Grantor shall reasonably request in order to evidence the termination and discharge of the Trust and the Collateral Trust Liens and the release of the Collateral. The Collateral Trustee shall be entitled to rely conclusively upon the direction of the Grantor in returning all assets to the Grantor under this Section 8(e) and shall not be required to give notice to or to obtain the prior consent of any Beneficiary in respect thereof.

Section 9. Representations and Warranties of Grantor.

Grantor represents and warrants as follows as of the date hereof and as of the date of each Transfer of Collateral by Grantor to the Trust:

(a) The execution, delivery and performance by it of this Agreement are within its corporate powers, have been duly authorized by all necessary corporate action, require no action by or in respect of, or filing with, any governmental body, agency or official and do not contravene or constitute a default under any material provision of applicable law or regulation or of the certificate of incorporation or bylaws of Grantor or of any material agreement, judgment, injunction, order, decree or other instrument binding upon it.

(b) This Agreement constitutes a valid and binding agreement or obligation of the Grantor.

(c) Grantor has not performed any acts which would prevent the Collateral Trustee from enforcing against Grantor any of the terms of this Agreement or which would limit the Collateral Trustee in any such enforcement, except as expressly provided in this Agreement. No financing statement, security agreement or similar or equivalent document or instrument covering all or any part of the Collateral owned by Grantor is on file or of record in any jurisdiction in which such filing or recording would be effective to perfect a Lien on such Collateral.

(d) Grantor has the power to grant a security interest in and lien on any property it Transfers to Collateral Trustee for the Collateral Trust Estate and has taken all necessary actions to authorize the granting of that security interest and lien.

(e) Grantor is the sole owner of or otherwise has the right to Transfer any property it Transfers to Collateral Trustee for the Collateral Trust Estate hereunder, free and clear of any security interest, lien, encumbrance or other restrictions other than the security interest and lien granted under this Agreement.

(f) Upon the Transfer of any property to the Collateral Trust for the Collateral Trust Estate hereunder, the Collateral Trustee on behalf of all Beneficiaries will have a valid and perfected first priority Security interest therein (assuming that any central clearing corporation or any third-party financial intermediary or other entity not within the control of the Collateral Trustee involved in the Transfer of that Collateral gives the notices and takes the action required of it under applicable law for perfection of that interest).

(g) The performance by Grantor of its obligations under this Agreement will not result in the creation of any security interest, lien or other encumbrance on the Collateral Trust Estate other than the security interest and lien granted under this Agreement.

Section 10. Covenants of Grantor.

(a) *Further Assurances.*

(i) Grantor shall forever preserve, protect, warrant and defend the Collateral Trustee's right, title and interest in and to the Collateral held by the Collateral Trustee from time to time.

(ii) In furtherance of Section 3, the Grantor, as necessary, or upon reasonable request of the Collateral Trustee (which request may be made at the direction of Freddie Mac or any Beneficiary, provided that the Collateral Trustee shall otherwise have no obligation to make such request), hereby agrees promptly and from time to time to give, execute, deliver, file, record, authorize or obtain all such financing statements, continuation statements, notices, instruments, documents, agreements or consents or other papers as may be necessary or desirable to create, preserve, perfect, maintain the perfection of or validate the Collateral Trust Liens or to enable the Collateral Trustee to exercise and enforce its rights hereunder with respect to the Collateral Trust Estate and, without limiting the foregoing, shall: (A) promptly from time to time enter into such control agreements, each in form and substance reasonably acceptable to the party so directing the Collateral Trustee, as may be required to perfect the Collateral Trust Liens, and (B) execute and deliver and cause to be filed such continuation statements, and do such other acts and things, as may be necessary to maintain the perfection and priority of the Collateral Trust Liens.

(iii) The Grantor shall take all and all other actions as the Collateral Trustee may reasonably request (which request may be made at the direction of

Freddie Mac or any Beneficiary, provided that the Collateral Trustee shall otherwise have no obligation to make such request) to create in favor of the Collateral Trustee a valid and perfected Lien and security interest in the Collateral granted to the Collateral Trustee under laws and regulations (including, without limitation, Articles 8 and 9 of the UCC) in effect at the time of such grant.

(iv) All costs incurred to comply with this Section 10(a)(iv) shall be the responsibility of Grantor.

(b) *Taxes.* Grantor will promptly pay when due all taxes, assessments or charges of any nature that are imposed with respect to the Collateral Trust Estate held by the Collateral Trustee upon becoming aware of the same.

(c) *Adverse Claims.* Grantor will promptly give notice to the Collateral Trustee, Freddie Mac and each Beneficiary of, and defend against, any suit, action, proceeding or lien that involves the Collateral Trust Estate or any Collateral or that could adversely affect the security interest and lien granted by Grantor under this Agreement.

(d) *Performance.* Grantor will perform all its obligations under this Agreement, and will cause the Calculation Agent to perform all its obligations under this Agreement, in good faith and in a commercially reasonable manner, including, but not limited to, all calculations, valuations, determinations or judgments in any other way made by Grantor or Calculation Agent. Grantor will cause the Valuation Agent (if any) to perform all its obligations under any agreement with the Valuation Agent, in good faith and in a commercially reasonable manner.

(e) *Legal Opinion.* On the Effective Date, Grantor will deliver to Collateral Trustee a legal opinion upon which each Beneficiary may conclusively rely and in a form satisfactory to Collateral Trustee with respect to the enforceability of this Agreement and the Collateral Trustee's perfected security interest in the Collateral Trust Estate.

(f) *No Limitation on Enforcement.* Grantor will not perform any acts which would prevent the Collateral Trustee from enforcing any of the terms and conditions of this Agreement or which would limit the Collateral Trustee in any such enforcement except as set forth herein and therein.

(c) The Collateral Trustee and the Deposit Bank shall not be personally liable for an error of judgment made in good faith by a trust officer of the Collateral Trustee, unless it shall be proved that the Collateral Trustee was grossly negligent in ascertaining the pertinent facts or acted in bad faith.

(e) Collateral Trustee shall keep the Collateral Trust Estate free and clear of any Liens which result from (i) claims against the Collateral Trustee unrelated to the transactions contemplated by this Agreement or (ii) any affirmative act by the Collateral

Trustee to create a Lien which is (A) not consented to by Grantor, (B) not authorized by this Agreement or (C) except as expressly provided herein, taken in connection with any default under this Agreement by Grantor.

Section 13. Certain Rights of the Collateral Trustee and the Deposit Bank.

Except as otherwise provided in Section 12:

(a) the Collateral Trustee or the Deposit Bank may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(p) the Collateral Trustee or the Deposit Bank may require that any party deliver a certificate setting forth the names of individuals and/or titles of officers, and including specimen signatures, authorized at such time to take specified actions or give notices, instructions, directions, demands or other communications pursuant to this Agreement, and the Collateral Trustee or the Deposit Bank shall not incur any liability in accepting notices or communications given by or in executing instructions or directions from any officer of the Grantor, Collateral Trustee or a Beneficiary, as applicable, named in a certificate delivered hereunder prior to receipt by it of a more current certificate;

(q) the Collateral Trustee and the Deposit Bank is authorized to supply any information regarding the Cash Account and related assets that is required by any law, regulation or rule now or hereafter in effect. (s) the Collateral Trustee will exercise reasonable care to assure the safe custody of the Collateral Trust Estate to the extent required by applicable law and this Agreement.

Section 14. Resignation and Removal of the Collateral Trustee.

(a) *Resignation and Removal.* The Collateral Trustee may, at any time after the first anniversary of the Effective Date by giving notice to Grantor and the Beneficiaries, resign and be discharged of the responsibilities created by this Agreement, such resignation

to become effective upon (i) the appointment of a successor Collateral Trustee by a Responsible Officer of Grantor and (ii) the acceptance of such appointment by such successor Collateral Trustee. If no successor Collateral Trustee shall be appointed and have accepted such appointment within 120 days after the Collateral Trustee gives the aforesaid notice of resignation, the Collateral Trustee at the expense of Grantor may apply to any court of competent jurisdiction to appoint a successor Collateral Trustee to act until such time, if any, as a successor Collateral Trustee has been appointed as provided in this subsection. Any successor so appointed by such court shall immediately and without further act be superseded by any successor Collateral Trustee appointed as provided in this subsection. Notwithstanding the foregoing, and without regard to the limitation on the time of the Collateral Trustee's notice of its resignation hereunder, any corporation or other entity into which the Collateral Trustee may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, conversion or consolidation to which the Collateral Trustee shall be a party, or any corporation or other entity to which substantially all the corporate trust business of the Collateral Trustee may be transferred, shall be the Collateral Trustee under this Agreement without further act.

(b) *Status of Successor Trustees.* Each reference in this Agreement to the Collateral Trustee shall be deemed to include a reference to any successor trustee from time to time appointed and serving pursuant to and in accordance with this Section 14, as the case may be.

Section 15. Fees and Expenses; Indemnification.

(a) *Fees and Expenses of Collateral Trustee.* Until this Agreement has terminated, Grantor agrees to pay to the Collateral Trustee an annual fee of US\$1,500.00. Such fee shall be payable on the Effective Date and on each anniversary thereof. Grantor and Collateral Trustee agree to negotiate in good faith as to whether any additional costs or expenses of Collateral Trustee should be reimbursed by Grantor.

(b) *Indemnification.* Grantor agrees to pay, indemnify, and hold the Collateral Trustee and the Deposit Bank (as defined in Section 31), each in its individual capacity, harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, without limitation, the reasonable fees and disbursements of counsel) of any kind or nature whatsoever (collectively, "Losses") which may be incurred by the Collateral Trustee or the Deposit Bank, as applicable, with respect to the execution, delivery, enforcement, performance, and administration of this Agreement, including, without limitation, any negligence or willful misconduct on the part of Grantor or any of their respective directors, officers, employees,

agents, contractors, tenants or licensees, except to the extent that such Losses result from the gross negligence or willful misconduct of the Collateral Trustee or the Deposit Bank, as applicable, as determined by a final order of a court of competent jurisdiction.

(c) **No Other Payments.** Notwithstanding anything to the contrary in this Agreement, no amounts shall be distributed to any Beneficiary or the Grantor hereunder unless and until all amounts owing to the Collateral Trustee and the Deposit Bank hereunder have been paid. To the extent demand has been made upon the Grantor for any amount owing, and such amounts have not been paid, prior to any withdrawal of any amounts from the Cash Account to a Beneficiary, the Collateral Trustee may withdraw from the Cash Account all amounts owing to it and the Deposit Bank hereunder.

(d) **Survival.** The Grantor hereby acknowledges that the foregoing indemnities and payment and reimbursement obligations shall survive the resignation or discharge of the Collateral Trustee and the Deposit Bank, as applicable, or the termination of this Agreement hereby grants the Collateral Trustee and the Deposit Bank a lien, right of Set-off and security interest in the assets at any time credited to the Cash Account for the payment of any claim for compensation, reimbursement or indemnity hereunder.

In addition, each such notice, certificate and other communication given by facsimile shall be confirmed by overnight mail, provided that a failure to provide or a delay in providing such confirmation shall not affect the effectiveness of such notice, certificate or other communication as otherwise determined pursuant to this Section 16.

Section 17. Waivers; Remedies Not Exclusive.

No failure on the part of any party to exercise, and no delay in exercising and no course of dealing with respect to, any right under this Agreement shall operate as a waiver thereof. The rights under this Agreement are cumulative and are not exclusive of any other remedies provided bylaw.

Section 18. Successors and Assigns.

This Agreement is for the benefit of the Collateral Trustee and the Beneficiaries. This Agreement shall be binding on Grantor and its successors and assigns. Grantor may not assign, delegate or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Collateral Trustee and each Beneficiary; provided, however, notwithstanding anything contrary in this Agreement, Grantor may without such prior written consent assign all of its rights and obligations hereunder to any entity to which Grantor sells substantially all its assets or with which Grantor merges as long as such entity agrees to be bound by the terms hereof and by the terms of each Rate Cap Agreement. Contingent Beneficiaries have no rights under this Agreement unless and until they become Beneficiaries.

Section 19. Changes in Writing.

Except as otherwise expressly provided in this Agreement, no provision hereof may be changed, waived, discharged or terminated orally, but only in a writing executed by Grantor and the Collateral Trustee, provided that no change, waiver, discharge or termination shall be effective without each affected Beneficiary's consent if such change, waiver, discharge or termination would impair the rights of such Beneficiary with respect to Section 5, 7(a) or 8(a). Any change, waiver, discharge or termination made in accordance with the foregoing sentence shall be binding on Grantor, the Collateral Trustee and all Beneficiaries. Except as otherwise provided, the Grantor shall provide reasonable advance notice of any change, waiver, discharge or termination of this Agreement to the Beneficiaries. The provisions of this Agreement as they relate to the Deposit Bank shall not be changed without a writing executed by the Deposit Bank.

Section 20. New York Law.

This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

Section 21. Headings.

The table of contents and the headings of sections and subsections have been included in this Agreement for convenience only and shall not be considered in interpreting this Agreement.

Section 22. Severability.

If any provision of this Agreement is invalid or unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (a) the other provisions of this Agreement shall remain in full force and effect in such jurisdiction and shall be construed in order to carry out the intentions of the parties to this Agreement as nearly as may be possible, and (b) the invalidity or unenforceability of any provision of this Agreement in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.

Section 23. Counterparts.

This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

Section 24. Waiver of Jury Trial.

EACH OF GRANTOR, THE COLLATERAL TRUSTEE, THE DEPOSIT BANK AND EACH BENEFICIARY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 25. Other Activity by Collateral Trustee.

Any Person acting as a Collateral Trustee may accept deposits from, lend money to, and generally engage in any kind of banking or trust business with Grantor as if it were not such trustee.

Section 26. Termination Events.

Under the Rate Cap Agreement of a Beneficiary, a Termination Event will exist with respect to Grantor if:

- (a) Grantor fails to make, when due, any Transfer of cash required to be made by it under this Agreement and that failure continues for two Business Days after notice of that failure is given to Grantor;
- (b) Grantor fails to comply with or perform its agreements or obligations specified in Section 6 or 7(b) and that failure continues for seven Business Days after notice of that failure is given to Grantor; or
- (c) Grantor fails to comply with or perform any agreement or obligations under this Agreement other than those specified in Sections 26(a) and 26(b) and that failure continues for 30 days after notice of that failure is given to Grantor.

Section 27. Secured Party's Rights and Remedies.

If at any time (1) a Termination Event with respect to the Grantor has occurred and is continuing under a Rate Cap Agreement of a Beneficiary or (2) an Early Termination Date has occurred or been designated as the result of a Termination Event with respect to the Grantor, then, unless the Grantor has paid in full all of the Termination Amount then due under such Rate Cap Agreement, the Collateral Trustee may exercise one or more of the following rights and remedies:

- (a) all rights and remedies available to a secured party under applicable law with respect to Beneficiary's Percentage Interest in the Collateral Trust Estate; and
- (b) the right to apply cash in the Cash Account to any amounts payable by the Grantor with respect to any Termination Amount in accordance with Section 7.

Section 28. The Valuation Agent.

Grantor shall use all commercially reasonable efforts to maintain a Valuation Agent to provide monthly reports on the Aggregate Required Collateral Amount at all times during the term of this Agreement. Grantor shall consult with Freddie Mac prior to designating any Valuation Agent or any successor thereto. Grantor shall notify Collateral Trustee and Freddie Mac immediately if there is no Valuation Agent because of its resignation, termination, discharge, replacement, removal, or any other circumstance.

Section 29. Certain Rights of Freddie Mac.

Grantor and Collateral Trustee acknowledge that each Beneficiary has granted Freddie Mac and its Permitted Assigns (as defined in the Rate Cap Agreement) a security interest in Beneficiary's Rate Cap Agreement in connection with a multifamily mortgage loan, and that Freddie Mac, acting in its capacity as a secured party with respect to the Rate Cap Agreement, may exercise all rights and remedies of a Beneficiary hereunder. The Collateral Trustee shall be entitled to rely conclusively upon the written direction of an authorized officer of Freddie Mac in the exercise by it of any of the rights and remedies of a Beneficiary hereunder upon such officer's certification that Freddie Mac is so acting in its capacity as secured party of such with respect to such Rate Cap Agreement. The Grantor and Collateral Trustee agree that Freddie Mac is an express third party beneficiary of the terms of this Agreement. Freddie Mac may assign its security interest in a Rate Cap Agreement in connection with a transfer of the multifamily mortgage loan. Upon receipt by the Collateral Trustee of notice of such assignment in the form of Exhibit E or F of the Rate Cap Agreement, such assignee shall be assume all rights of Freddie Mac hereunder with respect to such Rate Cap Agreement.

Section 30. Dispute Rights.

(a) *Independent Valuation Agent.* Freddie Mac or any Beneficiary may challenge any determination or calculation (each, a "Determination") made by the Calculation Agent or Valuation Agent (if any) by notice to the Calculation Agent (with a copy to the Collateral Trustee). Pending the resolution of such challenge, only the undisputed amount of the Aggregate Required Collateral Amount shall be Transferred by Grantor to the Collateral Trustee. After a challenge is made, the parties (other than Collateral Trustee) shall negotiate in good faith to resolve the dispute, which may include providing determinations and calculations from independent valuation consultants. If such negotiations do not produce a mutually acceptable result within two Business Days, the parties (other than Collateral Trustee) will negotiate in good faith to agree on a Reference Market-maker that will make such Determination; if they cannot so agree within three Business Days, each of the parties will promptly choose two Reference Market-makers to make a Determination. If more than three Determinations are provided, the Determination

will be the arithmetic mean of the Determinations, without regard to the Determinations having the highest and lowest values. If exactly three Determinations are provided, the Determination shall be the Determination remaining after discarding the highest and the lowest Determinations. For this purpose, if more than one Determination has the same highest value or lowest value, then one of such Determinations shall be disregarded. If exactly two Determinations are provided, the Determination will be the arithmetic mean of the Determinations. If fewer than two Determinations are provided, the Determination by the Valuation Agent (if any) shall prevail. Any Determination pursuant to this Section 30 will be binding in the absence of manifest error and will be made on the same day at approximately the same time. The costs of any Reference Market-maker called upon to make such Determination will be borne equally by the parties (other than Collateral Trustee), unless there is no Valuation Agent, in which case such costs will be borne by Grantor.

(b) "Reference Market-maker" means a leading dealer in the interest rate cap market that is independent of either party, selected by the party in good faith from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer to make an extension of credit and, to the extent practicable, from among such dealers having an office in the same city.

Section 31. Agreements by the Deposit Bank.

(a) U.S. Bank National Association, in its capacity as the deposit bank at which the Cash Account is maintained (the "Deposit Bank"), hereby agrees as follows:

(i) the Cash Account is maintained in the ordinary course of the Deposit Bank's business, (ii) the Cash Account is a "deposit account" as defined in the New York UCC and is not "investment property" as defined in the New York UCC and (iii) the Cash Account is not and will not be evidenced by an instrument.

(b) The Deposit Bank and the Collateral Trustee hereby agree as follows: (i) the Deposit Bank's customer is U.S. Bank National Association as trustee for the Beneficiaries under the Collateral Trust Agreement, dated as of May 8, 2014, relating to the SMBC CM Collateral Trust II, (ii) no person other than the Collateral Trustee has or will have control over the Cash Account and (iii) for purposes of Section 9-304 of the New York UCC, the State of New York is the Deposit Bank's jurisdiction with respect to the Cash Account.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.

America First Multifamily Investors, L.P.

Announces Funding of New Secured Credit Facility

Omaha, NE- July 13, 2015 – America First Multifamily Investors, L. P. (NASDAQ: ATAX) (the “Partnership”), announced today that on July 10, 2015, it entered into a third long-term secured debt financing facility with Freddie Mac utilizing Freddie Mac’s Tax-Exempt Bond Securitization or “TEBS” program (the “TEBS Financing”). Net proceeds from the TEBS financing totaled approximately \$82.2 million which was used to repay approximately \$37.5 million of principal and accrued interest on its line of credit with Bankers Trust, with the remainder available for liquidity and investment opportunities.

The TEBS Financing is a securitization of nine of the Partnership’s mortgage revenue bonds (the “Bonds”) and essentially provides the Partnership with a long-term variable rate debt facility at interest rates that will reflect prevailing short-term tax-exempt rates. The effective interest rate to be paid on the TEBS Financing is equal to the weekly Securities Industry and Financial Markets Association (“SIFMA”) floating index rate plus certain credit, facility, remarketing and servicing fees (“the Facility Fees”). As of closing, the SIFMA rate was equal to 0.04% and the total Facility Fees were approximately 1.3%. The derivative fees were approximately 0.2%, and the finance costs were approximately 0.5%, resulting in a total cost of this financing facility of approximately 2.0%.

In order to mitigate its exposure to interest rate fluctuations on the variable rate TEBS Financing, the Partnership also entered into interest rate cap agreements with Wells Fargo Bank National Association, the Royal Bank of Canada, and Sumitomo Mitsui Banking Corporation, each in an initial notional amount of approximately \$28.1 million, which effectively limits the interest payable by the Sponsor on Class A TEBS Certificates to a fixed rate of 3.0% per annum on the combined notional amounts of the interest rate cap agreements through August 15, 2020. For financial reporting purposes, the TEBS Financing will be presented as a secured financing.

“The closing of the TEBS Financing represents another significant transaction for the Partnership which will contribute to our ability to meet our strategic objectives,” stated Chad Daffer, Fund Manager. “With the closing of our third TEBS Financing, the Partnership’s cost of borrowing has been capped, through our hedging strategy, at a rate comparable to rates incurred recently by the Partnership.”

Under the terms of the TEBS Financing, the Partnership transferred all of the Bonds to ATAX TEBS III, LLC, a special purpose entity controlled by the Partnership (the “Sponsor”). ATAX TEBS III, LLC then securitized these assets by transferring assets with an outstanding principal balance of approximately \$105.4 million to Freddie Mac in exchange for tax-exempt Class A and Class B Freddie Mac Multifamily Variable Rate Certificates, Series M-033 (collectively the “TEBS Certificates”) issued by Freddie Mac. The TEBS Certificates represent beneficial interests in the securitized assets held by Freddie Mac.

The Class A TEBS Certificates have been credit-enhanced by Freddie Mac and were sold through a placement agent to unaffiliated investors. The gross proceeds from the sale of the Class A TEBS Certificates of approximately \$84.3 million were remitted to the Sponsor. The Sponsor retained all of the Class B TEBS Certificates with a total value of approximately \$21.1 million. The Class B TEBS Certificates are pledged to Freddie Mac to secure certain reimbursement obligations of the Sponsor to Freddie Mac. These obligations of the Sponsor are also guaranteed by the Partnership.

The holder of the Class A TEBS Certificates are entitled to receive regular payments of interest from Freddie Mac at a variable rate which resets periodically and reflects prevailing short-term tax-exempt

rates. Payment of interest on the Class A TEBS Certificates will be made prior to any payments of interest on the Class B TEBS Certificates held by the Sponsor. As the holder of the Class B TEBS Certificates, the Sponsor is not entitled to receive interest payments on the Class B TEBS Certificates at any particular rate, but will be entitled to all payments of principal and interest on the assets held by Freddie Mac after payment of principal and interest due on the Class A TEBS Certificates and payment of the Facility Fees and expenses associated with the TEBS Financing.

The TEBS Financing effectively provides the Partnership with variable rate financing based on the SIFMA floating index rate plus certain Facility Fees totaling approximately 1.3% per annum, while allowing it to continue to receive interest from its portfolio of multifamily housing mortgage revenue bonds. In order to mitigate the Partnership's interest rate exposure on the variable rate Class A TEBS Certificates, the Partnership has entered into interest rate cap agreements with three counterparties. The interest rate cap agreements carry an aggregate notional amount of \$84.3 million and are indexed to the SIFMA floating index. These agreements effectively cap at 3.0% the Partnership's exposure to increases in the SIFMA floating index on the notional amount of the agreements and, therefore, allow the Partnership to benefit from a low interest rate environment while protecting it from a significant increase in the SIFMA index.

The Partnership was formed for the initial purpose of acquiring, holding, selling and otherwise dealing with a portfolio of mortgage revenue bonds which have been issued to provide construction and/or permanent financing of multifamily residential properties. The Partnership has access to a long-term secured debt financing facility through Freddie Mac's Tax-Exempt Bond Securitization (TEBS) program. This financing facility has the advantage of providing the Partnership with long-term variable rate debt at prevailing short-term, tax-exempt rates.
