**About America First Multifamily Investors, L.P.**

America First Multifamily Investors, L.P. was formed on April 2, 1998 under the Delaware Revised Uniform Limited Partnership Act for the primary purpose of acquiring, holding, selling and otherwise dealing with a portfolio of mortgage revenue bonds which have been issued to provide construction and/or permanent financing for affordable multifamily, student housing, senior citizen residential properties, and commercial properties. The Partnership is pursuing a business strategy of acquiring additional mortgage revenue bonds and other investments on a leveraged basis in order to (i) increase the amount of interest available for distribution to our unitholders; (ii) reduce risk through asset diversification and interest rate hedging; and (iii) achieve economies of scale. The Partnership expects and believes the interest earned on these mortgage revenue bonds is excludable from gross income for federal income tax purposes. The Partnership seeks to achieve its investment growth strategy by investing in additional mortgage revenue bonds and other investments as permitted by the Partnership’s Amended and Restated Limited Partnership Agreement, dated September 15, 2015, taking advantage of attractive financing structures available in the securities market, and entering into interest rate risk management instruments. America First Multifamily Investors, L.P. press releases are available on the World Wide Web at [www.ataxfund.com](http://www.ataxfund.com).
